Teacher Dedication

The Class of 2012 proudly dedicates this book to Mrs. Murphy.

When you walk into room 109 Mrs. Murphy's smiling face is always there to greet you. For four years she has kept an open door, willing to help you in whatever way she can. Both in and outside of the classroom Mrs. Murphy has been a key component of the success of the Class of 2012. Whether its finding chaperones for events or spending long nights at the school finishing spirit walls Mrs. Murphy gives everything she has for the class.

It is not often that students form such a close bond with a teacher. However, Mrs. Murphy is no ordinary teacher. Her composure, empathy, and pride make everyone she meets a better person. Every member of the Class of 2012 has benefited in some way from Mrs. Murphy's work, which is why the Class of 2012 has chosen to dedicate this edition of The Lion to her.

Thank you Mrs. Murphy for an incredible four years! We couldn't have done it without you!

>> Mrs. Murphy <<

Sean Hays "Mrs. Murphy has shown an unwavering dedication to the students of CHS, particularly to those of the Class of 2012. She expresses an earnest desire to see students succeed, not simply on paper, but in learning the lessons of life."

Alice Murray "I genuinely believe she cares for each one of us and will do everything in her power to help us succeed."

Alison Waszak "Mrs. Murphy has walked us through the last four years, providing encouragement, direction, and guidance. Her door and her heart are always open, making us feel welcomed and supported."

Katie Sittler "Anyone can go to her with opinions or ideas and she will consider each and every one of them. She is a great teacher and an even better role model."

Leadership is everything

At CHS we have great **PRIDE** in demonstrating leadership for our freshmen. Our mentoring program is a way to make each freshman feel comfortable in a new school, and push them to take on new challenges and experiences.

Thank you Principal O'Bryant for over 35 years of service and for all of your amazing achievements here. You will be greatly missed.

Principal O'Bryant

I want to commend and congratulate Principal O'Bryant on her remarkable career at Chelmsford High School. Principal O'Bryant has been a passionate teacher, advisor, Dean, and Principal for over 35 years. Countless students have been positively influenced by her empathy, intellectual curiosity, and genuine love for the special place that is Chelmsford High. Seldom does a school event occur that Principal O'Bryant does not attend. She has been a fixture at virtually all athletic events, musical performances, and of course the theater productions. It was so impressive to witness her have the courage to act in a number of different productions culminating with a star turn in Brighton Beach Memoirs. Another area in which Principal O'Bryant has made a deep impact is in the realm of community service. She has been a champion for the 24 Hour Relay Challenge that provides much needed assistance to so many worthy charities and organizations. Her proactive compassion serves as a model to our school community. Principal O'Bryant has constructed a legacy of commitment, passion, and service that will not be forgotten. I congratulate her on a wonderful career and wish her health, happiness, and laughter in all her future endeavors.

Dean Blagg

Principal O'Bryant is truly a home grown entity. She grew up in Chelmsford, graduated from Chelmsford High School, and spent her entire teaching and administrative career here. This is rare and special. This is also evidence of her dedication and love of all things Chelmsford. During her career, Principal O'Bryant supported a variety of programs and believed that students should spread their wings outside of the classroom. It is now time for her to spread her wings beyond the borders of Chelmsford High School. We wish her the very best in her retirement. We also express deep gratitude for her contributions to our P.R.I.D.E.-filled high school community.

Dean Galante

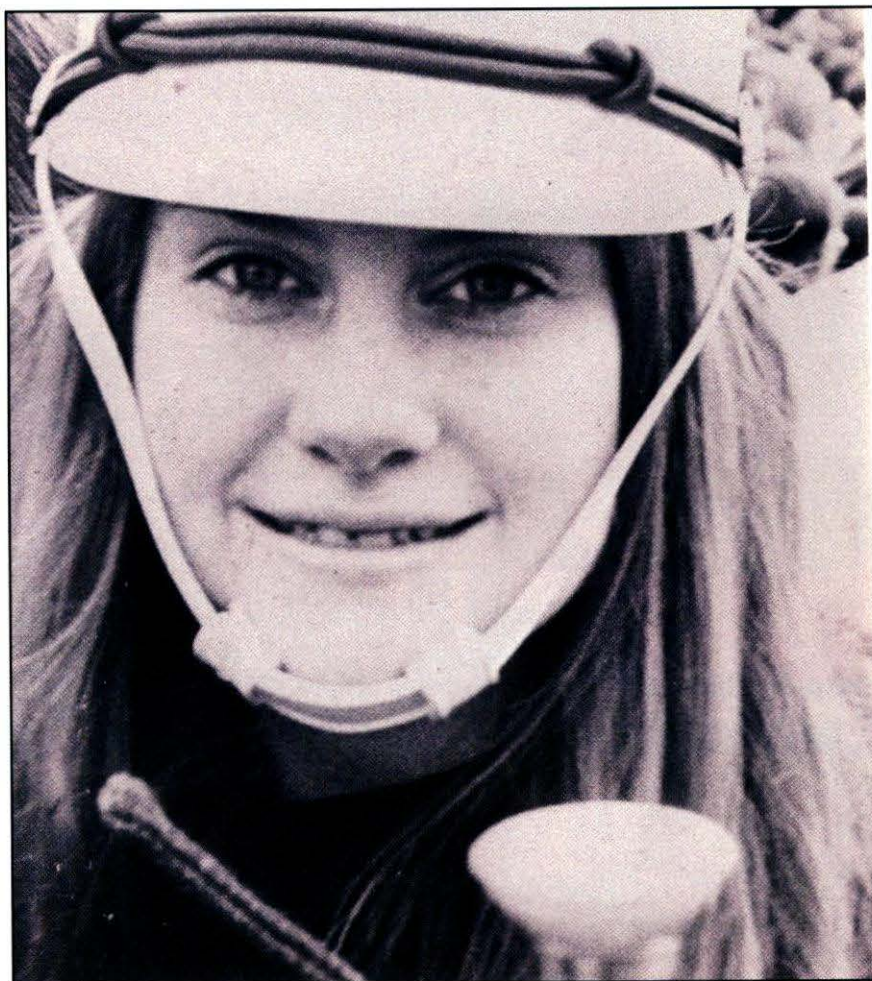

I first met Principal O'Bryant in the Spring of 1975 when we were both student teachers at Parker Junior High School. Since then we have taught together, been Deans together, performed in plays together, and for the last three years have worked together as Dean and Principal. Principal O'Bryant truly represents and lives those elements that embody Chelmsford Pride. She began her involvement with all things CHS during her high school years, serving as a Class Advisor, Founder of the 24-Hour Relay Challenge, Student Council Advisor, performing in numerous Faculty and Theatre Guild Productions, and attending more school events than at times seems humanly possible. To use an oft quoted cliché, "Anne O'Bryant's blood runs Maroon and White." She is so dedicated to the students, faculty, and staff of CHS that she has given her full attention, compassion, and self to ensure that all of us at CHS have the same loving, positive experience she has enjoyed as CHS' greatest supporter. Personally, Anne O'Bryant has been a colleague, mentor, friend, and sister that I never had. I know next year CHS will be missing something for me, but I will always have wonderful memories of a fellow teacher who has been an inspiration to me. More importantly, I will always have the memories of time spent with a dear and cherished friend. With her retirement, Principal O'Bryant will be leaving not only her mark on CHS, but will also have left it a far better place after having been such major a part of the life of our CHS community.

CAPTAIN'S LETTER

Dear Team,

We will never forget the memories we made with all of you. Whether we were on the field or off, we always managed to have a good laugh. We didn't win the gold but we all learned a more important lesson; we learned how to be a team. We learned how to work together through respect, communication and just the love of the game. From pumpkin carving to staying focused while Denali chased us in practice, we constantly bonded to become a force on the field. To the underclassmen: continue working hard to achieve your goals and don't stop until you get there. In all of our high school years, we've never been on a team with a better group of girls. We wish you all the best of luck next season and we can't wait to hear about all of your accomplishments. We love you all, we got it done.

FOOTBALL

Boys its been one hell of a ride. For some of us this season began at Joe Rnark's favorite place, UConn Camp "Prop your door". For others it began with the 7/7 victory in the Swampscott tournament leading us to finals in Gillette Stadium. This was the beginning of a journey that would eventually lead us to the top of the MVC and forever put us in the record books. This season will be remembered as the year of the "Brick Squad", year of the greatest offense in CHS history and of course the year of the Halloween vacation, the week we didn't get to practice that hard but we still went real hard. Keep it real boys and remember Lions pride forever.

BOYS CROSS COUNTRY

All it takes is all you've got

CAPTAINS LETTER

Well boys, we did it. We want to congratulate all of you on a great season. It was one of the best we've had in a while; 2nd in the MVC, 3rd in the D2 State meet, and 11th in the All State meet. We are proud of you guys and so are our coaches. We rode the Crane Pain Train and we came out on top. It doesn't matter if you were running varsity or not, all of you put in the same amount of effort physically and mentally and you should feel like you accomplished something this year. From doing that extra 1000 to pushing us to the absolute limit mentally during those punishment workouts, he coached us well. It was our dedication that made us a team and our love of the sport that brought us together. For those graduating this year, look back and cherish those moments at the Grove with the boys. For the rest of you, stay hungry; Lowell never sleeps. So thank you guys for all your hard work this year, and a big thanks to our coaches, Crane, Joey and of course the one and only Uncle Brian.

CAPTAINS LETTER

TEAM! So, this season has been pretty much amazing. As usual we began our rigorous summer training by banging out our daily ten mile runs at our easy 6 minute pace. This brought us into the season ready for hard workouts, long runs, Mr. Lang's daily quotes, and a lot of (attempted) abs. In all seriousness though, we knew our goal from the beginning and achieved it as a team in the end (can you say MVC Champs?!). Through all of the craziness of the season we found ourselves a part of the closest team we have ever been on. There is no way we will ever forget you, and we mean it - you guys are our family. We love you.

GOLF TEAM

CAPTAINS LETTER

The golf team made a great run this year. After a slow start that gave us a record of 3-8, our team came together and began to produce victories. We faced a few tough teams such as Andover at their home course and we still delivered a win. To make it into the state tournament, we needed a record of .500, or a record of 8-8. After suffering defeat that would make most players quit, our team became stronger and won 5 matches in a row to qualify for the state tournament. Our team was very impressive and showed tremendous improvement over the season. A few key players stepped up to provide consistent wins in their individual matches that helped lead our team to glory. Coach Shupe and Coach Zukowski provided much needed help that allowed us to be victorious. Although we did not enter the second round of states, our 6 players shot decent rounds that they all should be proud of. Overall, we consider this season to be a success.

Sincerely,
Cam Martin, Cam Murphy, and Sean Gervais

Believe. Achieve. Succeed.

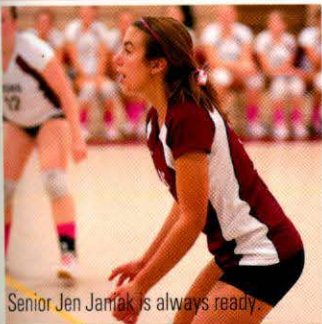

Dear Volleyball Girls,

Thanks for a memorable season. We never gave up when the odds were against us and when we came together we did amazing things. From practicing in the summer, to car washes and bake sales, we were able to bond as a team, on and off the court. Individually we were capable of great things but together nothing could get in our way. There is no sport that emphasizes team more than volleyball does. Coach breaking her clipboard was one of the greatest moments of our season, not because she was angry but because we BEAT WESTFORD! It was a fun season and we fought hard until the end. We're going to miss playing with you guys. Good luck next year! BELIEVE. ACHIEVE. SUCCEED. -Shelby and Shannon

To the Best (and Strangest) Group of Guys to Ever Play Soccer at Chelmsford High,

This season was all about team and playing for each other like a family. Winning together, losing together, practicing hard together; it pays off on and off the field. Attitude and integrity were the fuel that produced results this season: Beating Lowell at home, winning MVCs on a last minute shot, and getting a home states game are only some of the memories to take away from the season. Proud of all of you and good luck next year. Remember to always DO YOUR JOB!

CAPTAIN'S LETTER

HEY GUARD! Hey what?! WOW. We can't believe the season is over already! It's been a wonderful four years at CHS, and having each of you involved in our experience has made it all the more special. We'll be leaving school this year, but we'll be keeping all the memories we made with you color-ladies and color-guys. When we come back to visit you guys in the fall, who will take over for us? Will it be Troy who had the best hair and the most enthusiasm? Lindsay with her mad crazy back flips and talent? Alli with her refined makeup and leadership skills? We can't wait to find out! Next year, we want to see Katy dancing up an "I'm pretty!" storm on the football field, and Rachel melting all the hearts in the stands with her extreme riffling! We want to see our new girls Tori and Shelby pushing boundaries and succeeding like we believe they can. It was also a pleasure working with our fellow seniors. Marissa, we wish you the best with Monroe and your bright future. Casey, good luck on your path becoming a killer English teacher! We'll miss you guys so much. Every team has an identity. Some identities are formed through stats and records, others are formed through the individuals that participated. Even though our record was not one that we hoped it would be, it is just a number that will one day be forgotten. The relationships and memories made on this team have formed our identity that will follow us through whatever comes our way in life. MVC champs two years in a row! We are so proud of all we have accomplished this year. We'll never forget the time the coach ate it at Lowell Catholic or when Mr. Murray gave him a hug. To the seniors good luck next year. Kendra, gravity will never be your friend. Abby you always gave it 110% going 100 mph, working hard from beginning to end. Clancy you were a defensive spark on the court. To the underclassmen we will miss you so much next year. Rach you are one of the toughest players, knowing how to take charge even with bruised ribs. Beth, it's going to be okay, Coach will still find you next year. Amanda who knows if Donovan will ever forgive you for not dedicating the National Anthem to her. Maddie basketball comes first, keep your fingers away from the field hockey sticks. Lastly Sara be sure next year to never ask what time it is unless you want to run again. We love you girls, best of luck next year. Woorah!

To The Boys:

We had a great season. Lots of memorable moments such as beating Billerica twice. It's been unreal. We went into the season with the bar set high, and we've come together as a team facing adversity through the whole season. We've overcome all odds and brought the program back. We played our hardest and we played for each other. We found out what it meant to sacrifice for the person next to you, everything was for the boys. It was a season none of us will ever forget, with no regrets, anybody need wax?! FTB

Thank you so much to all of our girls for making this an unforgettable season! This was an amazing experience for the seniors who grew up skating together. We will miss being a part of the hockey family but we'll always have the memories: from team dinners, to around the worlds, to locker room dance parties. To all of the freshmen, congratulations for making the team, you really showed that you deserved it. Our sophs, always a pleasure to have you guys! And to our juniors, good luck next year leading the team. It's an indescribable feeling being a senior and we wish you a successful season next year. Everyone worked so hard this year and it showed come game time. We practiced as a team, we played as a team, and we won as a team. And for next year, always remember: "Everyone has the desire to win, but only champions have the desire to prepare." Oh, and remember, always go balls hard!

I don't think a day went by that we didn't laugh. Whether it had been over Heidi's falls, Skippy being Skippy, or Anna Haywood doing her thing, coming to practice or a race always made our day a little better. We are so proud of each and every one of you for not only improving as skiers, but also being great teammates to each other as well. We're so thankful for having such a great team this year. We know a lot of you joked around about us being your "mom and dad" this season, but over the past four years some of us really did become family and we will miss you all so much! Nik,

It's been a wild ride and you've always kept us on our toes, starting with your unexpected early arrival 18 years ago. Since then, life has never been dull; you've kept it colored with your brilliant schemes, artistic masterpieces, accidents, and yes, the resulting trips to the hospital. Through it all, you've kept us laughing and you have never failed to greet the world with a smile upon your face. That smile has served you well and got you out of trouble. Always remember what a great tool that smile is and never misplace it! As your next great chapter begins, know that we will always be here for you and that we are so very proud of you. Congratulations and we can't wait to see the colors you paint the rest of your adventure!
