Mr. Shupe and Mr. Sousa

It's a bird! It's a plane! It's Mr. Shupe and Mr. Sousa to the rescue! Beginning our junior year, we were left stranded. Who would help us? Then came Mr. Shupe and Mr. Sousa. To be honest, we had our doubts. Would these two men be able to regulate our class? They proved us wrong in every aspect, spending long, hard hours doing whatever it took to make our high school experience the best ever. They lost weight for our class. They stood out in the cold during numerous football games fundraising for our class. They spent long hours at night, helping to complete our spirit walls. Mr. Shupe and Mr. Sousa sparked the uproar that our class has made and will continue to make. Thank you Mr. Shupe and Mr. Sousa!

Here's what the Class of 2004 has to say about these two amazing men:

"Without them we would be lost like hedgehogs in a fog."

-Talvar Tari

"[Sousa] has taught us all valuable lessons such as dedication and hard work."

-Damian Schmalz

"Not only was [Shupe] a great coach and a great class advisor, but he's also one of the few teachers I can consider a friend."

-Matt Smokler

2004 Class Officers

Our hard work has paid off as we have finally reached our senior year. The Class of 2004 has been amazingly successful and we couldn't have pulled it off without the help of Mr. Shupe, Mr. Sousa, and the class reps. We've had good times together as officers, during our trips to Boston (having no money for tolls!!) and forcing Evan to sit in the trunk. What does a Vice President actually do, anyway? We wish everyone the best in the future and hope to see everyone at our reunions.

-The Class Officers of 2004

Vice-Presidents: Evan Heidenrich

Thank you for making our jobs as Class Advisors such a wonderful and rewarding experience. Your support of numerous activities sponsored by the Class of 2004 is greatly appreciated. We would especially like to thank our Class Officers and all Class Representatives for their selfless and generous donation of time and effort. Without the efforts of these individuals, much of the success of the Class of 2004 would not have been possible.

We have watched you all grow and succeed on the athletic fields, in the classroom, and at a variety of activities. Your boundless talents will undoubtedly serve you well in your futures. You will all be sorely missed, but please remember that you will always have a home at Chelmsford High School.

GIRLS' CROSS COUNTRY

Dear Girls,

This has been one of the most amazing seasons that CHS girls' cross country has ever seen. This is the fastest and closest team that we have ever had. From spending a week at Camp Foss, to a few days in Manhattan, and a crazy night of TP, this has been a most enjoyable running season. Whether it was on a Crane-train, a hill work-out, a fartlick, or an easy 20 minutes, each and every one of you has been so hard-working, dedicated, and supportive. We will miss you SO much next year!

Thanks for a great season...STACEY'S MOM YEAH!!

Love,

LOHO, Erink, and KateMac

P.S. NATE BURDICK ROCKS!!!

Senior captains Erin Curran, Kate McCarthy and Lauren Holmes, along with their coach Jack Lang, led the girls through their very successful season. While Lauren Holmes was a key point scorer for the team, Erin and Kate were sidelined with injuries for most of the regular season. All the captains, however, remained supportive for the team.

Boys' Soccer

This past season we improved tremendously, while having lots of fun. We nearly doubled our record from the year before, and came two points shy of making States. Some of our best memories came from pasta dinners. Whether it was watching *Family Guy* or playing DDR, we all had lots of laughs. We would like to thank our coaches for all their hard work and dedication to make our teams better. Another big thanks to all of the parents for all their support throughout the season.

Good luck next year, guys!

GIRLS' SOCCER

We just wanted to say thank you girls for an awesome season! We started out with some tough losses and luck didn't seem to go our way, but we never gave up and we proved that we belonged on top by beating both Andover and Billerica! We played with heart! Thanks for all the memories. We'll never forget our interesting conversations at pasta dinners led by everyone's "smart" remarks, and our annual water balloon battle between the upper and under classmen. Keep up the bus traditions of never knowing the CHS song, but pretending you do anyway, singing along to Alvin and the Chipmunks, and "Boxers or Briefs?" You girls are the best and we owe coach a big thanks for all she has done for us over the last four years!

Good Luck next year!

GIRLS' SWIMMING & DIVING

Hi Girls!

The season flew by and we can't believe our last swim season is over. It seems like yesterday we were the shy freshman at captain's practice. We had an awesome season, surpassing our expectations within the first few weeks. Everyone stepped it up this year, working so hard, and dropping those seconds. We'll never forget those days when we walked down the halls in our crazy outfits with everyone staring, or "Hell Week" in the green waters of CS&T, or the feeling of finally being able to shave our legs after over three months. Thanks for making this our best year! Good luck next year!

GIRLS' VOLLEYBALL

Volleyball's our game,
Indeed a team sport.
We all worked together,
On the same rubber court.
Molly found the holes everytime she tipped,
She was also very quiet and barely opened her lips.
Kristine's favorite play was a backrow attack,
Making people laugh has always been her knack.
Jen Kaye hit the ball both in front and in back,
And in her spare time, raced cars on the track.
Hayley could set and also could pass,
She is very atheltic and picked up things fast.
JB liked to fly as the ball was spiked,
She was always friendly and by everyone was liked.
On the court, Maxine never had fear,
She's enthusiastic, funny and brought us much cheer.
Laura could serve and slam the ball,
She is a great hitter and very tall.
Jenn Hanlon tricked teams by serving so short,
She was always fun to be with (not just on the court).
Jenn O was overpowerful when she gave it a swing,
Playing sports has always been her thing.
Jenlyn worked hard and hustled in every way,
She was smiling and friendly each and every day.
Camille made it fly when she hammered the ball.
If you ever need humor, just give her a call.
Congrats Lions for having no fear,
We were MVC Champs in volleyball this year!

Good luck next year! Love, Kristina, Jenna and Julie

Next there is Kim, she's such a doll. Her favorite pastime is watching ***** play football. Meg's a sweetheart as we all know. She always pulls through during the show. Kristin came back for an incredible year. Tossing that rifle with no fear. Last there is Brit who has done it all. I know you'll be an awesome captain come next fall. GIRLS' BASKETBALL

"Quitters never win, and winners never quit."
 Thanks for an awesome season girls! We may have had a slow start, but we proved where we belong by beating Tewksbury and making states! Good luck to all the underclassmen and a special good luck to all the seniors who I have played with for so many years! Thanks Coach for all your hard-work and patience with us, and I never broke my promise-we made it!

Keep it up next year!

GYMNASTICS

Thanks for an awesome season girls! We truly rose to the opportunity to become the best team we could be. In and out of practice, we fought hard to prepare and to win our meets and work together as one. Everyone contributed whether you were scoring or keeping score; all of us make our team strong and that enables us to be called the Lions! As both captains and friends, we will remember the good times. There were many memorable moments such as Val's prom date - yet he never knew he was going, the Fun Song which Angie sung at every meet, Kristen "the rock" and "neal it" as inspiration to stick beam. On behalf of your captains, we hope that each of you will take part of the season with you and remember the victories, lessons learned, and everything in between on the CHS gymnastics team. Good Luck next year and we hope that you guys will be just as successful this year as we became. To the juniors, keep the winning drive alive!

Congratulations Son! I am proud of you and all your achievements. You are quite a talented and intelligent young man with a wonderful sense of humor. Remember, "Kermit the Frog".

Always remember to follow your dreams and believe in yourself. Never settle for less than you deserve. My blessings to you! Love always, unconditionally. (Mom). I leave you with two quotes: 1) "The guy who takes a chance, who walks the line between the known and unknown, who is unafraid of failure, will succeed." -Gordon Parks. 2) "If I lost confidence in myself, I have the universe against me."

From your dad:

Ty, I would love to see you reach your goals. You have proven me wrong before with your talent show. Thanks for all you've taught me. I want you to know that I am very proud of you and am here for you when you need me. I love you very much. Congratulations!

Most kids my age can't wait for their older siblings to leave for college. As I think about it I feel differently. I am going to miss our projects that never really got finished, and the conversations we had on our way to school, but most of all I think I am going to miss your good advice. I know the moment you leave I'll need that good advice again, and you won't be around to give it. I hope we can keep in touch!

XOXO
