"In my experience with him, I've enjoyed how kind, funny, and willing to help he is."

"Mr. Richter has been a huge mentor to me and many of my classmates. He has created a safe learning environment and has a great sense of humor. I will miss his sense of style."

"His dedication and passion have allowed us to have a successful four years at CHS."

"He's a bro."

"Mr. Richter has found a way to connect with the class of 2016. Regardless of if you have him as a teacher or not, he is able to present himself as humble and charismatic. He's shown pride in the class of 2016 for four years and it is easy to see."

"Throughout my years at CHS, he has continuously encouraged me to be the best that I can be."

"He is a great teacher and friend. He is someone who has respect for his students and receives respect in return. He is an awesome class advisor and a caring, passionate teacher. We are lucky to have him as our class advisor."

"He's involved with every aspect of our class and always goes about it in a positive manner."

"When you walk into a class reps meeting, you can tell that he loves what he's doing. He's always joking around with us and laughing and he's just happy to be there, which I think is infectious."

"Working with Mr. Richter has been smooth sailing since day one and I've had fun every minute of it. We're already great friends and we collaborate really well. He is so creative and concerned for every member of the class. We love the class officers, the class reps, and the class as a whole. I'm so thankful that I've been able to work with him and the Class of 2016." -Mrs. Orsini

To Mr. Richter,

The Class of 2016 wants to thank you for all that you have done for us these past four years. As freshman, you helped us learn how to survive at CHS. Whether it be during spirit week, midyears, or our first fundraisers, you were always there to help no matter how frustrating or stressful it may have been. Even when we faltered, you believed in us and the good that we would do in order to redeem ourselves. As we made our way through high school, you watched and supported us as we grew into the leaders we are today. We could not have been nearly as successful, involved, or influential without your guidance. As seniors, we have matured into a class of capable young adults and that is a testament to the dedication you have shown us throughout our high school careers. Under your careful watch, we have succeeded at CHS. From extensive fundraising starting our freshman year, to beating the senior's spirit wall as juniors, to participating in events like Seniors Helping Seniors, our class has shown its potential and that is thanks to you. For all that you have done for us, the Class of 2016 wants to show our gratitude and dedicate our yearbook to you.

With our utmost respect,

The Class of 2016

"I love the Class of 2016. They're a diverse but cohesive group. Their participation in school events like spirit week, dances, or Seniors Helping Seniors has been outstanding. I'm really going to miss them next year." -Mr. Richter

A watercolor illustration of a school scene. At the top center is a wooden sign with a white background that reads "WELCOME TO CHELMSFORD HIGH SCHOOL" in red, hand-drawn capital letters. To the left of the sign is a red car. To the right is a yellow butterfly with black markings. In the foreground, there is a purple flower with yellow centers and two blue and purple streamers. On the left side, there is a white cup with a red straw and the words "DUNK DONUT" written on it. The background is a light blue sky with a white cloud, and the ground is a green lawn. The entire scene is rendered in a soft, painterly style.

Victor Nuon

"IT IS SAID THEY ALWAYS HAD BEEN, AND ALWAYS WOULD BE, FRIENDS.
TIME COULD CHANGE MUCH, BUT NOT THAT." -WINNIE THE POOH

"Victor, you were a kind, generous, forgiving, funny, and understanding human being. I will always remember the wonderful times we had in 10th grade when we worked on our english projects. May your soul rest in peace."

"Thanks for always making me smile. You'll always have a special part in my heart. I miss you."

"It's been said that happiness is about what we enjoy, not what we have. Victor truly embodied this spirit. He lived life to the fullest and spread happiness wherever he went."

"There just aren't enough words in the world to say how much everyone misses Victor. In Center School, the silhouette paintings of every one of us from our 4th grade class remain on the walls. His happy figure is emblazoned there, a legacy. Victor may have left this world, but he will always live on within all of us."

"I would talk to him about my troubles, but I never thought to ask him about his."

"I could not have asked for a better friend to share some amazing memories with, thanks for everything."

Cotillion

dancing on the stars
May 16, 2015

Last May, the Class of 2016 danced the night away under the stars at our Cotillion. Organized by the Class Reps, the dance featured a Milky Way themed mural, designed by our very own Karen Keller.

24 hour relay

Each spring, LIME organizes the 24 Hour Relay, a fundraiser to support local organizations. Teams create themes, decorate campsites, and participate in contests all while at least one member walks on the track. This year over \$25,000 was raised and donated to deserving Chelmsford organizations. Congratulations to LIME for a successful, fun event!

Boys Football

An unforgettable season with an unforgettable family. Not only did we come together on the field but we came together through the adversity and never gave up when times got tough. Our community was also unforgettable, even when we wanted to give up and walk away our community didn't. They came to support us every game and congratulated us no matter the score. Perseverance, consistency, and heart is what this season taught us. To our returning brothers, remember these traits and never give up.

Love your captains,
Smash #20, Fletch #3, Conti #37, Spinale #77, Pic #4, Courtemanche #5

Girls Cross Country

We couldn't have asked for a better group of girls to spend our senior year! Our team crushed it at dual meets this season, and we had so much fun practicing for races. Everyone's hard work really paid off. We all improved from last year. There are no runners more supportive, caring and motivated than the girls on this team. We are going to miss the pasta dinners every week and obsessing over muddy-buddies. This team made long runs and workouts enjoyable, which is not an easy thing to accomplish. We are sad that our high school XC running is over, but we can't wait to come back next year and see you guys killing it at every meet! Go lady lions!

Love,
Your captains: Olivia, Kendra, Allison, and Natalie

Boys Cross Country

Dear the boys,
 Our season was sooooo sick. It's been a cornucopia of good times and fast races. Everyone said this would be a rebuilding year for us after losing some key guys from last year. But we asked ourselves, "what're you gonna do about it?" We stepped up our game, came in strong and showed everyone we were legit. We finished 9-1 and second in the MVC. As some might say "we just got the corn." We went on to finish 5th at states and qualify two individuals, Pandrew and Zach, for the All State meet. Good luck to the boys next year. Love your captains,
 Brian Wilson, Kyle Hansen and Brian Holland

Girls,
 We have enjoyed seeing y'all improve
 From captains' week to states, we really got in the groove.
 We laughed and sang at the top of our lungs,
 And took lots of pictures, sticking out our tongues.
 We fought our way to 10 and 2,
 And you made it all seem like it wasn't hard to do.
 Especially, placing 4th in the state, we sure weren't blue!
 We're honored that we were able to be captains of such an
 amazing team.
 You ladies all pulled through to become lean, mean,
 fighting machines.
 Growing up with you all was such a blast, we truly wish
 these times didn't go by so fast!

Thanks for such a great season! xoxo
 Love,
 Elena, Karen and Liz

Girls Soccer

Dear Team 15,

Thank you for making our last season unforgettable. Even though our record wasn't what we had hoped, being on this team taught us more about hard work, perseverance, and team work than ever before. Both on and off the field we shared laughs, lessons, and even a few bruises. We wanted to thank you all for showing us that win or lose our team always came first. Our beloved coach Anne took us on quite the ride, from our story time practices to ruthless games of soccer tennis. So to our little to freshman, congrats because you survived your first year, and you made ours better. Remember to cherish your next three years because trust us...they will fly by before you even know it! For our sophomores, you made us laugh the most and with your sense of humor, it will surely help you though your junior year. Don't forget to always work hard on and off the field, it'll pay off in the end. For the juniors to follow our footsteps into senior year, embrace every second of it, it'll be the times you miss the most!! Have fun with next year, and make sure you have fun in every practice and game. Lastly we have our lovely seniors, the ones who are taking big steps and moving away for college. We wish you the best of luck! We wouldn't want any other group of girls to spend our last season with, thank you for being the best teammates we've ever had! We love you all.

We're proud of all of you girls and everything we accomplished! We will be back to visit as much as we can but please never forget coach Anne's famous words...look classy, act classy, play classy!

Love your captains,

Ellie, Kiana, Claire

Ups and downs, victories and defeats, memories that will last a lifetime. After several games without a goal we worked hard and fought our way into the state tournament. We defeated Billerica in an exciting game with red cards, penalty kicks, and a victory for us. Thanks to all the loud fans who came to support us, especially in the tournament. Great season good luck next year! #freethenut

Girls Volleyball

Hey girls!
 We had an amazing season this year, diving farther into the playoffs than we have in 11 years! We could not have asked for a better group of girls. Our success this year would not have been possible without the devotion, perseverance, and spirit of our teammates. Thank you girls for making this the most unforgettable season yet! Good luck to the team next year! May the good vibes live on and voll so hard ladies.
 Love,
 Liz and Annie

Golf

Hey guys,
Fantastic job this year. We played well in a tough MVC conference and should be proud of it! We will truly miss playing everyday and having lots of laughs at the same time. Underclassmen, best of luck in the future. Four years went by too quickly. Proud of you all, see you on the back nine. Gimme the loot!
Tommy & Rob

Girls,
 Thanks for such a great season to end our high school careers.
 Thank you for teaching us how to live the "can't stop, won't
 stop" mentality. Show everyone who the best team in the state
 is next year. Protect Simba for us. Fly.
 Love you always,
 Nic and Rachel

Marching Band

Dear band,
This was by far the best season of marching band we've had so far. We are so proud of everyone for continuing to work hard, improve, and perform every single field show with an outstanding amount of passion and energy. There is never a dull moment when this band comes together to create music. This band truly represents pride at CHS. Thank you so much for a wonderful year.

With pride,
Your drum majors
Katelyn, Charlotte, and David

Color Guard

Dear Color Guard,

We're so unbelievably proud of you all. We were a small bunch but we worked hard together and formed an extremely strong bond. You performed our show with such enthusiasm and spirit, we could not be more proud. There's a special place in our hearts for guard; we always find a way to mention how much we love color guard and how much it has impacted our lives for the better. Without you girls we would not be able to feel this immense pride and love; you've made our last season the best one it could have ever been. We're so glad we can call you our family.

Sincerely,
Haleigh Finnegan and Amy Dowd

Cheerleading

Hey girls,

We couldn't be more proud of you all this season. We faced many challenges and overcame many obstacles, but we persevered and made it to regionals! We'll miss you all next year but we know you girls will do great. Good luck next season, we love you all!

XOXO,
Jeff, Keeks, Sara, and Sam

spirit week

november 19 - 24

Each year before the big Thanksgiving game against Billerica, the students of CHS compete to see which grade has the most school spirit. Classes are graded on spirit walls, participation in spirit days and most importantly, pep rally. At the end of the week, the seniors came out on top

spirit walls

The freshmen made an Incredibles wall, the sophomores made a Tom & Jerry wall, the juniors recreated the Lion King, & the seniors chose a Star Wars theme for their spirit wall.

Girls Basketball

Hi girls,
Going into the first game of the season, I think it is safe to say nobody really knew how well we would end up doing when it came to winning games. This year we were able to prove ourselves as one of the strongest teams in the MVC at 14-8, winning the MVC 2 for the 6th year in a row! Everyone demonstrated relentless hard work through every Workout Wednesday, every quarter of every game. We were able to bounce back after being down in big games. Best of luck to the underclassmen next year, and don't forget the wise words of DJ Khaled: "Major key, don't fall for the trap, stay focused; it is the ones that are closest to you that want to see you fail."

Annie, Kristie, and Claire

Boys Basketball

I would like to first thank everyone for the memories this season! This is the best team I have ever been a part of. The comradery and friendships we developed this year are something I will cherish forever. Despite coming up short in qualifying for the state tournament, we had some incredible wins. I will never forget the Tewksbury win, where we knocked off a top 1 team in the state on the road in front of a hostile crowd. The heart and determination we showed at every game was incredible and you knew we never lost a game for lack of effort. I still can't get over how quickly these four years go by! Don't take anything for granted. To the underclassmen, good luck next year! Keep working in the off season and the wins will come!

Thanks again for a memorable season!
Nick Beati

Girls Indoor Track

From team dinners to long Saturday meets, this team got so close this year! We're so proud of everyone's hard work and we were so happy to see it pay off in PRs and MVC wins this season. We couldn't have done it without all our awesome coaches and the time and effort they put in every week. Thank you to all the seniors for four years of track and good luck to all the underclassmen--we know you'll keep working hard and we can't wait to come back to see all the great things you do next year!
Allison Taylor, Monika Schulze, & Laura Hohenstein

Boys Indoor Track

Thank you, first and foremost, to Coach Russo, Richter, Lapone, Silk, Crane, and Mangan, who worked long and hard together to give us all a successful season. Just as importantly, we must thank all the athletes who participated in this track season. Each and every one of you worked hard and contributed to the unique and homey track atmosphere. Although the season went by so quickly, memories of Chamberlain Hill on Christmas Eve, and Lenny's famous obstacle courses will remain, along with the other fantastic moments you all helped to create. It has been a great, fun season, being the most consistent team in the MVC. Being second in every dual meet is something only we can claim as our own. Seniors, we thank you for your dedication to the track program over the years, and we wish you luck in your future endeavors. To all the freshmen, sophomores, and juniors, we wish you the best of luck in the coming years and we know you are all capable of so much.

Thank you all for the memories and laughs,
Ryan Kelly, Tyler Kenney, Walker Horton, and Brian Wilson

~~Girls~~ Ice Hockey

Hey guys!

Although Greg (the bird) didn't make an appearance, we had plenty of entertainment from the team and coaches. We accomplished last year's goals of getting revenge on WA and found out who Kevin's girlfriend is! Being a young team and playing the best teams in the state was challenging, but we've made it a season to be proud of. We hope that you continue to be a family, you play for everyone on the team, and you soak up all of the time you get to spend on the ice. We can't wait to see the amazing things you'll do next year. Thank you for a great season.

Love,

your captains Sophie, Erin and Rachel

Boys Ice Hockey

The boys,

As your captains, you have no idea how proud we are of you guys. The Boys were buzzin' all year, resulting in our first MVC Championship in 13 years. We overcame everything thrown at us and stuck together through it all. Thank you guys for all the rawd and good memories, we know you'll kill it next year. #FTB #ForUs

Ski Team

Dear fam,

Thank you for a wonderful season. This has been the weirdest, yet best, season so far. From Ryan's raps to freak accidents, never in our lives have we had so many laughs. Thank you for all the memories in our fourth and final season. We hope to come back and see you grow as both skiers and the lovely young men and women that you are. We'll miss you so much. Keep our family traditions strong!

Congratulations to the D1 State Wrestling Champions!

It was a hell of a season boys. 24-0 in dual meets and absolutely perfect in tournaments including the Lowell Holidays. We came in determined to "end the drought" and we did. 2016 State & All-State Champs. All the hours of work we put in and the sacrifices we made were worth it. Being a student athlete is a lot of commitment, but being a wrestler is a whole different level. The lessons we learned in that wrestling room will stay with us forever. We learned how to stay mentally tough, how much time it takes to be successful, and how to work as a team. Thank you to all of our coaches for all the time they spent with us. Good luck to everyone in life! And remember...Hard Work Pays Off!

We may be the smallest team in CHS but there is no doubt that we have the biggest hearts! This season was so much fun and we're so happy we got to spend our last year of gymnastics with you all.

Mallory and Tash

Congratulations on a fantastic season guys! Our team grew this year not only in numbers, but in talent and spirit as well. From practices to pasta suppers and dual meets, you guys always put your best foot forward and let your true colors, maroon and white, shine through. We all put in a huge amount of time and effort into this team, and it really paid off at MVC's. We couldn't be more proud of this team!

Theatre Guild

This year, the CHS Theatre Guild had yet another year of great theatre. *Imagine Inc*, written by Ally Belair and Grace Leuper and directed by Gabi Huggler, followed the hilarious tale of two imaginary friends attempting to bring their human friends together. The winter competition play *Rapiendis Dei*, written by Eloise Hoffman and directed by Lauren Cochran, brought forth the compelling story of the controversy surrounding the kidnapping of an Italian Jewish boy by the Catholic Church and converted to Catholicism in the 1850s. *Rapiendis Dei* made it through the Preliminary and Semi-Final rounds to the METG State Finals, where 14 finalists out of 112 schools perform. Congratulations to both productions for an outstanding year!

Girls Track & Field

We're so proud of everyone's hard work this season! The amount of dedication and effort everyone put into this sport really stood out to us this year. From the 400m to javelin and triple jump, we are so impressed by everyone's drive to try new things. It pushed us to MVC wins and so many PRs! We want to thank all our coaches for always doing everything they can to help us succeed, and all the seniors for a great last season. We wouldn't have wanted to spend it with anyone else!

ATay, Maggie T, Jules D & LoHo

Boys Track & Field

Thank you to the coaches for all the help and support this year. Also, thanks to all you athletes, who made this season so amazing. We are grateful for all the memories and laughs we have shared. It has been a pleasure to watch you all work hard and improve as this season progressed. We are confident that the future of this program is in great hands. Seniors, we thank you for all the time you committed over the years and we hope you enjoyed your final season as much as we did. We wish you all the best in the future!

Ryan Kelly, Walker Horton, Jimmy Smith, Brian Wilson, Tyler Kenney

Girls Tennis

Great job this year girls! We definitely had some ups and downs this year but in the end we have improved so much both individually and as a team. There have been a lot of changes in the team dynamic over the past few years and all you you have adapted to any situation thrown at you. We are so proud of each of you guys and wish you luck next year!

Thank you guys for always giving it your all,
Natasha and Liz

Boys Tennis

To the young savs of the 2016 boys tennis team, This has been one of the greatest seasons we've ever been a part of. Our team began the season out of shape and inexperienced. The improvement we as captains have noticed this season has been astonishing. As a team we were doubted for our inexperience, but we persevered through the tough challenges like Andover, Westford Academy, and other important matches. Our chemistry this year was pretty clean. We learned how to respect one another and work together as a team. Tennis is a hard, long, and annoying, but also an incredible sport. Some people are not able to realize that because of all the frustration that the game entails; but you guys did. You learned how to enjoy it but also focus at the same time, which was very special for us to see. Since we had no seniors this year, no one is leaving! We can not wait for next season, to take all the skills we learned this year and use them to defeat all the big schools, and do well in next year's MVC's! This season was hype. If we put in even more work and get even more excited next year we will be that much more amazing!

We want to thank you guys for making this a fantastic year!

Sincerely your captains,
Ethan Hirsch & Brian Tiano

Girls Lacrosse

Dear Ladies,
We can't express how proud we are to spend our last season with all 14 of you. Starting the year with a strong win over Reading and getting well deserved revenge was a memory we will keep with us forever. Witnessing us progress as a team on and off the field puts a smile on our faces and makes us appreciate every practice, game, team dinner, and everything else. No matter how small. Never forget the special bonds created because of this sport. Now let's do our job and make this season the most unforgettable yet!! We love our baby lions!

-Bailey, Rachel, and Celia

Boys Lacrosse

We had a great season this year boys and it's been a lot more fun than in the past. This year we were especially fortunate for our new coaching staff. This season will be one we never forget. To our underclassmen, good luck on your season next year and we hope it goes well.
Your Captains,
Stoney, Robes, Thayer and Cam

Baseball

Guys,
 Thanks for a great year of baseball. We had a lot of fun playing with you and we are proud of what you have accomplished this season. You guys have a bright future. Keep up the good work!

Sincerely,

Loves, We just want you all to know how thankful we are to have played our last high school season with you. From the experiences we've faced to the challenges we've overcome, we are so proud of how hard you all worked to get to where you are today. Our sport is not only a physical game but also a mental one. The ability to play it at the level that you are all capable of is a fantastic achievement that you should never lose sight of. Never forget the love for the game that made you start and all of bruises, twisted ankles and scars you picked up along the way. We are so grateful to have had the privilege of knowing you and watching you grow as not only softball players, but the people you are today. You all are the greatest teammates we could have asked for and we cant wait to see what amazing things you will undoubtedly accomplish in the future.

Chapter 16

Looking back on our high school years, it's amazing to see how far we have come. It blows my mind to think that the last four years went by so fast. It makes me smile remembering how young we were our freshmen year. We have grown so much, not just as individuals but as a community as well. We have proven ourselves to be leaders in the classroom and beyond. We came together in all kinds of competitions, such as DECA and high school quiz show, cheered for our classmates at sporting events and theatre productions, and worked hard in the classroom. It didn't matter what we were doing, we always conducted ourselves with great pride. The road was not easy or smooth, but we always pulled together and overcame everything life sent our way. Congratulations Class of 2016. We did it! We have done amazing things for the past four years and I have no doubt that it will continue after high school. I am excited to see what the Class of 2016 will do in the future, and I know it will make me proud. To conclude, I want to thank you for letting me be your President. It has been such an honor to work with, and for, all of the amazing people in our class. I will always remember these last four years, and I hope you do too.

Yours truly,
Landon Cass
President of the Chelmsford High School Class of 2016

First, and most importantly, congratulations to all of the graduating seniors of the Class of 2016! The past four years have flown by, and we are proud of the resilience with which you have faced individual challenges. We are confident that as mature young adults, you are ready to tackle any challenge that comes your way and take the world by storm. This class has continually shown dedication and participation that is nothing short of exemplary.

It started your freshmen year when almost 50 students worked on the Finding Nemo Spirit Wall. The class soon transitioned its energy towards starting an annual Badminton Tournament. The enthusiasm has continued all the way through today, with outstanding participation at school dances and incredible attendance at the first ever "Seniors Helping Seniors" event. We are truly proud of everything you have accomplished and the lasting mark you have left on the school. Whether athletes or musicians, actors or young scientists, writers or artists, you as members of the Class of 2016 represent so many talents and interests. More importantly, though, you are kind and respectful people who we have been privileged to advise.

The dedication of the Class Representatives (and specifically the Class Officers) has made our job as advisors stress-free and incredibly fun and for that reason and many more, we will truly miss you! We have enjoyed every moment we spent with you, watching you grow as individuals. Our wish for you is that you always follow your passions and believe in yourself, as you have so much to offer this world. You have all laid a great foundation here at CHS. We wish you the best of luck as you continue down your chosen path. And don't forget: our doors are always open.

Best of luck,
Mr. Richter and Mrs. Orsini

a year in review with Mr. Murray

"He is so enthusiastic about everything CHS has to offer and really values giving the students a voice."

"I saw the scooter in his office the first time I went to see him and I knew it was going to be an awesome year."

"Principal Murray has come into CHS and completely changed the atmosphere of the building by getting to know the students and staff personally."

"Mr. Murray has preserved important traditions at Chelmsford High School, but is also courageous in embracing change. He clearly enjoys interacting with our students and they appreciate the humor and sunshine he brings to us daily."

"In his first year at CHS, he has already created a happier environment."

This year, CHS was excited to welcome Mr. Murray as our new principal. In March, we were lucky enough to sit down with a Hi-C and talk about his experience in his first year here.

-What were your expectations coming to CHS? "So Dean Blagg told me, 'When you get to Chelmsford High, you're going to see an amazing amount of school spirit. Kids are involved not only in their own special projects but also in the school.' And that is so true, we have great school spirit here. I expected a lot of school spirit but it went further than I expected."

-What were you most nervous about? "I'm actually still nervous about this, but I'm nervous about not knowing what I don't know. Every school has its own way of doing things, its own traditions and I'm nervous that I'll do something that won't honor a tradition. Thankfully everyone has been very supportive and the deans and even the students have helped me with this."

-What was your first day like? "The very first day, kids walked up to me and greeted me which was so cool. I've never been called Principal before, even though I was a principal in my last district, so that was awesome. Walking in the first day I was nervous, but I felt welcomed."

"Mr. Murray really brightens this place up and we're all the better for him being here."

-Dean Blagg

-What has been most interesting about CHS? "How passionate people are about sports, it takes a focal point. Also, how much of our kids do community service genuinely. There are kids who are really academically focused but also community centered and I love that."

-What is your favorite part of the job? "My favorite part of the job is working with a student who has been in trouble or who is struggling, but its always working with the students. In the principal role you get more removed from that, but connecting with the kids on that level is something I love."

-What surprised you the most about CHS? "Even though I'm a resident of the town, I wish that our town could see what the teachers are able to do with what they have and appreciate the results the kids are getting given our current structures."

-What is the story behind your scooter? "I found it 16 years ago at McCarthy, it was left unclaimed in the tennis courts. So I just had a ball flying around the building in it, and I got places faster. It was a topic of discussion and it helped me connect with the kids. And I've just used it since and it lets me be a kid again and not take my job as seriously."

To The Class of 2016,

Making this yearbook has been an adventure. It's been fun, stressful, demanding, and at times infuriating, but we are so grateful that we have had the opportunity to create this book for all of you. We've spent countless hours at our computers or hunched over watercolors, and we're extremely proud of the book that we, along with our incredible staff, have made.

Walking through the halls on our first day of freshman year, you couldn't have convinced us that one day we'd be writing a letter to our class and reflecting on how fast these four years have blown by. Time seemed to drag on back then, but now it's like we're fast-forwarding through life and speeding towards graduation. That feeling was the inspiration for the theme of this book. Sitting in Snowdaes at the end of our junior year, we knew that we wanted a watercolor book, something unique that would stick in our minds. We decided on the title "Fade In," reflecting the idea that as each school year passes, everything seems to be magnified as we approach the end of our time in high school.

This book is comprised of all of you. It contains your successes, your dedication, your school spirit, and your experiences at Chelmsford High School. Our biggest wish is that this book does justice to your memories of CHS. We hope we were able to capture what being a member of the Class of 2016 was truly like. We hope that the pages in this book remind you of your favorite people, places, and events. And most of all, when you look back at this book, whether it be one year from now or thirty, we hope that you are taken back to these years and think fondly of them.

These past four years have been unforgettable, and it has been a privilege to share them with all of you. We have accomplished so much, but our whole futures lay ahead of us. Don't take them for granted, use them wisely. We can't wait to see what the Class of 2016 will do. We wish you all the best of luck and happy, fulfilling lives.

*Thank you,
Katherine Desrochers

Valentino & Raffaele Nicoletta

Cari Raffaele e Valentino:
È incredibile, ieri bambini, oggi adulti che state per diplomarvi. Grazie al vostro duro lavoro e impegno. Siete il nostro orgoglio.

Andate avanti così. Mettete sempre passione e perseveranza su tutto quello che fate, ascoltate il vostro cuore e quando avete dubbi ascoltate la voce dentro di voi. Guardate in alto ma anche dove mettete i piedi. Ci mancherà la vostra presenza, i vostri concerti, le vostre individualità. Saremo sempre pronti ad aiutarvi.

Sons, each of you in your own way are unique individuals and we couldn't be more proud of the extraordinary young men you've become. Thank you for the joy, humanity, and kindness you've brought to our lives; for all the fascinating conversations, laughter, bike rides and travel abroad, for the books, art galleries, films and music we've shared over the years. We can't wait for your next life chapters; please know we're always ready to help. Pursue your dreams, big and small; let your passion and inner voice be your constant guide.

With love and light always, con tanto amore e bacioni,
