# The class of 2020 dedicates this book to Mr. Vitale...

"He always makes an effort to hear us  
and fight for us."

"Whether it be improving my swim  
skill or helping me with school work,  
Mr. Vitale has been there to help."

"He has always believed in our class.  
He thought the best of us, even in bad  
times. He stood up for us and wanted  
us to have the best 4 years at CHS."

"He has been a mentor, a friend, and  
an overall good person to everyone."

"He cares greatly about all of his  
students and you can tell that he loves  
being a teacher at CHS."

"It truly makes me feel included when  
he cares for our opinions on different  
issues within the school and how we  
feel."

"He will go out of his own way to  
make his students feel good about  
themselves, whether it be making  
them feel comfortable on the first day  
of school, cracking jokes to make his  
students laugh, or being willing to  
give help whenever needed."

"His goal in CHS is to make sure it is a  
safe and comfortable environment for  
all of us and to make sure we're all  
getting a proper education."

"He is friendly, funny, approachable,  
and helpful."

"He has been a mentor for many of the  
students of the class of 2020."

"Mr. Vitale has been there for  
our class, either being a teacher  
in history class or being the  
person people can go to and  
talk."

"What he's all about is developing  
some of the world's greatest  
people."

"He is passionate about what he  
teaches and makes learning about  
history much more enjoyable."

"What makes Mr. Vitale stand out  
is that he treats his students as  
equals, as the brightest and most  
talented people he has ever met.  
He will push you to be a better  
student."

# A LETTER FROM THE EDITORS

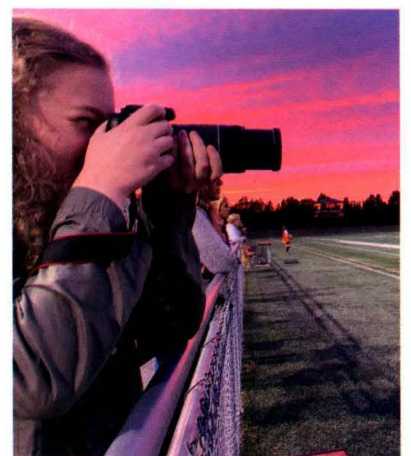

A visionary is defined as a person who is thinking about or planning for the future with imagination and wisdom.

There could not be a better word to describe the class of 2020. When we thought of themes for the yearbook, we knew we wanted to incorporate our unique year of graduation, but we did not want to just go with something as cliché as 20/20 vision. After much deliberation we settled on visionary, a word that encompasses this turning point in our lives, that allows us to reflect on our childhoods while looking to the future. It describes the amount of creativity, individuality, and determination we all possess. As you flip through these pages we hope you see the reflection of this theme. We tried to put our emphasis on pictures rather than words, filling the book with memories of your high school experience— playing sports, going to dances, performing, and everything in between.

Making this yearbook was a challenge at times, especially when the spring took some unanticipated turns. We appreciated the way our class came together to help us complete the book by sending in so many pictures. Knowing that we will be able to look back on these times pushed us to look forward and make the book the best it could be. We apologize for any imperfections (we are sure there are some) but we are proud of what it has become. We are grateful for the incredible effort of our dedicated staff who worked tirelessly to take pictures, design pages, and meet deadlines.

As we start a new decade and chapter in our lives, we hope that this yearbook helps you keep your time at CHS a part of your vision as you continue to persevere and do great things.

Thank you for everything Class of 2020,  
Evelyn and Caitlin

# A LETTER FROM YOUR PRESIDENT

Dear Class of 2020,

What an amazing journey this has been. As I look back on the countless memories we have formed together, I honestly do not know where to begin. I'm truly grateful for the opportunity to grow with all of you throughout these wonderful 13 years. As our time at CHS comes to a close, it's bittersweet to remember and reminisce. However, it's comforting to know that as we move on to the next chapters of our lives, the relationships we have formed are not left behind; they journey with us.

Personally, I know I will cherish the friendships I've formed here for years to come and they will live on in the memories, lessons, and experiences I have shared with all of you. I am extremely grateful for all of the ways that each of you have impacted me throughout these years. Thank you to the classmates, teammates, and fellow musicians who have journeyed with me through thick and thin. I simply would not be the person I am today without all of you, and I hope that in some way, big or small, I have been a positive part of your lives as well.

Our Senior Year has certainly been unique. It's easy to let ourselves dwell upon the things that we missed due to circumstances out of our control. But I hope that as we look back on our time at CHS we don't let those circumstances overshadow the wonderful times we enjoyed throughout the entirety of our high school career. I hope that instead we can let it serve as a qualifier of the countless experiences that have made us into the fine young adults we are today.

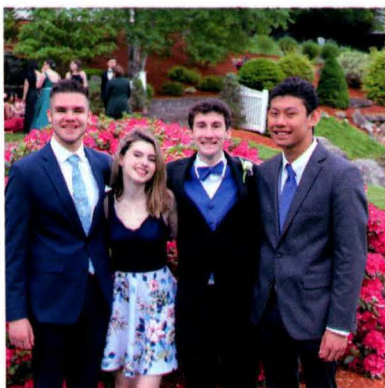

Collectively, we have formed a united community of unique individuals that make up the only Class of 2020 to walk the halls of CHS. We have left our mark on the classrooms, teams, ensembles, clubs, and various other activities we've grown with, and I hope that we all will take pride in how these programs will continue to develop due to our leadership as Seniors.

As we have left our mark on CHS, we know that it has certainly left its mark on us. I hope that what we choose to take away from our own individual time at Chelmsford Public Schools will make each other proud to be members of the Class of 2020.

Wherever your future may take you, I wish you the best of luck, and I'm excited for the opportunities that lay in store for all of us.

Yours truly,

Levi Cass

# CAPTAINS' LETTER

Girls,

Thank you all for an amazing senior season! We know it hasn't been easy; with lots of ups and downs, injuries and tears; there was always someone there to make us laugh and overall, it was so much fun. We couldn't be more proud of you, new girls and returners, for stepping up and doing something you weren't super comfortable with. Thank you for being open and willing to do whatever we asked, and we know we asked a lot. We can't wait to see what comes in the winter season and beyond. We are excited to hit the mat with you. We are so proud to be your captains, and we love you all!

Love,  
Logan, Meg, and Syd

# CAPTAINS' LETTER

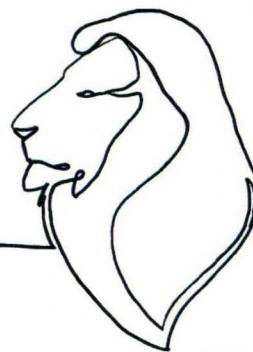

To our brothers,  
Coming into the year there was a lot for us to overcome. Between a new coaching staff and new system, we had a great deal of adversity from day one. So we went to work, grinding for mornings, afternoons, and nights through the heat and cold. It was all worth it after beating Haverhill for our first win, and coming back to beat Westford on senior night. We grew together as a family and we'll never forget this team, this school, or the times we spent under the Friday Night Lights. Together we took the first steps towards the future, and we can't wait to see where you go next. We are proud and thankful to have led this team.

Your Teammates and Captains,  
Bobby Lee, Dom DiBari, Jake Chiasson, and  
Tyler Nolan

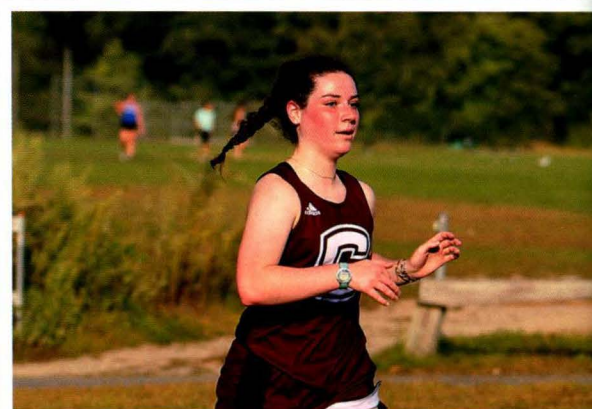

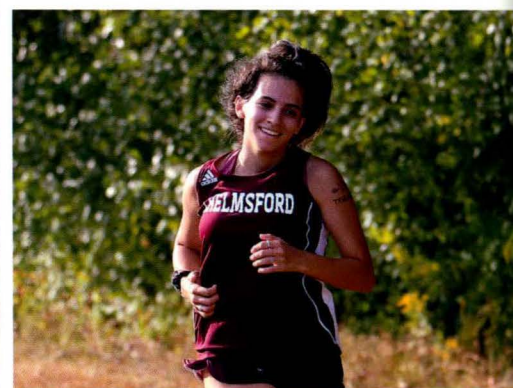

# GIRLS XC

"So (sister) proud of these ladies! I'm going to miss you all so much!"  
- Gianna Tamilio

"The faster you run, the faster you're done"

# CAPTAINS' LETTER

Hey girls!  
We are so proud of everyone on this team. There's a reason our sport is so unphotogenic – running is often just pure pain. But you girls make the most difficult part fun. We have all grown so close as a team this year whether it was slaying Parker Woods or the team sleepover (RIP Rachel 10/12/19). We know that it takes a special kind of crazy to willingly put yourself through Chambo, traveling hills, and all those field loops. XC has given us best friends for life and that will never change no matter where we end up. Whether a freshman doing her first sport or a senior who quit soccer to join our running family, it has been an honor to run beside all of you. Although 20 minute Tuesdays saw us divided by aura, Friends characters or zodiac signs, we raced and overdosed on mac and cheese as a team. We might have come in last at the Foss triathlon (no, we did not get lost), but in our hearts, Chelmsford Girls XC will always be the winners! We are gonna miss you guys sooo much next year but we know that you are going to continue to be stronger runners and have bright futures (as long as you pray to you know who, you know where).

Love your caps,  
Lil, Son and Hay

# BOYS XC

"Omg Tom is that the girl"  
- Shiv Patel

"I think we had a great season overall and everyone put forth their best effort. I know that for the rest of my days I will 'touch the truck'"  
- Noah Macallister

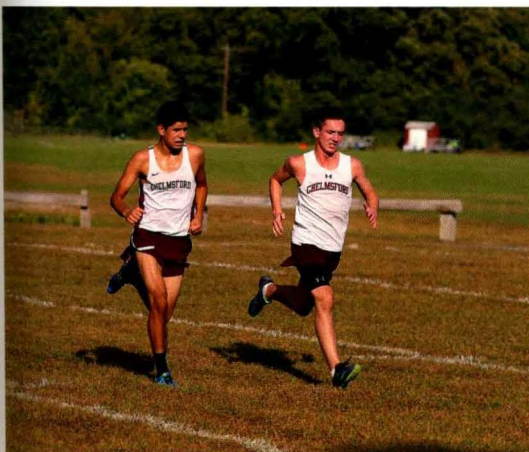

# CAPTAINS' LETTER

To the boys,  
This season was unlike any we've been a part of throughout our time here. It was clear from the start that people were ready to work, and we were certainly going to have to. The league was strong this year, and we visited the three toughest courses in the conference for our away meets. So we worked. Summer long runs, P Woods' hills, field loops, track workouts, front lean and rest, Chambo, and everything in between pushed us to our absolute limits. We didn't break, and the work paid off resulting in the deepest XC team CHS has seen in years. We had fun in between the pain, namely feasting at team dins, hitting up our private beach, dominating the gaga pit at FOSS, and chilling on the sixteenth floor balcony in Stamford, CT. We learned to stay tough, not to get pushed around, and most importantly, that classic rock and roll will never die. Throughout our time we developed a unique brotherhood that is inexplicable to anyone outside of XC. We'd like to give a sincere thank you to all the boys. You made this season one to remember and the experience wouldn't have been the same without each and every one of you. We're proud to call you our teammates and it's a privilege to be your captains.

Sincerely,  
Drew, Ben, and Hansel

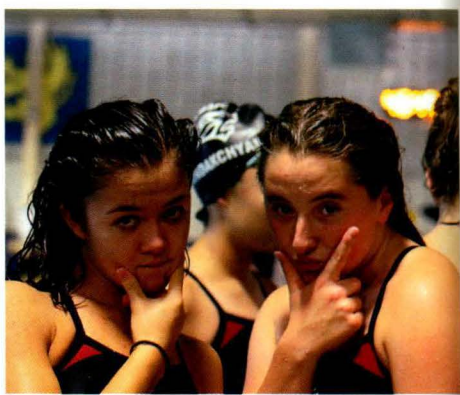

# GIRLS SWIM

# CAPTAINS' LETTER

Hey Girls,  
This season has been incredible and we are so proud of each and every one of you. Whether it was tears of joy or tears of frustration, we made it through together as a team and improved beyond imagination. Thank you for making this season so memorable!  
From car washes to MVCs  
Egg rolls to mac and cheese,  
This season has been like no other  
Goal sets without you we cannot muster,  
Up the pool, down the pool,  
This season was wicked cool.  
We look forward to seeing and hearing about your successes in the future seasons!

Love your captains,

Mello, Elayne and Laura

# GIRLS SOCCER

"Put the water down!"

"The team has never been closer, we all have each other's backs this year"  
- Megan Flynn

# CAPTAINS' LETTER

Hey team!  
We just wanted to say thank you for all the unforgettable memories we've had together over the years and this amazing season. The girls soccer program has continued to grow and improve each year and this season was definitely a great one for the seniors to end on. We truly have become a family and we'll miss the singing and dancing together before games and all of the craziness. After so many hours spent together at team dinners, practices, and games; it'll be weird next fall without you guys by our sides. We'll miss all of you so much. We wish the best of luck to all the seniors in their college decisions and futures. And for you underclassmen, remember that high school flies by and before you know it, it will be your own last first home game, senior night, and last team dinner. Cherish these moments. Play hard and continue to be better than the day before. We believe this team can and will do incredible things.

One last time:  
One team, one goal on three...

Love, Ginty, Polce, Abbey Q

# CAPTAINS' LETTER

Dear fellow teammates,  
We had a great season this year with a winning record and a lot of talent on the team. We have played with each other for so long that we are like family. We all know each other too well. We want to thank each and every one of you for being the fantastic players and people we know you to be. This season has been full of fun, excitement, and seriousness. The hilarious team dinners, the tactical practices, and the games where we found the win even when it seemed impossible will stay with us forever. Especially those hard fought games. We didn't have division one commits or one kid that carried our team this year. We won games by motivating each other and giving a hundred times more effort than the other team. We lived and died as a team, not as individuals, and that's what made the season so great. These were valuable lessons we would not have learned elsewhere. Don't just leave these lessons on the soccer field, we want you to take them to heart and never forget them. We will always remember the glorious and beautiful moments that we had this year as a team and hope you will too. We wish we could play with you guys forever.

We love you guys,  
Erik, Sean and Bryce

Hey fam,

We just wanna say thank you for all the memories this past season. It's been a crazy four years and to all of the other seniors, we wish you luck in college! To all of the underclassmen who are fortunate enough to have more years in the program; good luck to you and cherish those moments. Remember not to walk into the wrong classes, don't let anyone on the team hide your hydroflask, and try not to get pantsed. Keep up the traditions and pass them on. Always hit the champion sign before leaving.

Good vibes on 3...

# CAPTAINS' LETTER

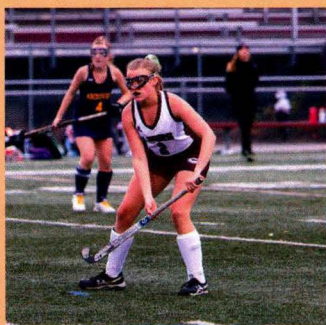

To the boys,  
Golf was our first sport at Chelmsford High School. We couldn't be more thankful for Coach Stone and Coach Ervin, the leaders we had over the years, and the underclassmen. This season was the best experience we have ever had. Golf gave us a first look at what high school was truly like during practices, team dinners, and rides from matches. We can say that we have followed in the footsteps of the exemplary student-athletes we were surrounded by. Their positive influence is something we hope we passed on. We tied for first place in the MVC small league, something that has never happened in our four years here. This year has been one to remember and we are going to miss it. Once again, thanks to the coaches and all the boys that gave us special memories over the years.

Dear CHSFH19,

Thank you guys for the countless memories this season. Having 12 seniors, we were able to become a family. Most of us have played together and become best friends over the past 4 years. We wouldn't have wanted it any other way. From dance parties on the bus to blasting music at Alli's and team dinners; there was never a dull moment with you crazy people. Although our time at CHS has come to an end, we will always be a family. No matter where you go, know you will always have CHSFH by your side.

Hey team,  
We wanted to thank you all for the unbelievable season we have had this year. Having only one loss this season, so far, is a huge accomplishment and as your captains we are extremely proud. We have had some huge wins this season. Beating Andover, NA, Lowell, and Tewksbury were just a few of the big wins we earned. We are extremely proud of you guys and all of the effort that you put in day after day. Thank you for all you do for us, we wouldn't want to play with any other people this season!

Dear CHS Ball,  
Our season did not go as planned, but we rallied and enjoyed the game together. We made a lot of great memories and had lots of fun. Through practices, some great games, and plenty of trips to brick, we made friendships that can last a lifetime. We ran up Monte's highlight tapes like real teammates. Murphy should have beat Tarmo for Week 7 MVC MVP, but don't worry you had our vote. Showtime we don't know where to start, but at least you can change the playlist next year. We're still waiting on our custom sweatshirts. Matt, watch your ankles and that's not funny, but nice shots we guess. Nick, actually watch your ankles. Ben, don't worry we'll all see Juice one day. Joey, we'll buy you a gym membership if you promise to go at least once. Cam drew up some great plays too. Vote Noah for MVP. We'll never forget Suubi's hairline. Boys, its been a ride. Giddy up.

Your positivity and encouragement has helped the team get to where it is, and we hope you keep it up through the rest of your seasons. # CAPTAINS LETTER

To our teammates,  
From our first meet back in December, it was clear that we had a solid group of athletes to work with that were ready to strive for improvement. Being a part of the winter track team is not an easy thing to do, especially when it comes to pushing through grueling workouts and dealing with the weather; but our boys did not back down from the challenge. From sprinters to distance runners, hurdlers, throwers and jumpers, we pushed ourselves to the limit at practice, and when the time to compete came at the meets, we did not hesitate to seize the opportunity to succeed. Our team was happy to see several outstanding individual performances throughout the season as a result of this hard work, as well as the strong support of our teammates and guidance of our coaches. So thank you to everyone who was a part of this experience with us and who pushed us all the way through. It's been a great journey, and we're looking forward to seeing what the future holds for you.

Hey Girls,  
 I am so proud of the entire team for being undefeated and having the highest score in the MVC. A huge thank you to all the girls for working their hardest and always bringing good energy to practices and meets. I'm so happy we could still be combined with Billerica and Tyngsboro (ChelmsRicaBoro) and be able to make more friendships this year. I'll never forget the reactions that we get at meets for being the most obnoxious team in the MVC. One of the best moments of this season was the Haverhill meet; it was supposed to be very tough competition so it was stressful from the start. It only got more stressful when Emma yuked on the door in warmup lol and then the judge was almost an hour late. But we pulled it together and got the highest score that gymnastics has gotten in ages. I'll miss auxing on the bus rides after big wins with all of you and Dawn telling us how bad our singing voices are. Thank you for making my senior season the best that I've had, I will miss CTB gymnastics so much. I hope you guys play Killshot for Jamie and I before every meet for good luck and I can't wait to see what you guys accomplish next year. # CAPTAINS LETTER

Dear Boys,  
 We survived it all. All the chess matches and all the dogfights. We survived through all the times Craig yelled at us about winter hats and coats, to hydrate hydrate hydrate, and to hit the vitamin C. We survived each and every practice together. The endless sets of 100s pace, the 20x150s, and USRPT 25s that challenged us every second of the season. And throughout it all, we emerged as a family. Each day we spent making sacrifices for each other in the pool and sharing laughs with each other day in and day out helped build the foundations of our family. That's why today we look back and we'll remember our 9-2 record. We'll remember beating Andover, defending our MVC Regular Season Title for the second straight year. We'll remember jumping into the pool as MVC Conference Meet Champs for the third time in the last four years. But most importantly, we'll remember the family we've built over these weeks. We couldn't have asked for a better group of boys, who gave it their all for this team. We are so incredibly proud of each and every one of you. Thank you for sending us off with one of the best seasons that we could have ever wanted. End of story. Period.

We love you. #vivaitalia

"The Chelmsford High School Band faced many challenges during the 2019-2020 school year. Through hard work, determination, and the love of making music, we exceeded our goals and set the bar even higher, while always keeping our sights on the most important thing: the music. I am extremely proud of the CHS Band program. The seniors that are graduating from the Band are certainly leaving it better than they found it!" - Mr. Sexauer

"They say the only constant in life is change, and this is certainly true for the CHS choral program this year. We began the year with divided class sections and learned how to perform as a cohesive ensemble while practicing separately. The students rose to the challenge and found ways to maintain connection while also taking advantage of the smaller class size to dig deeper into the repertoire. Little did we know that this would prepare us for the ultimate challenge of staying connected through distance learning. From the isolation of our homes we have continued to reach out, support one another, and lift our voices in unified song. I could not be prouder of the way these students have embraced change as it comes." - Ms. Roeder

# CORONAVIRUS

As we headed into 2020 with the excitement of finishing out senior year, more and more news loomed of a deadly virus that was spreading rapidly overseas. Unaware that it would soon come to the U.S., we continued living our lives.

On the week of March 9th, as we began showing our spirit for the house olympics, news of cases in Massachusetts and across the United States became prominent. What should have been a week of dressing up and competing in events or cheering our friends on turned into a time of worry and stress. Every day conversations in classes focused around the threat that was quickly approaching our town: Covid-19.

On Friday March 13th, the school was emptier than usual and there was a sense of unease. At the end of the day we received the announcement: no school for two weeks. Little did we know, this would be the last day in the building.

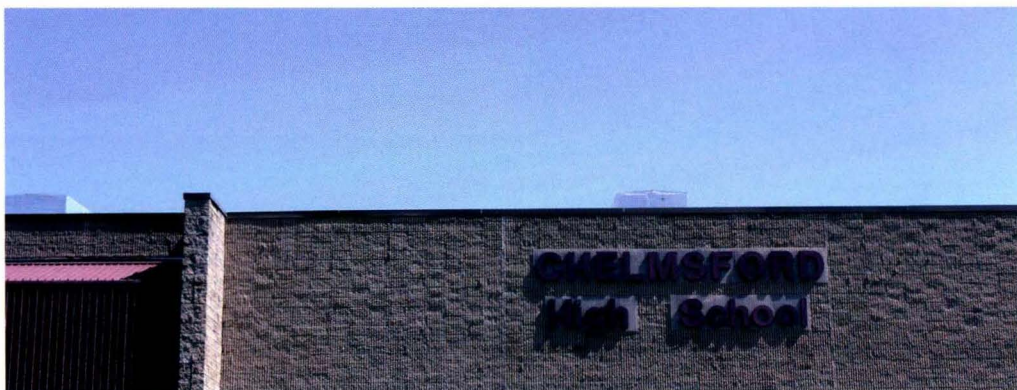

Healthcare workers and essential employees have worked tirelessly to take care of our community. They have risked their health and put themselves in danger. We are grateful for the work they do every day.

This break brought some good things to our community including more time to spend with our families, time to focus on ourselves, and improvements in the environment. Many people got creative with ways to stay connected with friends and family, teachers and administrators put in so much effort to support a transition to online learning, and friends found ways to celebrate birthdays and milestones with parades and socially distant events.

Despite the good it brought, it also took a toll on our community. Too many people have had to deal with the loss of family members. Some people lost jobs, some had to make incredible sacrifices to work on the front line, and many missed out on important events that should have taken place in the spring of 2020.

As a staff, we were faced with the challenge of including this pandemic in our yearbook and had to consider how to make up for all that we lost. Our hearts go out to the seniors who lost their last season of a sport, those who lost their final opportunities to perform on stage, those who have had to miss the traditional events the seniors would have, those who are losing the last time they have to spend with friends before heading off to future endeavors, and those who missed out on saying goodbye to the building and staff who have supported them for the last four years. In light of these losses our senior class has had to deal with, we have made an effort to create an end to our book that highlights the impact of the coronavirus.

Dear Volleyball Seniors,

I just wanted to say I'm sorry that I didn't get a chance to coach you this season. I wish we could have had the opportunity to see you evolve as players, as teammates, and as leaders. I think together this season we would've achieved a lot of personal goals and a lot of team goals, and it would've been a fun ride.

Just because I don't get to coach you anymore doesn't mean you're not one of my players. I want to congratulate you and wish you the best on your next journey, and let you know you'll always be a part of the team in some shape or form. I always like to say when you play for me that you are not just on a sports team, but that you become a part of the family, and I mean it. By leaving the team you don't just stop being a part of the family but you become a part of my extended family. If you need anything and you feel like I can help just let me know. I guess I just wanted to say thank you and that you will be missed by the school, by the team, and by me.

Rugby Seniors,

Congratulations on making it to this point in your academic career! I am hopeful that you will continue your learning journey as you move on from Chelmsford High School. As a proud CHS alum, I know that your experience has been full of success, challenge, and life-long memories. There is no doubt that you are well prepared for a successful future. Please know that it is my honor to have worked with you and I am hopeful that I have made a positive impact in some way. There is no doubt that the courage you've displayed to take on the sport of rugby will serve you well in your future endeavors. It is with complete confidence that I share with you the profoundly positive impact that rugby has had on my life. The camaraderie, sportsmanship, and mental and physical toughness that it takes to play this sport are unmatched by any other. I encourage you to stay involved in the sport whenever possible. You never know...we may be coaching together, or against each other, as this amazing sport grows in the U.S.! Rugby is one of the rare sports that is played by people of all ages, and is truly a welcoming family on and off the pitch. Rugby is not for everyone...but it IS for US. Whether you were heading into your second season, or picking it up for the first time, you will always be a part of CHS history as you answered the call to put rugby on the map in the Merrimack Valley. Best wishes moving forward and never forget you are a lion for life. #NoQuit.

Dear CHS Lacrosse Seniors,

What you have experienced these past months is both heartbreaking and historical. However, it gives us a moment to reflect on the past, live in the present, and renew our appreciation for what lies ahead. Personally, I have reflected on the impact that you have made to both our lacrosse culture and the town of Chelmsford. Having been a part of this community for 10 years and seasons, I am proud of the men that you have become.

Some of you will continue to play at the next level, but all of you will use the experiences from CHS to shape your lives. You will always have the cherished memories and experiences of your lacrosse family. Your athletic ability on the field will always be a footnote to the character that you have demonstrated to those around you. I have admired your bond and appreciated the friendships that you have solidified through this game. Your impact on our lacrosse program will be felt for many years to come.

As you move forward to your new moments and memories that are yet to be formed, the first steps may not be traditional ones as we have known in past senior classes. However, you will shape our movement into a better future. Your ability to evolve will transcend. This moment is not simply about survival, but perseverance. I am proud that this group of young men will weather this challenge and persist to great heights. This moment defines you. Remember your past fondly, cherish the present like never before, and impact the future by being your best selves.

I will miss you all.

# GIRLS LACROSSE

Dear 2020 Team,

Here's the thing... even though you never got that moment "under the lights" this year, with the bleachers packed (lol) and your parents cheering in support, all the work you put in wasn't for nothing. Even if nobody else ever gets to see the results of your hard work, let me tell you on behalf of all the coaches, we saw you. We saw you in the weight room, doing turf workouts, and wall ball. This was just a bump in the road, something else for us to overcome. We will never know what this season had in store for us but for one more year we are the reigning North Sectional CHAMPIONS!

To the four amazing seniors, I am going to miss you all very much. I would have loved to have one more season with all of you. We have had an incredible ride over the last 3 seasons. I will cherish all the laughs and tears we had together. I know you will not miss hearing "get on the line for 300's" but those of you playing a college sport will soon realize I was the "easy" coach. The marks you made on this program will live on. The underclassmen that you brought up with you will come back stronger because of the examples you set. I thank you from the bottom of my heart.

Dear CHS Baseball Players,

Well, this certainly wasn't the season we were all anticipating. I know all of you were looking forward to a huge year filled with feisty competition, team comradery, and our share of victories.

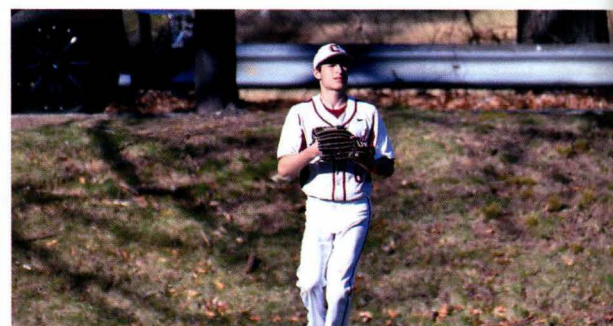

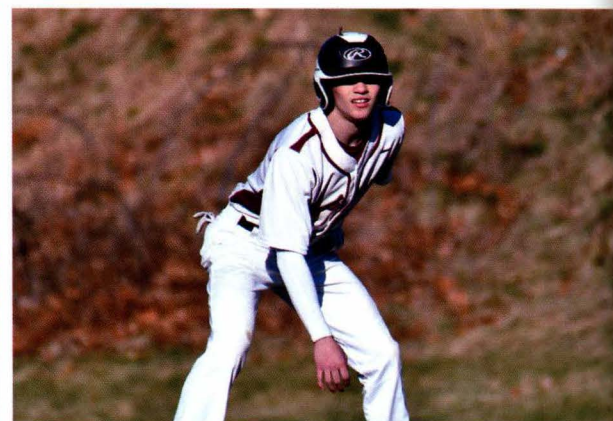

As a first year coach, I was so pleased with the off season work and knew we were ready for all of the challenges headed our way. Unfortunately, the biggest challenge didn't come from a dominant pitcher or powerful hitter...it came from an unseen, mysterious virus that caused a global pandemic and shut down our season.

For all you seniors that never got the opportunity to say goodbye to the game or a chance to take the field with your friends one last time, we tip our hat with respect and wish you all the best. We know you will do great things and enjoy the prime of your life. Someday perhaps you will look back on this crazy time and appreciate the way life slowed down. Maybe you will find greater value in the time spent with family and close friends.

We know this isn't the send-off any of you wanted...but remember, you will go down as the only CHS baseball team to never lose a game!

Let's all look forward to the next pitch in life!

# SOFTBALL

To the 2020 CHS Softball Seniors,

My heart goes out to this group. Every one of you is a wonderful leader in your own unique and individual way. You all brought so much to our program throughout your years at CHS, and I was truly looking forward to coaching you during your final season here. Our sport provides us with constant personal challenges and adversity. No senior class has been presented with the adversity that your class has. You have all handled it with strength and grace, and I am proud to be your coach. I am in awe of the incredible young ladies that you are and how you have handled these challenges.

One of the great things about our sport is the relationships you form with your teammates, and get to take with you once you hang up your cleats. Though your time was cut short on the field, you have left an imprint on this program, and the program is better because of you all.

I know that you will all go on to do great things in your lives, and be successful people. Thank you for being the players and people that you are.

Obviously this was not the end to your career that any of us wanted, but over the past four years, you've accomplished so much. In many ways, we've grown up together. Your freshman year was my first as head coach and I've relied on your leadership and commitment to help the program be successful. To the graduating seniors of the girls outdoor track team:

Four years ago I told you all coming back from the freshmen/sophomore meet how important you were to the development of this program. I knew the talent was there and the personalities were some we could build a team around. What you have accomplished both personally and as a team is something that will be with this program for years to come. This group has made pasta dinners in the café and senior posters at McCarthy a tradition that will not go away. You girls are my first graduating class from CHS. I have taught many of you in class and coached you in multiple sports. Each and every one of you has put a positive and lasting impact on my coaching and teaching career. None of you deserve to end your high school athletic career this way, but I am confident that it could not happen to a more resilient group. I am forcing you all to come back and visit, you do not have a choice. I wish you all the best of luck, and please know you are a part of the track family forever.

# A LETTER FROM THE JUNIOR EDITORS

Dear Yearbook Staff,

Thank you for helping us to create a beautifully crafted book of memories. The book has been executed better than any of us could have hoped, and we are so thankful for all of your help. Thank you for being diligent workers who were constantly asking what you could do to help. Your work ethic and determination has not gone unnoticed. We could not have done this year without each and every one of you. This year did not end how anyone would have expected or hoped, but you all pushed through with grace. We are so proud of all you have accomplished both in yearbook and in life as these times have not been easy. We are hopeful for all next year has to bring, and are so excited to see what we as a team can accomplish in the future!

To our departing seniors, thank you for being patient with us and teaching us everything we will need to know for next year. We would like to thank each of you individually. To Melody, thank you for making every meeting filled with joy, laughter, and the best playlists. To Fei Lam, thank you for working hard to make sure everything is done on time and efficiently. And the TV in the lobby always looked great! To Emily, thank you for organizing the staff to sell ads. To Brooke, thank you for being so kind to us at every meeting. Your photography skills are exceptional and the book could not have been finished without your determination. To Evelyn and Caitlin, thank you for teaching us literally everything. We came into yearbook this year with no previous experience. Your desire to prepare us for next year is something we will never forget, and we hope to pass along your advice and guidance. We hope we make you guys proud next year and we can't thank you enough for your help! We will miss all of you deeply next year, but are excited to see all of the wonderful things you accomplish in your bright futures ahead. Just remember you will always have a place in the Yearbook Room!

Love,  
Emma and Mary

# FROM YOUR CLASS OFFICERS

Hi friends,

What a year it's been. I imagine this certainly is not how you all thought senior year would go. I first want to say how proud I am of all of you for handling things so well. No, this wasn't fair and you all deserved a proper senior year. But we will still be able to look back at our four years here at CHS and remember all of the other great memories we have made. I am so grateful to have gotten to know all of the people here at CHS, and I am even more grateful for how you all accepted me into your class. I hope you all made the most out of your time here, and I wish you all the best in your futures.

-Alex L.  
Vice President

Class of 2020,

I have had the best four years with you and I truly wish we could have had the perfect senior week to end it. Although we were unable to, I want to thank you all for the memories I've had at CHS. It has been a blast throughout the years from our first pep rally to the Halloween dance, and everything in between. Nobody could have predicted what happened this year, but I know we will eventually get to celebrate what we have accomplished. I will truly cherish all that we have done and I look forward to what the future holds for all of us. I cannot wait to see our whole class again!

Until then,  
Emma Stover  
Secretary

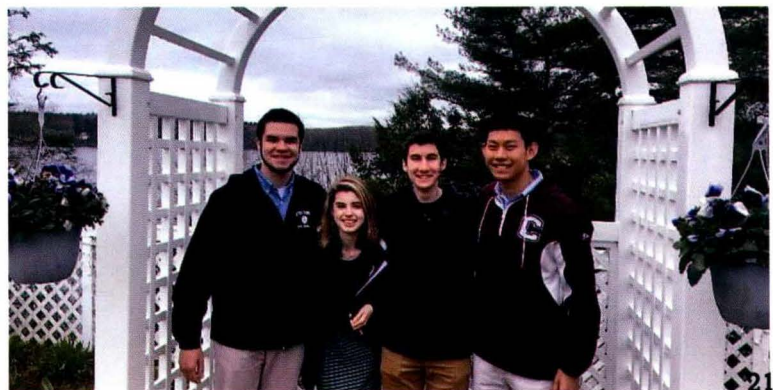

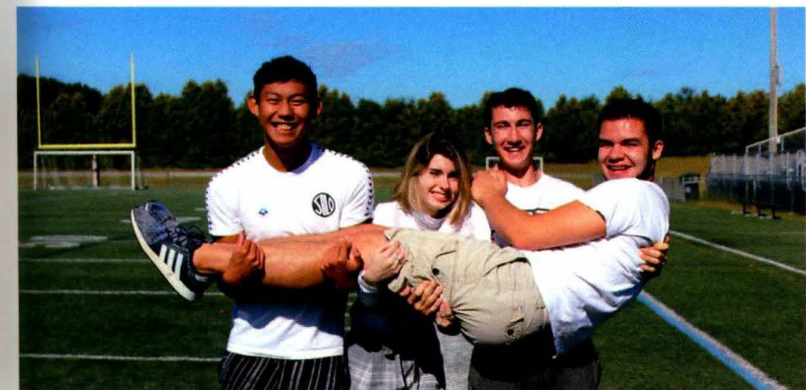

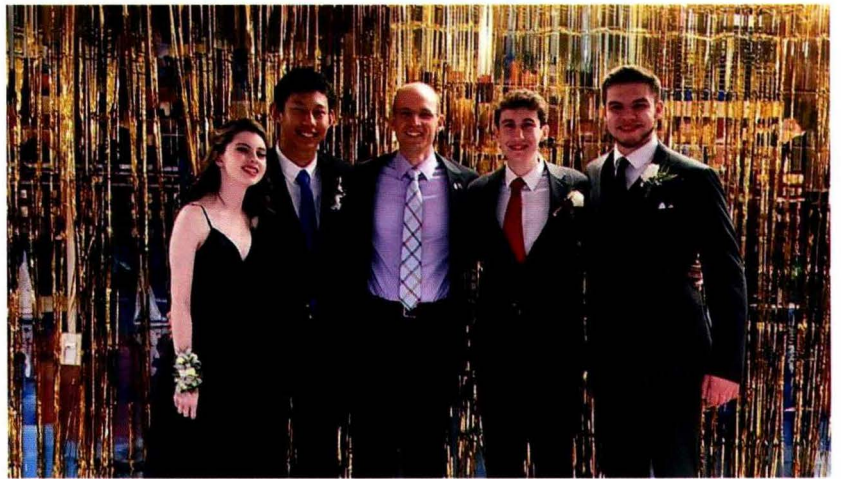

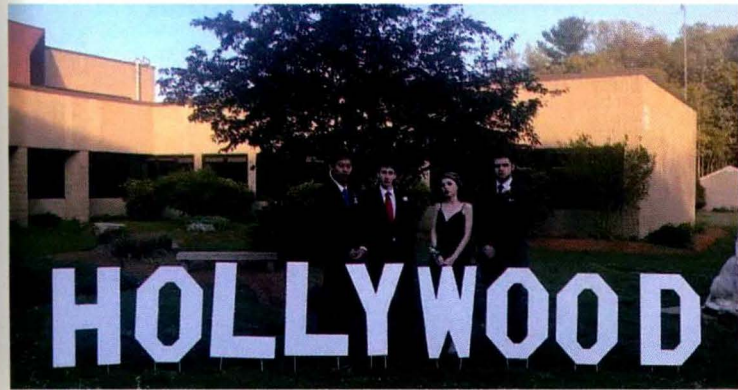

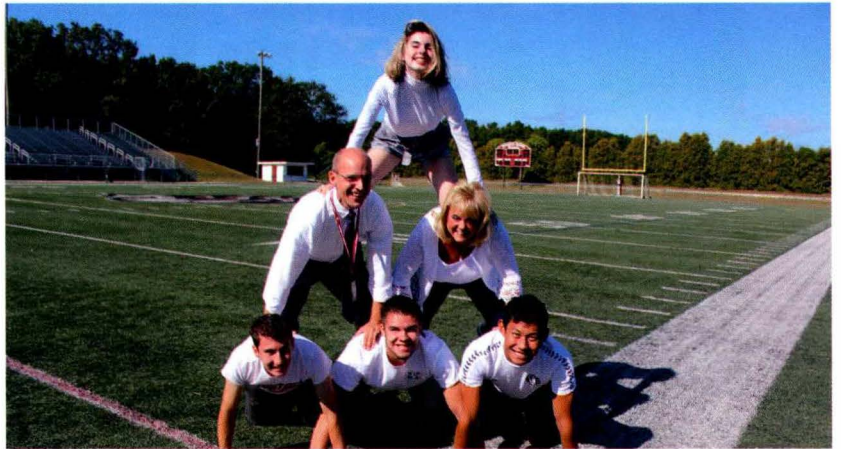

Dear Class of 2020,

From dragging ourselves out of bed in the morning to being separated from each other throughout coronacation, we never knew when it would end – but here we officially are as graduates of the Chelmsford High Class of 2020. I can't explain how incredibly lucky I am to have been part of this talented class and to grow up surrounded by such amazing people for the last thirteen years. These friendships we've formed are ones I will hold on to forever. There's no doubt that I will miss you all so much. I can't wait to hear about the amazing things you will accomplish, that I know are in store for you all – you guys never fail to amaze me!

Already counting down to when I'll see you all again :)

# A LETTER FROM THE CLASS ADVISORS

Dear CHS Class of 2020,

It's often said that as people grow up, they remember not the grammar rules, math equations, or science formulas that dominate their hours of study in high school. They likely don't remember who the 13th US President was, or whether they conjugated verbs correctly on some quiz. Those things that were once so very important as notes were created, study groups formed, Quizlets made and tests taken, and countless last-minute cram sessions (perhaps even accompanied by a slew of prayers, devotions, begging, or exasperated sighs) endured, now fade into the recesses of our memories.

And while there is so much that is lost to our memories, plenty more remains with us. Maybe it was the group you sat with in the cafeteria, or your attempts to make it to class on time (maybe even with a fresh coffee in your hands). Perhaps it was the roar of the Tundra in the Gym, the sea of white in the stands, organizing bus rides to games or cheering with your friends in Simonium Stadium.

Our society places a premium on preserving memories. Google Photos will remind you of these, calling attention to your "One Year Ago" photos from a given day. Social media companies tout their ability to preserve records for all eternity. And older folks can take vitamins and supplements to keep their memories sharp. There's big business in the recognition of, maintenance of, and preservation of memories.

Before you know it, time will pass, and with that passing of time, your life will undergo great changes. Through both the ups and downs of your future years, you too will let some memories go, but you'll also hold on to those most precious to you and your identity. Which memories from CHS matter to you? Having been privileged enough to witness many of your journeys these past four years, let us name just a few:

- Watching students grow into caring, ambitious, forward thinking young adults
- Seeing students become confident leaders
- Counseling students through hardships, concerns, or fears
- Celebrating successes
- Championship moments
- Seeing students cheer for, encourage, support, admire, praise, and value both their differences and their collective identities
- Switching classrooms after freshman year
- Getting a new parking lot...and not knowing where to park
- Cotillion
- PRIDE block
- Practicing ALICE drills
- A new October Homecoming Dance
- Phenomenal presentations of musical and artistic talents on stage - Chicago, Anything Goes...
- House Olympics...those that happened and those that never were!
- Not being in the building after March 13, 2020, and having to initiate distance learning...
- ...But, looking forward to senior week events and future reunions

Let's admit it: we certainly won't remember who wrote what on that essay about something we talked about at some point in that class. We won't remember the score someone got on that quiz, the attendance records, or how many times someone spoke up in class.

But what we will remember - the young adults whose lives have been forever changed because of their community, their spirit, their dedication, their generosity, their maturity, their energy, their impact on CHS and its faculty and adults - these are the great memories that can remain with us for years to come.

And it is our wish that your great memories of CHS and your experiences as a high school student remain with you too.

Thank you and congratulations, CHS Class of 2020!

# A LETTER FROM THE PRINCIPAL

Your leadership helped everyone stay focused and supported. A huge thank you to Ms. Loiselle and Mr. Bartos. ## A LEGEND LOST

Kobe Bryant and his daughter, Gianna Bryant, are killed in a helicopter crash along with seven others on January 26, 2020. Bryant is widely regarded as a basketball legend for his 20-season career with the Los Angeles Lakers and is the all-time leading scorer in Lakers franchise history.

## FASTEST FINISH

Eliud Kipchoge finishes the Austrian INEOS marathon in 1 hour, 59 minutes and 40.2 seconds. He is the first human in history to run a marathon in under two hours. According to a team of pacemakers who keep up with Kipchoge throughout the ordeal, he runs a pace of 4:33.5 minutes per mile to finish the race ahead of schedule.

## HISTORIC SPACEWALK

Astronauts Christina Koch and Jessica Meir complete the first spacewalk with an all-woman team. This is Koch's fourth space walk and Meir's first. NASA Administrator Jim Bridenstine mentions that NASA's Artemis program is currently working to land the first woman and the next man on the moon in 2024.

## ROLL BACK THE CLOCK

In October, California's Governor signs a bill becoming the first state in the nation to pass legislation that prohibits public schools from starting too early. The bill mandates that middle schools can start no earlier than 8 a.m., while high schools will be prohibited from starting any earlier than 8:30 a.m. Public schools have until the start of the 2022 school year to adjust their schedules accordingly.

## NOTRE DAME DESTRUCTION

---

A mammoth blaze tears through the Notre Dame Cathedral in Paris, nearly destroying the 850-year-old landmark. The church's wooden latticework roof and iconic spire collapse, but many of the valuable cultural treasures avoid damage with some kept safe at the Louvre Museum. French President Emmanuel Macron would like the Notre Dame Cathedral to be rebuilt in five years, but restoration experts believe it could take 10 to 15 years. More than \$700 million is collected in donations for the reconstruction, including \$100,000 from the University of Notre Dame in Indiana.

## GLOBAL FIRES

---

Massive wildfires rage on two continents: in Brazil's Amazon rainforest and across Australia. This year the Amazon rainforest experiences the highest number of fires since Brazil's National Institute for Space Research began keeping records in 2013, which burn 2.2 million acres. The Australian bushfires primarily affect the state of New South Wales and 12 million acres are burned as of January 2020. New South Wales is home to Australia's most populous city, Sydney.

## LOST CONTINENTS

---

Douwe van Hinsbergen – a geologist at Utrecht University in the Netherlands – and his colleagues discover a lost continent known as Greater Adria while studying rocks beneath the Mediterranean Sea. Approximately 140 million years ago, Greater Adria and southern Europe collided, burying Greater Adria in the process. Most of the continent sank beneath what is now Italy, Greece and the Baltics. Analysis of ancient rocks suggests that almost all of Earth's earliest continents might have disappeared, leaving traces behind like certain rocks found on the Alps.
