If I had my life to live over,
I would relax more.
I wouldn't take so many things
so seriously.
I would take more chances
I would climb more mountains,
and swim more rivers.
Next time . . .
I'd start barefooted earlier in
the spring and stay that way
later in the fall.
I'd go to more dances.
I'd ride on more merry-go-rounds,
I'd pick more daisies.

Two roads diverged in a yellow wood,
And sorry I could not travel both . . .
I took the one less traveled by,
And that has made all the difference.
Robert Frost

"Nothing is so contagious as enthusiasm; it moves stones, it charms brutes. Enthusiasm is the genius of sincerity and truth accomplishes no victories without it."
Bulwer-Lytton

Today is forever . . . Time like the seasons quickly slips by . . . leaving us with memorable moments.

Hold on to those moments by reliving the minutes, the hours, and the days with us.

Time is but the stream I go a-fishing in. I drink at it; but while I drink I see the sandy bottom and detect how shallow it is.

Its thin current slides away, but eternity remains. I would drink deeper; fish in the sky, whose bottom is pebbly with stars.

Leaf back through the album of time . . .
Re-enter that world you shared and see them all
as they appeared to you then . . .
remembering high loveliness hovers in time

and is made of passing moments.
I have kept high moments . . .
they go round and round in me.
Carl Sandburg

Reflections . . .
of a time . . .
of a place of people

This strange generation exists
between sleeping and waking. It
holds in its hands the soil of
the past and the seeds of the future.
Kahlil Gilbran

Over the past two years, yearbook deadlines have come and gone, as have staff members, but Mrs. Winterson has been a constant inspirational force behind the Lion.

The staff of the 1979 Lion would like to express its gratitude to Mrs. Denise Winterson, so we therefore dedicate this yearbook to her.

During the period of time which has passed between the years of 1978 and 1979, a tide of events have occurred which have directly or indirectly affected the world which surrounds us, and the one in which we will encounter as we enter college. These events were wide spread, and although they occurred often in politics, the areas of movies, sports, religion, theater, and music did not go unaffected. For instance, we listened as Carter, Sadat and Begin spoke of peace, while the Iranians and Arabs spoke of civil war and oil embargos. We watched as the incumbent governor bowed to the newly elected Governor King, and prepared ourselves for a drastic change in political ideas. We had a taste of college life as the movies brought us Animal House and the newspapers told us that college enrollment was declining while college costs were skyrocketing. We hoped again that the Red Sox's could win this time and prepared ourselves for Super Bowl VIII. We saw the death of Pope Paul and the 32 day reign of Pope John Paul I, and we survived his death, and elected the first Polish Pope in centuries. Finally, the theater brought us the productions of Annie and the attempt to return to the 50's and forget the 70's when they released the production of "Grease." In general 1978 and 1979 were years of changes, in every field imaginable. The years brought us the people, the places, the talkers and the listeners. We said hello to some old heroes, were introduced to some new ones, and said goodbye to the long standing ones we'll remember.

But perhaps the greatest thing the events of 1978 and 1979 showed us was, what could happen if we worked together, as we did at Camp David and what could happen, as it did in Guyanna, when one man worked alone.

1978 and 1979 were important years. Ones that we will remember when we look back again sometime.

Cheryl Ludwig

This book already contains our memories. We are viewing the way we were. It will be used to reflect on our past. Our past is Chelmsford; our future undetermined. Hopefully, it will put our future into focus.

We have had the privilege of being educated at Chelmsford High School where a sense of purpose exists for the students. This book will continue to crystalize, for all of us, the people, the events, and the atmosphere that were prevalent here in 1979.

Our attitudes have been shaped by our gathering and growing in this special place. We have been carefully guided at Chelmsford High School so that we will all be prepared to venture and meet challenges when we leave here. Filled with fact, fancy, and hope, this book is part of our legacy and will be a warm place for all of us.

For the present, we have our comradarie and our roots. Some of us will remain in Chelmsford and nourish these feelings, others will leave temporarily, and still others will travel far never to return. However, these pages will draw from us the same feelings tomorrow as they do today. God bless all of us.

This was the first season and, hopefully, the start of a great swimming and diving tradition at Chelmsford High School. We won five meets and lost three, but meets were only part of our season.

We will long remember — captains Betsy, Lisa and Lisa; beating Bedford; our new suits; our banner; pictures in the paper; getting lost and eating well in Lexington; the van; pictures in the paper; diving off a Coke can; the 400 at the sectionals; "Get off the D bottom"; our four seniors; and the 400 at the state meet.

Thanks to all of those people who worked so hard and so long to bring the sport of swimming to Chelmsford High.

The Spanish Honor Society is devoted to the recognition of outstanding achievers in Spanish and to the promotion of the culture and language of Spain and Hispanoamerican countries in this school. Because we are not a club, but a society, we meet only a few times a year to discuss pertinent issues, elect officers and initiate new members.

National

The Chelmsford Chapter of the National Honor Society is one of more than 20,000 member chapters around the world. Formed in 1920, the National Honor Society chartered the local Chapter in 1958. The goals of this organization are to create enthusiasm for scholarship, to stimulate a desire to serve, to promote worthy leadership, and to encourage the development of character in pupils of Chelmsford High School. By advocating high standards of scholarship, service, leadership, and character which are bound in a moral and ethical framework, the membership of the National Honor Society helps to counter the many negative forces in school today.

Student Congress was established in 1927. Last year, Student Congress members ran the concession stand at home football games and held a gong show along with the senior class. All funds received by Student Congress are used for scholarships towards worthy graduating seniors. Student Congress also participated in the town's Cancer Society and Heart Drives. We hope that this year is a very successful one.

The Key Club does not make keys! But, in fact, it is an international organization that is designed to develop in today's youth, leadership, confidence, awareness, and a sense of service. In past activities, the Key Club has helped to test eyes at a clinic for pre-schoolers, assisted at a Junior Olympus for retarded people, and generally has done such things that would better life in this community. However, that is not to say that there aren't any fun times in the club. We have numerous fundraising activities, inter-club meetings, parties, and other enjoyable activities. To sum everything up, the Key Club is a fun, active organization that provides service for all people in the community.

The Outing Club members enjoy and appreciate the out of doors by participating in different trips arranged during each season of the year. From these trips, the members experience and learn about outdoor life. The different trips this club takes are: camping, cross-country skiing, biking, and hiking. The Outing Club enables students and teachers to work together in harmony with each other and nature.

The goal of the Varsity Club is to support athletic activities by boosting school spirit. Members make posters, attend athletic events, decorate the gym for pep rallies, and work with the members of The Boosters' Club during Homecoming Week, Thanksgiving Dance, Parents' Day, etc. Each member of the club may choose to be a V.C.A. This means she is assigned an athlete during a season. She then decorates the boy's locker with words of encouragement for good performance during a game.

On behalf of the 1979 *Lion* staff, I would like to take this opportunity to thank everyone who has helped to make the 1979 *Lion* a success. Specifically, I would like to thank our advisors, and my fellow editors whose unlimited energies and patience have been major factors in the completion of this book.

In addition, the following people have been extremely helpful in many different ways:

Production Staff: Ken Cole, David Smaldone, Dana Cook, Bill Harte, Mike Cote, Chuck Atkins, Bob Olsson, Rick Vigeant, Karen Edwards, Elanie Dukakis, Beth Armstrong, Terry Chin, Kathie Thibault, Dawn Belleville, Lynne Waldron.

Student Photography: Jeff Fontaine, Dave Fitzpatrick.

Business Staff: Barbara McDonough, Linda Downing, Lynne Waldron, Karen Edwards, Marcie Chase, Carolyn Kelley, Sherry Whisman, Dawn Belleville, Beverly Chin, Kathie Thibault, Mary Beth Dunn, Mary Hiers, Jeff Belanger, Ted Vasiliou, Elaine Dukakis, Nancy Danohue, Shirley Curley, Lauren Roche, Marcy Pannabecker, Mike Cote, Bob Olsson, Ken Cole, Dana Cook, Denise Fortin, Carolyn Weintraub, Helen Hamilton, Jay Hines, Dana Nicholson, Kara Goeken, Donna Delisi, Sue Mackenzie, Mary Cervantes, Mark Partis, Thelma Hamilton, Kim Forsyth, Denise Dunn.

Special thanks to David Smaldone, Mary Hiers, and Jeff Fountaine whose commitments have helped greatly.

Thanks are also appropriate to Mr. Guy Garon of Hunter Publishing Co. for his invaluable critical comments (and his patience in the midst of our deadline panics), and to Burlington Studios of Photography for their fine work (and their ability to get the pictures here just in the nick of time).

I hope this book will bring back fond memories of the 1978-1979 year at CHS. Our experiences here have been as varied as our individual personalities, but the *Lion* staff has attempted to capture the essence of the year in ways which will have special meanings to all.

Only when you drink from the river of

And when you have reached the mountain
top, then you shall begin to climb.

And when the earth shall claim your
limbs, then shall you truly dance.

The School Exchange Program this year was with Institut Fenelon, Grasse, France. This is primarily an educational and cultural experience. During the month of February, for three weeks, twelve Chelmsford High School Students visited Paris, lived 4 days with a French family, and attended classes at a french school on the Riviera. Group leader was Miss Pelletier and the Coordinator was Mr. Adams.

The 1st Annual Humanities Festival — the brain-child of Ms. Polly Cleary — was a great success! Students, faculty and staff all participated in this three-day celebration of the arts. Slide-tapes, live music, a fashion show, lectures, recitals and more enlivened the halls. There was only one complaint: The festival didn't last long enough!
