CHELMSFORD

MASSACHUSETTS

## Foreword

This, your 1959 LION, is a memorial of your years at Chelmsford High, a reference book of your classmates and activities, and a tribute to your teachers' leadership.

The goal of this yearbook is to enable you, the Class of '59, to relive in future years the football victories, the Senior Prom, the reading of *Macbeth*, the scholastic achievements, and the many other activities whose memories are dear to every senior.

We of the staff hope that you will find in the 1959 LION, now and in 1969, '79, and many years thereafter, a basis for . . . *Pride in the Past, Faith in the Future.*

# *Dedication To...*

In acknowledgment of . . .

her genuine friendliness and understanding,  
her patient and helpful instruction,  
her enlightening knowledge of English and dramatics,  
her ceaseless and untiring work in behalf of our class,  
its activities, and its problems,

we,

the Class of 1959,  
dedicate our yearbook,

**THE LION**

to

**MISS MARTHA F. KINNEEN**

Class Adviser, Admirable Friend

## *Editorial*

As *THE LION*, fresh off the press, is placed in your hands, we seniors, the Class of 1959, are approaching that point in our careers, long anticipated and strenuously sought, when we shall enter a new world — an adult world of conflicting philosophies and ideologies, of rapidly expanding frontiers, and of unusual and unlimited opportunity. Our schools and our parents have attempted, day by day year by year, to aid us in preparing for this adventure. How we ourselves have made use of this help to develop to the fullest our talents, whatever they may be, will determine how we face the future and what we make of it. We certainly have a challenge today.

Our high school building, at the same time, faces a new course in its life. Since 1916, it has given praiseworthy service to the youth of Chelmsford. Next year Chelmsford High School will be housed on North Road, and our old cherished building, from which we shall be the last to graduate, will become the home of the junior high pupils. With all conflicting emphasis and expanding programs in education today, our "old friend" has a challenge for the future as great as ours.

As Chelmsford High School and the Class of 1959 stand together ready to go forward, they look back at crises safely passed, at difficult tasks surmounted, at honors worked for and won, and then they move onward with confidence for they have — **PRIDE IN THE PAST**

**AND**

**FAITH IN THE FUTURE.**

I never said that . . .

At it again . . .

Would you believe it . . .

Hay, foot, straw, foot . . .

The relaxing hour . . .

I lost my head . . .

In the case, please . . .

Did you hear what I said?

That isn't business like . . .

Qui . . .

Is this where I locate 'em?

The boys . . .

Hurry . . . we're late

Coffee break . . .

You need to keep up-to-date.

In this our graduation year of 1959, we are destined to leave Chelmsford High School and our fellow classmates to go our separate ways. During these four years we have worked together, laughed together, and studied together — in fact become part of one another. Strange as it now seems, there will come a time when we will no longer be able to recall the cherished memories of our youthful adventures at Chelmsford High. Thus, as we turn the pages of this yearbook, we will recapture the exuberant spirit that makes life truly worthwhile.

# The Athletic Association

## TO FURNISH THE FUNDS .....

The Chelmsford High School Athletic Association, through its homeroom representatives, carried on a successful drive for members. To be a member, a student must purchase an A. A. ticket which has a two-fold purpose: it provides the student with an opportunity to attend and support all home games of all sports, and it provides the athletes with the equipment and supplies necessary for their successful participation in all sports.

In the future, home room representatives will be called upon to take a more active part in the athletic program as score keepers, school record keepers, reporters, ushers, and the like with our expanded program in our new school.

Mr. Ernest R. Shepard, Faculty Manager, and Mr. George Simonian, Athletic Director, have capably guided the course of this important organization.

## *Cheerleaders*

### OUR INSPIRATION .....

The cheerleaders of 1958-1959 have completed a praiseworthy year. During the football season, they looked exceptionally smart in their maroon plaid kilts, charcoal sweaters and knee socks, spotless white bucks and gloves as they led the crowds of enthusiastic students in rousing cheers that spurred our team on to a successful season.

During the basketball season, the cheerleaders wore simple, one-piece maroon uniforms with again those spotless white bucks and gloves. Because of a new ruling by the Basketball League, the girls were divided into two separate squads of six cheerleaders each. These squads, one led by Co-captain Bonnie Buchan and the other by Co-captain Deborah Watson, alternated on Tuesday and Friday nights. A third squad, consisting of the three alternates and led by Marsha Weeks, cheered for the afternoon games of the girls.

On the courts, the cheerleaders performed many new and interesting cheers which won the applause and loyal support of the crowds both for themselves and the team.

The cheerleaders would like to thank their Co-captains, Bonnie Buchan and Deborah Watson, for their dynamic leadership; their Coach, Miss Margaret Kavanagh, for her expert guidance; and their "Lion," Kathryn Bernacki, for her skilled portrayal of the school mascot.

## THE ROARING LIONS .....

The 1958 Chelmsford High School football team, led by Co-captains Ira Parks and John Scaplen and capably trained by Head Coach Joseph Nolan and Assistant Coaches Frank Hill and Henry McCarthy, has maintained Chelmsford High's good football record and completed another successful season.

Chelmsford opened with a 60-22 victory over Dracut. The following week the Lions were defeated, 12-8, by Burlington. This loss broke Chelmsford High School's sixteen-game winning streak and for Burlington was one win in the succession of victories which gave them the Suburban League trophy which Chelmsford held last year.

The next two games proved successful in which our team defeated Wilmington 34-6 and Ipswich 32-8. Then Winthrop, a Class B powerhouse, sent the Lions down to defeat by a score of 22-12. Undaunted Chelmsford came back strong the following week to take Tewksbury 28-12.

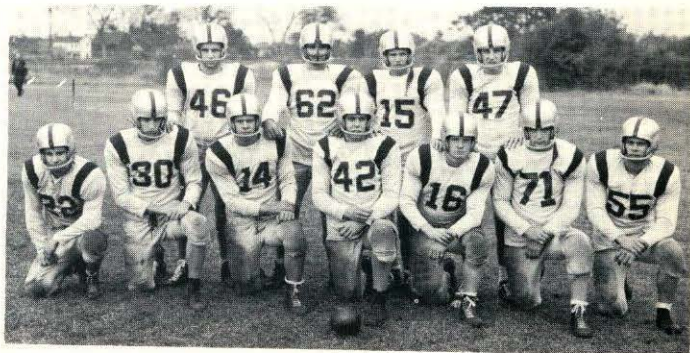

In the annual Thanksgiving Day classic, the Lions were forced to accept defeat, 12-6, in a close, hard-fought game with Billerica.

The members of the 1958 football team wish to express their sincerest appreciation to all those who helped them in any way. Their thanks go, particularly, to their coaches, Mr. Nolan, Mr. Hill, and Mr. McCarthy, for their patience and perseverance during practice, their skilled guidance, and their inspiration, which were the basis of all the team's success. To the Chelmsford Boosters, also, the boys wish to say a special "thank you" for their contributions to a successful year.

The '58 eleven wishes the '59 eleven, under the leadership of Edward Hall, David Kydd, and Roger Blomgren, many happy touchdowns and a championship year.

## WATCH THE GOALIE! .....

The Chelmsford High School Girls' Field Hockey Team finished its 1958 season undefeated. Under the able coaching of Miss Carol J. Murphy and the efficient leadership of Co-captains Ruth Hayes and Donna MacLean, the girls played with skill, enthusiasm, and true sportsmanship. They certainly deserve the fine record that they compiled by playing like winners in every sense of the word. The team scored twenty-two goals while the opposition only scored four against Chelmsford during the entire season. The co-captains were ably assisted by Lea Auger, Pauline Auger, Ruth Boumil, Susan Johnson, and Lois Reid, all members of the senior class.

The Junior Varsity also deserves mention for the fine season they played. They ended their season with three wins, no losses, and two ties.

The best of luck to Co-captains-Elect Linnea Peterson and Sue Benoit.

## THE WOMEN BEHIND THE BAT .....

Softball this year has "grown up;" it is now recognized as a major sport. For many years at Chelmsford High School, softball has been a major sport in the minds of the girls who splashed around in the water and mud of the field back of the McFarlin School. As they pitched, swung at balls, ran bases, and in general had a good time, softball was a vital part of spring.

No condition has changed—now the field is still muddy, the girls still have fun as they hit the ball or strike out—but to have softball recognized as an equal of all the other athletic activities gives the players and Coach Murphy great pride and satisfaction.

# Boys Basketball

*HOOPSTERS ALL!*

With the completion of the 1958-59 basketball campaign, another creditable record has been compiled by the Chelmsford High School basketball team. Although not always on the winning side, the C. H. S. squad never quit, never gave up for a moment.

Under the experienced coaching of Mr. Murray B. Hicks and captained by Thomas Trainor, the team produced many exciting moments for the C. H. S. fans. Probably the best game of the season was with North Andover, when the deciding baskets were scored in the last minute of the game. Close games with Wilmington and Billerica kept the spectators jumping and shouting on the sidelines. Finishing with a record of 5-7, Chelmsford stands third in the Lowell Suburban League.

The 1959-1960 season will open with eight of the eleven members of this year's varsity squad returning. These boys aided by the 1958-59 J. V.'s and led by Captain-elect Joseph Spinazola should have a championship club.

# Girls Basketball

*MANY A BASKET* .....

Under the spirited leadership of Co-captains Pat Paduch and Lois Reid and the fine coaching of Miss Carol J. Murphy, the girl's basketball team completed a successful season.

This year the varsity and junior varsity teams played their games in the afternoon. This schedule was adopted to give more girls the opportunity to play and to provide more time for the girls to meet their opponents on a social as well as a competitive basis.

The co-captains were aided by Lea Auger, Ruth Boumil, Ruthie Hayes, Linda Lupien, and Donna MacLean, who were also members of the senior class.

As the 1959-1960 team is shaping up well, we have confidence of a championship squad next year, Co-captained by Norma Bell and Judith Harrington. Good luck, girls!

*PLAY BALL* .....

Another successful baseball season was completed by the '58 Chelmsford High School squad. Under the experienced coaching of Joe Nolan and Gene Macomber and ably captained by Pete Vennard and Ronnie Bell, the team completed a creditable record. With victories over every team in the league, the Chelmsford High nine rolled to another Surburbah League title. The team participated in the Eastern Massachusetts Baseball Tournament where they lost their quarter-final game to a strong Woburn team.

Since the yearbook goes to press before the start of the '59 baseball season, all we can do is to wish this year's team and their Captain, Connie Stone, high averages for pitching, fielding, and batting.

# Cross Country

## IN THE RUNNING .....

Under the capable direction of Mr. George Simonian, Chelmsford High School's Cross Country team was organized for the first time this year. Mr. Simonian, athletic director, hopes to start a track team in the near future when the facilities of the new school will be available.

This year only two events were entered by the team; one, at Bedford and the other, at Andover. From these events the boys acquired much experience that will aid them in the future.

The members of the team include:

Philip Currier  
Edward Holmes

Kenneth Kimball

LEADERS

### TO LIVE AS BROTHERS

Give us, Lord, a bit o' sun,  
A bit o' work, an' a bit o' fun.  
Give us all in th' struggle an' sputter  
Our daily bread an' a bit o' butter.  
Give us health our keep to make,  
An' a bit to spare for our folks' sake.  
Give us sense, for we're some of us duffers,  
An' a heart to feel for all that suffers.

Give us, too, a bit o' song,  
An' a tale, an' a book, to help us along.  
An' give us our share o' sorrow's lesson,  
That we may prove how grief's a blessin'.  
Give us, Lord, a chance to be  
Our goodly best, brave, wise, and free;  
Our goodly best to ourselves, and others,  
Till all men learn to live as brothers.

—Allen Clark, Blackpool, England

### PLEASANT THOUGHTS

I want to remember lovely things:  
A baby's smile, a butterfly's wings;  
An evening star, the blue blue sky;  
A crystal snowflake, clouds so high;  
Sweet notes of birds, a sunset glow;  
Refreshing showers, soft winds that blow;  
To keep the storehouse of my mind  
Full of thoughts that make me kind.  
Lovely thoughts to live with me;  
making my life a rhapsody.  
When youth's gay pleasures have passed by,  
Sweet, happy thoughts must never die.

The Student Council, since its organization in 1950, has attempted to do everything in its power to make our good school better. This year the Student Council has continued to develop a very active program under the leadership of President Mary Ann Kennedy and under the competent direction of Miss Mildred Hehir and Mr. Donald A. Hankinson.

Various activities were undertaken by the Council. It sponsored the adoption of a family at Christmas and purchased gifts from student contributions. Toys were collected for distribution to twelve families. Members sold book covers displaying the C. H. S. Lion, and refreshments were sold at all home football games. The United Drive and the edition of a school handbook were two major projects. Suitable assembly programs were selected for the student body.

Student Council members attended conventions to seek information, to gain inspiration, and to have fellowship with other schools. Thus, the Council has given another active and profitable year to the life of the school.

The Chelmsford High School Chapter of the National Honor Society, under the guidance of Miss F. Christine Booth, has now completed its seventh year. The purposes of this organization are to arouse interest in and respect for scholarship and service, and to cultivate leadership and character. Eligible juniors and seniors are installed at an impressive ceremony in April before the entire student body and the candidates' parents.

In the fall, the Chelmsford chapter ushered at our "open house" and conducted a profitable cake sale. Four members, Roger Swallow, Lois Nichols, Robert Watt, and Ruth Boumil, with Miss Booth, attended a National Honor Society conference in Lexington. This was part of a new program to create more contact among honor societies and to give opportunity for greater exchange of ideas.

Two senior members, Robert Watt and Prudence Cook, became finalists in the National Honor Society scholarships and a junior, Nancy Holmes, received honorable mention.

As it is a great privilege to belong to this organization, membership in the National Honor Society should be the goal and aspiration of every student.

A very successful annual membership drive was held in March.

The club's poster committee, under the direction of Judith Wyman, has been hard at work making posters for the Bedford and Tewksbury State Hospitals. This year Halloween, Christmas, Valentine, and Easter posters have been sent to these hospitals. "These posters help to bring a bright touch of holiday spirit to the otherwise drab hospital wards," commented the Lowell chairman of the Junior Red Cross.

The scrapbook committee, with Margaret Murphy as chairman, has decided to send its book to Switzerland this year. The scrapbook, which this committee designs, describes our school so that people in other countries can compare their school life with ours.

Another committee, with Mary Pigeon as chairman, has been busily preparing cartoon books for the Bedford Hospital.

Spring was "sprung" early this year as a bevy of industrious amateurs put together their talents, time, and tricks in an effort to score another successful hit with the Dramatic Club's annual production.

This year's play, *We Shook the Family Tree*, by Hildegard Dolson, produced under the direction of Miss Martha Kinneen, was a comedy based on the trials and tribulations of a father's frantic antics to prove to the world that his family was normal. Knickers, worms, beauty packs, love letters—all these tickled the audience's funny bone; but, alas, poor father did not succeed.

Who'll forget the old refrains, "No, no. Not 'What cha doing?' but 'What are you doing?' or 'What *are* you doing?'"

"Jest cuz he's not doing it, don't mean I ain't!"

"Oh, no!"

"Yikes, I got paint all over my shirt!"

"Ye gads, here comes the photographer!"

"Ha! Ha! Who has to wear that silly outfit?"

Actors, stagehands, prompters, construction crew, and MISS KINNEEN—yes, these and more deserve credit for a job well done.

Desire for greater knowledge of mathematics and recognition of the need for increased facility in the use of mathematical processes has resulted in the organizing of the Chelmsford High School Math Club under the guidance of Mr. Stanley Suchodolski. "Mr. Suche," as he is known to the students, is ably qualified to lead the members of the club in a review of the fundamentals of mathematics already acquired and in the presentation of the principles of more advanced mathematics. The review tends to increase the retention of math by the student and, combined with the new material, enables the student to better qualify himself for the future.

There is only one qualification for membership in the Science Club. Each member is expected to construct an exhibit for the Annual Science Fair. Members broaden their scientific understanding and develop wholesome skills while building these projects in their leisure time. As they are given no outside help, all the ideas and work are entirely their own. Since each individual excels in one particular field on science, the exhibits are varied and interesting.

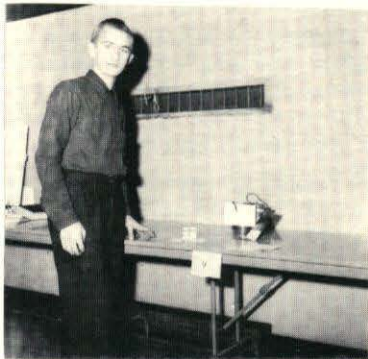

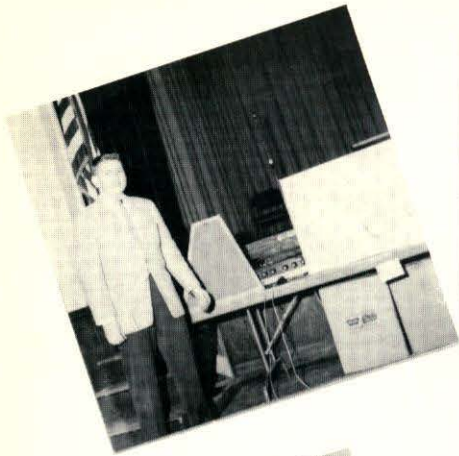

Ablly guided by Mr. George Simonian, the Science Club adviser, members held the most successful science fair to date on March 5, 1959. Five winners were chosen to represent Chelmsford High School at the Lowell Sun-Lowell Technological Institute science fair, Technorama III, held at Lowell Technological Institute on March 21-22, 1959. These winners were first, Anne Golubisky for "Peptic Ulcer Therapy;" second, Vaughn Hadley for "Repulsion Coil;" third, Nancy Holmes for "Geiger Counter;" and fourth, Gerald McBride for "Study and Preservation of Ice Crystals" and Ronald Engel for "Listening in Depth."

The Science Club meets on alternate Wednesdays to see movies or discuss various phases of science. A spring field trip is part of the club program.

Science Club members recognize Mr. Simonian as an outstanding leader and organizer who has stimulated interest in research and has encouraged scientific curiosity and independent experimentation.

The drum majorettes, snappily outfitted in their maroon uniforms and plumed hats, have added much color and sparkle to our pep assemblies and football games. ## MUSIC HATH CHARM . . .

Under the efficient tutelage of our new director, Mr. Henry Karl Baker, the C. H. S. band has ended a most successful season.

This year's activities included adding music to football games and assemblies, Christmas caroling for the town's "shut-ins," and participation in the Northeastern Music Festival in Belmont during May. Several months' preparation culminated in a most successful spring concert, and finally the Memorial Day Parade and graduation completed a fun-filled and profitable year for the band.

Our thanks and appreciation go to our new leader, Mr. Baker, for his capable direction and patient instruction.

## ON THE WINGS OF SONG .....

The Chelmsford High School Glee Club under the direction of Mr. Henry K. Baker met weekly for practice and has developed into a well-blended chorus.

Their major activities this year have been the Christmas assembly and the spring concert.

At Christmas the group sang "Winter Wonderland" and "White Christmas."

For the spring concert they sang "Were You There?," "Ave Maria," and "Walk Hand in Hand."

We are fortunate to have such a fine Glee Club at Chelmsford High School.

## Driver Education

*ALL IN THE INTEREST OF SAFETY* .....

Driver Education is one of the most popular programs at Chelmsford High School. Through the skillful instruction of Mr. George Klesaris, many students have been given the opportunity to acquire the fundamentals of mechanics and the rules of the road in the classroom, and actual experience in driving our school car on the road. As a result, many juniors and seniors are now proudly displaying to their parents and to the townspeople, through their safe driving, that they are worthy graduates of this course and have truly earned the right to have a license.

For those students who have their licenses already, there has been presented a new program adapted to their needs—the understanding of the problems of drivers and the developing of proper attitudes toward them.

Chelmsford High School, its teachers, and its students are working toward—Safe Driving through Safe Drivers.

Listen, Joe!

You must be kidding . . .

Like what?

They'll never catch us

You wouldn't . . . Oh, yeh?

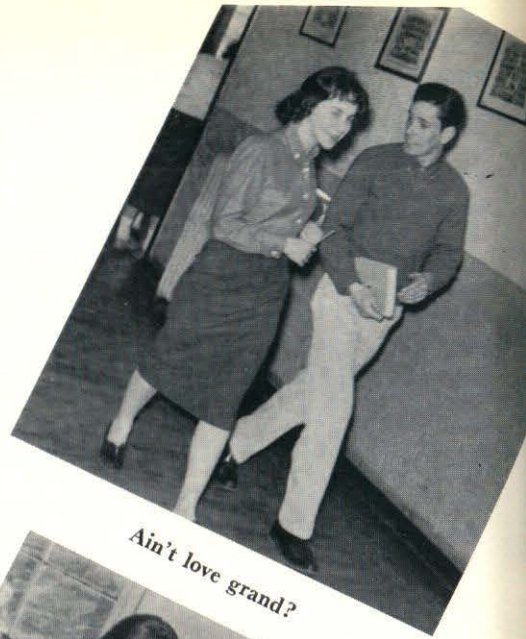

Fire!

Tic, tac, do

Later, boys . . . later

Ain't love grand?

Ring . . .

Don't you care?

Oh, what you said

What's this jazz?

Knights of the square table.

Yakiky—yak

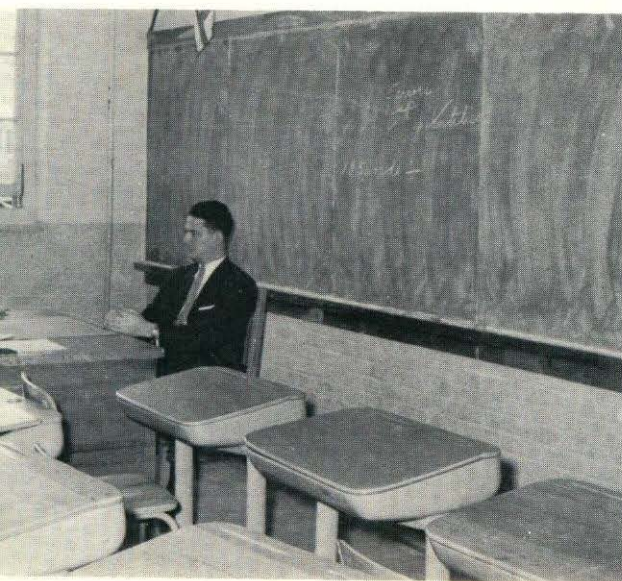

May we help you?

We wuz framed . . .

To the President!

Nobody loves me

Choir rehearsal

Straighten your ties...

She hates me...

Pay attention...

Woo, Woo

What's new?

Zoo parade...

THINK

H'mm...

Gosh, I'm hungry...

Bedlam...

And you tell her...

Would you sharpen my pencil?

Future voters...

Enough is enough...

The first triumvirate
