Chelmsford High School

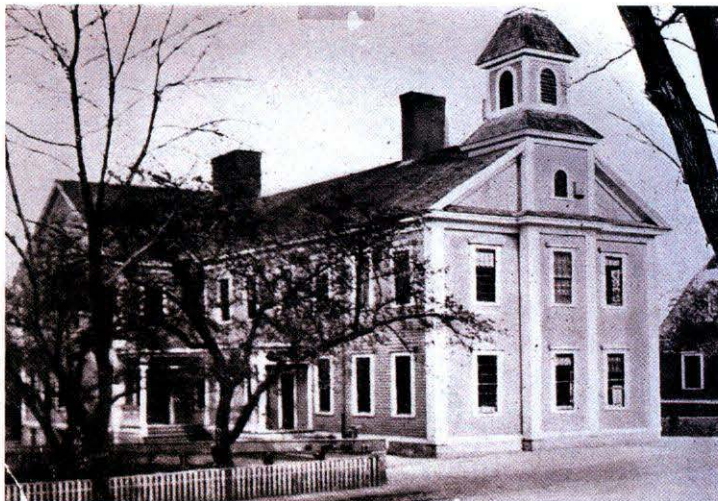

First School, Chelmsford Center

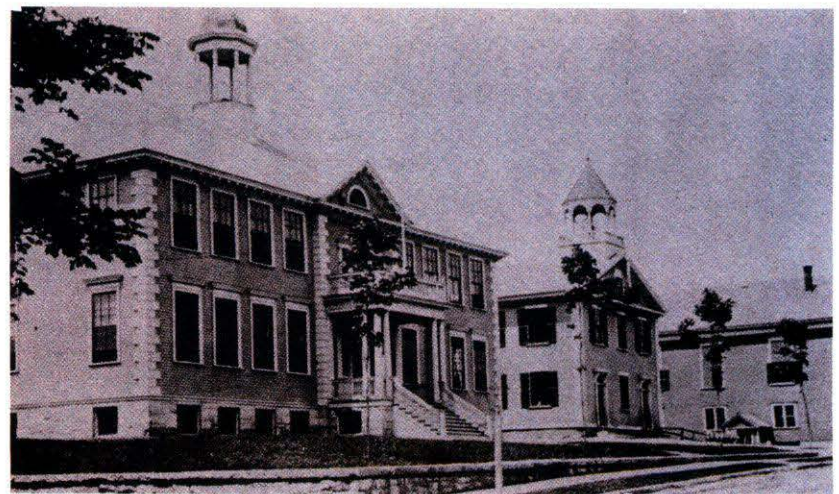

Susan B. McFarlin School, Chelmsford Center.

East School, East Chelmsford - now closed.

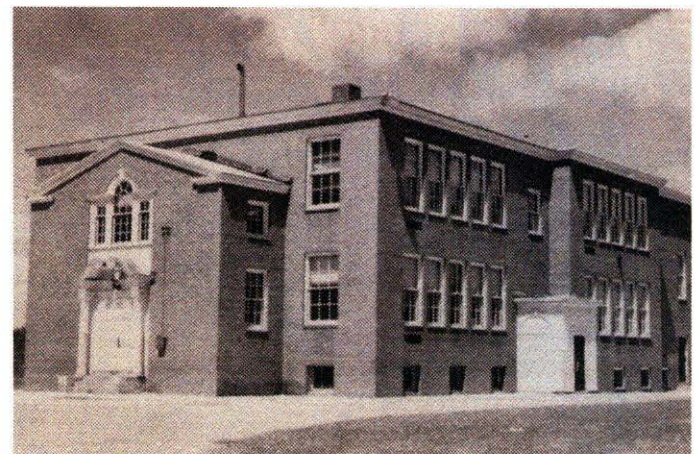

The "Yellow Schoolhouse" stood on the present site of the Central Fire Station on North Road. Built in 1851, it was enlarged by two additions before it was closed in the spring of 1926. The brick school on Wilson Street, later named the McFarlin School (now McFarlin Manor) opened that fall.

The "new" Princeton Street School (foreground) was opened in 1899 and continued in use until June, 1953. The second building from the left is the "old" Princeton Street School and beyond it, the North Town Hall. Both schools were razed to make room for the Fire Station.

Quessy School 'in West Chelmsford which was closed when the new North school was built.

this book is dedicated to

madame queenan

The Class of 2017 would like to thank Madame Queenan for the years of dedication and love that she brought to school each and every day. Throughout her 47 years of teaching, she has touched the lives of generations of students and faculty at Chelmsford High School. She is remembered by her family, students, and colleagues as a joyful woman who had a kind disposition and a positive outlook on life. Chelmsford High alumni remember Madame Queenan as a sunny, compassionate, energetic, and empathetic woman who found joy in bringing a smile onto the faces of others. In the classroom, Madame Queenan worked hard to make her students feel at home. She was a creative and humorous teacher who came up with many different ways to create bonds with her students. She told them stories about her life and taught them not just how to be good scholars, but also how to be good people. There was never a dull moment when Madame Queenan was around. She had a habit of making people feel comfortable and safe around her, making her one of the most approachable staff members in the school. She was always encouraging her students to embrace the importance of random acts of kindness, teaching them valuable lessons that went beyond the classroom. Students remember her as an elegant woman with a big heart, who always had a bright smile for everyone. Madame Queenan was a mentor, teacher, and friend to so many at Chelmsford High School. The impact she has had on this community will be felt for many years to come. For that, the Class of 2017 would like to show our gratitude and dedicate this book to her.

"She was always a friend to you and gave you a smile even if you didn't know her. The kindness in her heart made you feel happy even on a bad day."

"Her devotion to not just our class but the entire school has inspired many generations of students."

"She taught me right from wrong, and I wouldn't have wanted to spend three years of French with anyone else."

"After having her for three years, just walking into class brightened my day. She was a great teacher and an awesome person."

"Madame Queenan brought nothing but happiness, kindness, and light to the halls of CHS in her time with us."

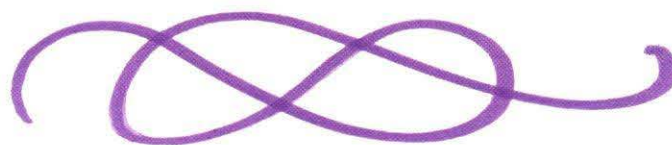

"She was an inspiration to all who met her, and her kindness has kept me going since freshmen year."

"Madame Queenan was more than just a teacher to so many at the school. She dedicated over forty years to teaching and showing kids the importance of a random act of kindness."

"She has dedicated years of service to the school. Even more than this, however, she reminded us that random acts of kindness are not to be forgotten, and loving one another unconditionally is most important - especially when it seems the hardest."

"She not only cared about our academic success, but she truly wanted us to be happy people who make the world a better place; she taught us the importance of random acts of kindness and not taking what you have for granted. She is loved, and certainly missed by all of us."

CHS PLAYS FOR BUBBA

"I could never sum up how I feel about Bubba into one page. He was truly a great man and his legacy will live on forever as he impacted so many lives through his random acts of kindness and welcoming personality that always made you feel important. He had an aura of beaming joy that radiated off of him, making all those around him happier and positive. Even though he had a strong presence in the sports community, he touched people's lives from all walks of life. Everywhere he went, he met someone new and with each person, he got into engaging conversations because he truly cared. He wanted to know everything about you, from hearing about your children to listening to you brag about winning the state title back in the 80's. I owe so much to him. He built my confidence, got me help when I needed it, and taught me how to love a sport I thought I hated. I'm confident when I say anyone who had the privilege of crossing paths with Jason Fletcher over the years will tell you he had bigger impact on their life than one may imagine. He will be dearly missed. CHS loves you Bubba and so do I."

"I am really proud of all that we have accomplished this season. Coach Kaizer has brought a new dynamic to the program, and I am excited to see what they accomplish in the years to come."
- Ryan Gamer '17

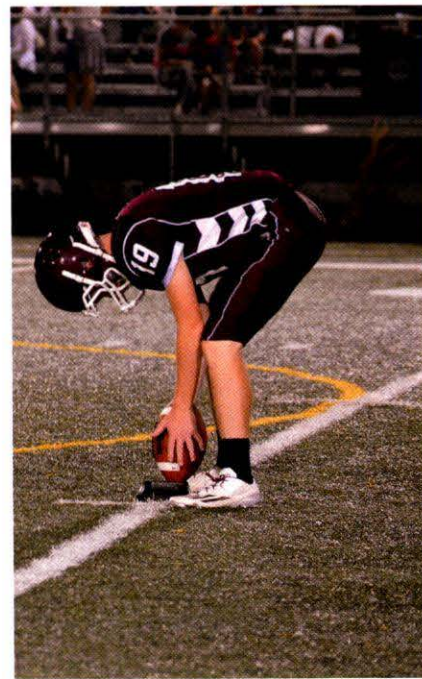

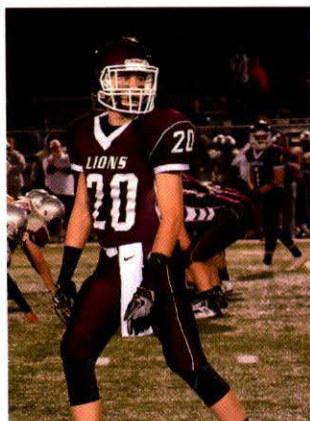

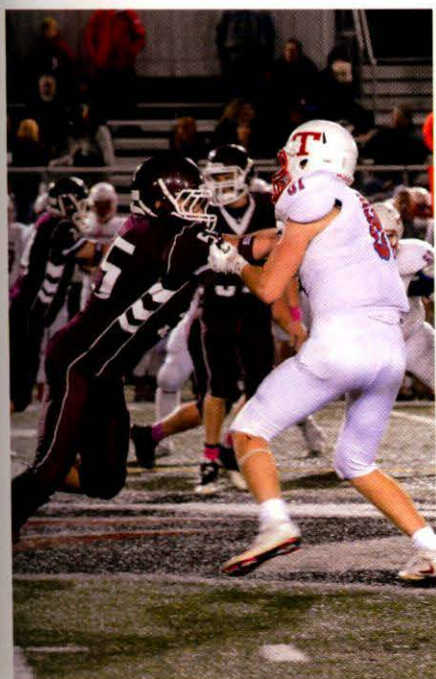

A Letter From Your Captains:

With a new coach, we headed into this season with a lot of uncertainty, but we grinded day in and day out to make this a season to be remembered. The 6 AM runs, lifts, and 7 on 7's were all worth it after the feeling of our first win in the season opener against AB. We went from a team to a family and are thankful for all of the time we spent together. We will never forget our summer workouts; the tough practices after school; and, most importantly the Friday night lights. We are honored and very thankful to be the captains of this team. Wherever life takes you, whatever comes your way, just remember to go "1-0".

Chelmsford Forever.

Your Captains,
Andrew Thayer, Ben Jordan, Matt Dimitrov, and Sal Lupoli

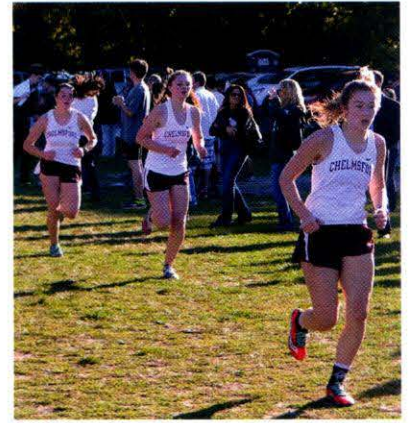

GIRL'S CROSS COUNTRY

"Even though I only joined the distance crew my junior year, these girls have truly made it one of the best decisions of my life. The endless miles, laughs, and memories have created an unbreakable bond between us, and I have realized that the things you learn as a distance runner are incomparable to anything you could learn in a classroom. I can't thank this team enough for an amazing two years. It's been a good run. Love you all, and never lose that Camp Foss spirit <3."

-Shannon Lustiber '17

XC GIRLIES!!!

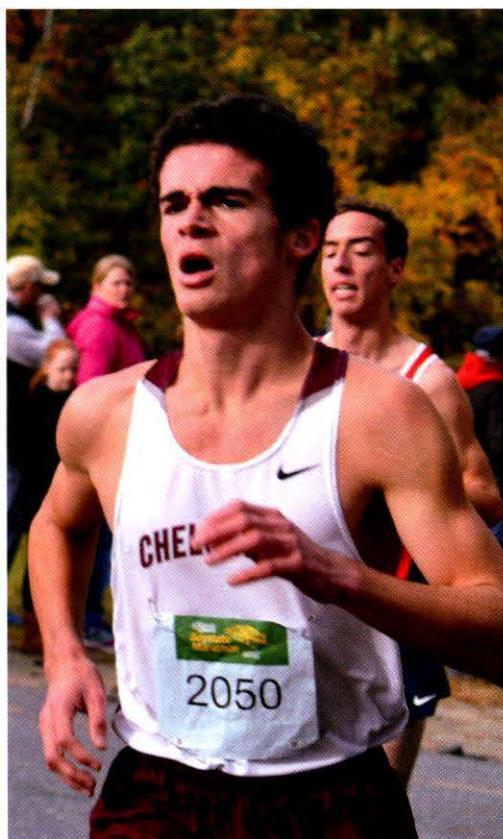

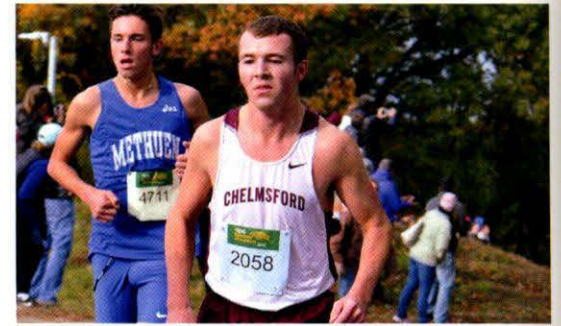

We cannot believe this is our very last letter to you all. It seems like just yesterday that we laced up our sneakers and went off to Great Brook at 5:30 AM, trudged up to Hilltop every morning at Foss, and handed off the batons during our first race of the season. The memories we have made this year will last a life time, but just to "jog" your memory here are some of our favorites...

Camp Foss spirit, dunking our heads in Nabnasset, searching for ice cream in Manhattan, pdins, Lang's quotes, crying during JWOW's speech before MVC's, corn rows for States and corn fields for Lizzy, running from the clowns, water wars, JP & TN, and everything inbetween. Always remember that you are strong alone, but unstoppable together because sticks in a bundle don't break. We will miss you all so much and can't wait to cheer you on next fall!
Intensity, Determination. Go Lions... 1,2,3 TOGETHER !

Love always, your captains,
Soph & SB

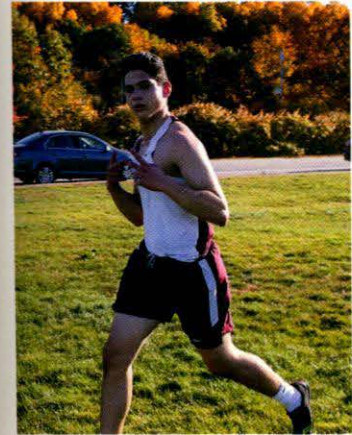

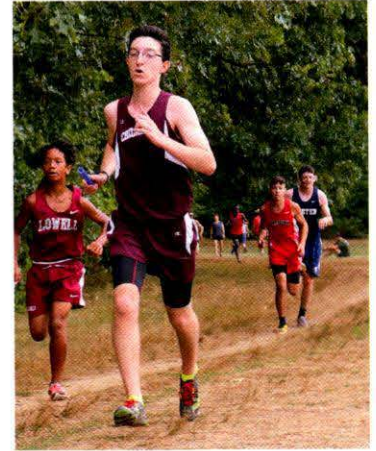

BOY'S CROSS COUNTRY

"After 4 years of workouts, sweat, pain, and just enough emotional distress to kill you on the inside (but not the outside), I am glad to say that it was worth every second. I couldn't have done it without the support of the best teammates in the world. Good luck next year boys."
- Ryan Willome '17

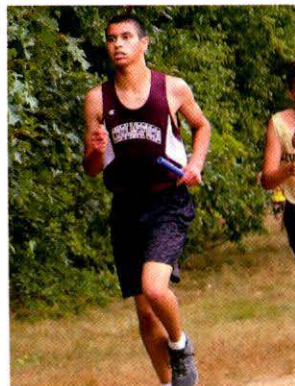

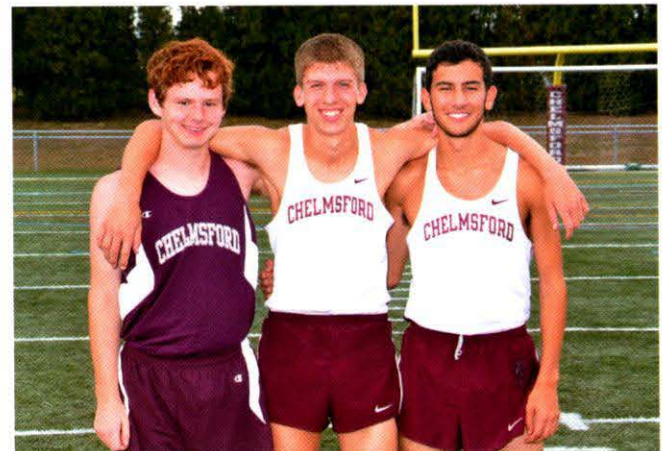

To the Boys:

This was a season for men. We trained hard, ran hard, and finally, won hard. From the first meet at Central, we pushed each other to achieve more than any of us could have alone. All that time spent going on long runs, struggling through workouts, or doing core paid off with our almost undefeated record. Almost everyone on the team PR'ed because of the teamwork and team chemistry that we shared. Every single person on this team contributed in order to make our season successful. We can always look back on 2016's XC team, and realize that whatever the obstacles we may face, we can overcome them with the help of each other, and remember that there is no hill. #whathill?

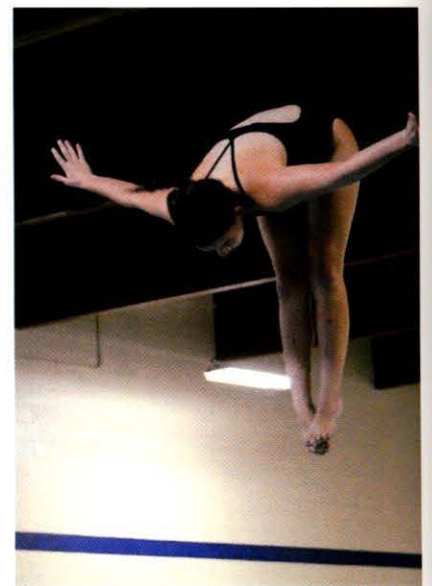

Sincerely,
Impy, David, and Peter

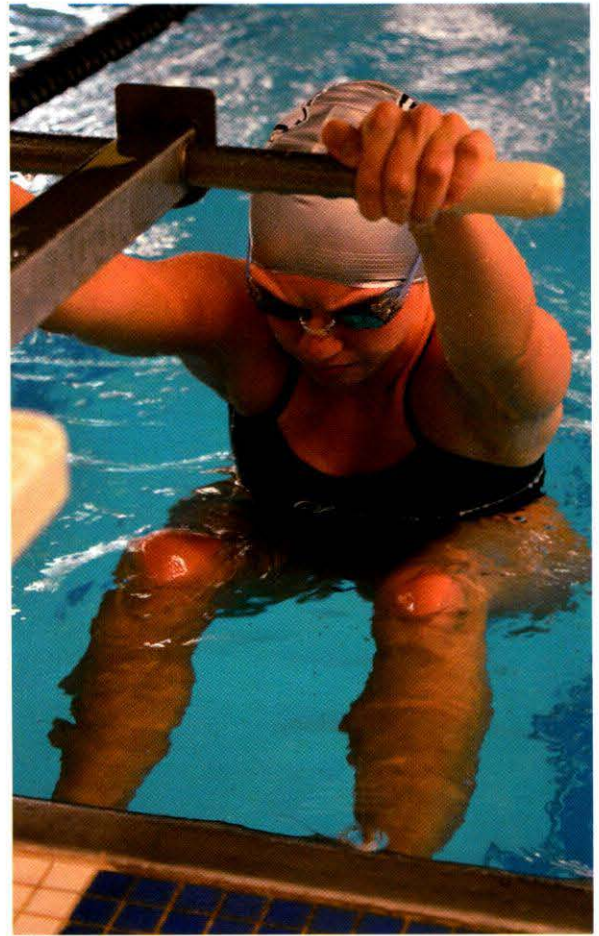

girls swim + dive

"I've been lucky enough to be a part of this team for the past four years. These girls are more than just my teammates; they have become my second family. We love and support each other, which results in great swims as well as friendships that will last a lifetime. That's what makes the swim team one of the best teams at CHS."
-Megan Keene '17

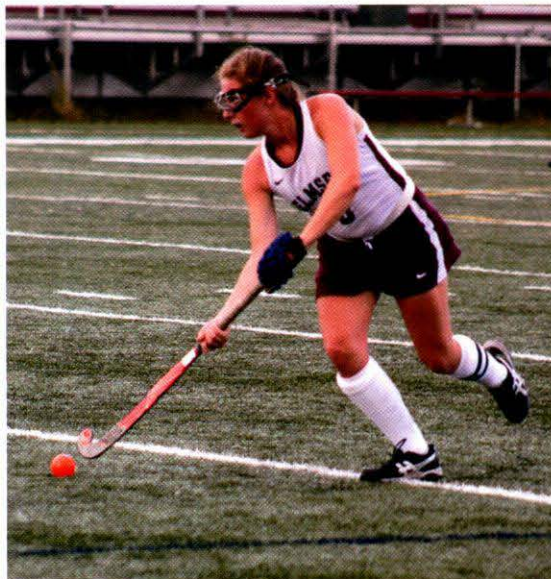

Hey Lady Lions!

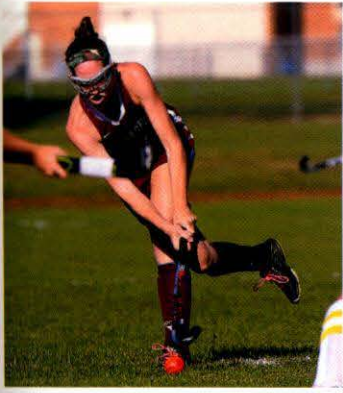

We cannot believe how quickly this season flew by. We had an awesome season even despite all of our crazy injuries and sicknesses. To all the swimmies, we will never forget the insane apple ball tournaments during taper practices; RIP to our locker room. We are so sad to see the original generation of #divination leave but excited to see what the future holds for you. A special thank you to all the parents who put up with the insane amount of food needed for each pasta dinner. Big shoutout to Bertuccis for providing us with delicious rolls for every P-diddy. We love you all and thank you for making this season one to remember.

Peace out my doods,
Katie, Maggie, and Caroline

≡ field hockey

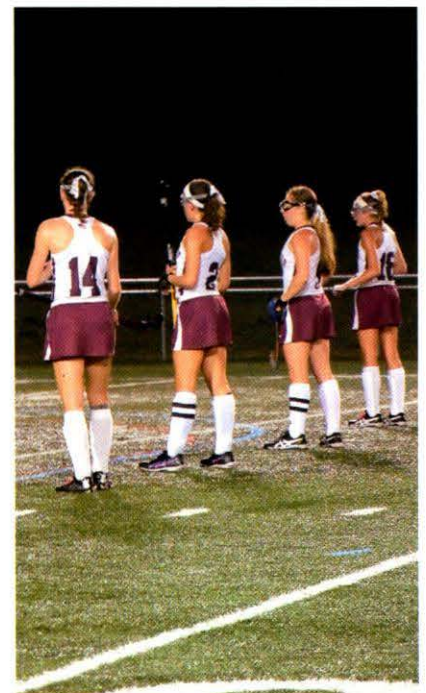

Dear family,
 We are so thankful for the privilege of being a part of this program and playing with you throughout the years. We are so proud of how much everyone has grown on and off the field. We know you'll never forget running across Graniteville in our halloween costumes, pre-game jams in the locker room (we're all in this together), quality time spent together (constantly;)), dressing up in Walmart shirts, and running through a maze while eating doughnuts. Please make sure you never forget how hard we worked day in and day out to achieve success. To the underclassmen, thank you all for making senior night and the entire season one for the books. To our fellow seniors, it was one heck of a ride, and we wish you the best of luck for the future- lets plan a reunion and battle it out on the field 20 years from now. We are so proud of our field hockey family, continue the CHSFH legacy.

HEY LADIES,

We are so proud of each and every one of you! We don't care about the wins and losses because the memories we made will stay with us forever. We are going to miss you all so, so, so much, but we can't wait to come back and visit you and see all the improvement you guys make! We are going to miss seeing your smiling faces at practice and making fun of you. Thank you all for your hard work and dedication throughout the season, you guys never gave up, you were always positive, and we were never rattled. We will be sure to visit you guys next season, so good luck getting rid of us.

- BOY'S SOCCER -

"I always thought that no one should be singled out to one meal. That's why #everybodyeats and if it wasn't for the boys I wouldn't even be hungry."
-Ethan Hirsch '17

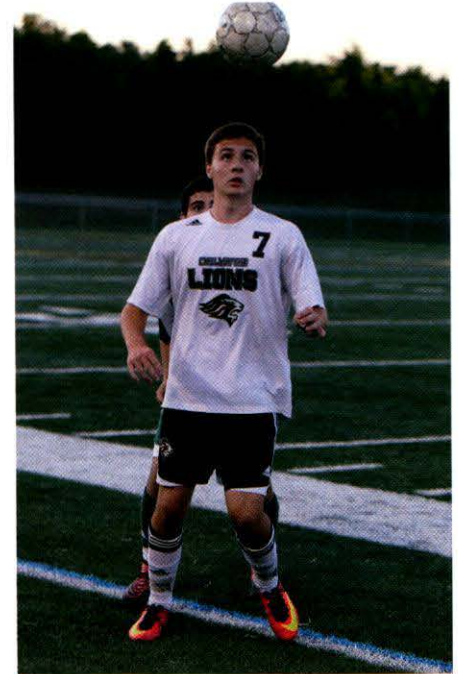

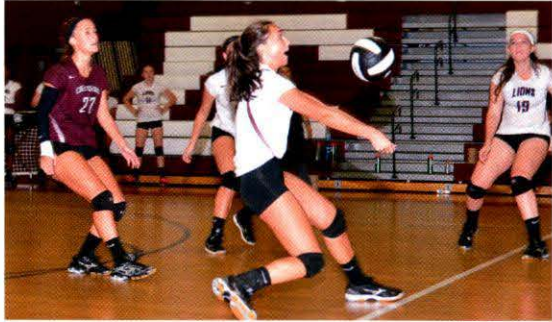

Boys,

It's no secret the year didn't go as planned as far as our record is concerned. Sure we didn't qualify, sure we tied too much, sure we let up stupid goals, and sure we managed not to score on easy opportunities. But something that we are all even more sure of is the passion that we played with, and the closeness we felt towards one another. From day one, we were an inseparable team. This was evident in our preseason crusade to Wings after summer league, right up until the very end. The "last supper" was one that none of us will forget, and we are all honored to have shared that experience. Clearly, there is some work to do in the off season, but we all know that it will be done without hesitation, and with quite a bit of passion. The amount of bonding done with this team is unlike any other, and something we don't think could be replicated. We all care deeply about one another, and will always be there in the future, near or distant, to pick each other up when we fall. To care for one another is just like playing on the field... it's a team effort.

Dear Girls,

This season has been one of a kind! There were countless moments filled with laughs, tears and kumbaya (lol). It may not have ended how we wanted it to, but we will hold this season in our hearts forever. We are so proud to have been your captains and we wish you all good vibes to come!

-Everyone

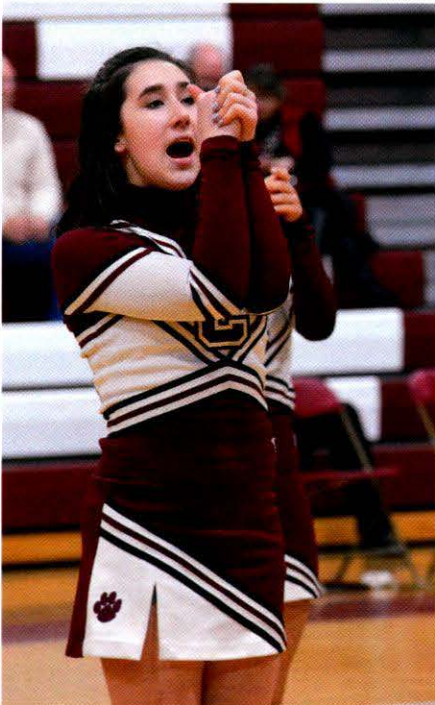

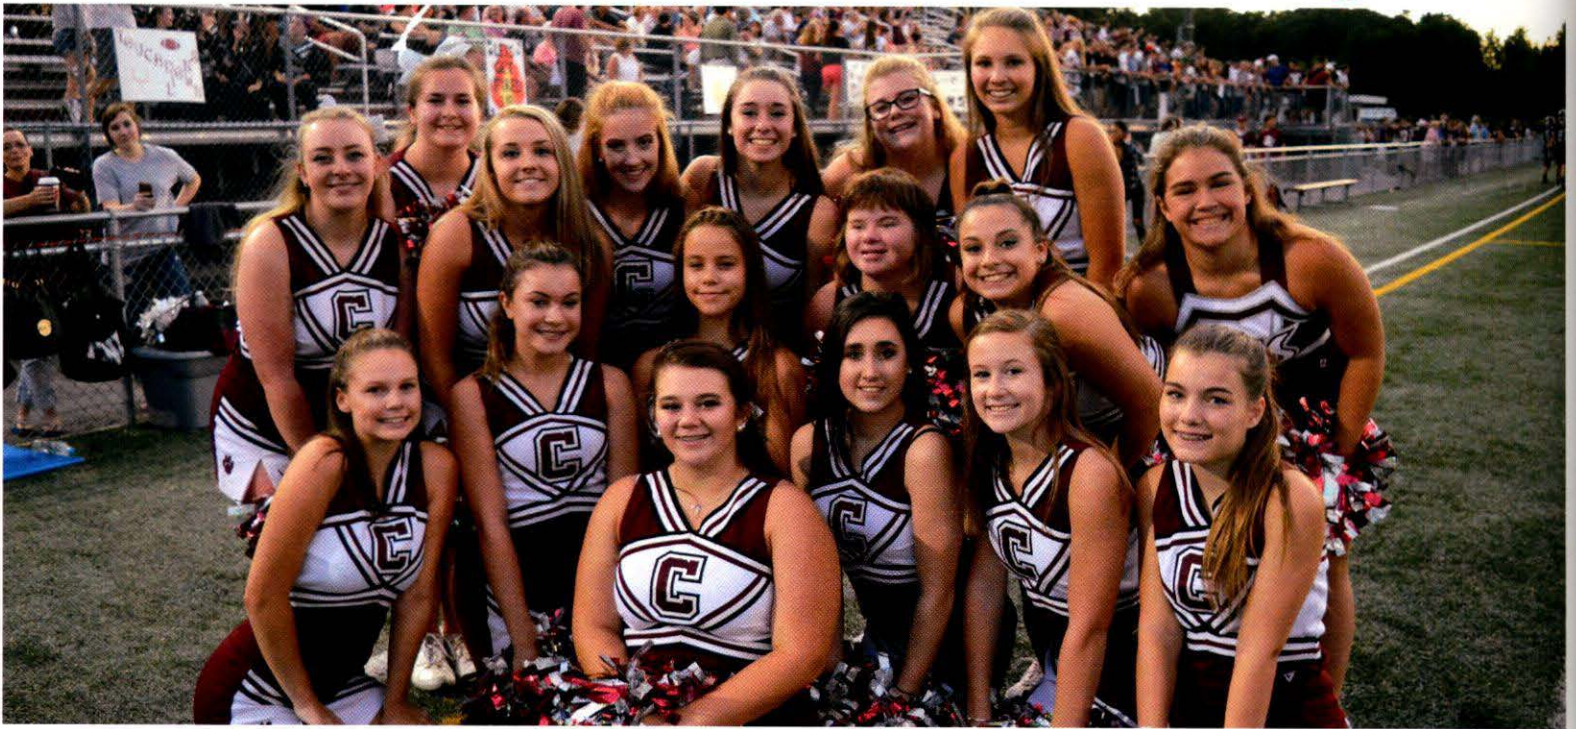

Hello Gentlemen,
 First off, we would like to thank you for a great season. We had our ups and downs, but we always came back slappin' patties. Although Coach wouldn't like to hear it, this year went speeding by. We have had the privilege of spending the last two or three years with most of you. Over those years our game grew stronger, as did our friendships and our trust. To all of the underclassmen, you guys are the future of this team. Continue the legacy with pride. Good luck to you all, we know you will be able to handle it.

"What the heck."
-Mary Alice Jackson '17

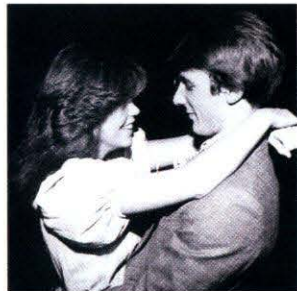

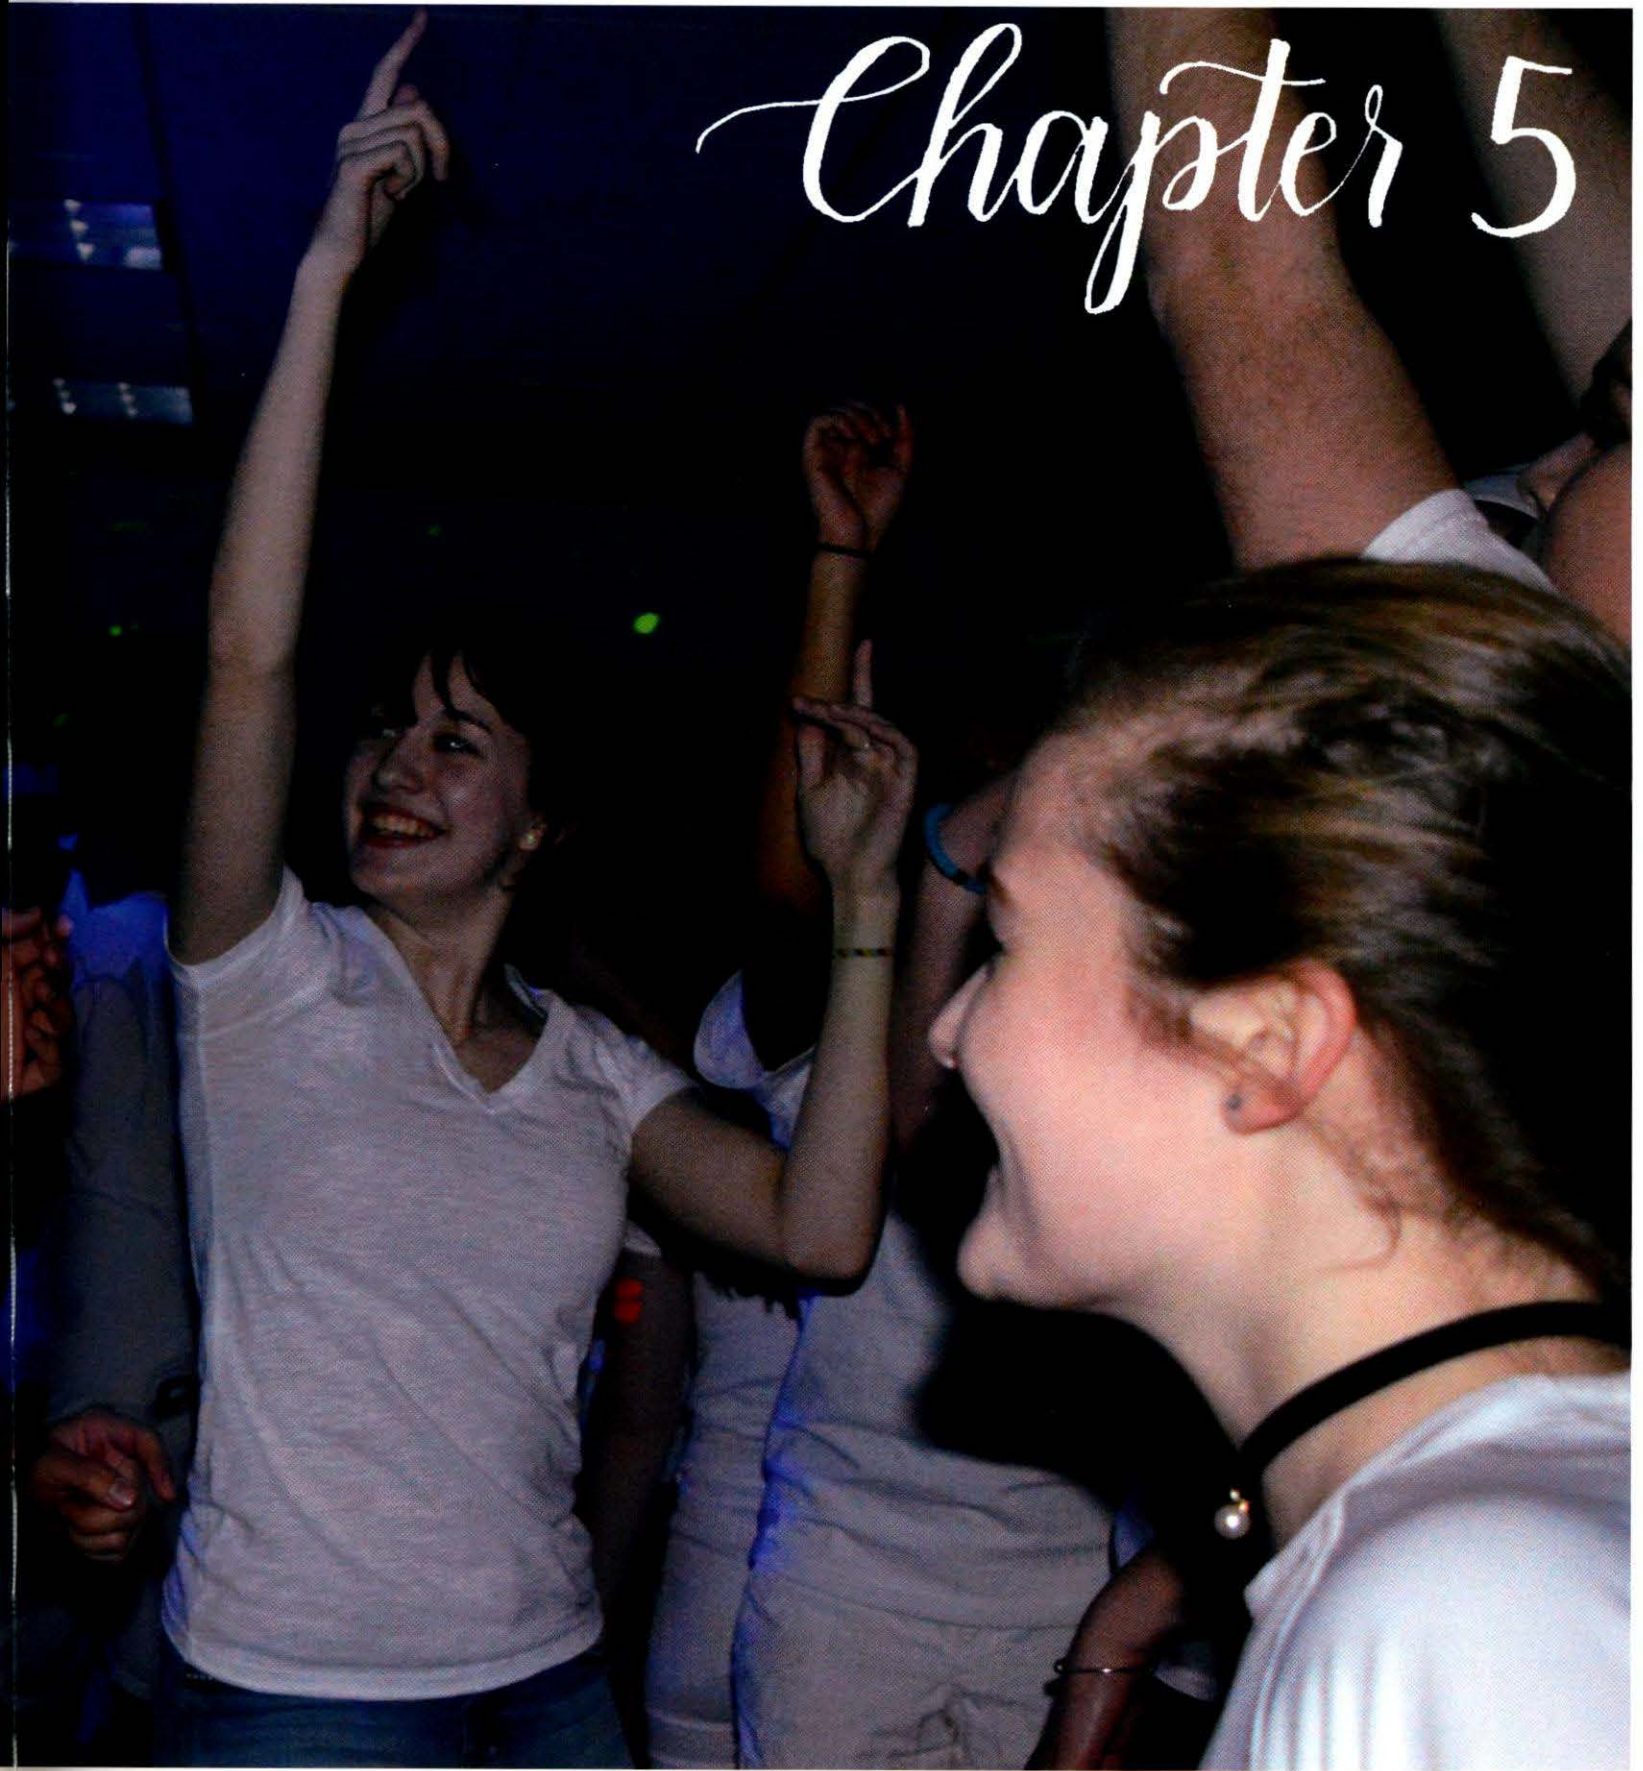

It's been a rough season we all can see that, but we've come together as a team and put our thoughts together to make everything work. Some days we wonder, why did we choose cheerleading? But at the end of the day we all know we couldn't live without it. We have become a family and we couldn't ask for a better one. Each and every one of you make us love the sport so much more. Everyone can do great things we all just need to put our minds to it. we've all had some great laughs and tough practices and a lot of injuries but it didn't stop us from doing what we do best. we're so proud of everyone for giving it your all. We hope the next season is as great as this one and we can't wait to continue matching our Nike pros and doing preps to fulls with each of you!

"I had a memorable season with a great group of people who always kept me motivated and laughing. From practices, the Dartmouth relays, and bus rides to meets, it was much more than just running, it was all the memories with my teammates and coaches that I'll never forget."
-Julia Squeri '17

Great work this season girls! We are so proud of what we were all able to accomplish with hard work and dedication. We even had some strong qualifiers for post season meets!! The past four years have certainly been memorable, and thank you for making this one the best seasons yet! We are going to miss competing with you guys next year, but we know that you will all do amazing things. Even through snowy long runs, tight corners in the gym, and weight sessions with the football team, you all showed incredible strength and perseverance. We are excited to read all about your future achievements in the papers. Go Lions!

"Watch the track."
-Everyone

Good morning boys.
 First off, thank you to Coaches Richter, Crane, Matthew, and Kaizer for all their support. We'd like to thank all the trackletes for making this a great season. We got our first win in four years, hopefully with many more to come. Many great PR's for this young team with many of the new athletes stepping up. We're proud of all the achievements we've accomplished individually and as a team. We look forward to seeing many of you back next year. Watch the track, run fast, jump high, and throw far.

-Alyssa Regan '18

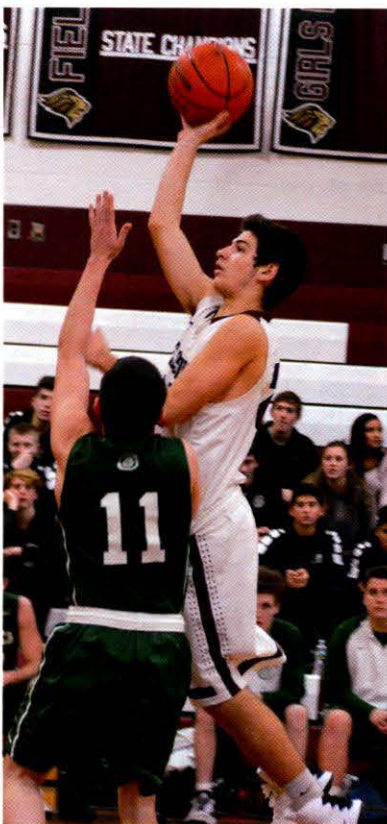

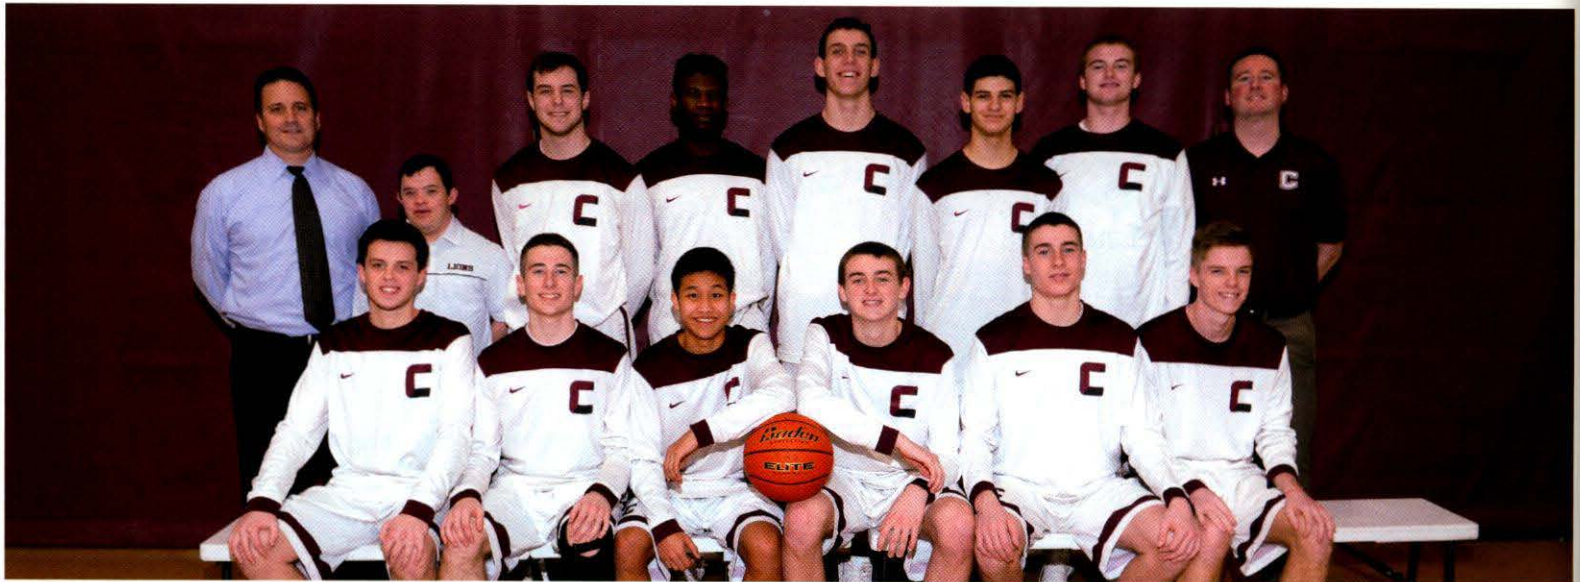

Congrats on a great season girls! So proud of all the hard work everyone put in this season. Losing seven seniors last year was hard, but you guys really stepped up to the plate. Each one of you played such an important role on this team and we hope y'all continue to put in the hard work that you've shown throughout this whole season. We (minus Rai) will miss you next season and we can't wait to continue to watch you all grow. Good luck next season!

"Even though I was only on this team for a year, every practice, game, and team dinner, couldn't be forgotten because every single one of these guys made a bond or friendship I will never forget." -Lee Hok '17

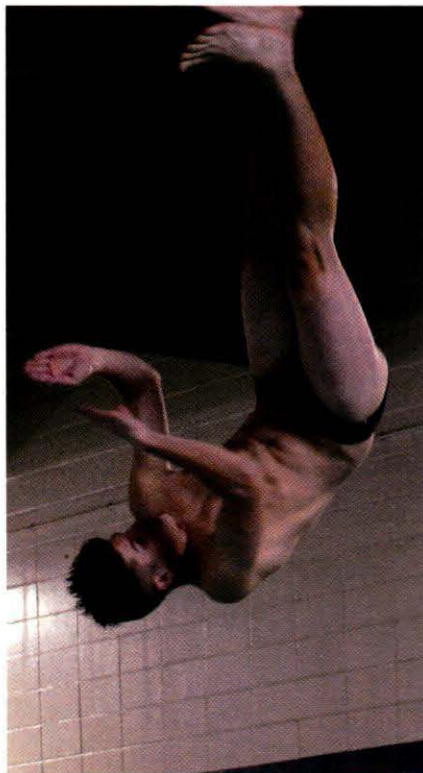

Dear Troops,
 We will always remember this season for the rest of our lives. We've had our ups and downs but it's been a pleasure coming out and competing with you boys every night. Everyone talks about how fast each season goes by and it truly does. Take advantage of every minute you play in the coming seasons. We will cherish each moment that we've experienced this year. Senior night was a game that was very special to us and the highlight of the year. Every practice, we worked on that grind. We wouldn't have traded this season for anything else.

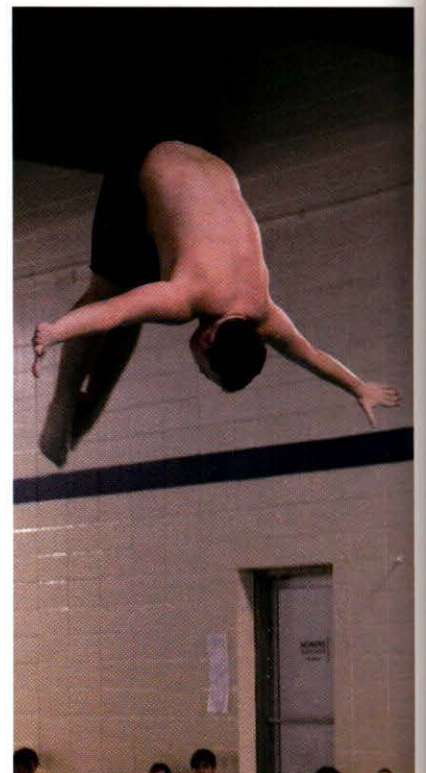

Love you boys.

"Swimming for CHS has been one of the best parts of my high school experience! Being part of the team has kept me active and fit, taught me teamwork, helped me make friends, and feel accepted and included despite my disability." #morealikethandifferent.
-Jack Saba '17

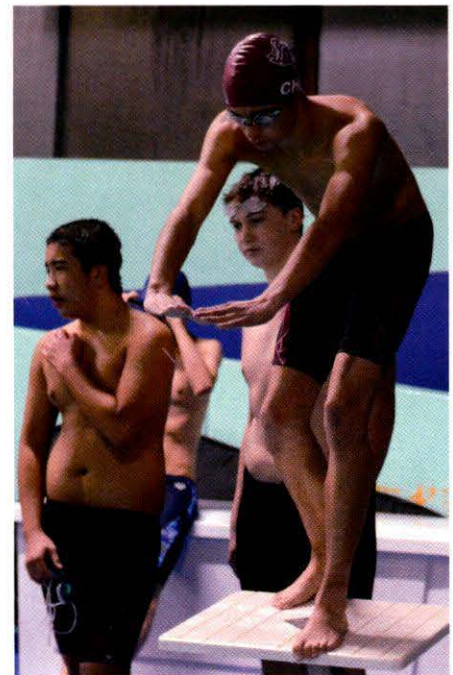

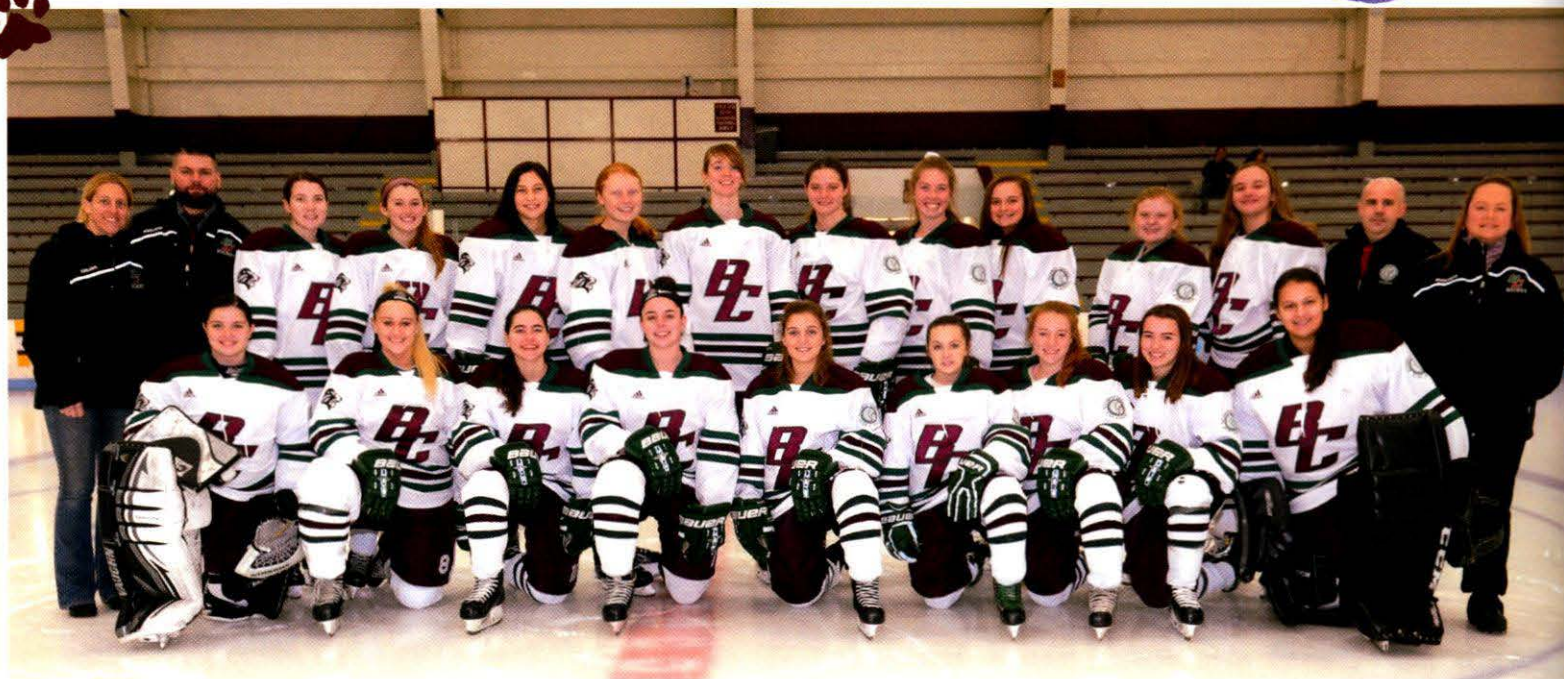

Boys,

It's been a fantastic year and a real pleasure swimming with all of you this season. From the first day of the season we had one main goal. This goal was not just to win MVC's, but to win as a team. Thanks to our hard work at every single practice and meet. We did it, and ended the season with a bang. After a third place finish at MVC's last year, we bounced back and improved together, dropping over twelve minutes total throughout the year to win our third championship in the last four years. Though swimming may be an individual sport, we came together as a team and supported each other through every pace and lactic acid set. Even though the odds were often against us, we overcame illnesses and snow storms to emerge victorious. Keep this momentum going through the next years and we know you'll be successful! #hardware

"To play the game is good, to win is better, but to love the game is best of all" -Cortney McCann '17

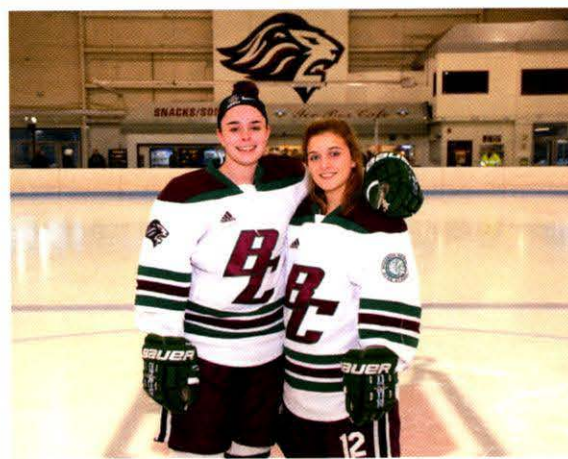

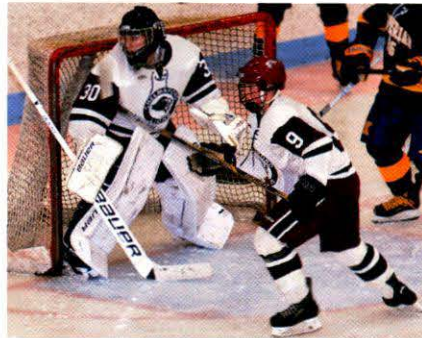

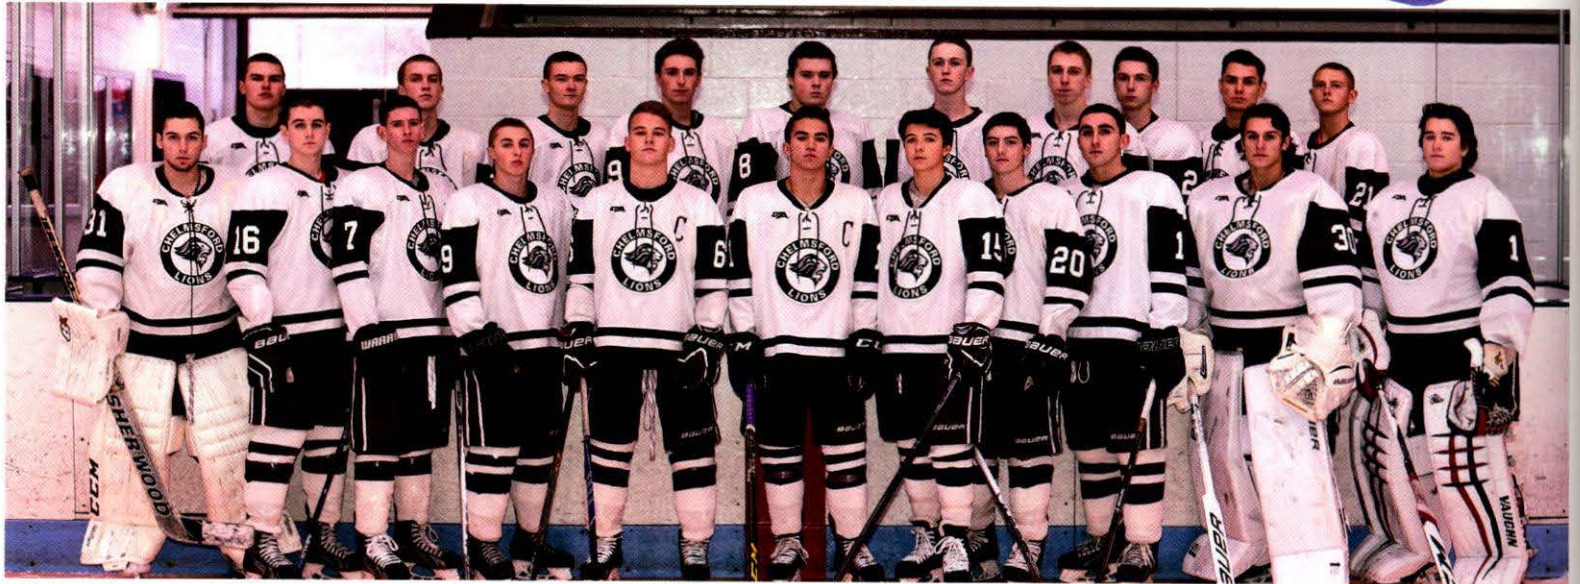

Thank you all so much for such an amazing season! This season we faced many obstacles and no one knew how the mix between two life-long rival towns would go. Through all of the pre and post game dance parties, endless team dinners, and constant laughter we became a family. We became BC. Day in and day out we worked hard at practice to get to the level we are at now and worked hard off the ice to build our relationships with everyone on this team and we would not trade this season for the world. Not only did we form memories that will last a lifetime, but we all gained 18 new sisters and a pet fish named SJ! This team is a family that beat all the odds. We love love all of you so much and are so grateful we could spend this season together! Clear eyes, full hearts, can't lose!

"Hard work pays off."

No one thought we could do it. People had us losing the day after last season ended. From day one, we believed in each other. We took back the MVC and won our **THIRD CONSECUTIVE D1 NORTH CHAMPIONSHIP**. With a 22-3 record, we showed everyone why we are the best program at CHS. We can't thank you guys enough for all your hard work and dedication this year. Wrestling is the hardest thing you will ever love, and you will carry the lessons you learned in that room throughout the rest of your life. Shout out to all of our coaches, for making this program as great as it is. You are role models for the three of us and made us into the leaders we are today.

Chelmsford High's first all-female a cappella group, the Crescendos, started off their first year by joining the Salem Pitch Trials in May. The group performed very well, and their set consisted of: "Song of Purple Summer" from *Spring Awakening*, "Reflections" by the Misterwives, and "Stitches" by Shawn Mendes. The group gained a lot of experience this year, and will hopefully take the stage by storm again next year!

Theatre Guild

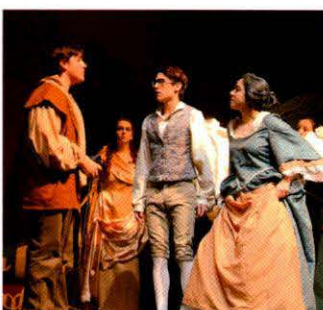

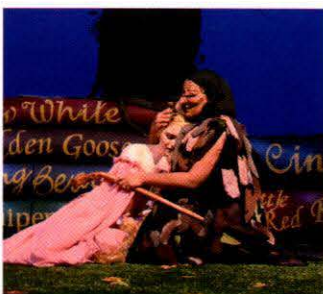

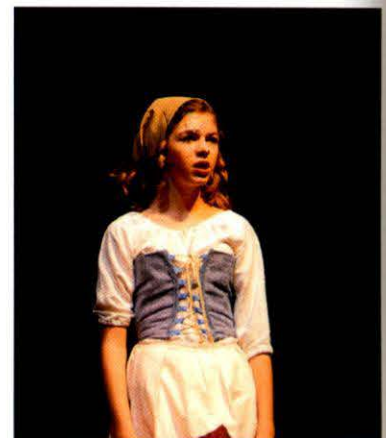

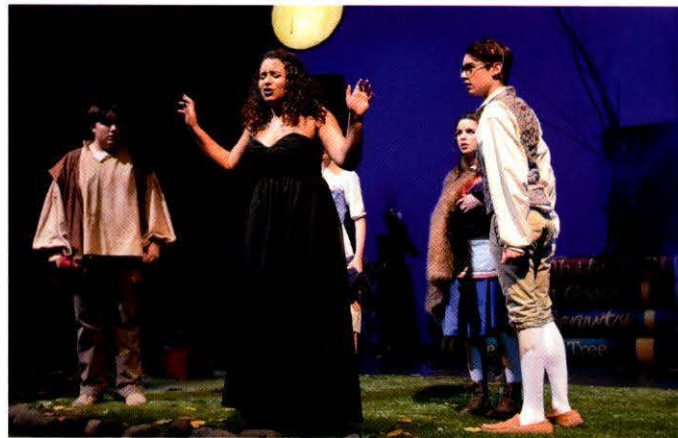

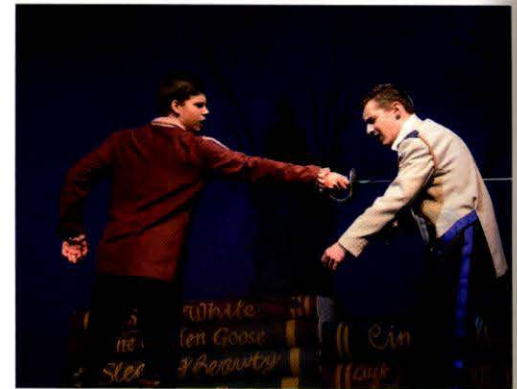

This year's theatre guild put on amazing productions, beginning with their fall production, "Life in Color". Written and directed by Jake Wetmore, Nadya Liscotto, and Michael Xavier, "Life in Color" followed Percy, Violet, and all their siblings in their adventures in Dimsville and Sunnyside as they try to defeat Queen Ophelia, who was determined to keep the kids away.

After the children's play and the musical, the guild got to work on their competition play for the METG Competition Festival. The result was the play "Family Album", written by Eloise Hoffman and directed by Lauren Cochran. "Family Album" tells the stories of a family starting with their grandmother, Mary Connelly, who is sick with dementia, and the generations that follow her. Each scene told the story of their experiences at their secluded family log cabin in the woods. With this original play, original score, and a live band, the Theatre Guild was able to make it to the finals once again!

GIRL'S track + field

"Sprack is something I have done throughout my entire high school career and I truly have no idea where I would be without it. Thanks to all of my teammates for making even the longest of long runs a good time! I'll miss you guys!"
- Sophie Haywood '17

We are so proud of all the hard work and effort that you have put in during this spring season. It absolutely showed on and off the track with our many state qualifiers. This was a fantastic group of girls to finish our last high school season with, and we are leaving confident that you will continue to find individual and team success. We can't wait to read all about your success on Richter's twitter.

BOY'S track + field

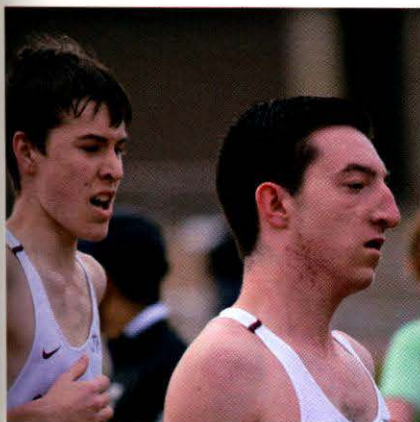

"Track? I thought this was football?"
- Mike Perez '17

First off, we'd like to congratulate the whole team on their accomplishments this year. We were able to see all the hard work we put in during practice translate to many PR's. We want to thank everyone for helping our senior year end on a high note and we wish everyone the best of luck in the future. Thank you especially to all the coaches for their support and guidance. Congratulations to those who qualified for states and have fun next year.

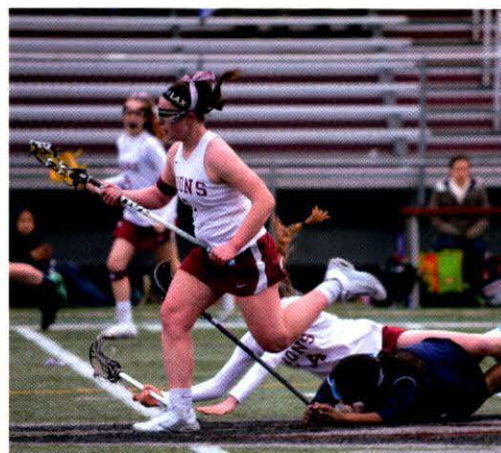

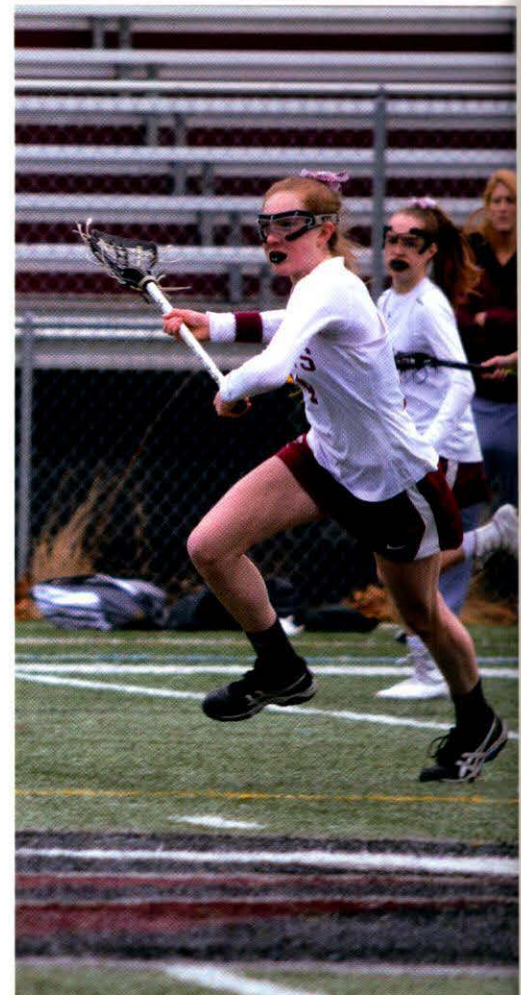

Your Captains,

girls lacrosse

"Remember that one practice we didn't run? Yeah, me neither." - Caitlin Sanborn '17

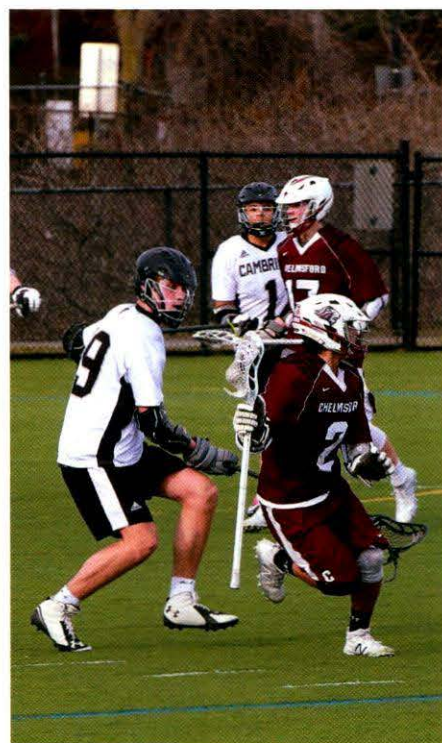

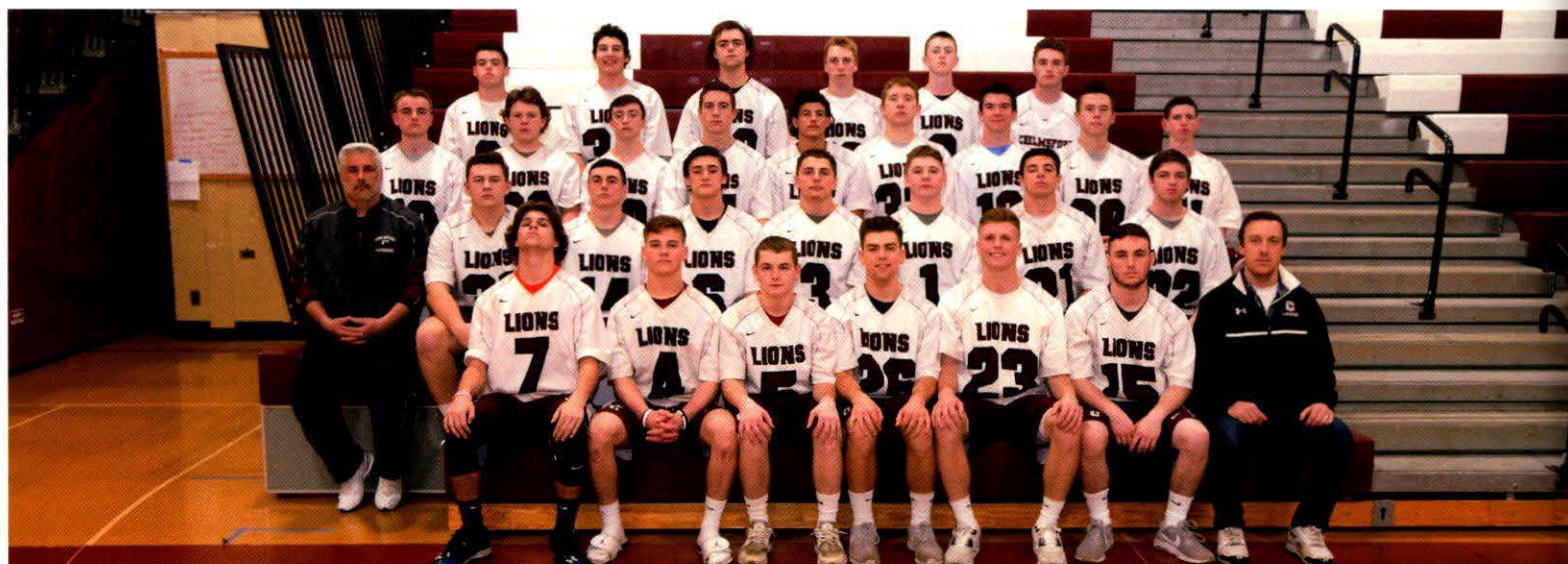

Dear Girls,
 We want to thank you all for such an amazing season! We are so proud of our close knit team and how far we have grown as lacrosse players. Time and time again we supported each other on and off the field. Through all of the tough practices and games we were so glad we had each others' backs. We think that we achieved all that we set out to do. Thank you all so much for making this season the most memorable one yet!

Love,
 Iz, Steph & Maya
 P.S. If you're not cheating you're not trying :)

Boys' Lacrosse

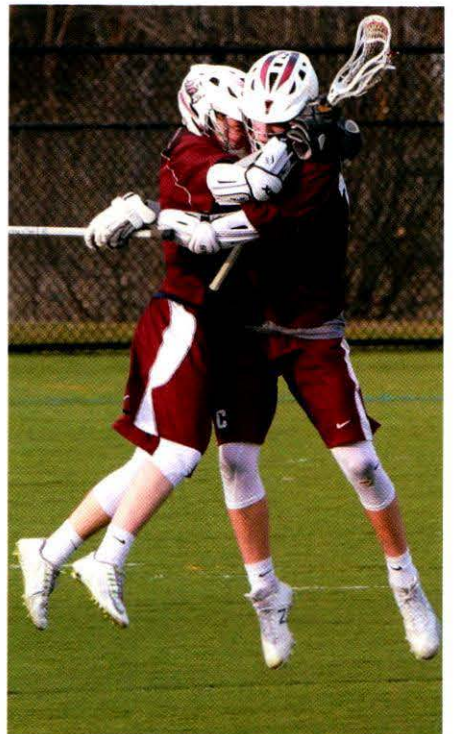

"When the going gets tough, just remember...lets band together." -Brendan Lally '18

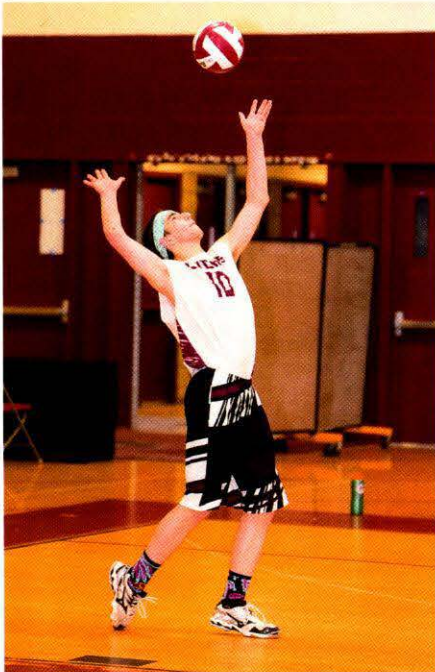

Boys it's been a good ride. We had an amazing season and have a lot to be proud of. We made history by beating Billerica for the first time in 12 years. This program has come a long way over the past few years. Everyone has contributed to the success we have had and will continue to have. We will never forget the great memories that were made this season. Chelmsford Forever.

boys's volleyball

"So many memories from this team: Tape ball. Gus. Corn. Guy. Carpenter. The right way to eat a cake (last year). Learning the 'right way' to do a dynamic warmup and static warmup. That Chris needs a teeny and tiny jersey. Be the Eagle - the egg that doesn't crack under pressure. Mhhmmmmmmmmmm." - Duncan Dean '17

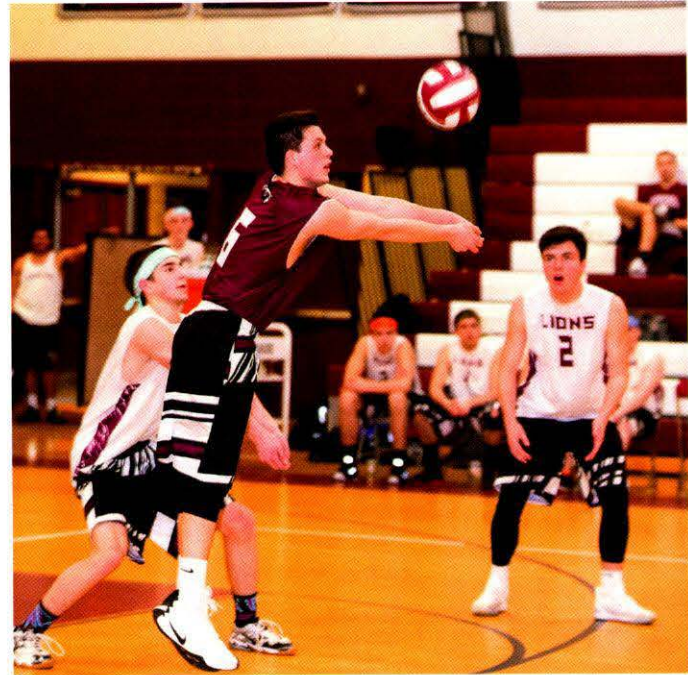

Reality is,
We are the champs of the North
Pass, set, hit, celly

The boys are grinding

Thanks for the season
We are the classiest team
I will miss the boys

GIRLS' tennis

"This team is filled with the most amazing teammates and friends anyone could ask for. I've never seen us stronger and can't wait to see what a great season we will have!"
- Aashna Shah '17

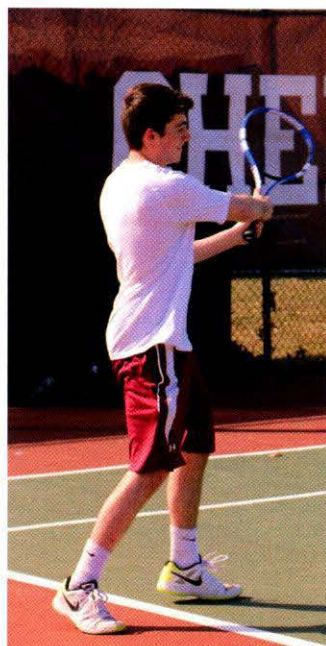

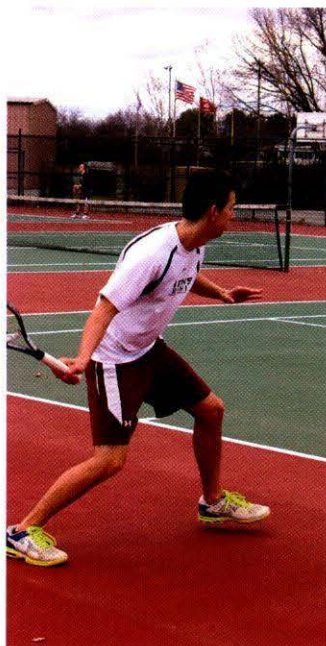

Hey girls, congrats and thanks for a great season! We had so much fun being your captains this year and are so proud of all the hard work everyone has shown. We've had some great times over the last four years and have made so much progress as a team. We couldn't be happier with how we played and the way things turned out this year. This is certainly one of the best teams and seasons we've ever had. Congrats and good luck next year!

Thanks and love,
Sarah and Melinda

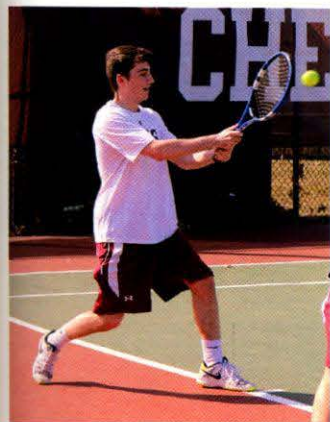

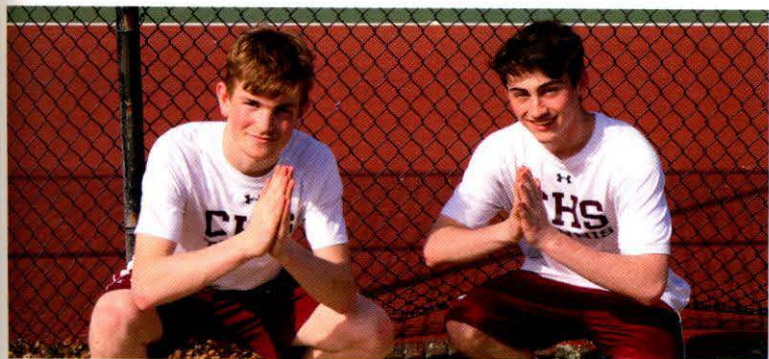

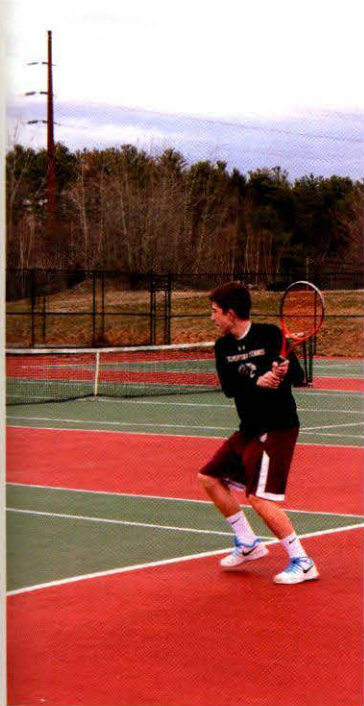

BOY'S tennis

"This year the boys tennis team is focusing on having tunnel vision, facing every opponent with a mindset of 'I don't really care if you cry.'" - Andre Danahy '18

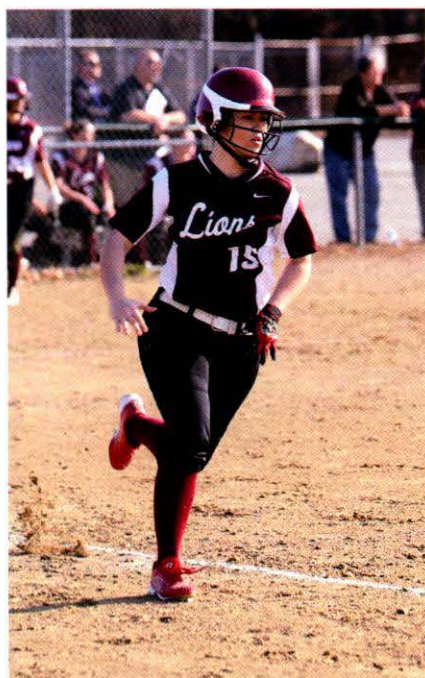

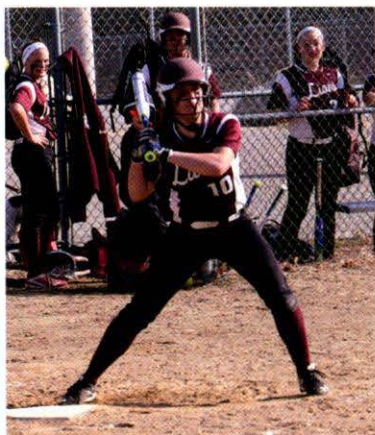

Dear Tennis Boys,
 In the past 4 years our program has grown immensely. We are proud to see how much everyone has grown as a tennis player and as a person. We have been fortunate with the new coaching staff which has taken our skills to a new level. We thank you for dealing with that transition very well. Boys you better live it up and make Tennis hype. We are going to miss all of you. Keep the dream alive brothers.

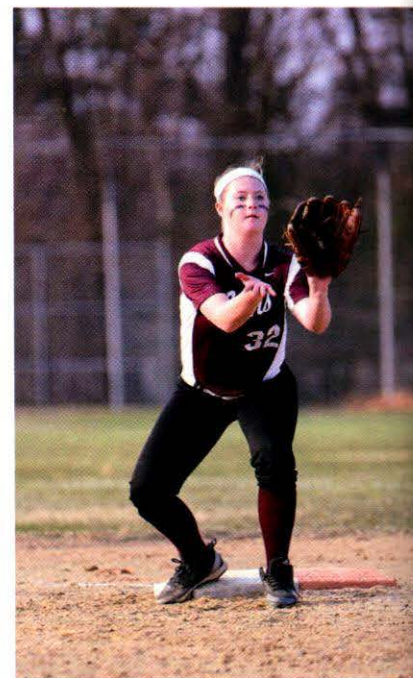

Your Captains,
 Ethan and Brian

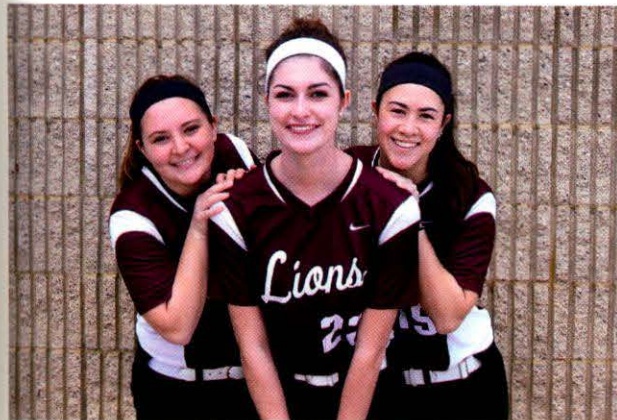

softball

"Softball was, is, and always will be the best game in the world. Thanks to this amazing team, we were able to achieve great things."
- Erika Markham '17

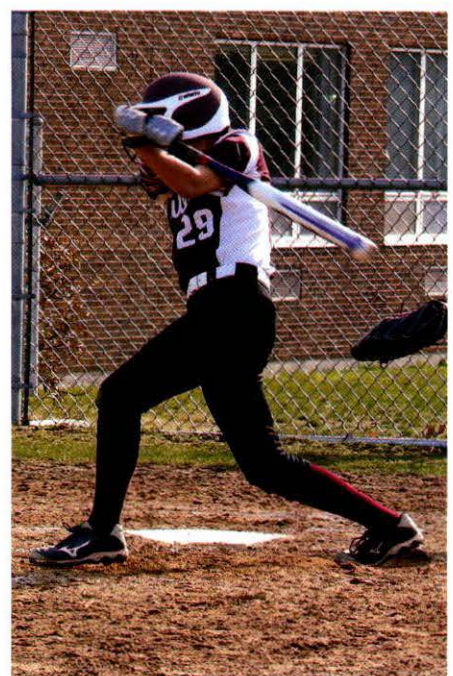

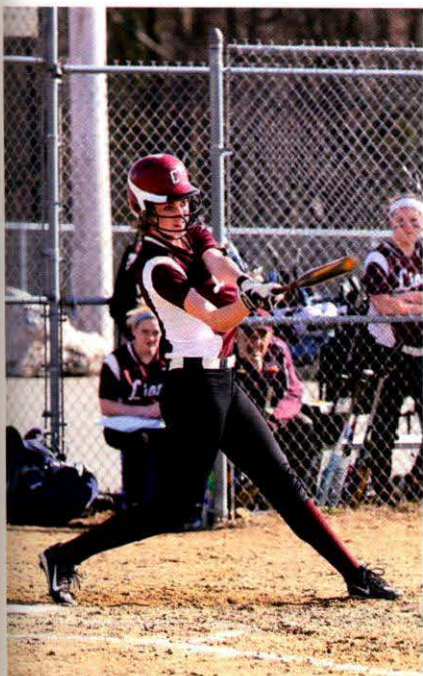

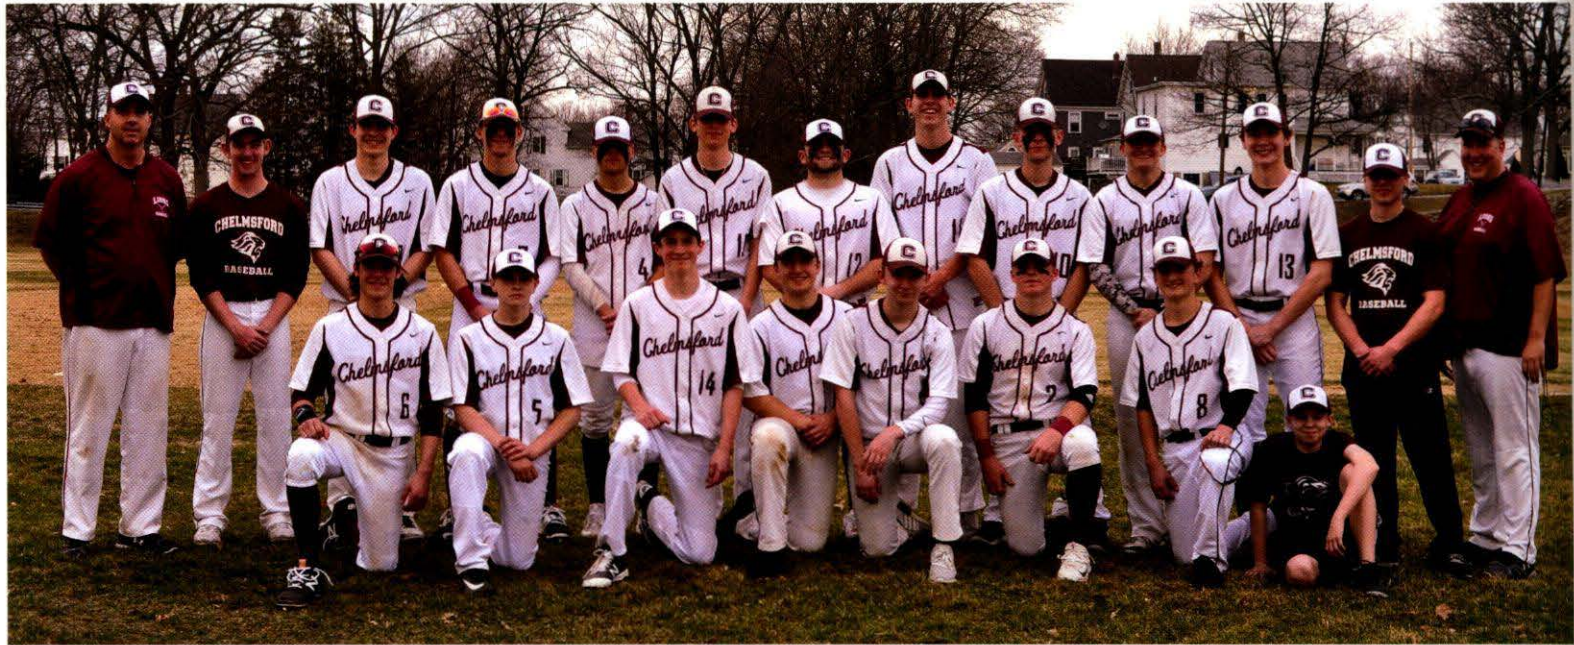

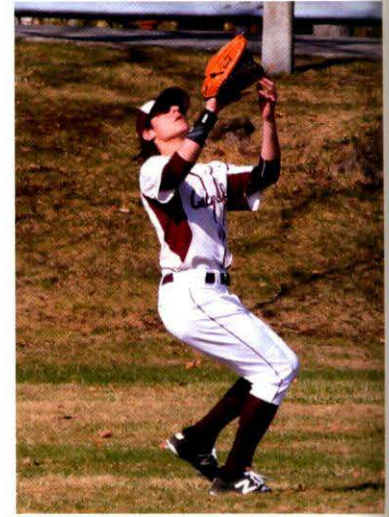

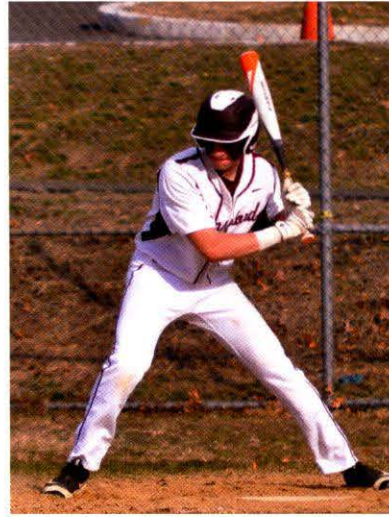

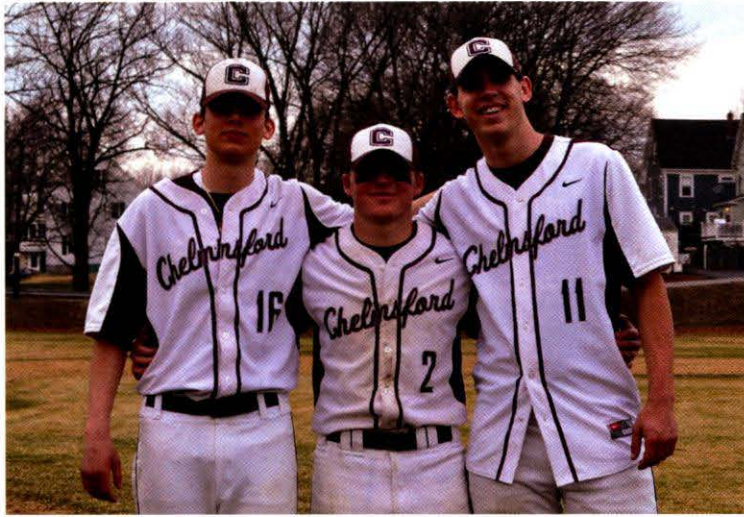

We are so thankful to spend our final season with all of you. We could not have asked for a better group of girls. Our success would not have been possible without all of your hard work during the preseason and at practices. We haven't won the states since '99 so let's send the 90's kids out with a bang! We are going to miss the laughs, the singing, and the late nights at Southwell. Thank you for making this season unforgettable, and we can't wait to see what all of you accomplish in the future. We are proud of each and everyone of you. Never forget why you fell in love with the game. Good luck next season! We love you all!

P.S. NEVER BUNT HIT DINGERS!!

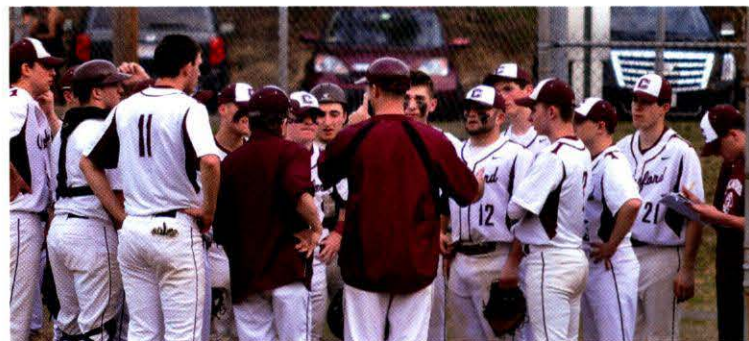

-Dugie, Kenzie, and Z

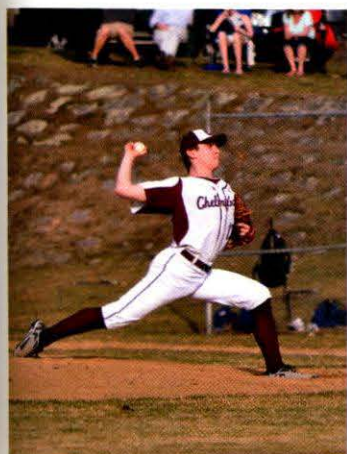

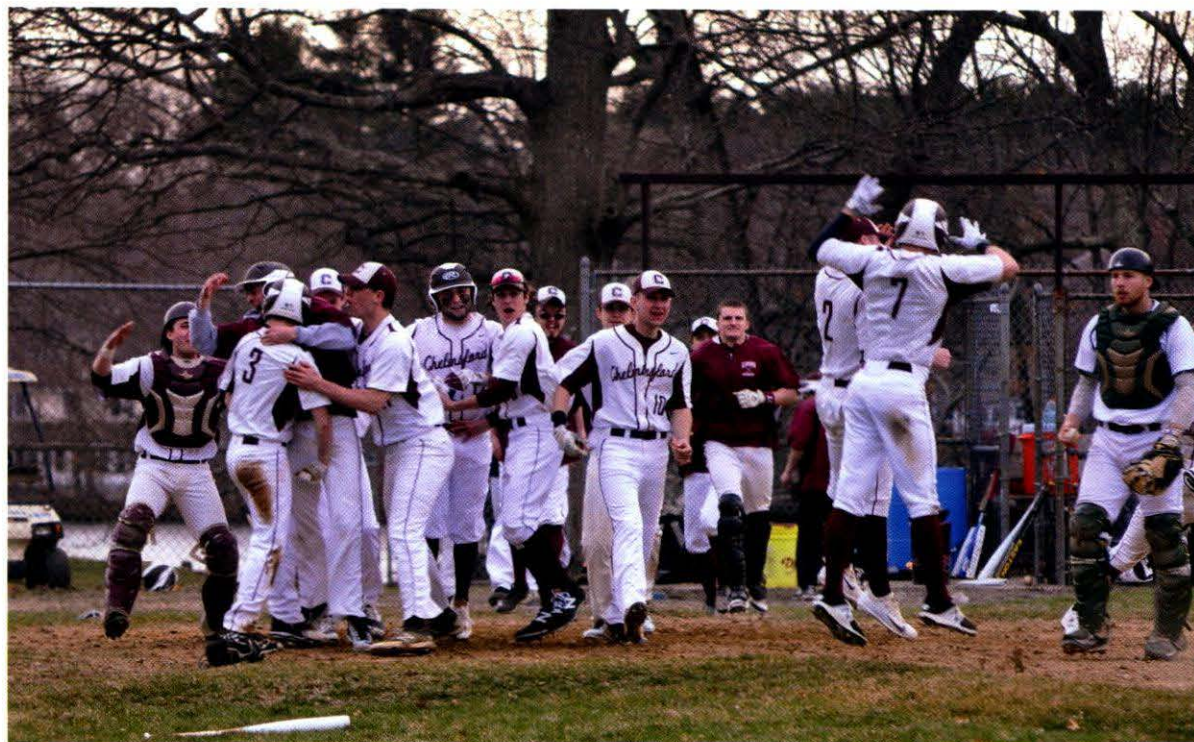

BASEBALL

"The baseball team is and always will be a family; that's how much these guys and coaches mean to me. I can't be more thankful to have been in this program the last four years. To all the younger guys, keep grinding and make the most of every opportunity."
- Kyler Brown '17

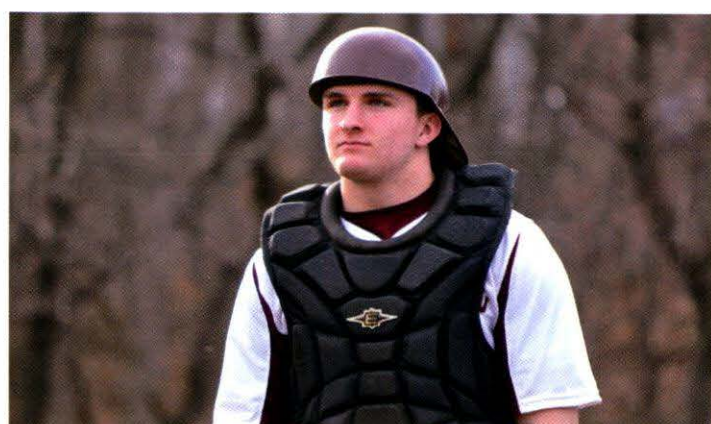

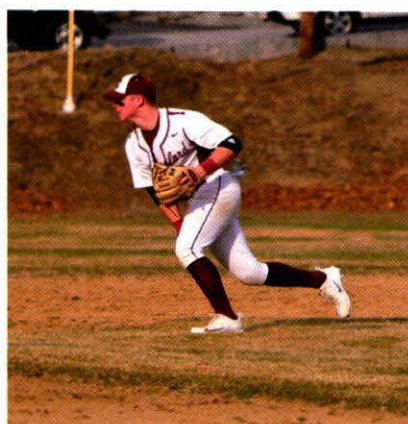

Boys,

It's been a great journey from growing up playing together at the 110 fields, to playing our hearts out at Ayotte. To our seniors, the last four years have been a pleasure. To the underclassmen remember to keep competing and nothing changes.

From your captains,
Kevin, John, and Josh

WGM 2017!

a letter from your ...

...officers!

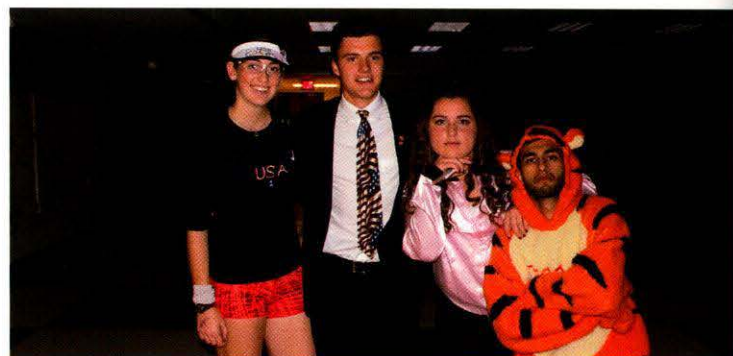

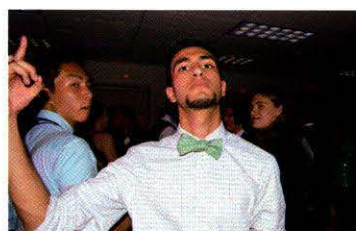

Dear Class of 2017,

This year, our senior year, has been one of the greatest ever. Tom Brady won his fifth ring off the greatest comeback of all time, Chance swept the Grammy's, and we were the 100th class to graduate from Chelmsford High School. This year has brought us so many unforgettable memories, and we want to thank each and everyone of you for being a part of that. We wouldn't be the same officers without everyone's help. Another huge thank you goes out to the faculty, specifically Mr. Murray and the Deans. Working with them has been an amazing experience and we greatly appreciated having them guide us through our four year journey. Shoutout to Mr. Murray for scooting in with complementary Hi-C every meeting. Whether it was planning Cotillion our first week as officers, or organizing events for our last week of high school, we've enjoyed every minute of it.

Next, we would like to thank Mrs. Murphy for always consoling us when Dr. Tanini is roasting us left and right. All joking aside, having Dr. Tanini and Mrs. Murphy around has been a blessing. When you get the chance, please make sure to thank them for all they have done for our class. Pulling off this great year would not have been possible without their unconditional support. In addition to the advisors' tremendous help and guidance, the 2017 Reps have also shown us unparalleled support through their dedication and commitment to the class. These Reps sat at tables during lunch for hours selling tickets, helped to organize major events, and were even at the school until midnight making spirit walls (back when those were a thing). Shoutout to the squad, couldn't have done it without you guys.

Lastly, we would like to thank YOU. Thank you for letting us serve you, and propelling the class in the right direction. Seeing our class come together during Spirit Week and showing a true pride for the school is surely something we will never forget. Even after our titles switch from seniors to alumni and we move miles and miles apart from each other, just know we will always be connected as proud Lions, and probably still arguing over t-shirt designs in the Facebook group. #FollowUsOnTwitter
It's been a great ride; Thank you Class of 2017.

Duncan Dean, Kristin Hohenstein, Dhruv Shah, and Allison Hirsch

a letter from your... ...advisors!

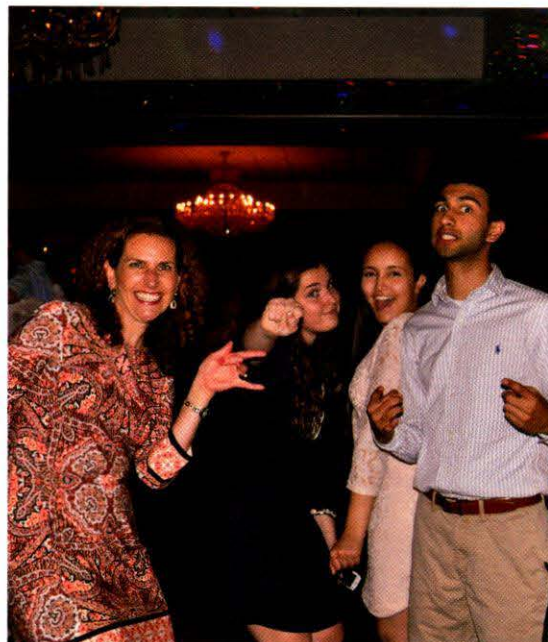

This is it! You are at the end of one part of your journey and ready to embark on the next phase. As we, your advisors, look back at what you have done, we are amazed at how much you have grown as a class. You have learned to come together when faced with challenges. You were able to dominate and prepare a great Cotillion! You worked together to make an awesome dance that showcased all your great talents.

You have been a class that had to face changes. Your advisor changed at the beginning of junior year, and you warmly welcomed your new advisor. Thank you for that. Additionally, you were willing to lead change in the school. You helped introduce the new tradition of class flags and welcomed the idea of a dodgeball tournament for Spirit Week. Finally, you were able to get rowdy for your final Pep Rally and win Spirit Week!

One of the things that you will be remembered for is your sincerity and generosity. This year, you saw the loss of 2 valued members of your community, and you worked together to raise money to honor Jason Fletcher and Michlyn Queenan. We hope you continue to give to those in need as you journey further in your lives.

You are leaders in many ways, and we hope that when you leave this school, you continue to lead. May your example inspire others to help others, face challenges and work together. May your inspiring leadership example positively influence others when you demonstrate - by your actions - *"Follow Us."*

Sincerely,
Dr. Tanini and Mrs. Murphy

a letter from your... ...editors!

Dear Class of 2017,

Creating a yearbook worthy of the 100th graduating class of Chelmsford High has not been an easy task. Never in a million years had we imagined that we, along with our incredible staff, would have put together a yearbook full of our high school memories, let alone a time capsule of the town for the past century. From late night runs to Chipotle, to attending every single event that our school has hosted, we can honestly say that this has been a once in a lifetime opportunity that we will never forget. Despite some bumps in the road and long nights of tears, we are excited to present to the graduating class of 2017 a memorable, one of a kind yearbook that encompasses both the history of our class and the development of our town.

When we first realized that this year's book was ours entirely to plan, design, and execute, we were stressed beyond belief. Little by little, however, we recognized that this was probably the most exciting project of our lives that only required pure creativity. As you flip through the pages, you may notice various pictures of graduated students throughout the last century, many of which have become our very own beloved teachers, parents, and friends. Going through all the old yearbooks and town photos in order to put this book together was like going through a time capsule and glimpse of the past; we were astonished to see how the town has developed into the beautiful, welcoming community that it is today. We hope that this book does justice to our amazing class and the wonderful town that we are proud to call our home.

We wish our fellow class of 2017 the best of luck in their future endeavors and can't wait to see what you all accomplish.

Sincerely,
Daniela Borrero, Rachael O'Connell & Katie Danieli

100 years of CHS

George Simonian, *Former Principal & Executive Director, Alumni Assoc.*

100 years of Chelmsford High School has only left me proud and amazed at the support and faithfulness of all the prior graduating classes. This may be the only high school where half of the current employed staff, including teachers, Deans, and even our Principal, are all graduates from CHS. This feeling of allegiance gives me great pride to be from a town like this. I started in Chelmsford in '57 when classes were still taught at the Town Hall. After teaching Biology, I became Science Coordinator, Director and eventually Educational Consultant in '69, which was when I created the House Plan for the current High School. In '72, I was given the title of Principal until '88 which was when I and two alums formed the Alumni Association. This great adventure was and still is my proudest moment. It's grown before my eyes and I couldn't be happier of where we have ended up as a town. Good Luck Class of '17, do amazing things!

'74 Elizabeth Loiseau, *Spanish Dept*

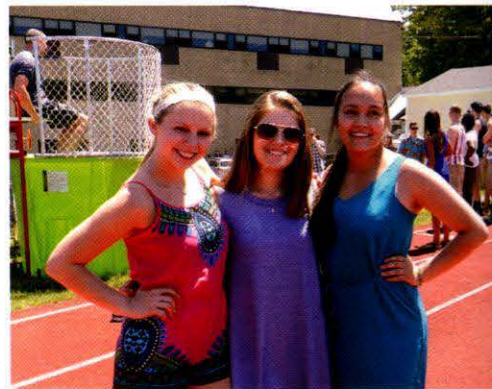

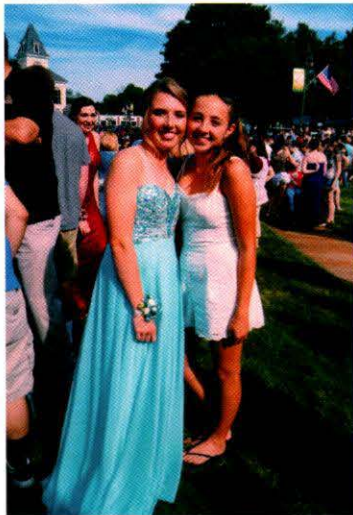

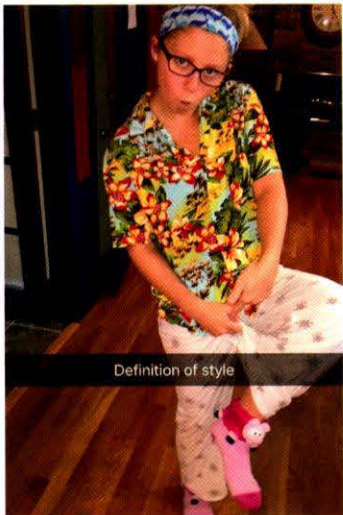

I come from a family of proud CHS graduates, starting with the class of 1929. As Chelmsford High School celebrates its 100th year, I reflect on the many memories in my life that took place when I was a student at CHS, a teacher and a class advisor. I remember all the wonderful dedicated teachers who made a difference in my life. Their inspiration and guidance helped me to become the teacher I am today, and I truly hope that I am having the same effect on my students. It is an honor to be able to watch so many young adults flourish, be successful and to live out their dreams. Thirty-nine years ago, I began my teaching career here at Chelmsford High School and it has been a privilege to have taught two generations of students. Throughout my years at CHS, I have noticed that the successes are unlimited. My hope for all students is that the memories they make throughout their years at CHS will be some of their most unforgettable moments when they look back many years from now.

Ben Cole & Carol Bruell
Yearbook Advisors

Being advisors to The Lion is an incredible honor. The yearbook captures the events and memories of each school year and turns them into a legacy that lasts forever. As we looked back into our archives, it was evident that Chelmsford High School has a long continuous history of wonderful traditions in a caring environment. Although neither one of us grew up in Chelmsford, we chose to become part of this inviting community. Each of us raised our families here, and we are proud that our respective children received the very best education from the Chelmsford Public School System. The faculty, administration and students all "pick one another up". This supportive and caring attitude permeates through these very walls and makes this a wonderful place to live and work.

'88 Stephen Murray, *Principal*

I graduated from CHS in 1988. I was fortunate to have many gifted and talented teachers. Two very engaging high school teachers: Mr. Jack Mulkerin and Ms. Sandy Taylor, inspired me to become an educator. Chelmsford High School is a very special place; it is rich in tradition and school spirit. CHS is one of the few public high schools that can boast that it has an Alumni Association with an endowment of over one million dollars. It is this sense of community and support that makes me proud to be part of 100 years of student success and teaching excellence. It is my hope that all Chelmsford High School graduates can look back at their years at CHS as some of the best years in their life. If the last 100 years are any indication, the next 100 years will be even more amazing. Good luck and Congratulations to the Class of 2017.
