The Importance of Living

Chapter one of the story of life is written in the past tense. It is a tale of delight, a fantasy of our own authorship. The people are happy and friendly; the setting, pleasantly narrow; the incidents, gay and entertaining; the main character, the all absorbing, growing *I*. Its pages are crammed with a merry confusion of bicycles, ball games, books, proms, and lost fountain pens.

Chapter two of the story of life is written in the present tense. Stark realism replaces romance. The characters are often insecure and selfish. The setting broadens. The incidents expand to include the social and the economic, as well as the personal. The main character becomes *WE*. These pages are heavy with the bewildering problems of armed services, post secondary education, subsistence, atomic energy, social justice, and human liberty. Its theme concerns the eternal verities and a way of life.

Graduation signifies the end of the first chapter of our book, and the beginning of the second. Although all that precedes it is now indelible and final, its spirit and its lessons in the *IMPORTANCE OF LIVING* persist in chapter two, inspiring its authors and giving them hope of a happy and successful conclusion.

Dedication . . .

In appreciation of his
untiring efforts to orient us in a troubled world,
to encourage our future education,
and for his gentlemanly manner in assisting us
with the complex problems of youth,
we, the Class of 1952,
gratefully dedicate this Yearbook
to

The primary purpose of education is to promote the wholesome development of children. This is the true measuring stick for the acceptance or rejection of material offered for school use or for any suggested changes in pupils' activities.

Our Principal...

JOHN T. CONRAD

Principal

A master in the art of living draws no sharp distinction between his work and his play, his labor and his leisure, his mind and his body, his education and his recreation. He simply pursues his vision of excellence through whatever he is doing and leaves others to determine whether he is working or playing. To himself he always seems to be doing both. It is enough for him that he does it well.

In Memoriam

"He took time to live."

Bernard Paul Larkin, Chelmsford High School bandmaster from 1943 until his death on April 28 of this year, was born in Chelmsford on February 22, 1908, and lived most of his life in this town. He was the son of Mrs. James P. Larkin and the late James Patrick Larkin. From his father he inherited his musical ability and to him he was indebted for the soundness of his early musical training. Bernie himself was graduated in June of 1924 from Chelmsford High School, which he later served so devotedly.

As a musician Bernie had an innate gift for creative expression and a versatility which made him equally at home with classical, popular, or church music. His solo instruments were the saxophone and the clarinet, but he taught and played well all band instruments. In orchestral arrangements and in the organization of instrumental groups he excelled. He possessed a fine understanding of the music of the masters and a tremendous theoretical knowledge of music, combined with an extraordinary ability to instill enthusiasm in others. To his teaching he brought not only these rare qualities of musicianship, but also his rarer qualities as a man.

Boys and girls flocked to the Chelmsford High School band room not alone for the inspiration of music, but even more for the inspiration in the heart of the bandmaster. No trouble was too small, no dream too big, no demand too exhausting for his sympathy and understanding. This man made life, as well as music, an art. He enriched everyday materials and ordinary experiences with the sense of life's true and universal values, and these values he imparted freely. Bernie gave lessons in music and at the same time lessons in living. He taught what he himself was—simplicity and morality, generosity and godliness, tolerance and the love of the beautiful, devotion to church and charity to the poor, but perhaps more than all else, in all things he taught JOY. His smile was expansive, his voice hearty, and his whole life the creative expression of joyous fellowship. He loved people, old and young, rich and poor, fortunate and unfortunate, his family, his friends, his fellow workers, and his pupils. And because he loved, as he did everything else, with zest and exhilaration, so he was loved in return.

What Bernie gave cannot be overestimated, and in the lives of the hundreds of young people who have passed under his tutelage he is immortalized.

We....

Board of Editors

We who are the members of the editorial staff have *great expectations* for this, our Yearbook.

The class of 1952 has come along *main travelled roads* to this little *journey's end*, and now *outward bound* stands eagerly awaiting the future that lies *beyond the horizon*. Each individual heart, however, still feels itself withdraw *within this present* that is so familiar, so full of laughter, of little *strife*, and of *reaching for the stars*.

In time to come may the pages of this book recall the days when *our hearts were young and gay*. Ours is a *goodly heritage*.

We dedicate this book to the keeping alive of memories, in the hope that this wonderful time may never become for us *time out of mind*.

JUDITH ELLEN DRYDEN

Born—June 9, 1934

Died—August 16, 1949

IN MEMORIAM

Books are not to be judged by the number of their pages, but by the truth and the spirit that is in them revealed.

Judith's book of life was no dull prosy, pointless tale, but rather a flashing story of adventure, vivid with color, vibrant with animation. It was as brisk as her morning canter, as lovely, and as brief. It radiated joy.

Neither is life to be evaluated by the number of its days, but by the eternal truth and the spiritual beauty that is in it revealed.

The Chelmsford High School Athletic Association boasts a membership larger than that of any other school activity. Established for the main purpose of financing our many athletic teams, the board has, however, managed to instill a new and powerful wave of school spirit in the student body. Partly because of its large enrollment, the association has been able to bring sports to a larger number of pupils.

Early in the school year members at large elected the above classmates to serve on the association's board of representatives. Upon these pupils is placed the responsibility of carrying on the many social and fund-raising events sponsored by the association. All members of the board have gone about their duties in a sportsmanlike manner throughout the year. We feel that the whole school has been greatly benefited by their example. Cooperation and friendly advice are but two of the many services that faculty manager, Joseph P. Nolan, has contributed to the association, and all members are indebted to him for his help.

COACH—Mildred M. Hehir

Unrelaxing diligence and superior coaching by Miss Mildred Hehir have brought the Chelmsford High School cheerleaders of 1952 to the top of the ladder of success. By faithfully practicing and attending every game during the football and basketball seasons, they helped raise school spirit to a high level and individually perfected their own performance so that they were able to win first and second places at the Littleton and Hudson Tournaments.

Twelve schools including Westford, Townsend, Lunenburg, Groton, Tewksbury, Littleton, and Pepperell competed at Littleton. Judges based their decisions on timing, originality, appearance, and clarity. Each team was allowed only three cheers. Chelmsford girls, trim in maroon with matching gloves and miniature megaphones, demonstrated their ability to lunge, lift, and form pyramids. The captain, Nancy Greenwood, set a fast pace, and Joan L'Ecuyer with her acrobatics was an outstanding feature.

At the Hudson Tournament fifteen teams competed, including Marlboro, Framingham, Sudbury, Maynard, Milford, and Concord. Decisions were based on timing, originality, appearance, and organization. The cheering time allotted was from four to six minutes. In this competition Chelmsford lost first place by only one point to Marlboro, the defending champions, and proudly brought home the second of six trophies. They presented here, as everywhere, a splendid illustration of teamwork and the effectiveness of a whole-hearted determination to serve their school well.

Gridiron Grit...

Football

The Chelmsford High School football team of 1951 was capably captained by Rod Hunt and Dick Haberman and ably coached by Mr. Nolan and Mr. Ciszek.

Chelmsford eleven's first game was in the Concord jamboree, which resulted in a win over Wayland. After this favorable start, the boys opened their official suburban season by defeating Punchard. The next three encounters were unlucky. One game was lost to Johnson, one was tied with Tewksbury after a real battle on the goal line, and the third, played on our own field against Dracut, ended in the opponent's favor. The two following games brought happier results, for both Burlington and Wilmington went down in defeat.

The weather man played Chelmsford false on Booster Day; the parade was cancelled, and the game was postponed until the following Monday, when it was lost to Weston.

The most memorable game of the year was the one we played on Thanksgiving morning against Howe, and many an appetite for turkey was ruined that day. We mourned for the score and we grieved for the injured.

The season held victories and defeats for Chelmsford. But for the loss of players through injuries, we might have increased the victorious scores. We hope that next year's team under Ronny Yates and Don House will make our might-have-been their reality.

Play Ball...

Boys' Basketball

An inexperienced Chelmsford High School basketball team, Mr. Hicks' five, opened the season with a loss to powerful St. Mary's of Lynn. Our champion brothers, the alumni, handed us a second defeat to the tune of seven points. The new year brought suburban league competition and with Burlington and Howe meeting defeats, we led the league. Tewksbury was stopped and Dracut's hopes were crushed as our wins were growing.

A short rest from league competition found us playing host to Hudson, Maynard, and Methuen, adding to our record one win, and two defeats. Double victories were then scored on a young Wilmington club, and again Dracut and Tewksbury bowed to the sharpshooting of Haberman, Parkhurst, and Guerrero. A loss to Howe finished the regular season and a play-off which recorded another loss, entitled us to runner-up position in the league. Swinging into action at the Townsend Tourney, we stole the spotlight by topping Warren and Peterboro, N. H., by large scores. A final three-point defeat from Howe landed us in second place to finish out a hard fought season.

May Captain Teddy Crowe and his teammates play with Lady Luck under Mr. Hicks' capable coaching and win the championship in '53.

Girls' Basketball

The Chelmsford High School Girls' Basketball Team, having won fourteen out of seventeen games played, has closed the score book on a highly successful season and gives testimony of the capable coaching of Miss Ann T. Cordingly.

Captain Ginny Sawyer and her underclassmate, Barbara Hicks, controlled the forward court throughout the season, while Laura Pontefract and Bunny Warren patrolled back court with professional ease. With this winning combination, ten wins were recorded before defeat was met at the hands of a powerful Tewksbury quintet. In a re-match they again showed the perfection of teamwork and earned a tie position in the Suburban League. In the play-off required to determine the championship, they found themselves bowing to Tewksbury after a tiring, hard fought battle. Tourney play was excellent, but Lunenburg's five points made the difference, and the season ended with championship hopes deferred until 1953.

Hockey

It was with real enthusiasm that the girls of C. H. S. received the notice that there was to be a field hockey team. In the short training period which was available, Miss Cordingly fielded a team which was a credit to her and to the school.

The first game was held at the Concord Jamboree when our team, eager but inexperienced, lost to Wayland. The season's record resulted in an even split of two wins and two losses.

This spring the candidates for hockey will have the opportunity of early training. Future years will see a longer schedule for this girls' activity, which will be enjoyable for both players and spectators.

Baseball

The Chelmsford High School baseball team coached by the experienced Joe Nolan and captained by two naturals, Bill Hicks and Bill Yoachimciuk, added another excellent season to Chelmsford's baseball record.

In an opening exhibition game the team topped Lowell Trade with a score of 13-0. In the first League game Bob Carruthers pitched a no-hitter to give the home team another win. Johnson and Wilmington failed to score against our powerful club, and in a meeting with Burlington the first score was tallied against us, making the mid-season record Chelmsford 44—opponents 1. A close game was lost by a grand slam in the ninth inning to allow Methuen a winning edge. Nine wins, one defeat finished out a highly successful suburban league season. A loss to Hudson in a play-off game spoiled our chances to enter the Eastern Massachusetts Tourney. This completed the 1951 season with Chelmsford recording 118 runs to our opponents' 30.

We hope Jock Whitesides will captain his squad to a championship in 1952.

Faculty Adviser	Mildred M. Hehir

The Student Council, under the vigorous supervision of Miss Mildred M. Hehir, and now in its second year of existence at Chelmsford High School, has an imposing list of accomplishments to its credit.

Council members have met every week to attend to routine business, to discuss school problems, and to consider new projects for the welfare of the school. In periodic meetings these matters have been reported to the school.

To earn money for its various purposes, the Council has sold refreshments at football and basketball games, has sponsored the Booster Day dance, and has presented the second annual talent show, which is their most ambitious fund-raising project. From these sources came the money to buy sweaters for senior athletes and other student needs.

The Council has entertained visitors from other schools and has visited six other student councils in a search for new ideas to improve their own organization. Delegates also have attended the Massachusetts Student Council conference.

For major projects the Council has undertaken the management of the Red Feather Drive, and the March of Dimes Drive in the town of Chelmsford; the adoption of a needy family at Christmas time; the management of the Booster Day Parade and Dance; the selection and presentation of school assembly programs; the contest for a school mascot; and the selection of an assortment of sports apparel marked with the school emblem. In addition, work has already been started on a school handbook which should be ready for publication in the fall.

It is hoped that the student body at large is properly aware of the tremendous amount of work done by their elected representatives on the Council and of the exhaustless energy which their adviser has expended in assuming such heavy responsibilities in so many different projects.

Music to My Ears . . .

Glee Club

The Boys' and Girls' Glee Clubs have brought to a close another successful year, and many gatherings, both in school and out, are indebted to these choral groups. The membership was large, and the November operetta presented in the auditorium was particularly well received. The clubs appeared at the Bedford Hospital in December and in February Carolyn Reis, Avis Hulslander, Philip Silk, and Alan Walker went as representatives to the Framingham Music Convention.

Miss Littlehale is to be complimented upon the excellent tonal quality achieved by these fine groups, as well as upon their intelligent rendition.

Red Badge of Courage . . .

Junior Red Cross

Another successful year has been completed by the Junior Red Cross under the experienced leadership of Miss Scoboria.

The following officers were elected in the fall meeting:

President	Ruth Crowley
Vice-President	Larry Litchfield
Secretary	Claire Belanger
Treasurer	Joan Hamel

Homeroom representatives:

Charles Messer	Marcia Cooke
Malcom Kydd	David Dutton
Dona Provencal	Lois Dupee
Judy Fisher	Lee Blott
Carol Abrahamson	Bette Buchan
Joan Vennard	Doris Mosley
Judy Walker	Lillian LeBrun
Carol Sutherland	Albert Wainwright
Hazel Mello	Charlotte McLaughlin
Bobby Adams	Roy Zaberick
Margaret Arsenault	Norma Calvetti

Many enjoyable hours were spent preparing books of cartoons and cross-word puzzles, and Thanksgiving and Easter posters to be sent to the servicemen and hospitalized veterans. The preparation of a Chelmsford High School scrapbook designed for teenagers in a foreign country was a completely new and interesting project.

A meeting of all Junior Red Cross officers of the Lowell area was attended by Joan Hamel and Ruth Crowley. Mrs. Thomas McSorley, director of the Lowell Junior Red Cross, spoke at the November Junior Red Cross Assembly. Moving pictures also added interest to the Red Cross program of activities.

Dictators of The Baton . . .

Baton Twirlers

With the opening of the fall term the Chelmsford High School Baton Twirlers strutted into prominence with Miss Mildred Hehir as director, Ruth Crowley as the captain, and JoAnn Foster as drum majorette. This section of the band has developed new skills and routines which have earned them a reputation as a precision unit.

In gay gabardine uniforms of maroon and white, the twirlers added to the festive appearance of the football games. They also won favorable comment upon their appearance in the Memorial Day parade, the Lowell Field Day parade, and in maneuvers at our own Field Day.

In addition to the fine showing made by the Twirlers as a group, Mary Gonsalves has won individual honors in public competitions.

Music for The People . . .

Band

Bernie Larkin's Chelmsford High School band has continued in its own tradition of excellence for another school year.

Practice in a newly sound-proofed bandroom has developed new skills, which have been displayed at school assemblies, football games, Grange meetings, and band concerts in all sections of the town. The band played at the Lowell Field Day, at Chelmsford Field Day, and Sports Night observances, at the Dracut 250th Anniversary Parade, and at the Notre Dame May Festival.

Band members agree that the most grueling schedule of the year came on Memorial Day when in the space of a few hours they participated in three parades and presented a full concert program. The happiest occasion was the annual Christmas caroling for shut-ins, climaxed by a dinner party at the North Chelmsford Congregational Church. The high light of the season was, as usual, the Annual Band Concert in the school auditorium, when this fine organization scored its usual hit. All in all, our school would do but poorly without its band.

The Lamp Lighters Club has in its second year of existence proved itself again to be a valuable asset to the Chelmsford High School education program. Teachers and pupils alike recognize the value of audio-visual aids in the learning process. The Lamp Lighters Club, ably directed by Mr. Healey, has assisted our faculty in planning and using these aids in the classrooms. Their services include ordering and returning films, paying postal fees, and taking charge of the operation of film projectors and the tape recorder. The members of this organization are to be commended for having so unselfishly given their time and effort to promote and advance the use of audio-visual aids in Chelmsford High School.

One of the busiest and most enthusiastic groups in Chelmsford High School is the newly organized Press Club, which has served the public and the school alike by releasing weekly information concerning school interests and activities. This year's membership has been limited to seniors in order to create a compact and easily functioning unit. Membership includes writers and typists, who have by their cooperative effort sent out sometimes as many as six releases a week to the press. Their articles have been published in the *Lowell Sun* and *Sunday Sun*, the *Chelmsford Newsweekly*, and the *Lowell Sunday Telegram*.

Although little or no time has been available for group instruction in journalism, the Press Club has energetically carried on its work with the benefit of individual guidance. The members realize that their success has been due to the resourceful and competent direction of Mrs. Carriel whose knowledge of English and choice of words proved invaluable.

This I Remember . . .

As a freshman—

the bewitched, bothered, and bewildered class of '52 on the first day at high school—the new display of girls' pocketbooks—taking home our first (and in some cases, our *last*) homework—excitement when the football team won two games to break a jinx—amazement at Miss Booth's first absence in seventeen years—the initial shock of the sneeze in room 5—our panic when Mr. Burns demanded of his algebra class, "Are you asking me or telling me?"—Peter, the Eighth—Miss Hehir's Mehitabel—"I hate sneaks, liars, cheats, and thieves!"—Miss Booth's Roman jokes—Dick Guerrero's name once inscribed on the honor roll—the terror of the first fire gong—ribbons and odd socks on Ribbon Day—Mrs. Poland's pulling "the eye" apart—Miss MacBrayne's suggested substitute for the kissing-wall epidemic—the beginning of lunch room trouble.

As a sophomore—

the arrival of Rod, Jesse, and Brad—the sophomore float flop—strains of "Daisy, Daisy" wafted from room 30—marks on the down grade—"All Gaul is divided into three parts"—elections for representatives to the new A. A. Board—was it peroxide that streaked the girls' hair?—the chalk fight in room 30—the Dracut-Chelmsford play-off game at Nashua—Miss McCarthy's pupils standing on their own two feet—Miss MacBrayne as Brutus stabbing Jesse as Caesar—continued lunch room trouble.

As a junior—

going to work with Mr. Conrad—seven new faculty faces (Mr. Conrad, Mr. Bradley, Mr. Holden, Miss Nelson, Miss McCue, Mr. Finnigan, and Mrs. Jewett)—the battle that started the war known as Class Meetings—new activities galore—Student Council, Press Club, Lamplighters, freshman and sophomore elections—the new paint job—the tremendous orchestra at our successful first dance, "The Hit Parade"—Gary, the Ninth—sore throats as we cheered our three-titled champs through the Suburban League title to honors in the Townsend Tourney and on to the glory of championship of the Class C division of the Tech Tournament—Christmas carols in the hallways—midget desks in room 30—faculty vs. student softball game—the new desks in the art room!—Guidance—the return of some from the visit to the Concord Reformatory—Mrs. Poland's upsairs move—our cherished class rings at last—the bang that ended the year in room 10—the arrival of Peggy, Sy, Wallie, and Ginnie—bigger and better lunch room troubles.

As a senior—

the excitement of elections—the "Shipwreck" and the Christmas Hop—class pictures—Pygmies in room 20—"peaceful" class meetings—feminine sighs upon the arrival of Messrs. Healey, Dunigan, and Cizek—the new Chevrolet for Driver Training—Miss Cordingly's arrival—Health Assemblies—the terrific Thanksgiving struggle that landed Habie in the hospital—the valiant efforts of Jock to collect class dues—three heartbreaking play-off games for the boys' and girls' Suburban League titles, and for the boys' championship at the Townsend Tourney—wee hours on Prom night—double-header victories for the cheerleaders!—the *best* class trip and the *best* class day in Chelmsford annals—forever lunch room trouble—graduation tears.
