

THE TIME OF OUR LIVES

CLASS OF ...

DEDICATION

"His charismatic teaching and genuine personality draws in not only his students but his fellow faculty and the community."

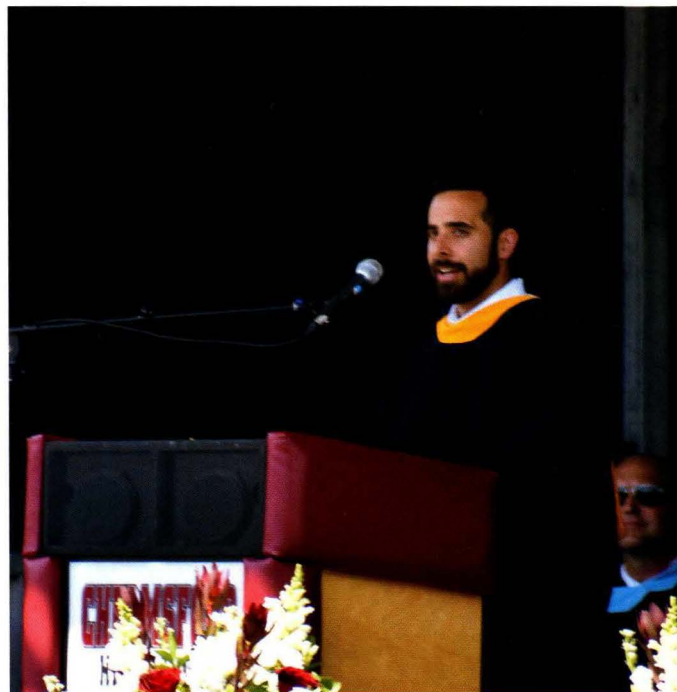

"Howdy!"
- Mr. Dussault

"The BEST teacher I've ever had!"

"He is just a really great person and has really helped our class succeed!"

"Mr. Dussault has done so much for this class from the beginning and has been a great help in organizing so many of our class events and fundraisers."

"He's the best. He's so down to Earth and kind to everyone."

"He's our class advisor, a great teacher, and a cool dude."

"He is not only a teacher but a friend to so many students."

MR. DUSSAULT

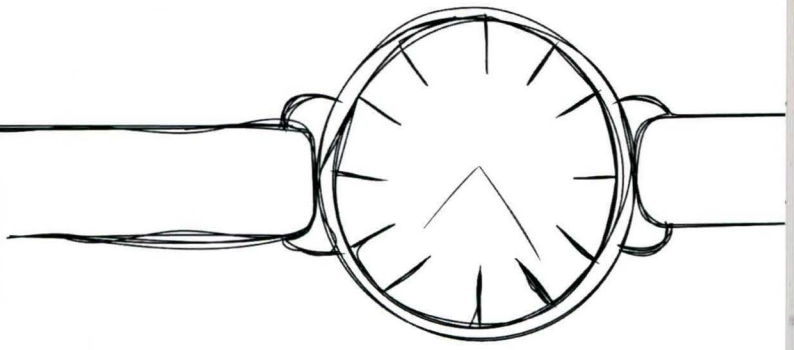

"Whenever someone is struggling, whether in his class or just in general, his door is always open and he is there to lend a helping hand, a listening ear, or a memorable story."

"Keep it legal."
- Mr. Dussault

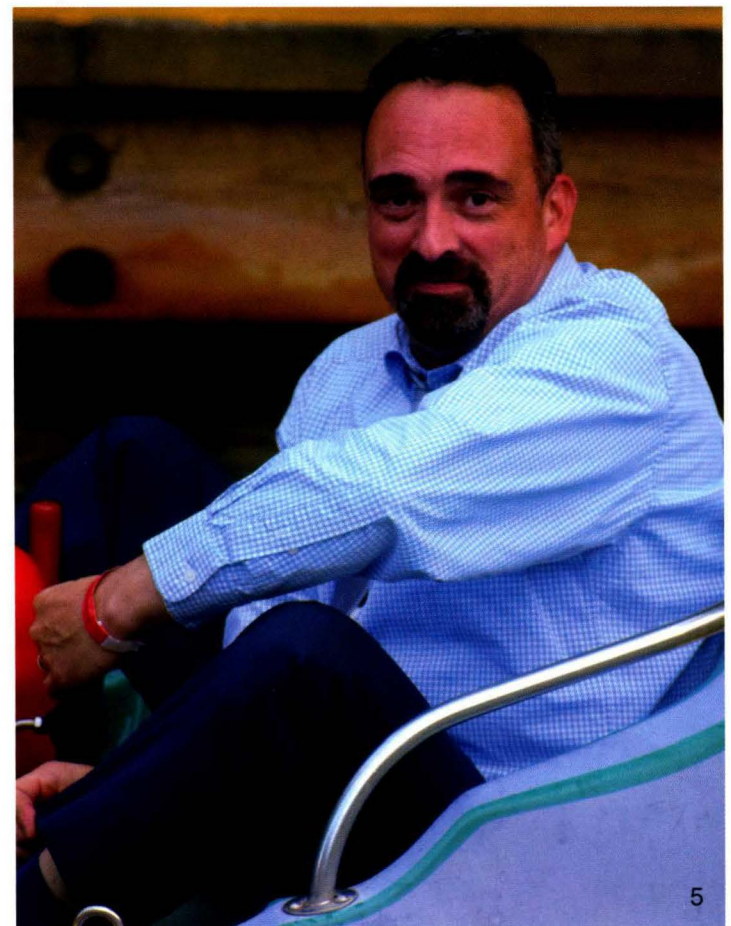

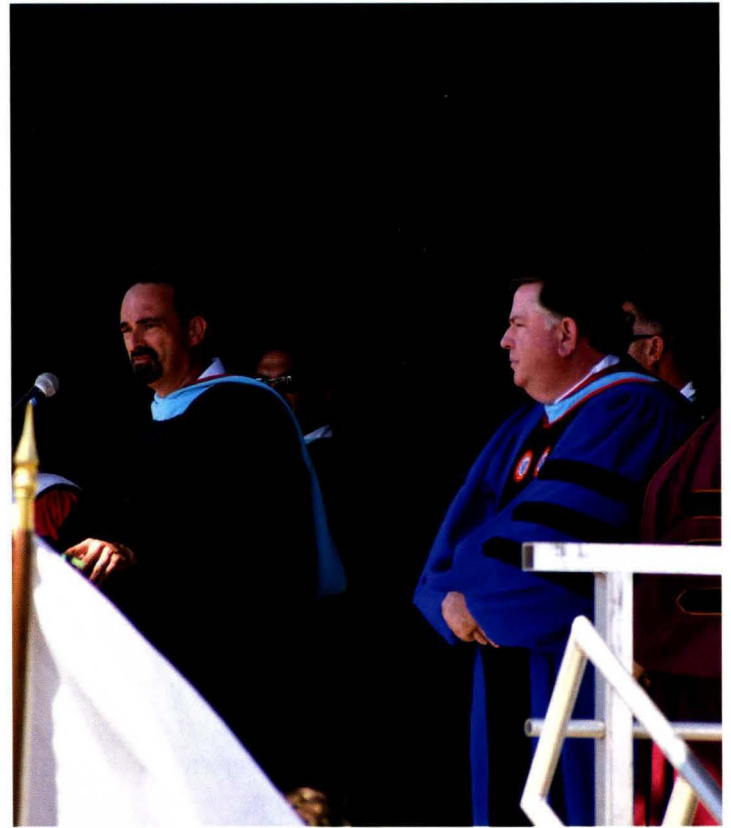

"Mr. Dussault inspires a love of science in underclassmen and is always open for a friendly conversation years down the road."

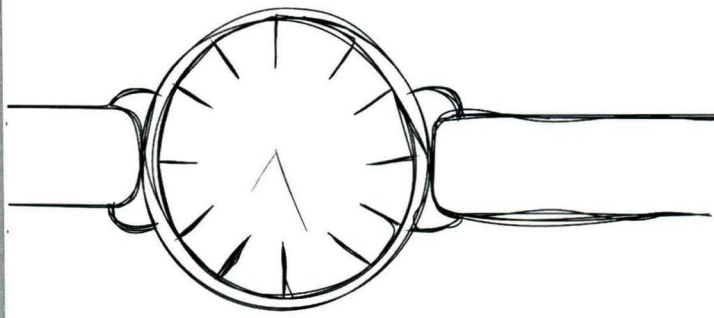

"He never fails to make students smile and always has a joke to crack."

PRINCIPAL MURRAY

Congratulations on a successful senior year. You worked hard for twelve years and it showed. Your class had unbelievable school spirit and our school will benefit from your leadership. Thank you to the Class Officers: Peter Mitchell, Sudeep Gubbala, Jacqui Rigazio, and Luke Abraham for your dedication, enthusiasm, and resilience. It was a year of surprises. Your leadership helped everyone stay focused and supported. A huge thank you to Mrs. Orsini and Mr. Dussault. None of your senior year activities and events could have happened if it were not for their perseverance and determination. Thank you to the yearbook staff for creating a spectacular yearbook and doing so under work conditions that were never experienced before. This book is a true gift. Again, congratulations to each and every one of you. I wish you all the best of luck in your future endeavors.

LETTER FROM THE EDITORS

Dear Class of 2021,

We are so beyond proud of all of the countless accomplishments our class has made, both this year and in all of our years prior. You faced every obstacle with resilience and determination, creating lasting memories that we had the privilege to capture and present to all of you. We wanted to create a yearbook highlighting all of the time we have spent together over our 12 years in the Chelmsford Public Schools. As a class we have persevered, inspired, and filled an extremely challenging year with happiness and laughter, and because of this we decided to title the book, *The Time of Our Lives*.

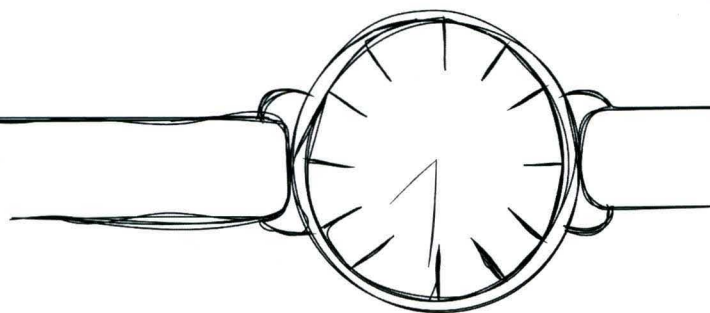

We wanted the title and theme to represent both the physical and emotional aspects of high school. Physically, time has played such a large part in our last four years of high school and life in general: with changing times for classes, start and end times for practices and clubs, dates for performances, and on a larger scale, the changing of seasons and passing of years. We wanted to encompass all of the ways we remember time, and how it enhances our memories. Throughout the book, there are gears designed on the pages meant to symbolize the inner workings of a watch or clock. While representing the mechanism and work needed for these timepieces to function, they also symbolize the work completed behind the scenes in order for a masterpiece to be created. They epitomize the dedication and hard work that has gone into creating this book as well as the work that all of us have put in to get where we are today: graduated and moving forward.

When looking back on high school, we may not remember the specific grades we got, or a certain test, but we will remember specific moments from our time at CHS: teachers who did so much more than teach, clubs, sports teams and music groups that came together because everyone had a common interest, and we will always remember the friends we leaned on, learned from, and loved. We could not have asked for a better class to graduate with, and we are so grateful and honored to be your editors and create a physical memory for us all to have and cherish. We want to thank you for being inspiring peers, constant motivators, and vibrant supporters for our class. Thank you for everything you all have contributed and congratulations on whatever endeavors you decide to pursue next. We have all put in so much time in order to build a strong foundation that will allow us to succeed in our futures. Cherish every second, utilize every minute, treasure every hour, conquer every year, and admire every decade. This is our time to make a difference in our world, and our timeline has just begun. We wish you all the best of luck.

Thank you for everything,
Mary Hamilton and Emma Keohane

LETTER FROM THE PRESIDENT

To the Class of 2021,

We made it.

It is amazing to see how the bonds we began creating with each other 12 years ago have developed and grown. We have become a tight knit group of students, each of us exceptional in our own right. I have sincerely enjoyed spending time with and getting to know so many of you, and I want to thank you for all the kind memories you have given me.

In the past four years, we have demonstrated extraordinary academic ability, musical skill, and presence on the sports field. The talent this group has shown in and out of the classroom has not gone unnoticed by the Chelmsford community. However, it is the character and leadership that this class has shown, especially in the past two years that has made me most proud to be a part of this special group.

Our role as leaders in the school was unlike anything CHS students have experienced in the past: we did not have pep rallies and reserved sections of the bleachers to demonstrate our school spirit like the classes before us. After a year of remote and hybrid school, it was our challenge to rebuild the culture that is Chelmsford High School in just a few short months. We reconnected, happy to just spend time together again, and we showed the rest of the school the normal and inviting Chelmsford High that we loved. For that, I and the entire school community are thankful.

Although it is sad to see our time lapping the second floor of CHS has passed, I am excited to see this class make our mark on the world. The connections I have made with you all makes me confident that our future is in good hands. As we now go our separate ways, I hope you all cherish and remember the days we all spent together at CHS. I wish you all the best of luck in your next phase.

Yours Truly,

Peter Mitchell

I never could have fathomed how few characters I would be permitted in writing my senior quote, so I suppose I'll have to be brief. I've been told that my quote will be resized depending on its length, so I'll have to make sure that I stay concise and to the point. Imagine—if my quote is too long, it may be entirely possible that the characters may be printed so small that my words become difficult to read! Or worse, it is again, in fact, a possibility that the quote may be cut off entirely! Oh dear, that would be quite a shame, wouldn't it? I can only imagine how terrible it would be if something like that were to happen. To have one's senior quote be cut off mid-sentence? Dreadful, truly. Ah, I see I've already used up a good amount of space—I suppose I should write my actual quote down now. Okay, here it goes: "I never could ha-

SENIOR ATHLETES

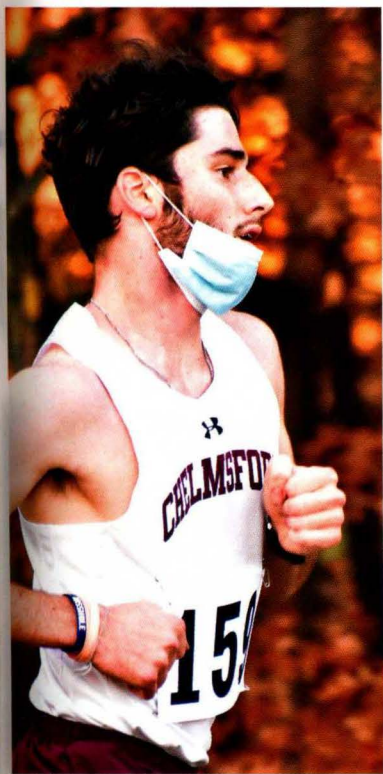

BOYS CROSS COUNTRY

To our boys,

This year took endurance. We had to endure confusing courses, a shortened season, and militant mask regulations, but that wasn't a problem. We were, and are, endurance runners, and these obstacles were nothing compared to P-Wood or 17x400. Of course, we may not have been crowned the kings of gaga as we should have been, or looked down on Stamford, Connecticut from the sixteenth floor, but we still managed to find victories. For one, we beat Billerica. We went from wondering whether we would tie to celebrating a comfortable win by playing countless games of Among Us. More importantly, we found strength and toughness in each other. Running as a team, we found not only success, but brotherhood; a brotherhood forged through hard workouts, long runs through the Summer, and dips in our private beach. A brotherhood that will always live on in our hearts. Each of you helped create this brotherhood and made this season special, and for that we are forever grateful. We are proud to call you our brothers, and honored to have been your captains.

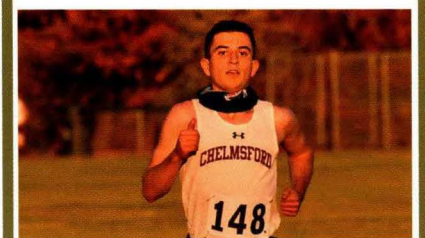

Sincerely,
Nick, Zach, and JB

GIRLS CROSS COUNTRY

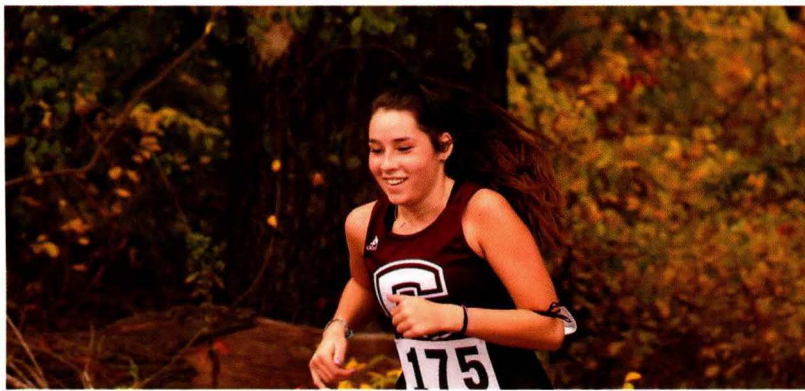

Hey kids!

What a season! We are so proud of the work that y'all put in. Thank you for making our last season our best season, even if Miss Rona wanted to get in our way. From running our course a billion times to having field workouts in the freezing cold y'all gave every practice 110% effort. Y'all gave us so much this season: PRs, laughs, smiles, air high-fives, and a win for the first time in a long time! There is no team like ours and that is because of how unique and awesome you are! We will never forget this season and will miss you all so much!

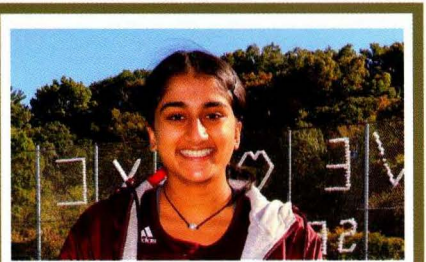

Sticks in a bundle don't break!

Love,

The Clark Spark & The Moody Blues

BOYS SOCCER

This year has been unique, however, through all of the trials and tribulations, we managed to create an unforgettable year. The bonds we've created over the past several years will be remembered for a lifetime. Looking back specifically on this season we look at all the things we accomplished. Our back line this entire year has been rock solid with Evan Stover, Jimmy Mieszczanski, Tyler Stagnone, and Danny Krigman. They played alongside Jeremy Hargett, Elliot Hayes and Matt Berry in the center back role. They learned how to work together, and most importantly, stay together when things went wrong. Just as important, our midfielders Lachlan Forgan, Seamus Doherty, Michael Arakelian, Kevin Baxter, Alex Arakelian, Anthony Sandelli, Shane McDermott, Sam Rogers, Stephen Spofford, Jonathan Durham and Matt Kobrenski all showed resilience, whether they were starting the game or providing valuable minutes later on. The ability to win every ball and tackle every challenge for the success of the team made our midfield so special. They were the core of the team and stayed strong when we needed them the most. Our strikers this year were equally as important. Drew Perron, Ethan Lafontant, Ryan Parks, and Paul Tucker kept opposing defenders on their toes with elite movement up front. With their ability to beat players off of the dribble and then put the ball past the opposition, they all proved themselves to be tremendous players and teammates this year. The goalkeepers Joey Sturzo and Nick Perron were also tremendously consistent in net. Throughout the season, they pushed each other to work harder, each making unbelievable saves. Every player gave everything they had and always left it out on the field. This year, something emerged that no one could have expected: COVID-19. Despite this worldwide pandemic, we persevered and made the best of the opportunity we were provided. Most of us have been playing together since we were kids and we created bonds with one another that continued throughout high school. Some of us have played together for nine years, some only one, but we are all family. This team is certainly something special, allowing us to push each other to be the greatest we can be.

We'd like to thank the athletic director Dan Hart and Ryguy who did a great job making sure everything was properly prepared. We'd like to thank our coach Chris Scanlon, our athletic trainers, our parents, and everyone else who made this unique season come to life. We greatly appreciate every opportunity we were provided.

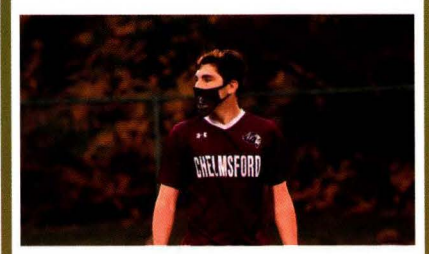

Sincerely your captains,
Joey Sturzo, Elliot Hayes, Ethan Lafontant and Lachlan Forgan

- Drew Perron

GIRLS SOCCER

Hi Girls!!

We want to thank you for making our last season memorable. Even though the season wasn't what we hoped it would be, we all learned many important life lessons. We learned to make the best out of everything, to stay positive, and to control the controllables. Looking back, our 7 seniors can truly say we made the best of it thanks to our amazing team. Both on and off the field we shared laughs, lessons, and maybe even a few bruises. At the end of the day, it's not going to be the wins and losses we remember, but the memories and smiles. To our sophomores, thank you for your hard work and fun personalities. Cherish your next 2 years because it will fly by! To our juniors, or should we say half of the team, thank you for your dedication to improvement. As you all follow in our footsteps next year, we want you to embrace every second of your high school career because we would do anything for just 80 more minutes on the field together. We wish you the best of luck and wouldn't have wanted any other group of girls to spend our last season with! We love you all and CHSGS will always be a part of us wherever we go!!

Love your Captains,
Kat Slattery and Kate Krueger

GOLF

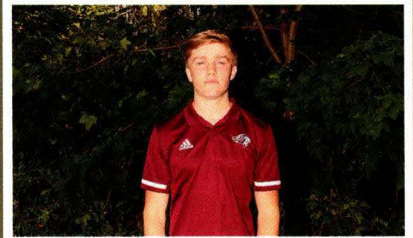

2020 was definitely a season that was anything but ordinary. Nonetheless, we were very happy to have had a season at all because none of us expected we would even be playing. Everybody had a great time even though the new team members didn't get to see what team dinners were like. We definitely made the most of what we had! We got to play a pretty good amount of matches and we performed pretty well. Sadly, there were no sectionals or states this year due to COVID, but we were very fortunate to still have had the MVC championship at Mount Pleasant Golf Club. Though it was an unusual and incomplete season, we feel incredibly fortunate that we had the opportunity to play with you all.

FIELD HOCKEY

Hi Team :)

Wow... what a season!! We are so very proud of each and every one of you and for all that you have done to be the best version of yourselves these past few months. From starting preseason a month late, games being cancelled one after the other, and quarantining (multiple times), to going UNDEFEATED has truly been so mind-blowing. None of this success would have been possible without every single one of you on this team. Thank you all for being so flexible, no matter what was thrown in our way. It has been so special to watch all of you develop little by little each time we stepped out onto the field. This team has given us so many reasons to brag both on the field and off of it. You have led by example, and our genuine teamwork has overpowered every challenge that has been presented to us. "If it doesn't challenge you, it won't change you" - a quote that we lived by each day. We are so grateful for the phenomenal opportunity of being your captains this season, and we cannot thank you enough for contributing to making this team the best it could have been. Keep being good people, we love you all!!

SKI TEAM

Hey everyone,

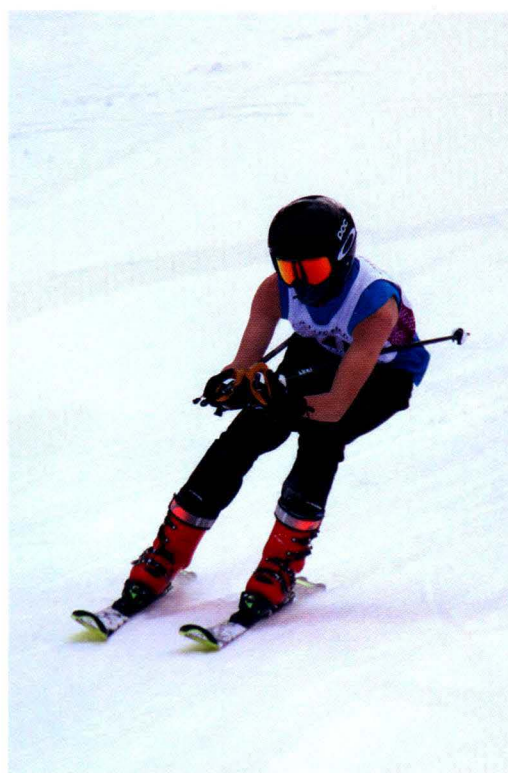

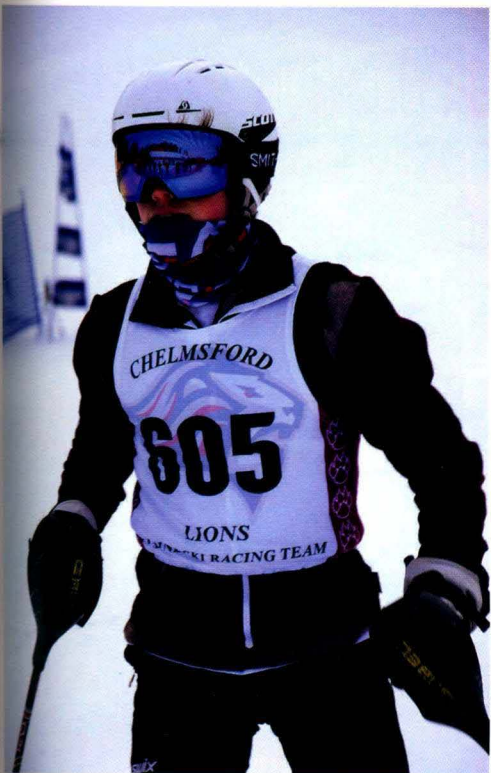

We want to thank you guys so much for such a great last season and an amazing four years. We are so lucky to have had a last season since it was so unsure in the beginning, lol thanks nash. Even though this season was very different than in the past, we still found a way to have a good time without team dins and post race Chili's feasts. We wish we could say that we ended the season with no injuries, but that's never true with ski team. Winning may not have been our strong suit, but cheering everyone on the hill definitely was. We are so proud of everyone and all of the improvement and accomplishments you guys have made. We wish you the best of luck in seasons to come. Save some full sends for us next year!

BOYS BASKETBALL

Dear Lions hoops,

Although our season didn't go as planned, we still rallied together and competed in every game. This year was one like no other due to the pandemic. With COVID we were required to adapt and get used to things like masks and new rules that were put in place. This was definitely one of the hardest obstacles we had to overcome in the beginning of the season. As the season went on we all stayed COVID Negative which allowed us to play all 12 conference games. That gave us the opportunity to come to the gym everyday and practice as a family. As Coach D would say "It was the best hour and a half of my day." To the seniors we have had a great time playing together, whether it was in hard fought wins or competing against each other in practice. To the underclassman we wish you best of luck for next year. I finally want to thank all the seniors, underclassmen, and coaches for an unforgettable senior season.

GIRLS BASKETBALL

First off, we just want to thank everyone who made this season memorable and for always keeping it exciting. Obviously it was much different than previous years but this team kept their heads up and we made it the best we could in the short months we were together. We are so proud of this team as we went 9-3 and a lot of our new players scored their first varsity points. We know the future is so bright for this program and we are so happy to have been part of the team's success for the past four years!! Nothing can compare to the locker room memories and the friendships made that will last a lifetime. Everyone on the team made a positive impact and we are so proud.

Hey guys,

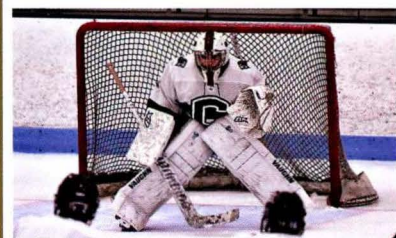

We could not be more proud of the effort everyone put into our short season. There were definitely a lot of challenges for us to overcome this year (only playing 7 games, no locker room, the whole team getting COVID), but we're glad everyone made the best of it. Capping off the season with a MVC 2 Championship was a perfect end to our time as a team, and none of us seniors will ever forget it. Gooood! luck to the underclassmen in future years.

GIRLS HOCKEY

Hey girls,
We just wanted to take a minute to thank you all for making this season as best as it could be with covid going on! You all stepped up in each game when it was needed the most. We worked our butts off each and every day at practice to get to our record of 10 - 1, where we came out on top and won the league title! We are so proud of how each and every one of you impacted our team this year in your own ways. Words can't describe how thankful we are for all the support you gave us throughout our challenging senior season. We wish you all the best of luck next year and in the future. Make us proud, we love you!

GYMNASTICS

We are SO proud of everything this team did this year. We've watched everyone grow and push themselves to become the best gymnasts they could be. We've seen so much improvement and grit, and we will always admire you guys for it. And even though it wasn't the season we expected, we managed to make the best of it. With just 7 meets and shortened practices, we were still able to thrive as a team together, which is amazing. From having 8 girls at practice because of Corona to having Andover bring 30 girls to Absolute, our team stayed so close and we are so grateful for that. When we first joined the team, we were both so nervous, but soon realized that y'all were our people. You guys have shown us that gymnastics is so much more than the individual score that flashes up after each routine. Whether it be cheering us on during a new skill or pep talking before a routine, you've all constantly supported us through each practice and meet and we can't thank all of you enough for everything you've done. You guys are our favorite part about gymnastics and we are so happy to have become teammates/friends with all of you! Thank you for showing us what it's like to be a part of a team. We'll definitely miss the ear-piercing cheers that came from our side of the gym at meets and the dirty looks from the other teams. Another thing we'll miss so much from this year are the daily carpools to practice and sitting together in the back of the bus singing music. We already miss you all so much and can't wait to see what you guys accomplish in the future. Thank you for everything CTB 'nastics <3

- Kat Wood and Lily Hoyt

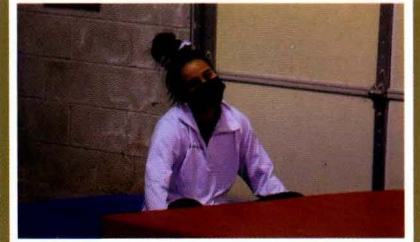

01/19/2021 - 02/21/2021

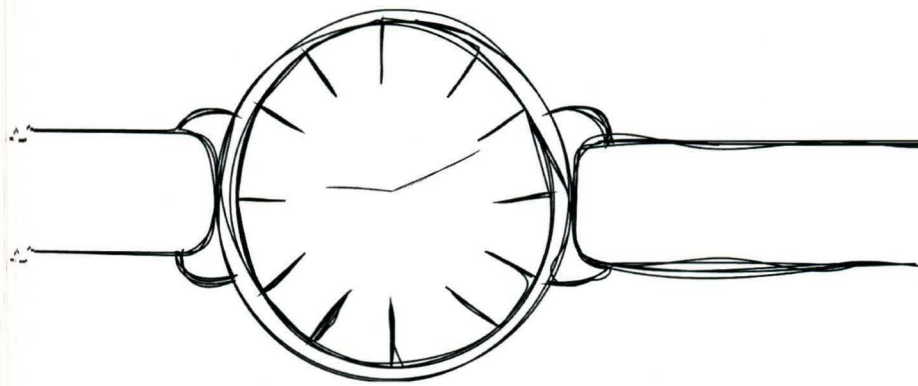

"With having to adjust to everything that has been going on, the seniors have really stepped up and tried to make this year as close to normal as possible. I'm so proud of how they were able to accomplish that and finish off their high school experience strong! We will miss you seniors!!"

"Lost my boomsticks."
- Emma Donovan

"Although this year was different for everyone, the seniors have been great about planning everything and I'm so proud of how the girls did this season! Can't wait for next year, and we'll miss you seniors!! Go CTB!!"
- Rania El Hakkaoui 135

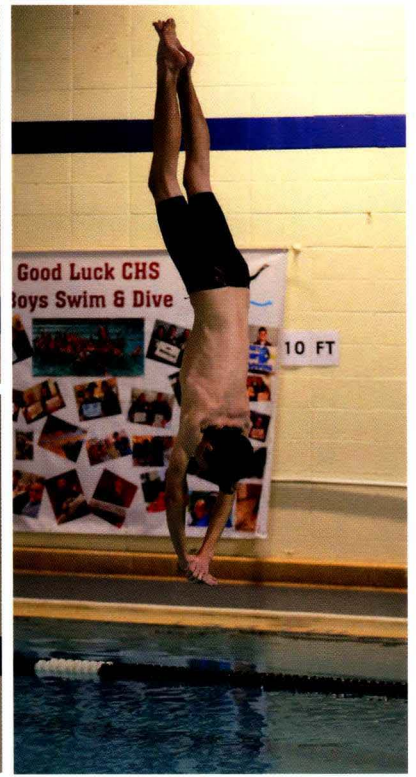

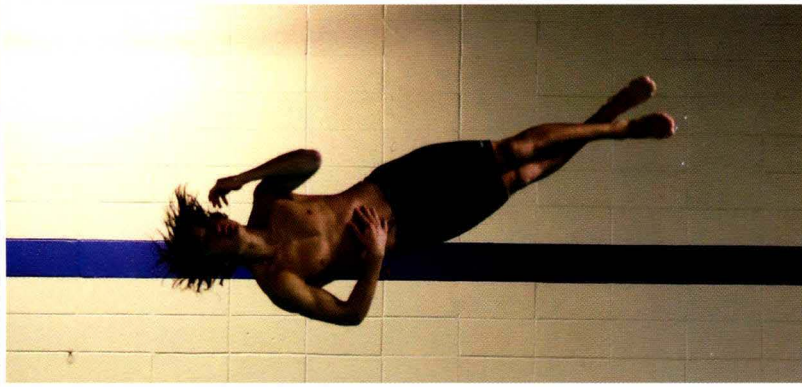

BOYS SWIM AND DIVE

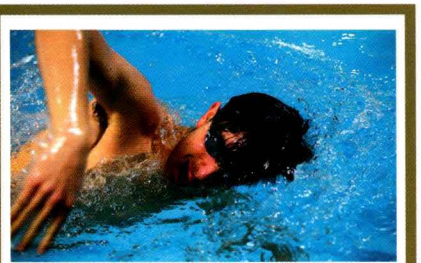

Dear CHS Mens Swim and Dive,

Look where we are now. We finished. And we wouldn't have wanted to do it with anyone else. The victories, the hardships, and the 10x100's pace over the past 4 year's would have been impossible with any other group of people. We have grown so strong together. We fight for nothing short of greatness, and especially in a year living through a global pandemic, we couldn't have been more proud of you guys. 8-0 sure does have a nice ring to it. We could never count the amounts of times Craig has told us to hydrate all day, how big of a chess match the next meet will be, or something as simple as wearing a winter coat and hat. And we think collectively as a team we owe Craig a big thank you. So, thank you, Craig. But equally as importantly, thank YOU boys. Thank you for working hard each and everyday. Thank you for teaching us what a family is. Thank you for never giving up on each other. Thank you for all the memories these past 4 years. We love you guys. Being able to say we have been MVC Champions for 3 years in a row is quite impressive, but going 8 - 0 is even more impressive.

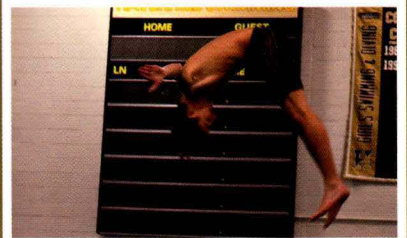

All love, your captains.

BOYS WINTER TRACK

To our team,

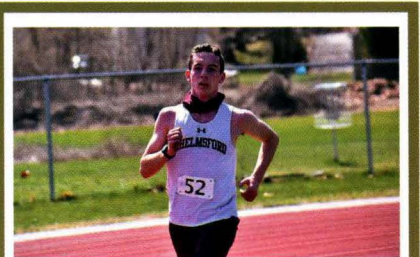

Track and Field takes heart. It also takes speed, endurance, strength, skill, and much more. It is rare to find someone capable of any one of these traits, let alone all of them. Yet when we look back on our season, all we see are these traits. We look to our sprinters and are in awe of their speed and determination. We look to our distance runners and wonder what could possibly motivate them to run such long and gruesome races. We look to our throwers and can't believe they could be capable of such strength and power. We look to our field events and see that there is no valley too long or mountain too high for our team to overcome. In short, although we may not all be masters of even one of these incredible feats individually, when we look upon our program we realize that as a team there is no challenge we can't rise to. We are a team capable of any feat, as displayed by our undefeated season and our title as MVC champions. All of our athletes, newcomers and veterans, rose to the occasion and performed to the best of their ability. Being a part of an undefeated team is a rare luxury, and no one can take that away from any of us. We continue to win every day as each and every one of us takes on greater challenges. Although winter track has come to an end, you will continue to be a part of this team in our hearts, and we are certain that we will continue to be the team that is more than capable of any feat. Because what Track and Field takes most is teamwork, and that is something everyone on this team has and we commend you for it.

Sincerely,
Aidan, Jimmy, Sudeep, Shreyas, and James

Guys girls,
Thank you for an amazing season filled with teamwork, great individual results and huge strides for the team.

To the throwers - I am so proud of how great everyone did this season. We threw farther and stronger than we ever have before. Each practice was full of teaching ourselves the techniques and working hard to get all our PR's. I know it was difficult sometimes but everyone stepped up and performed amazing. You guys make me laugh and push myself to be a better athlete everyday. You all made my track experience one of my favorite things about my high school years. I am going to miss you guys so much and I can't wait to see how much you grow. I can't thank you guys enough, and don't forget 42.3! - Kathleen

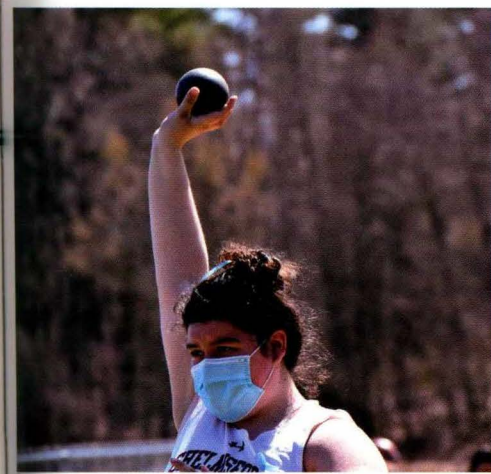

To our distance girls - this season was one of the best so far and we're so proud! Pushing through long workouts and runs is tough and you all know it. Everyone has worked their hardest to get to the place they are today, running wicked long events. That doesn't stop you though and as a group we continue to stay positive and focus on the fun we have with each other as friends and teammates. We couldn't have asked for a better distance team, so thank you! - Srijia and Gabby

To the high jump crew - Being injured and unable to compete was super tough this year, but I cannot say enough how proud I am of all of you. You showed up every single day, determined to work hard and learn and it paid off in PR's, placing, and getting lots of important points for the team even though most of you were brand new. I am so thankful and proud to have watched you girls succeed and improve and I can't wait to see what you will all do in future seasons and years to come! - Emma

Hi sprinters! This has been a super awesome season, and everyone has stepped up in ways that are unimaginable. We have seen so many sprinters set PRs, and many underclassmen joined the team who have super promising track careers! This year has been very unconventional, but everyone made sure to make the most of it! Thank you all for being the most supportive, caring, and fun teammates. I can't wait to see what you all accomplish! - Eliza and Courtney

We are so honored to have been your captains and thank you for making our senior years so incredibly special. You all will do such great things and we cannot wait to watch you all kill it!

FOOTBALL

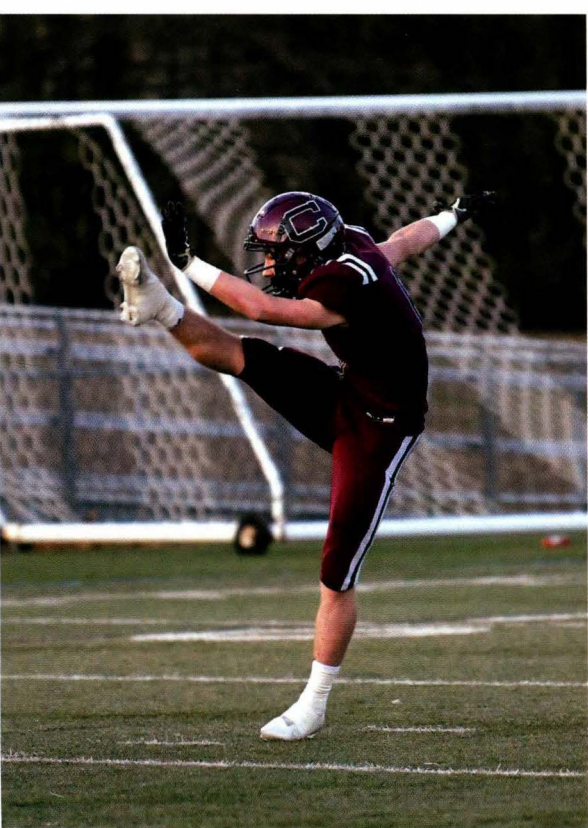

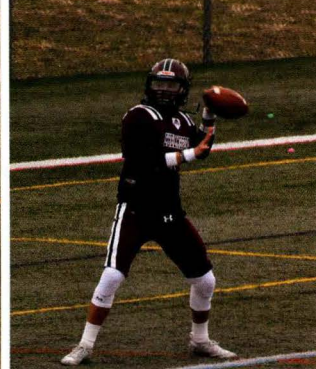

To our Brothers,

This year was difficult in many ways. Dealing with Covid and constantly being yelled at by administration for working out was enough to make a lot of you quit, but you didn't. We kept working and tried our best to make sure we were ready for the season. We are extremely proud of how much effort and commitment we got from underclassmen. You guys are the future and there is no doubt that you will have great success. Can't wait to watch you guys ball out!

CHEERLEADING

Girls,

Without you all we wouldn't have been able to have such a memorable last season! Although this year has been very difficult and we faced a lot of setbacks, we pushed through them and gave it our all which repaid us in the end. Even though the season was short we were still able to come together as a team and worked hard each day and do our best. Thank you for trying things you haven't done before without complaining and for never giving up even when things got tough. Being your captains has meant a lot to us and we hope we were able to be the best possible role models you could all have. We will miss each and every one of you and wish you all the best futures. Thank you guys <3

Love,

Kylie, Aubrey, and Kaitlyn

BOYS VOLLEYBALL

Dear team,

We couldn't have been prouder of the heart and dedication everyone put forth this season. After losing some of our program's strongest leaders the year before, along with a whole season of experience, we were not expected to be extraordinary. It would have been easy to treat this year as a rebuilding year, but your hard work and tenacity on the court led us to an undefeated season, ranking first in the MVC and second in the state. We surprised a lot of people. We truly played as a team, and that's what made this year unforgettable. We can't thank you enough and hope to see you continue the legacy next year.

Sincerely from your captains

GIRLS VOLLEYBALL

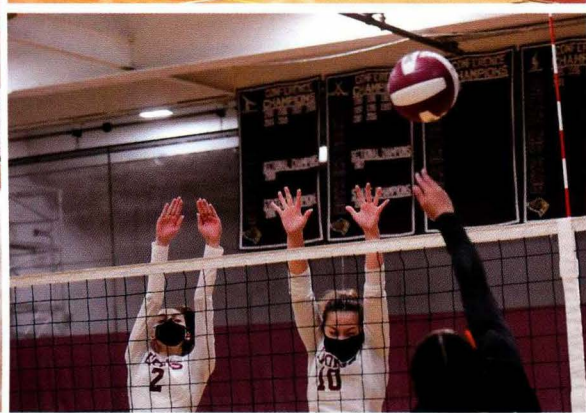

Hey girls,

Thank you so much for making our last season so much fun and memorable. We couldn't have succeeded without all the hard work each and every one of you put in. We faced lots of challenges, as a team we came together, and made it worthwhile. It's been such a blast to play with you all and we can't wait to see what this team and program accomplishes in the future. To all the underclassmen, don't take any of this for granted because it will be over before you know it. And to all the seniors, it's been a while ride and we wouldn't have wanted to imagine it with any other group of girls. Love you all <3 #jorts

BOYS SPRING TRACK

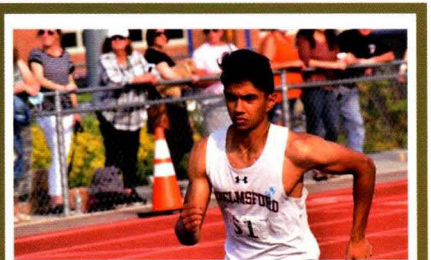

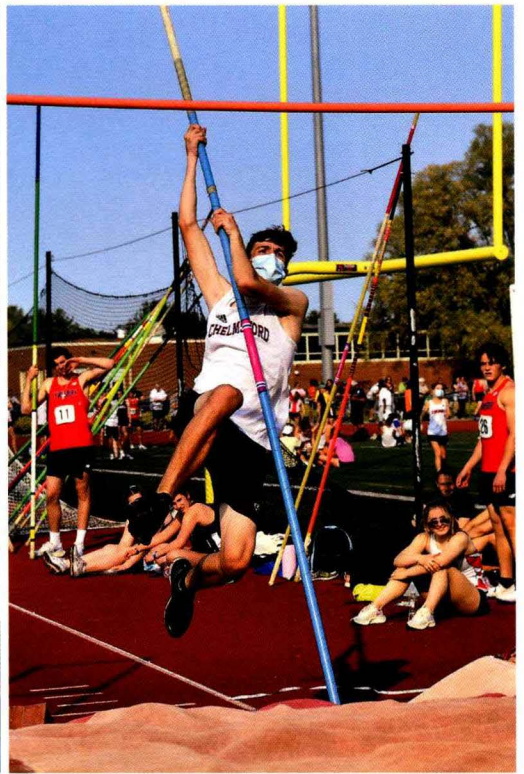

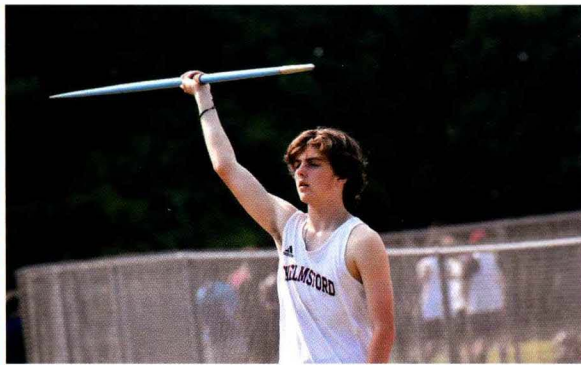

To our team,

Track and Field takes heart. It also takes speed, endurance, strength, skill, and much more. It is rare to find someone capable of any one of these traits, let alone all of them. Yet when we look back on our season, all we see are these traits. We look to our sprinters and are in awe of their speed and determination. We look to our distance runners and wonder what could possibly motivate them to run such long and gruesome races. We look to our throwers and can't believe they could be capable of such strength and power. We look to our field events and see that there is no valley too long or mountain too high for our team to overcome. In short, although we may not all be masters of even one of these incredible feats individually, when we look upon our program we realize that as a team there is no challenge we can't rise to. We are a team capable of any feat. All of our athletes, newcomers and veterans, rose to the occasion and performed to the best of their ability. We continue to win every day as each and every one of us takes on greater challenges. Although track has come to an end, you will continue to be a part of this team in our hearts, and we are certain that we will continue to be the team that is more than capable of any feat. Because what Track and Field takes most is teamwork, and that is something everyone on this team has and we commend you for it.

Sincerely,

Aidan, Sudeep, Shreyas, Jimmy, Sankalp and James

GIRLS SPRING TRACK

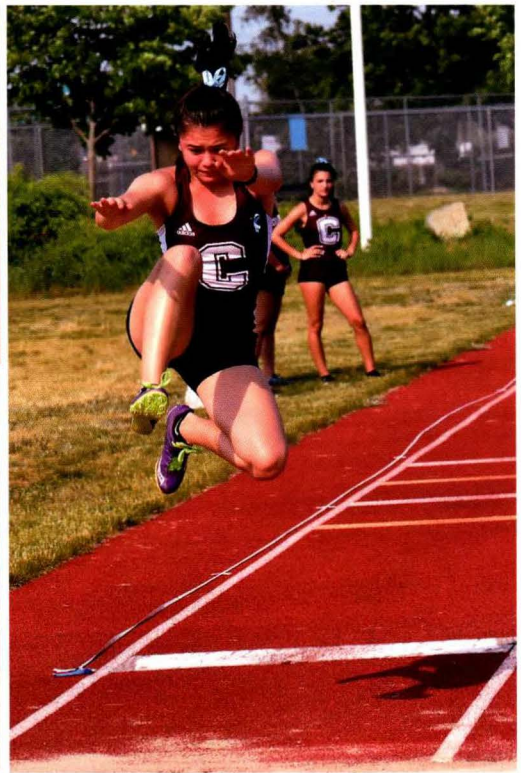

Hey girls!!

Thank you all so much for such an amazing season! Having a team of over 80 girls was super cool and each and every one of you worked so hard through every workout, shake out day and meet. Because of your dedication and perseverance, there were so many improvements across the board this year from both the returning runners, jumpers, and throwers, but there were also so many new faces who stepped up to the challenge and made wicked big differences both individually and for the team in meets. Newcomers quickly cracked the varsity lineups in so many events and went on to qualify for big meets like MVC's and even states and we know that we are leaving this team with an incredibly bright future ahead of it. Thank you for being such great teammates, pushing us and each other, and making us better at our events and just making us better people. We cannot wait to see what you all accomplish in your future years of track and in life and we can't wait to come back next year and watch you all kill it. Keep running fast, jumping high, and throwing far and remember that you'll always have us in your corners cheering you on.

Love,

Gabby, Sam, Eliza, Kathleen, Emma, Courtney, and Srija

BOYS TENNIS

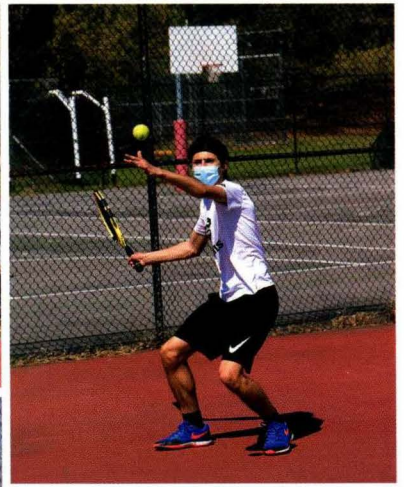

Boys/Fellow Ball Hitters/Marcel Fan Club Members,

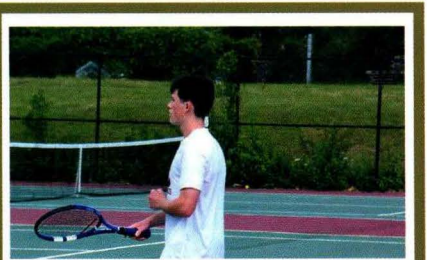

Thank you all for making this one of the best seasons imaginable. You all went out there and competed from start to end, and we couldn't have asked for anything more. You all grew as players and supported each other from the moment we stepped on the courts. During our time at CHS, it's been astonishing to see how much the tennis team has grown, from a leisurely activity to a competitive varsity team. It feels even better to know that there is still room to advance and improve! We're happy to say that the team is in good hands and we will be eagerly following the team's progress in the future.

GIRLS TENNIS

Hey girlies!

We are so thankful to have had an amazing season with y'all, even though for part of it we were suffocating under our masks. Despite missing last season, we bonded instantaneously and made this year one for the books. We were honored to welcome so many new members to our team this year and it has been a pleasure getting to know every one of you. From hyping each other up at matches to playing spikeball at the team dinner and to blasting music (specifically castaways) on the travel bus, every moment with you ladies was an unforgettable experience. We were both ecstatic to be your captains for the 2021 season and we hope everyone had as much fun as we did. We hope each and everyone of you continues growing and working hard at tennis and beyond. We love you all and we are so proud of each and every one of you for giving it your all this season.

BOYS LACROSSE

To our brothers,

It was one hell of a season, and we wouldn't have wanted to experience it with anybody else. From our five goal 4th quarter comeback vs Billerica in the season opener, we knew we had a special team. The rest was history, literally, and the boys went on to achieve the first undefeated season in Chelmsford lacrosse history (13-0), and won the MVC for the first time since 2005. We can say we were the first Chelmsford team to do many more things, like the first team in program history to beat North Andover, or sweep them. But it wasn't the accomplishments that made this season so special. It is the memories we had as a family that we will remember forever, and the relationships we created that will never be lost. Post win celebrations in the parking lot, bushes of the plateau, and back tennis courts will not be forgotten. Post win Coombayahs or pre-early morning practice stretching with head Coach Chrissy Harrington will remain in the memory books forever. Cherish these next few years of high school lacrosse, as it goes by much faster than you could ever imagine. Thank you for the best season of our lives, we wouldn't have wanted to buckle up and put on that maroon and white one last time with anyone else. It was an absolute honor to strap up and go to war with you men. Carry on the traditions we created this season, and never ever forget what we did as a family in 2021. Ball out on 3-1,2, 3...

GIRLS LACROSSE

Dear team,

We could not be more proud of all we've accomplished during this season. We know there were a lot of uncertainties but we handled everything that was thrown our way. We have had so much fun with this team and are happy to call ourselves a family. Lacrosse has always been the season and sport we look forward to most because of our ability to succeed while having fun. Thanks for all the good memories and laughs: losing equipment, winning the MVC, karaoke bus rides, and "whispers" and squeezes during the anthem. Always remember to fight against a 6 pack and that we are all a piece of the puzzle. Thank you all for making our senior season memorable and making us proud by keeping up CHS girls lax traditions! Love you all!!

BASEBALL

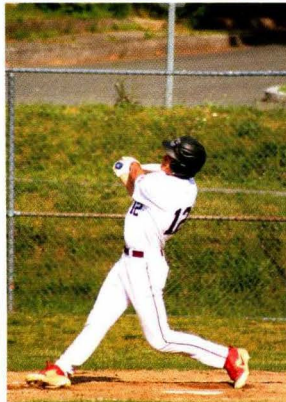

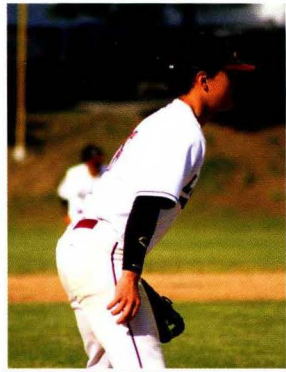

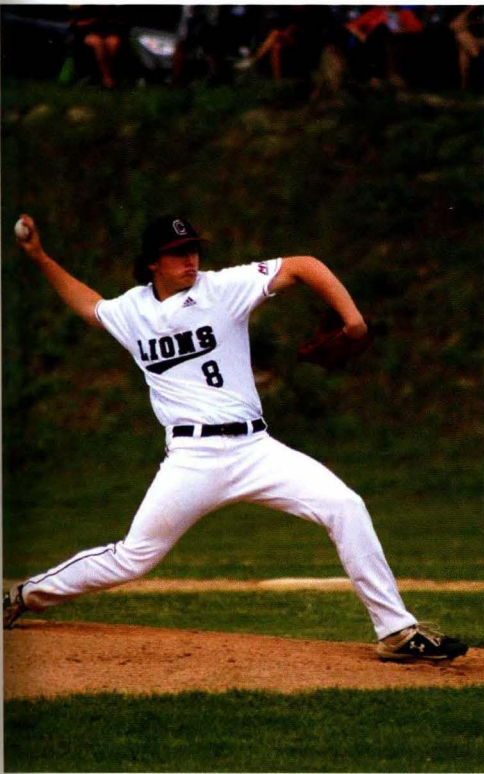

To our teammates,

As captains we could not have asked for a better group of guys to share our final season with. Since our first practices in the winter, we knew we had a talented and hardworking group. Having not been able to play baseball for Chelmsford since 2019, our excitement for the season quickly grew. This excitement soon carried us to a come from behind victory against Billerica in our first game. Throughout the rest of the season, we saw many individuals have outstanding performances, a few of which were recognized by the league. These achievements were the result of hard work and dedication, but were also due to the great work of our coaches who encouraged us to improve every day. We want to say thank you to everyone who made this season as great as it was, and we look forward to seeing this team succeed in the future.

Dear CHSVSB,

This year has been unpredictable but we were so happy to be able to play with all of you, despite not having a season last year. With all the new teammates and friendships, we want to say thank you for making it the best end to our senior year. We are so proud of each of you and so thankful to have such amazing underclassmen. We will miss all the laughs and memories shared, but please don't go crazy without us!!

RUGBY

Boys,

This season has been like no other, we've been through adversity and had to face challenges like no one else. But we came together as a family and "punched adversity in the face" as Coach G says. Some of our best memories have been made playing this sport and with this team, from going to Rosies instead of practicing, carrying sandbags in the rain, coaches speeches after practice, our stretching routines or us winning the tournament; these are memories you'll remember forever. We hope you continue playing this sport and see where it takes you and what doors it opens. You all have the potential to do something great in life and don't be afraid to do it. "Are you gonna step up or are you gonna bow out? Only you decide". You're our brothers for life and we're one call away if you need anything. And for the returners, go get some!

WRESTLING

To our teammates,
This was a season that we will never forget. The amount of adversity faced this year was outstanding. The team was much smaller than it should have been and has been in the previous years. But that didn't stop the boys. We worked hard as hell all season, and in turn had a lot of success. Most of our returning wrestlers had very impressive records, and the new kids improved drastically in such a short time. Also the returning wrestlers in the freshman class really stood up when there was a lot of pressure on them which was needed. We'd like to say thank you to Coach Piscione and all the assistant coaches, we appreciate every you do. To all of our brothas good luck in your future ventures, until we see you again. Hold it down.

COVID-19

Friday, March 13, 2020, our lives completely changed. We were all sitting in our last period classes when Principal Murray came over the loudspeakers and announced that we would be out of school for two weeks due to a new disease called COVID-19. This quickly went from being an unknown word to being heard on every news station and being brought up in every conversation as it progressed and worsened until it became a global pandemic. Because of its pandemic status and very high transference rate, our two week hiatus from school was prolonged. The decision was made for the remainder of the school year to be completed remotely. Both teachers and students had to adapt to the new situations given to us and Google Classroom, Google Meets, Zoom, and other virtual meetings and platforms became our only connections to school. In just a few weeks, all of our school experiences changed drastically and it wasn't until September of 2020 (six months later), that we were able to step back inside Chelmsford High School. At that time, only half of the student body was allowed in school at given times and we were divided into Cohorts A and B depending on last name. Cohorts were in the building from 7:19- 11:19, and then sent home for lunch with remote access to classes for the remainder of the day. Mask wearing became a part of our everyday lives, in and out of school. Throughout the 2020-2021 school year, things continued to slowly progress back towards normal as more students were allowed in school, with less social distancing while still wearing masks. Full days were reinstated! Some precautions were unchanged such as mask wearing inside the building, and we had to adapt and get used to seeing only half of somebody's face.

This past year and a half was unlike anything any of us has ever experienced. We will not soon forget the incredibly daunting changes that occurred in our lives and the world because of COVID-19, but something we will remember even more vividly and think back on far more fondly, are the reactions that we all had to it: students, teachers, and people in general, stepped up to this unprecedented challenge and faced it with confidence, resilience, and perseverance. We developed many creative ideas to help us stay connected, safe, and healthy. COVID-19 threw a wrench in many plans for the spring of 2020 and the entire first half of 2021, but instead of getting defeated and resentful, we saw people remaining positive and continuing to make the best of a very difficult situation: people tried new hobbies, reconnected with family, and were able to slow down from their busy lives and appreciate simplicity.

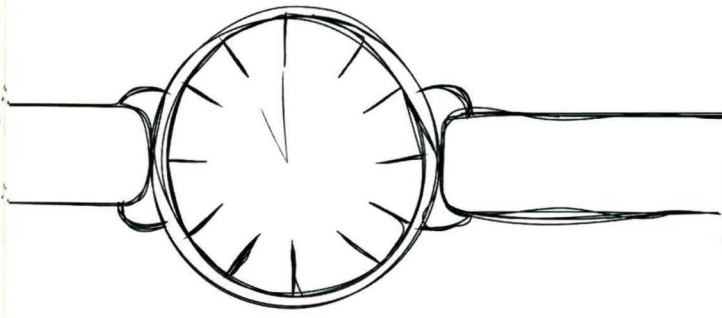

The events of this year and this pandemic will be talked about and remembered in text books for decades to come and we all get to say that we witnessed history first-hand. Although this same situation will not ever happen again (knock on wood), we hope we came out of this with more gratitude and more belief in ourselves, that we can accomplish anything with resilience, dedication, a positive attitude.

LETTER FROM THE YEARBOOK ADVISORS

In the past few years we have been blessed with wonderful editors and staff. They have been thoughtful, creative and respectful of the mission.

We are hesitant to focus on the challenges that Covid brought us this year, but we would be remiss if we did not mention them. Without the leadership provided by Mary and Emma this book would not have been possible. They exemplified collaboration, professionalism and leadership. They did so with great aplomb. They led a wonderful, dedicated group of skilled designers, photographers and general staff who have produced this fantastic timepiece. We would especially like to recognize Josh's eye for design and Shannon and Lily's artful photographic lens.

The yearbook is more than just a collection of pictures and words. Any book needs a theme to bind it together. As Advisors we were impressed with the manner in which the staff bounced ideas off one another until a clear choice came to light. It is this type of collaboration which made it so enjoyable to work with these incredible students. The fact that they were able to publish a book of such magnitude during this pandemic makes it even more noteworthy.

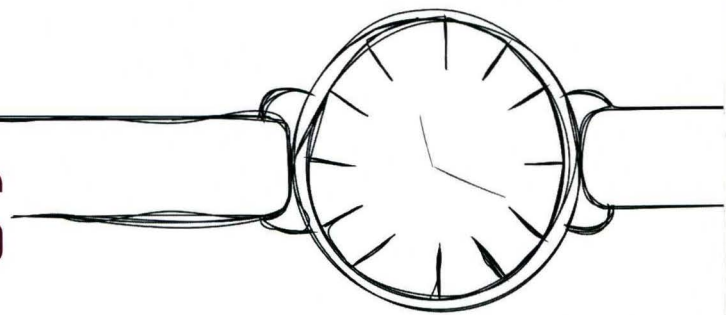

It has been our pleasure and our privilege to have been part of this process. Thank you all for being so fantastic.

With love and respect,

Mr. Cole & Mr. V.B.

LETTER FROM THE CLASS ADVISORS

Congratulations to the graduating seniors of the Class of 2021! It seems like just yesterday you were hesitant freshmen entering CHS for the first time. We are so proud of your growth and the phenomenal individuals you have become.

And we are so proud of you as a collective Class. Since day one, your participation and involvement have been nothing short of extraordinary. It started your freshman year when room 118 was “standing room only” at our first Wednesday Class Reps meeting. After running several restaurant fundraisers as freshmen, your enthusiasm transitioned into a sophomore year focused on causes and larger events; we had a fabulous Winter Fair at the Senior Center and the first sophomore-run dance in years, the “Party in the USA.” While the pandemic threw a wrench into your junior year agenda, you were right back at it as seniors, launching an exceptionally successful shoe drive, trivia night, Mario Kart tournament, the Thanksgiving Send-Off, and several fundraisers. Moreover, you planned a fantastic Senior Week that will be remembered for years to come. You have always gone the extra mile for each other, and watching your friendships and pride in your Class develop and flourish has been incredibly special.

Accordingly, the Class of 2021 has left a lasting mark on Chelmsford High School. Whether athletes or musicians, actors or scientists, writers or artists, blooming politicians or debaters, you as members of the Class of 2021 represent so many interests and talents. We have been fortunate to share laughs and “the stuff great stories are made of” with so many of you. You are respectful, kind, caring people who have been a privilege to advise and get to know so well. We have been particularly fortunate to partner with Class Reps and its Class Officers, all of whom we will miss dearly! We are tremendously proud of each and every one of you.

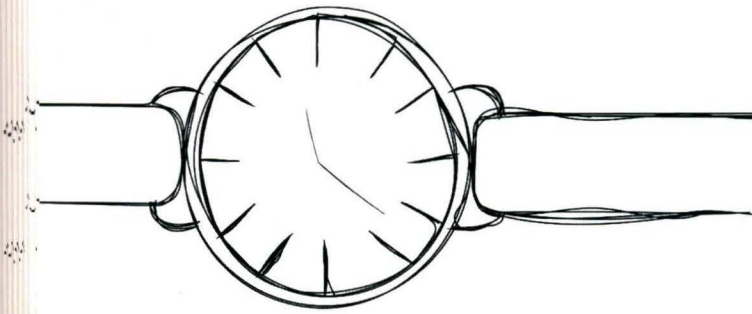

When thinking about your Class down the road, the following word will come to mind: “pivot.” Since March, 2020, life as we’ve known it has been thrown into a tail-spin; the events of 2020-2021 will be studied for generations to come. What we originally thought would be “a few days off” turned into a complete shutdown of in-school learning, as terms like, “hybrid,” “cohort,” and “remote learning” quickly became part of daily conversation. At the same time, so many of the plans we had made as a Class came to a halt. We are exceedingly proud of the resilience with which you have approached the past year-plus, and of the perspective you have gained. As when things are beyond our control in our own lives, you had two choices: to either throw up your hands and give up, or to pivot. You have taken the disappointments associated with a very scary, unpredictable year in stride, refocused, and kept your positive attitudes intact. This is just one reason that we know you will be exceptional adults and citizens.

As the world opens up to you, as you take the steps and face the challenges that will define you and your generation, and as you will one day pass the world onto the next generation, know that you are prepared. Know that the past twelve years were not just about math or science, English or history, or any other subject areas, for that matter. Rather, the challenges you faced, what you learned about yourself, and how you learned to work with others collectively made up the real lesson. In times that are challenging, trust yourself as we trust you. The world is yours now, not in ownership, but in responsibility. Treat those around you fairly, take care of those less fortunate, and let kindness and compassion be your legacy; if you do so, you’ll be just fine.

Our sincerest wish for each of you is that you follow your heart while pursuing whatever life you want; after all, life is to be enjoyed. Please remember, although we might be headed in different directions, our doors are always open.

With pride and best wishes,
Mrs. Orsini and Mr. Dussault

CLASS OFFICERS

Dear CHS Class of 2021,

Thank You. Two simple words that yet have the uttermost meaning. Thank you for being the best class any of us could ever have dreamt of being a part of. Throughout our four years, we have faced many obstacles that we have all overcome and conquered. Class of 2021... we are a special class with many talents and accomplishments. Our class is filled with students who have been recognized with many different feats in their respective areas, but what I will remember most about our class is unity and passion. We have stuck together through everything and have never stopped believing in each other. We survived through a global pandemic that no other class has ever experienced. Not only did we survive this pandemic, we persevered by making the most of our senior year and just enjoying the moments that we were in. Senior year has reminded me of a phrase I once heard that said, "I wish there was a way to know we were in the good old days, before you've actually left them", and I honestly believe we are living in the good old days now. I am very excited to see the many things you guys will accomplish in the future, and I want to wish everyone good luck in all your future endeavors! It has been an absolute honor to serve as the VP of such a special class, and I will cherish our memories together forever!

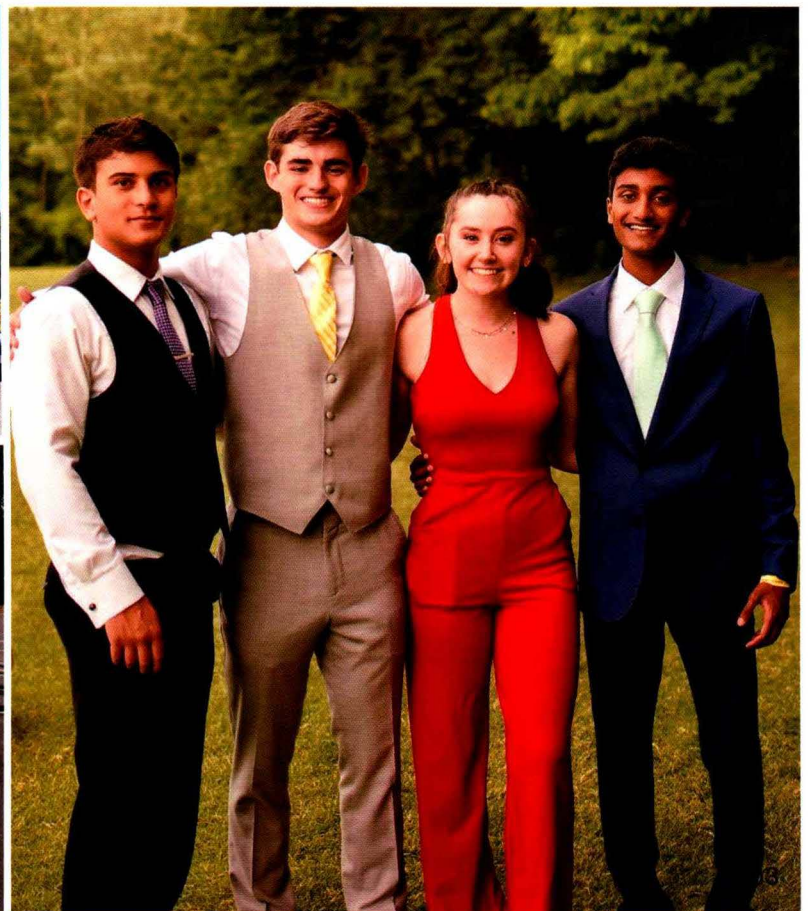

Sincerely,
Sudeep Gubbala

Class of 2021, where do I even begin? It's crazy to think about how fast these past four years have flown by. From freshmen who didn't even know each other to the lifelong friends we made by the end of senior year, it has truly been such a special experience to grow up with you all. This year in particular we have been through more as a class than anyone before us. Although this journey was not ideal and had many unexpected twists, our class has persevered, kept spirits high, and grown closer because of it. Looking back on our time here at CHS, I will always be inspired by our class' strength as we navigated through our last two years of high school in a very untraditional way. I am proud to be a part of such a talented, optimistic, and supportive group of people and will continue to be inspired by you all for years and years to come. Thank you, Class of 2021. I owe it all to you guys.

- Jacqui Rigazio

Hey Class of 2021! I can't believe that our 4 years together have already passed. It feels like just yesterday we were walking the big halls of high school as small freshmen. From our legendary win against the sophomores at pep rally to some insane football games, I can honestly say that my high school experience was made great by all of you. Every student brought something new and unique to our high school everyday, and I think that it was for that exact reason that we all turned out as wonderful as we did. There is so much I want to say to each and every one of you, but there is no time for that! We, the class of 2021, are moving onto bigger and better things! Hundreds of opportunities will present themselves, and off we'll be! Pursuing our dreams and following our hearts. I know it's sad that we have to leave, but the way I look at it, we are about to hop on a train with an unknown destination. It's definitely scary, but the endless possibilities are even more exciting! Remember, graduation is not the end, it is the beginning. I wish you all luck on your future endeavors, and I will always hold the class of 2021 close to my heart.

OUR NEXT FEW YEARS

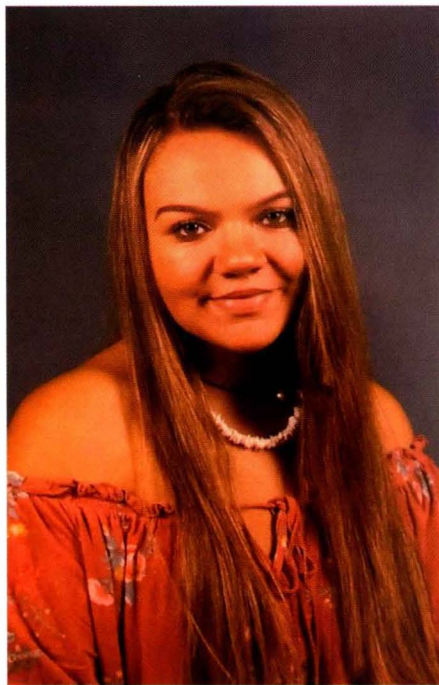

Kaytelan Silva

KK, we cannot say how proud we are of you and all the accomplishments you have made so far and the great future you have ahead of you.

You had a hard start in high school with a brain surgery in your freshman year. Then you had to deal with the chronic pain of a fractured skull. You did not let that stop you! You kept fighting even when you felt weak.

Your passion for what you believe in is inspiring and your determination is amazing. Your friends are lucky to have you as you will fight for them to the end. Your family is more than blessed to have you! Your beauty is not only from your outside appearance, but from your heart!

There will be times that you will fall down; do not stay there. Get up and move forward! There will be times that you will get disappointed: don't let that stop you. There will be times that you will feel discouraged. Remember who gives us strength! I pray that you continue to do what is right while you pursue your dreams.

Don't forget where you came from when you get there. Also, don't forget who you are and who you represent!

We love you more than you can ever understand! We will always be here for you!

Mom and Dad

« Maiti Fucci »

We couldn't be more proud of you. Your wonderful sense of humor and remarkable ambition will take you far! Enjoy the triumphs and always stay humble and kind. Bless you.

Love you,
Mommy, Daddy, Maire, Meg & Molly

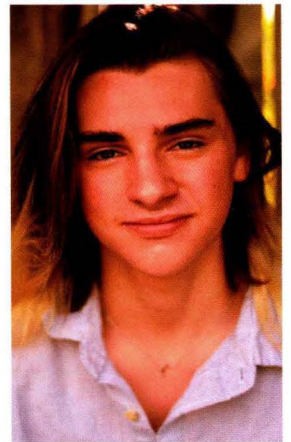

Meghan Goode

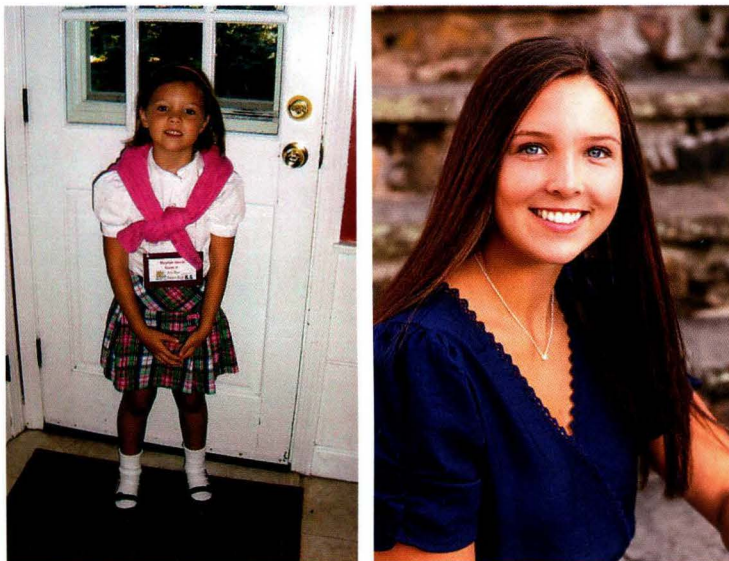

Josh Jordan

Joshua,
I'm incredibly proud of the man you've become. You are strong, compassionate, and funny. You have always been a hard worker and it's paying off! I look forward to walking through this next phase of your life with you. You have always created your own success and I know you will continue that in college. You're an inspiration to me and many others. Keep up the good work, stay humble and kind, and most of all, never forget where you came from. Congratulations buddy!

Love, Mom

Jillian Jones

Congratulations Meghan!

We are so proud of you and all of your accomplishments! We can't wait to see what your future holds. Work hard, dream big and enjoy life. We love you.

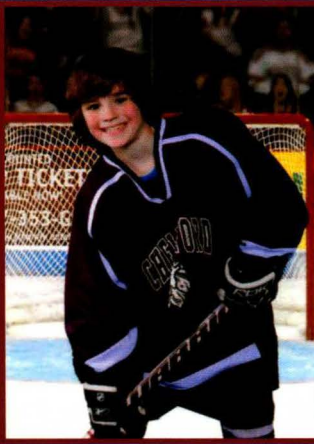

Love,
Mom, Dad, & Patrick

Butterfly, fly away
Got your wings, now you
can't stay
Take those dreams and make
them all come true

Butterfly, fly away
You've been waiting for this
day
All along you've known just
what to do
Butterfly, fly away

Congratulations Jillian Jones!
Love, Mom, Dad, Bubba and Alex

No door left unopened, no stone left unturned
Your confidence building with each lesson learned
No challenge too big, no detail too small
You've jumped every hurdle, scaled every wall
You bring compassion & curiosity wherever you go
You light up our world & will always be Clay's best bro
You find purpose & meaning on each path from your door
You commit without fear & always yearn for more
I don't doubt that you're ready & quite up to the task
I trust you completely but there's one thing I'll ask
Be good to yourself & let the journey bring you great joy
And trust that Will power you've had since you were a boy
Always with Love & Pride, Mom, Dad & Clay

Dear Adam,

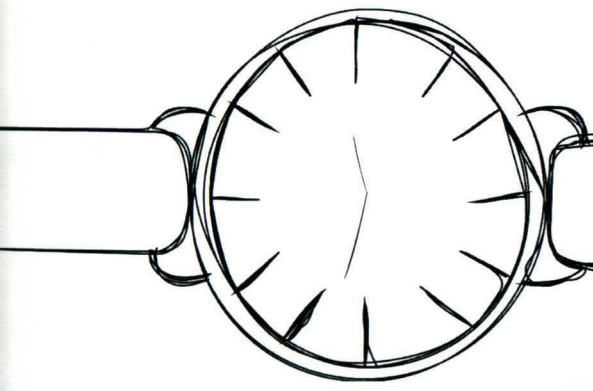

Remember... hold the door, say "please", say "thank you"
Don't steal, don't cheat, and don't lie
We know you got mountains to climb
But always stay humble and kind
When the dreams you're dreamin' come to you
When the work you put in is realized
Let yourself feel the pride
But always stay humble and kind!!

We are so proud of the incredible young man you have become and
are so excited for what the future holds for you. Best of luck in all that
you do.

2020-2021

WORLD

BEAT

This year's top headlines, collected for yearbooks delivered in the summer and fall.

SCHOOLS BEGIN REOPENING

After COVID-19 brought on school closures in the fall, schools begin to reopen in February when the CDC publishes a step-by-step plan for reopening schools, most U.S. school districts offer in-person learning, and about half of U.S. students are back in classrooms. The CDC emphasizes ventilation improvements, and the plan also says that elementary schools should remain at least partly open, while middle and high schools need flexible plans for switching from full-time to hybrid or distance-learning models, depending on community transmission rates. Schools also need to require that everyone mask up and practice social distancing.

COVID-19 VOCABULARY

CURBSIDE PICKUP: avoiding entering stores or restaurants. **DRIVE-THROUGH TESTING:** COVID-19 testing sites with as little personal contact as possible. **FLATTEN THE CURVE:** slowing the spread over time. **ASYNCHRONOUS LEARNING:** teachers post lessons and assignments online for students to access. **PPE:** Personal Protective Equipment like masks and latex gloves. **SHELTERING IN PLACE:** staying at home except for necessary errands or exercise. **SOCIAL DISTANCING:** staying at least 6 feet away from others. **SUPERSPREADER:** gatherings that result in numerous cases.

VISITING THE VACCINATED

Grandparents and other older relatives are at higher risk of COVID-19 effects. For much of the school year, families worked hard to keep them safe by staying away. By spring of 2021, new CDC guidelines say that vaccinated grandparents can visit their unvaccinated grandchildren in a single household.

RACE TO VACCINATE

As new virus variants emerge, the world hurries to vaccinate enough people to reach “herd immunity.” By late April 2021, almost one-third of all U.S. citizens over 18 are fully vaccinated, and all adults are eligible for vaccination. The two-dose Pfizer and Moderna vaccines are the primary vaccines in the U.S.

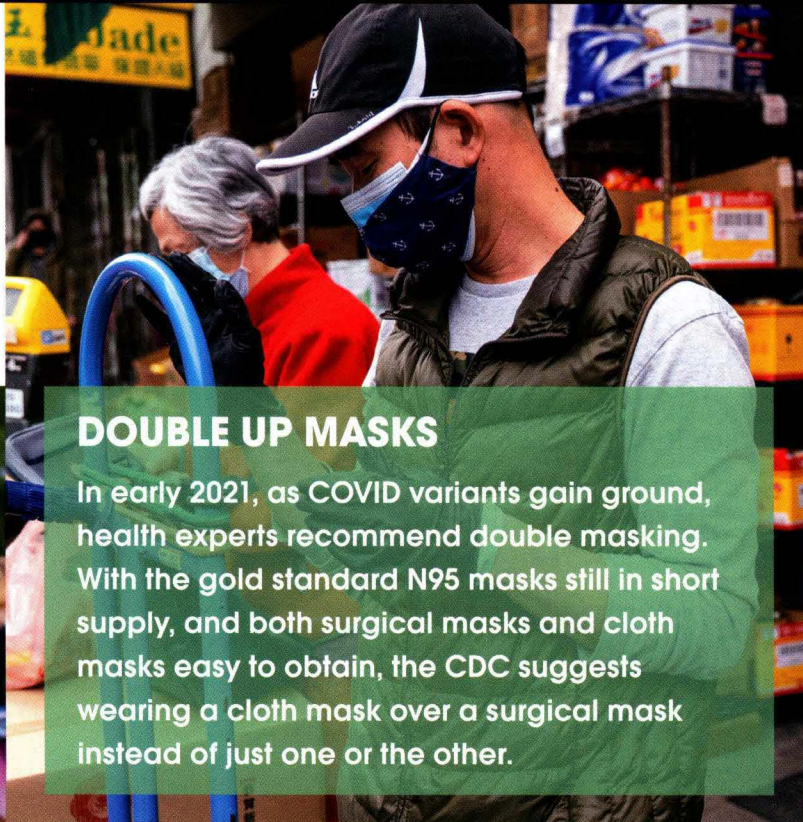

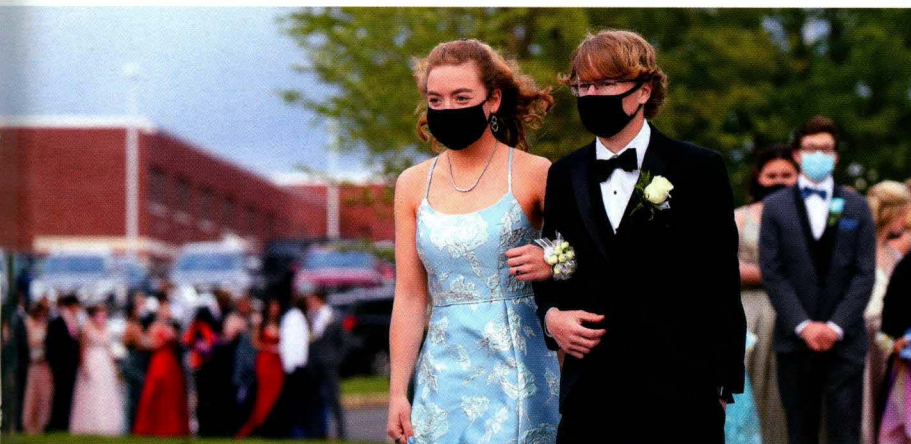

BICYCLE BOOM

Early in the pandemic, with gyms closed and school sports seasons cut short, demand for bikes surges and, in early 2021, continues to outpace supply. Bike industry experts predict that the bike shortage will last into 2022.

COVID-

PROMS GET CREATIVE

2021 adaptations include senior-only proms, outdoor venues, required masking, appetizers rather than sit-down meals, and even proms without slow dancing or with limited-member “dance groups.” Some schools cancel their prom for a second year in a row.

DOUBLE UP MASKS

In early 2021, as COVID variants gain ground, health experts recommend double masking. With the gold standard N95 masks still in short supply, and both surgical masks and cloth masks easy to obtain, the CDC suggests wearing a cloth mask over a surgical mask instead of just one or the other.

QUARANTINE FOOD TRENDS

As the quarantine wave hits the U.S. in March 2020, TikTok influencers spread at-home food trends like banana bread, Dalgona coffee, and pancake cereal. By January 2021, TikTok users turned to new ideas, like Mexican birria tacos, feta-tomato pasta sauce, and West African fufu.

TEACHERS ADAPT

Educators take on new tasks in addition to new teaching techniques, like doing temperature checks and disinfecting surfaces. Hybrid teaching schedules often halve the number of number of in-school hours for students, meaning that teachers must condense curriculum.

19

SPACE X LIFTOFF

In the first NASA partnership with a private corporation, Elon Musk's Space X company, the first astronauts head to the International Space Station. Lifting off in Space X's "Crew Dragon," U.S. astronauts go into orbit on a U.S.-built rocket for the first time in nine years. They will spend six months in space, joining another NASA astronaut and two Russian cosmonauts.

TITLE VII LAWSUIT

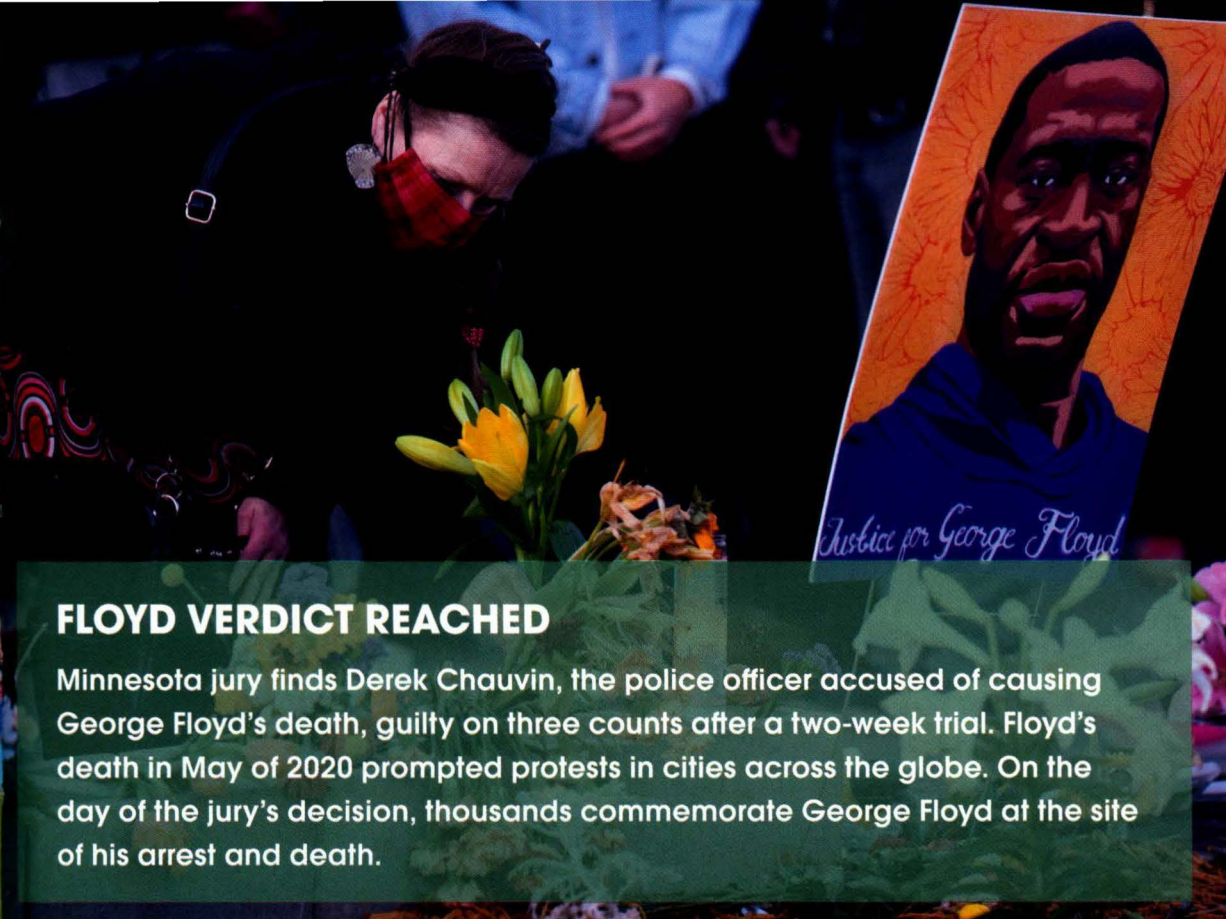

The U.S. Women's National Soccer Team's claim that their working conditions are not equal to those of the U.S. Men's Team leads to a settlement in their favor. U.S. Soccer agrees to provide both teams with comparable charter flights and hotel accommodations, along with staffing numbers.

MAIL-IN VOTING

Despite COVID-19 restrictions, a record number of people vote in November, as states allow more early voting or voting by absentee ballot. Counting absentee ballots delays election results for days, leading some to challenge the results and demand state recounts. Eventually, all 50 states certify election results and Joe Biden is declared the official winner of the presidential election.

HEADLINE

FLOYD VERDICT REACHED

Minnesota jury finds Derek Chauvin, the police officer accused of causing George Floyd's death, guilty on three counts after a two-week trial. Floyd's death in May of 2020 prompted protests in cities across the globe. On the day of the jury's decision, thousands commemorate George Floyd at the site of his arrest and death.

OLYMPICS POSTPONED

In a rare decision, the Tokyo 2020 Summer Olympics are postponed until July 2021. Following a rise in COVID-19 cases, Japan decides that no foreign spectators will be allowed, and athletes must take COVID-19 tests every four days. Also, athletes are prohibited from using public transportation or visiting tourist sites during the games.

SUPREME WOMEN

Supreme Court Justice Ruth Bader Ginsburg, path-breaking Associate Justice of the U.S. Supreme Court, dies of cancer in September. Ginsburg, one of nine women entering Harvard Law School in 1956, argued six landmark gender discrimination cases. President Trump nominates Amy Coney Barrett to replace Ginsburg, making her the 5th female associate justice.

"URI" BATTERS TEXAS

In mid-February 2021, after a spell of warm weather, a devastating winter storm comes out of the Northwest and sweeps through southern states, leaving snow and below-zero temperatures. The storm's impact is worst in Texas, where 111 people die, and millions go without power or water for days. Texas' independent power grid made it difficult for Texans to get power from other states in the crisis, leaving Texans with sky-high utility bills.

SUEZ CANAL BLOCKED

For the first time in the Suez Canal's 150-year history, a ship becomes lodged and blocks hundreds of incoming ships for nearly a week. The 200,000-ton ship, *Ever Given*, is taller than the Eiffel Tower and measures 400-meters in length. The Egypt Suez Canal runs between Africa and the Sinai Peninsula.

CHANGES TO TRAVEL

Airlines lose more than 50% of their business in early 2020 as they cut flight schedules and furlough employees. Over the 2020 Thanksgiving and winter holidays, despite CDC advice not to travel, millions take to the skies. Plane travel increases steadily in the spring of 2021 as more people are vaccinated. On April 18, 2021, 1.6 million Americans fly, as compared to only 105,000 one year earlier.

HEADLINE

BIDEN'S DIVERSE CABINET

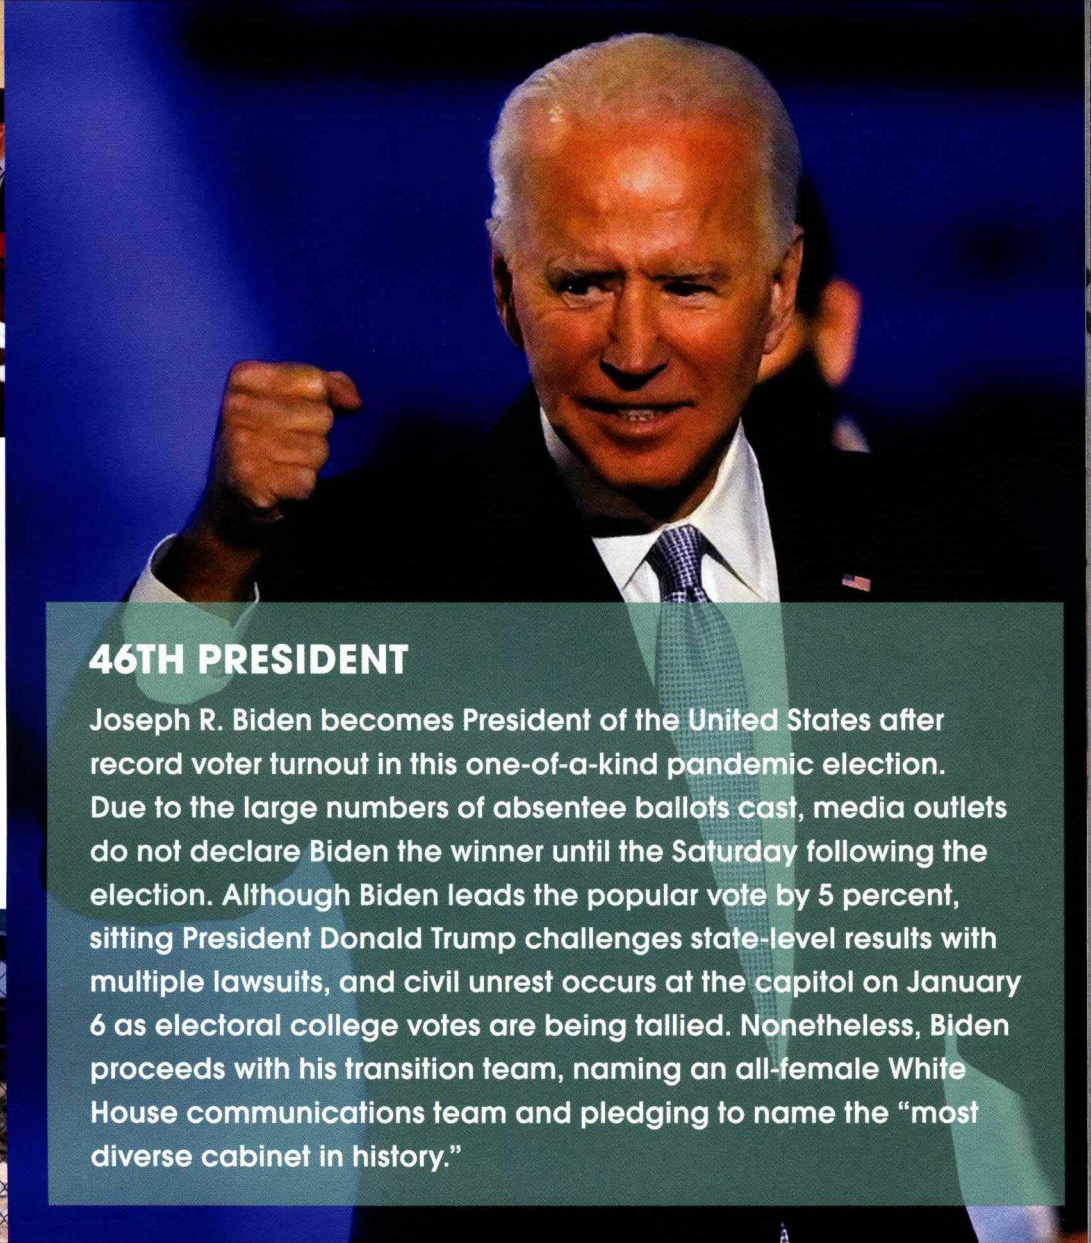

Several of President Biden's Cabinet picks make history, as it is the most diverse cabinet in history. 12 of 25 cabinet members are female, ages span from 35 to 65+, and members comprise those who identify as Black, White, Native American, Hispanic, Asian or Pacific Islander, and multiracial.

THE ECONOMY

Historically low mortgage rates propel a residential real estate boom, with home sales up 23.6% in 2020. By March of 2021, the Dow Jones has risen 70% but the service industry struggles due to ongoing COVID-19 restrictions. The Jefferies Financial Group estimates the current economy at 85% of its pre-pandemic strength, partly due to an outpouring of \$2 trillion in federal relief funds.

IVES

46TH PRESIDENT

Joseph R. Biden becomes President of the United States after record voter turnout in this one-of-a-kind pandemic election. Due to the large numbers of absentee ballots cast, media outlets do not declare Biden the winner until the Saturday following the election. Although Biden leads the popular vote by 5 percent, sitting President Donald Trump challenges state-level results with multiple lawsuits, and civil unrest occurs at the capitol on January 6 as electoral college votes are being tallied. Nonetheless, Biden proceeds with his transition team, naming an all-female White House communications team and pledging to name the "most diverse cabinet in history."

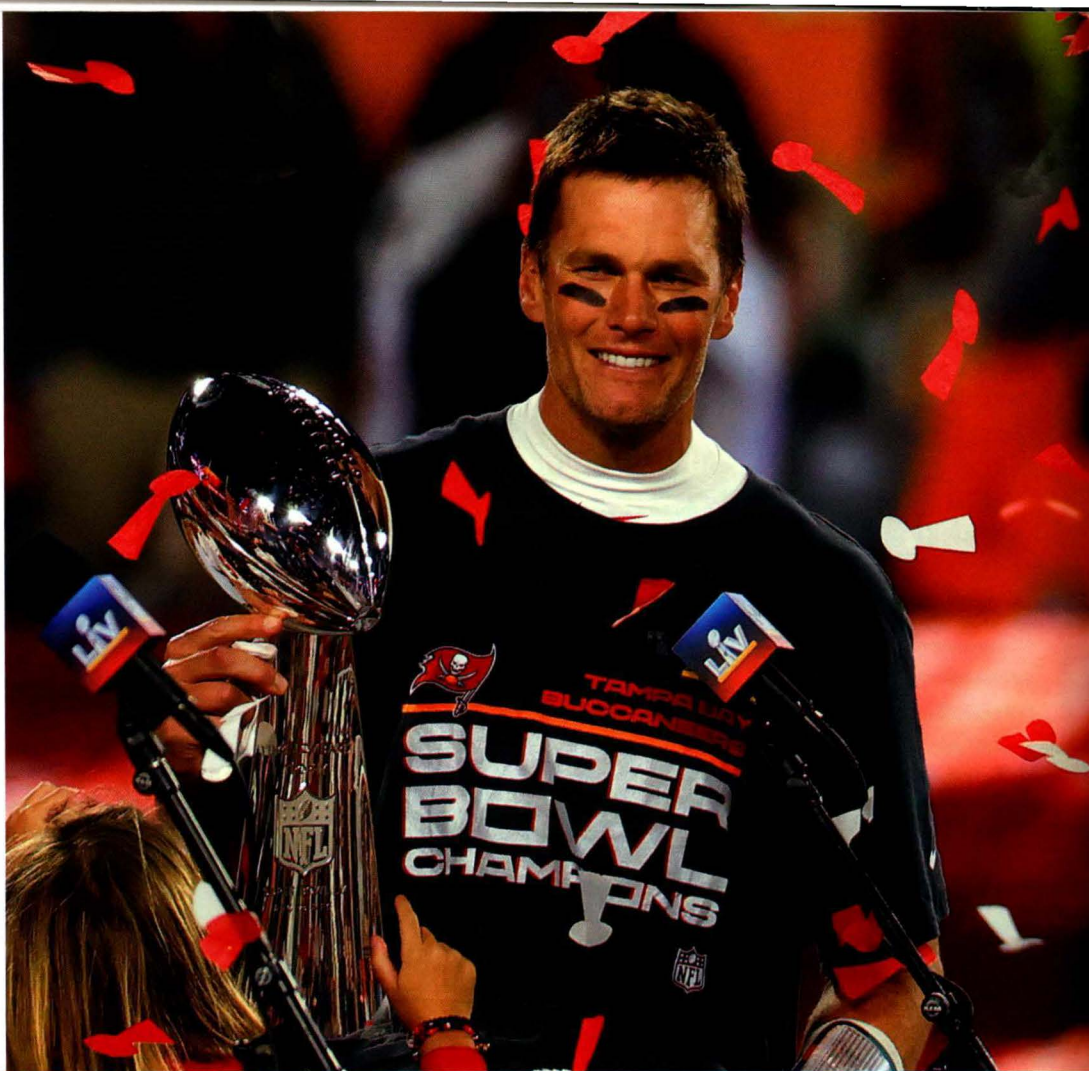

VICE PRESIDENT HARRIS

Kamala Harris, the daughter of immigrants from India and Haiti, becomes the first African American and Asian American woman to win the Vice Presidency. Harris previously served as a California U.S. Senator and Attorney General. Her husband, Doug Emhoff, will also be a first — the first "Second Gentleman" of the United States.

SUPER BOWL LV

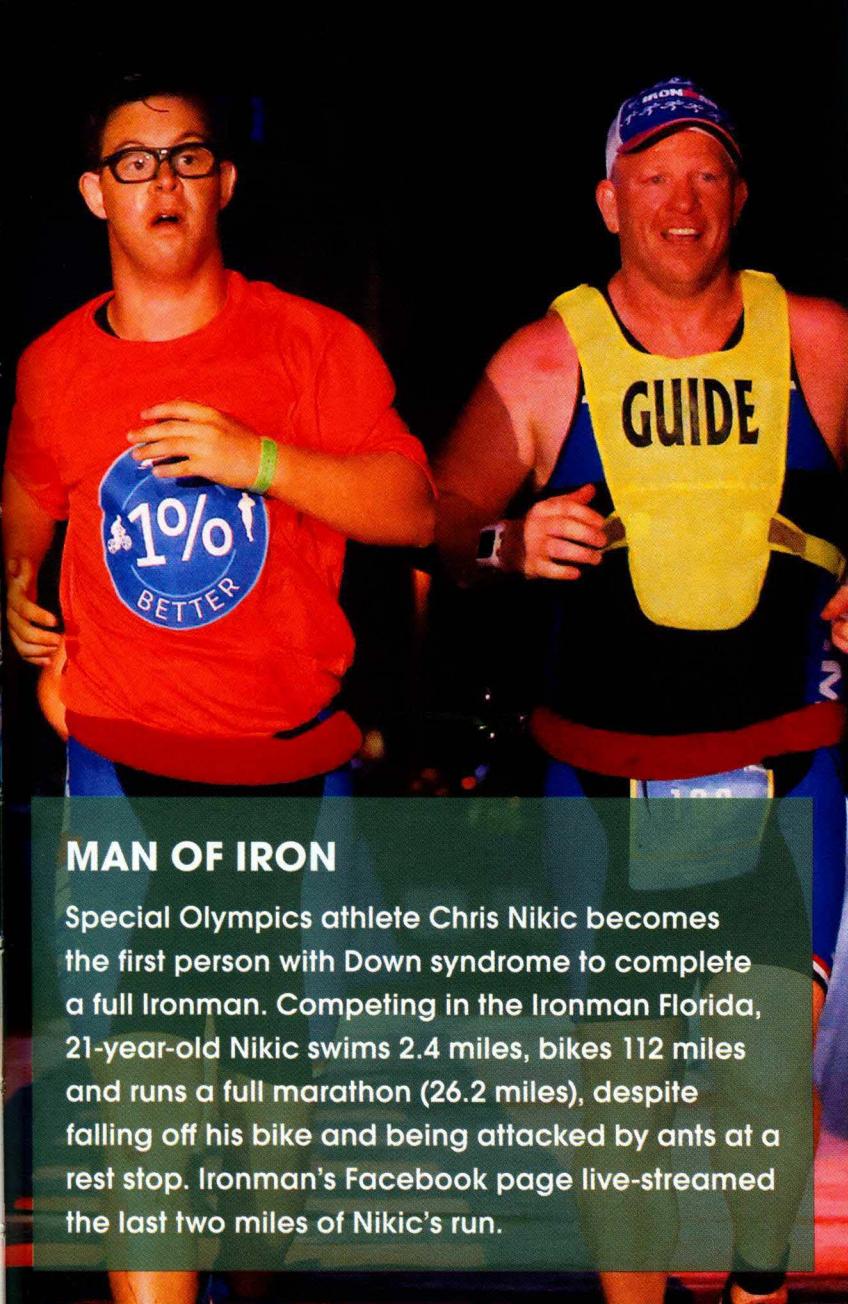

Tampa Bay wins their second title, defeating the Kansas City Chiefs, as the Buccaneers' defense and quarterback Tom Brady dominate. The match-up was a battle between the greatest quarterback of all time and the current best, Patrick Mahomes. At 43 years old, Brady is the oldest player to ever play in the Super Bowl. The game is his 10th Super Bowl and he set NFL records with this seventh win and fifth MVP. The halftime show featured entertainer The Weeknd.

ATHLETES PUT TO THE TEST

Early in the 20-21 school year, a handful of states cancel fall sports completely, while most either play, delay the season's start or move fall sports to the spring. Student athletes, coaches, and school boards ride an emotional rollercoaster throughout the year. By spring 2021, most school teams resume games and practices with social distancing. Unfortunately, one team member's positive COVID-19 test often leads to game cancellations or delays.

SPORTS

MAN OF IRON

Special Olympics athlete Chris Nikic becomes the first person with Down syndrome to complete a full Ironman. Competing in the Ironman Florida, 21-year-old Nikic swims 2.4 miles, bikes 112 miles and runs a full marathon (26.2 miles), despite falling off his bike and being attacked by ants at a rest stop. Ironman's Facebook page live-streamed the last two miles of Nikic's run.

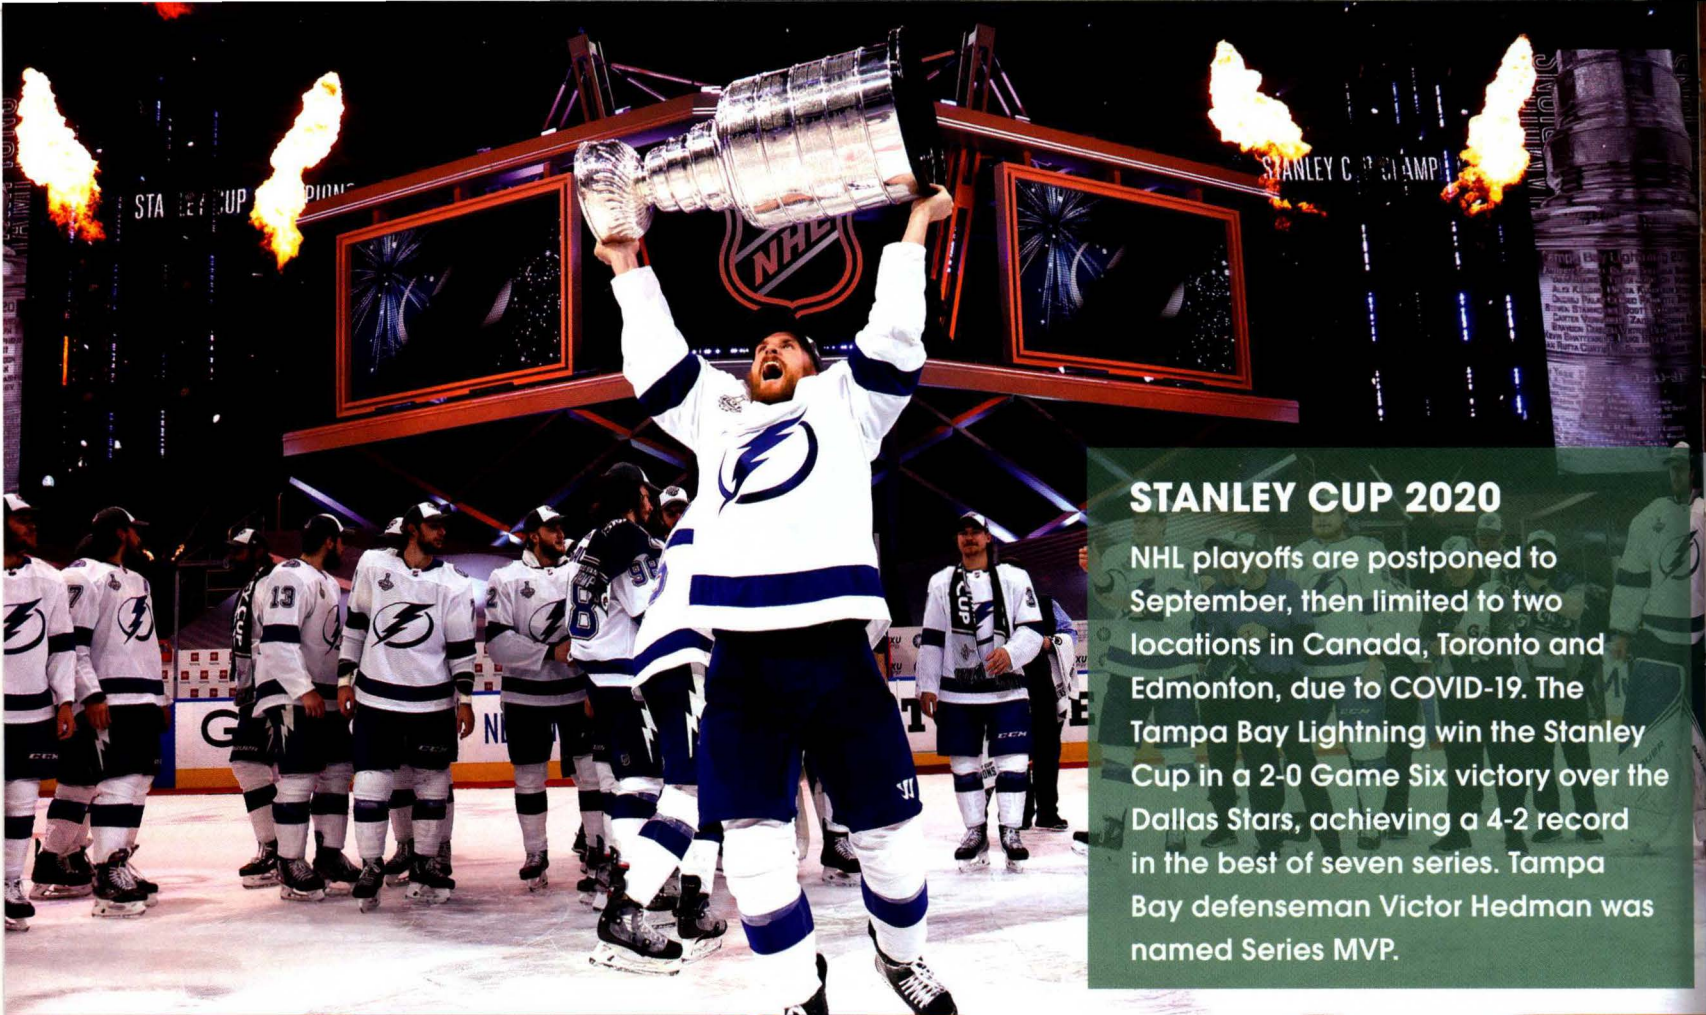

NCAA FOOTBALL CHAMP

Alabama dominates Ohio State 55-24 in the January College Football National Championship. The undefeated No. 1 Crimson Tide, led by Heisman Trophy-winner Devonta Smith, who scored three touchdowns, win their 18th national title.

MARCH MADNESS

The oddsmakers favor undefeated Gonzaga all the way until Baylor beats them in the NCAA men's final, 86-70. It is the first NCAA title for Baylor but would have been a first for Gonzaga also. Baylor hits ten 3-pointers, while Gonzaga makes only five of its 17 attempts.

STANLEY CUP 2020

NHL playoffs are postponed to September, then limited to two locations in Canada, Toronto and Edmonton, due to COVID-19. The Tampa Bay Lightning win the Stanley Cup in a 2-0 Game Six victory over the Dallas Stars, achieving a 4-2 record in the best of seven series. Tampa Bay defenseman Victor Hedman was named Series MVP.

NBA CHAMPIONSHIP 2020

LeBron James wins his fourth Finals MVP award, tying Michael Jordan for that record, after a win over the Miami Heat. The Lakers win follows a tough year with the loss of former team leader Kobe Bryant. The team dedicates the season to him.

MATSUYAMA MAKES HISTORY

Hideki Matsuyama becomes the first-ever Japanese professional golfer to win a men's major golf championship at the 2021 Masters Tournament. Matsuyama prevailed by one stroke over Will Zalatoris.

SPORTS

MLB WORLD SERIES

Concluding the shortest MLB season on record, the Dodgers win the World Series after the Tampa Bay Rays make a controversial pitching change in Game 6, breaking Blake Snell's momentum in favor of reliever Nick Anderson. Mookie Betts slides home to give the Dodgers the go-ahead 2-1 run and the Dodgers win 3-1. COVID-19 impacts both teams. After a month of quarantine, Rays Randy Arozarena hits a first-inning home run. Then, in the 8th inning, Dodgers third-baseman Justin Turner is pulled out after a positive test result.

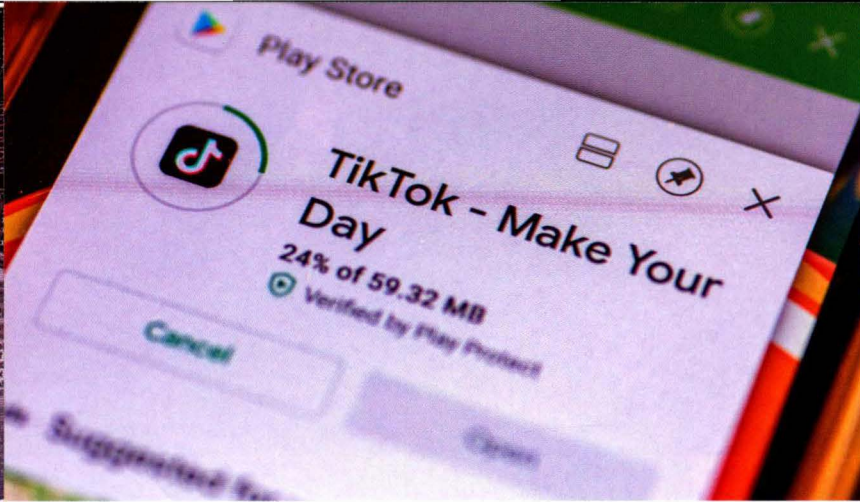

MLS SEASON ADAPTS

COVID-19 interrupts the 2020 MLS season, but Columbus Crew eventually emerges triumphant in the December final against the Seattle Sounders with a 3-0 win. 2021 looks hopeful, despite a six-week opener delay due to labor negotiations. After a fanless 2020 season leads to dramatic financial losses, teams announce that limited numbers of fans will be allowed into 2021 games.

WNBA CHAMPS

Sweeping the Las Vegas Aces in a best-of-five series, the Seattle Storm wins the 2020 WNBA Championship in an unprecedented season. The teams played season games in the Bradenton, FL "wubble" (WNBA bubble). Forward Breanna Stewart, who missed the 2019 season due to a torn Achilles tendon, was unanimously voted MVP for the championship series.

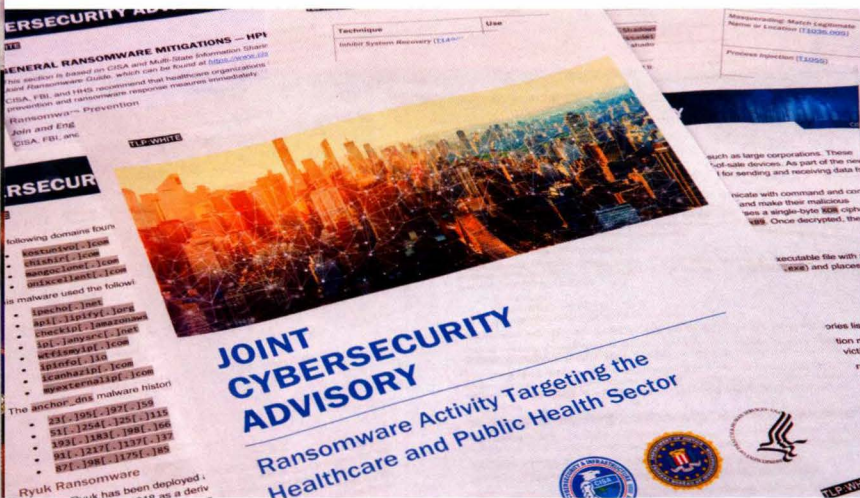

TIKTOK DODGES BAN

Concerns about national security leads President Trump to threaten to prohibit Chinese-owned TikTok downloads starting in November. Oracle proposes taking over ownership of TikTok U.S. data, and negotiations continue through the fall. Two federal district court judges rule that Trump's emergency economic powers are not sufficient.

U.S. SUES GOOGLE

The U.S. Department of Justice files a lawsuit against tech giant Google after a Congressional report accuses Google, Twitter, Amazon and others of using monopoly powers. The DOJ claims that Google has illegally paid computer manufacturers billions of dollars to choose Google as their default search engine and restrict rivals.

MICROSOFT NEUTRALIZES HACKERS

In December, evidence of the most sophisticated and far-reaching hack in years becomes public. A group of hackers known as "CozyBear" breached a trusted infrastructure supply chain. While Microsoft could not fix the damage already done, they are able to prevent further infiltration within four days.

CAN'T STOP GAMESTOP

Wall Street hedge funds bet that GameStop, a business hit hard by online gaming, would see falling stock prices. In response, a Reddit page called "Wall Street Bets" (WSB) urges followers to buy stock in GameStop. Millions of buyers send GameStop stock prices surging 1600% in a few days.

SEE YOU ON ZOOM

The Zoom App goes from being a business-meeting app to an “everything” app in 2020, used for virtual learning, social gatherings, art performances, exercise classes, weddings, and funerals. Into 2021, downloading stats keep Zoom dominant in videoconferencing software, but with growing competition from Google Meet, Slack, and Microsoft Teams.

NOBEL PRIZE

Doctors Jennifer Doudna and Emmanuelle Charpentier win the Nobel Prize in Chemistry for their work developing a gene-editing technique known as *Crispr-Cas9*. *Crispr* stands for “clustered regularly interspaced short palindromic repeats,” a type of sequencing in DNA chains that facilitates bacterial immunity. The *Crispr* technique allows scientists to cut out and replace chain segments. This will enable repairs to flawed genes and prevent diseases, but the technique’s potential to create inheritable edited genes in humans is controversial.

GAMERS' DILEMMA

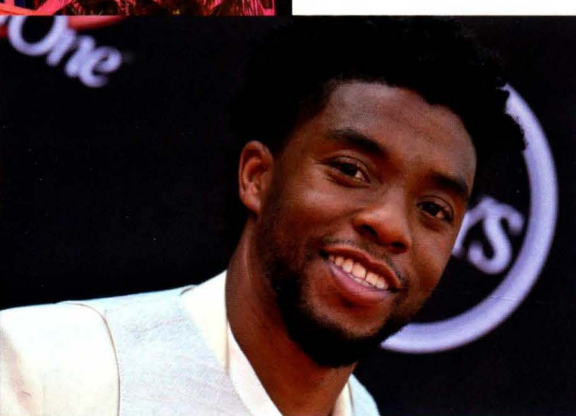

Sony and Microsoft release their newest gaming systems on the same day, November 12th, 2020. Microsoft’s Xbox Series X and Sony’s PlayStation 5 both offer much faster loading times than their predecessors and are similarly priced at about \$500. However, Xbox Series X offers better backward capability, while PS5 offers a redesigned, more immersive controller. Which to buy? Depends on your game preference: *Halo* fans prefer the Xbox, while *God of War* fans want the PS5. Getting PS5 for the holidays proves so difficult that it inspires a *Saturday Night Live* skit.

MARVEL STREAMING RIGHTS
 Disney Plus is the streaming home to nearly every Marvel movie and TV Show. Distribution of *The Incredible Hulk* is owned by Universal Pictures. Spider-Man films are owned by Sony.

MASK TRENDS

While NIOSH-certified “N95” masks are the gold standard, they are unavailable to the general public for months. The urgent need for masks leads to countless creative designs and unending arguments about what the “best” masks are. Elastic loops? Ties around the head? One or two fabric layers? Filters?

EMMYS SWEEPS

Created by father-son Eugene and Daniel Levy, the quirky Canadian comedy series *Schitt's Creek* wins nine Emmys, the most in a year for a comedy series. The show features a wealthy family that falls on hard times.

CHADWICK BOSEMAN

Chadwick Boseman dies from colon cancer at age 43. After his diagnosis, he films five movies including *Black Panther*. At the 2021 Golden Globes, Boseman posthumously wins “Best Actor.”

TIKTOK GROWS

Despite facing a threatened ban in the U.S., TikTok continues to grow to 732 million users as of April 2021, making millions of dollars for some contributors.
