# A MESSAGE FROM THE CO-EDITOR IN CHIEFS...

Dear Class of 23,

We would like to start by saying that it is an honor and a pleasure to be able to work on creating a yearbook for such a special community of people.

So much planning and effort went behind this book. From early morning vacation meetings to late afternoon McDonald's cram sessions after school to midnight photo editing, we wouldn't trade the experience for the world. We'd like to thank all of the yearbook staff who went to events to take pictures as well as help edit and design pages. We wouldn't have been able to make this book without them, and you can see a glimpse of everyone's touch throughout the various pages.

We have had so much fun and have greatly enjoyed capturing memories and putting together a physical time capsule for you all to look back on in future years. We hope you enjoy!

Sincerely,  
Nhyira Nkansah and Deekshu Kasagani  
Co-Editors in Chief of the Lions Yearbook 2023

## **A MESSAGE FROM THE PRINCIPAL...**

I wish all of you success in your life after Chelmsford High School. You worked hard to get to this point and you should be proud. You are a wonderful class of students who helped make CHS one of the best schools in Massachusetts. Take advantage of all of your new opportunities and enjoy the exploration of new ideas, friendships and experiences. May your creativity and caring grow as you grow, so that you are ready for the challenges ahead. You have the tools you need. We hate to see you go. Best of luck in the future.

Principal Murray

## MESSAGES FROM THE DEANS...

Congratulations CHS Seniors on reaching this milestone. The four years you have spent at Chelmsford High School have been marked by the unprecedented pandemic that turned our world upside down. Yet through it all your class has formed lasting relationships, discovered your strengths and passions, and learned about yourselves and the world around you. This class, in particular, has helped to shepherd CHS from the shadow of the pandemic towards a return to vibrance, connectedness, and joy. You have stuck together and supported each other in class, at games, performances, and events. Your resilience and capacity to adapt and thrive is to be commended. You are all just getting started and I know that each of you will make this world a better place. Look out for one another. You will be missed!

Dean Blagg

To the Class of 2023,

Congratulations on a job well done. Navigating through life offers many challenges and you have clearly proven that you can meet those challenges head on. Graduation is the summary of all of the accomplishments you have achieved in your academic life dating all the way back to Kindergarten. After you leave, take a moment to reflect on all of the family, friends, teachers, and influences that have helped shape you into the person you are today. Although you certainly are not done learning and growing, those people deserve a quick "thank you". The expectation is that you continue to follow your passions and dreams with P.R.I.D.E. in mind. Your impact on CHS will be remembered and we look forward to hearing about your continued successes. Once a Lion, always a Lion.

Dean MacIsaac

Congratulations to the class of 2023! You have overcome the unknown with grace and we are so proud of all of your accomplishments. Your time in high school was not a straight road. There were ups and downs, in person, hybrid and online learning. There were tears of joy and sadness and so much laughter. F.Scott Fitzgerald said it best "For what it's worth: it's never too late, or in my case, too early, to be whoever you want to be. There's no time limit. Start whenever you want. You can change or stay the same. There are no rules to this thing. We can make the best or the worst of it. I hope you make the best of it. I hope you see things that startle you. I hope you feel things that you never felt before...I hope you live a life you're proud of, and if you're not, I hope you have the courage to start all over again." Congratulations to the class of 2023!

Dean MacNeil

# A MESSAGE FROM THE 2023 CLASS PRESIDENT...

Dear Class of 2023,

We are a class of warriors. From battles facing us all to those we individually face, we stand up and fight them together. As warriors, we've endured our journey with endless grit and ambition. And as warriors, we've been there for our friends, families, and classmates with unrelenting love.

As each challenge has emerged and waned, we've watched each other evolve into an incredible group of young adults.

It has been an honor working as your senior class president. I am grateful for every victory, every speed bump, and every setback we've encountered, for I've grown with each experience. Proud, as a term, doesn't begin to express my sentiments toward our class and what we've been able to accomplish. Pioneering an enormous food drive and constantly implementing new ideas, our class has made a name for itself. I am eternally thankful for the memories I've shared with every one of you along the way.

I hope you are able to reflect on your senior year as an enriching year of fun, community, and profound self-definition. Though it is the end of our time at CHS, I can assure you that the Class of 2023's legacy has been permanently infused into every hallway, classroom, and brick that makes up the building. From baseball players to scientists, pilots to lawyers, and so much more, I am confident that you all will thrive wherever life takes you.

So, when you're out there pursuing your goals and new battles present themselves, I'm confident that you will remember where you came from, release the warrior inside of you, and fight.

Thank you for allowing me to be your President.

Yours truly,  
Marty Coleman

# A MESSAGE FROM THE 2023 CLASS OFFICERS...

## **VICE PRESIDENT:**

Dear Class of 2023,

Although high school is over, our lives are just starting. I hope that these last four years were as memorable for you guys as they were for me. We have all taken great leaps and bounds from when we first came to CHS freshman year. Although there were indeed some ups and downs, good days and bad, I'm glad that I experienced it all with this class. However, these last four years are quite insignificant when compared to the grand scheme of things. I would reckon most of us haven't even developed our own true identity yet. So I want to leave everyone with a mentality that I think we could all benefit from: I want all of you to seize the day, every day. Do what you want to do, when you want to do it. Enjoy the inconceivable grace of life to its fullest extent. Don't live your life dreaming, live your life doing, for life is not too short; people who say that are just not doing enough. And finally I am going to end with a quote from The Shawshank Redemption- "Get busy living, or get busy dying." I encourage you all to get busy living.

Sincerely,  
Jonah Abraham

## **SECRETARY:**

Dear Class of 2023,

Our time at Chelmsford High School has been the most transformative time in our young lives creating many friendships and memories while preparing for the next chapter. We are Lions. The maroon and white. We cherish this with pride and integrity. These traits are what built the class of 2023 through challenges in unprecedented times. An unwavering strength and alliance are what molded this class into future successful CHS alumni. As we entered high school freshman year, we were young, wide-eyed, and immature trying to navigate our way through the pathways of academics, events, activities and clubs CHS has to offer. We didn't really understand what it meant to be a Lion. We took on a new environment and tried to find our way through self discovery. I watched you all persevere and battle through these many changes only to enter sophomore year in a state of transition. Junior year we came together with a new sense of purpose and excitement. The normalcy was welcoming and bonds were quickly formed making CHS whole again. The spirit and pride we established as we supported each other through triumphs and adversity created the high school year we deserved. Senior year, by far the best year, was one for creating lasting memories. Serving as your Senior Class Secretary has truly been an honor. I've had the pleasure of personally getting to connect with each and every one of you. I admired watching you thrive with excellence and integrity and grow into the people you are today. The friendships and memories we made at CHS will carry through our whole life. As we close this chapter of our time spent together and start another one, we will always remember what Chelmsford High School has given us. We are eternally grateful for the guidance of our outstanding teachers, coaches and administration that we have had the privilege to learn from for the past four years. I wish you all success and happiness. Every time you think of a Lion, you will remember the values of CHS.

Julia Williams  
NS21

## **TREASURER:**

Dear Chelmsford High School Class of 2023,

As your time at Chelmsford High School comes to a close, I wanted to take a moment to reflect on the wonderful memories we have created together and to wish you all a bright and successful future. It's hard to believe that just a few years ago we were all walking through the halls as freshmen, unsure of what high school had in store for us. But as time went on, we became a family - supporting each other through the highs and lows of high school life. From Friday night football games to school dances and everything in between, we have shared so many experiences that we will never forget. As your class treasurer, I have had the privilege of getting to know many of you on a personal level. You are all such talented and motivated individuals, and I have no doubt that each and every one of you will go on to do great things in the future. Whether you're heading off to college, starting a career, or taking some time to figure out your next steps, I encourage you to always pursue your passions and never give up on your dreams. Remember that anything is possible if you set your mind to it. As we all go our separate ways, I want you to know that you will always have a special place in my heart. Thank you for making my high school experience one that I will never forget. I am honored to have all of you as classmates and I wish you all the best in your future endeavors. Congratulations, CHS Class of 2023! We did it!

Sincerely,  
Jash Bhut

# STORY OF THE YEAR

## WAR IN UKRAINE

More than seven months after Russia invaded Ukraine, just days after Russia annexed parts of eastern and southern Ukraine, a blast attributed to Ukraine destroyed sections of a bridge connecting Russia to Crimea. In retaliation, Moscow missiles assaulted civilians in the heart of Kyiv and almost a dozen other cities, as the war in Ukraine raged on.

The war created shock waves that impacted the U.S. economy with fuel and grain shortages, increasing inflation and decreasing economic growth. U.S. tensions with Russia mounted as the U.S. imposed sanctions on Russia and the Chinese-Russian alliance solidified.

## POLICING POLIO

After polio paralyzed an unvaccinated New York man and the polio virus was discovered in wastewater in three counties, Kathy Hochul, New York governor, declared a state of emergency on September 9, 2022, to urge vaccinations. Once thought to be eliminated from the United States, the virus can cause paralysis and even death. The threat of polio followed a recent outbreak of the mpox virus.

## FRIEND OF THE ENVIRONMENT

Patagonia, the outdoor gear company, captured attention in September 2022 when the company's founder and owner, Yvon Chouinard, transferred ownership of his family business to a trust and nonprofit dedicated to saving the planet. Chouinard's move will likely bring \$100 million a year to combating climate change and preserving the planet.

## QUEEN ELIZABETH II

After reigning 70 years as England's longest-serving monarch, Queen Elizabeth II died, leaving her son Prince Charles, age 73, to be king. Elizabeth became queen at age 25 and was crowned at age 27 in 1952. Her reign encompassed the leadership of 15 British prime ministers and decades of change, including England's transition from empire to commonwealth, the Cold War, and Britain joining – then exiting – the European Union.

## SERVING THE COURT

On June 29, 2022, Judge Ketanji Brown Jackson, age 51, was sworn in as the first African American woman appointed to the Supreme Court in the 232 years since it was established. Serving as the 116th justice on the court, the Harvard College and Harvard Law School graduate was recognized for her knowledge of criminal law.

## RELAXED REGULATIONS

In August 2022, after more than one million COVID-19 related deaths and two years of COVID-19 guidelines set by the Centers for Disease Control and Prevention, many schools and businesses ended contact tracing and stopped requiring unvaccinated people exposed to the virus to quarantine.

## TAKEN BY STORM

Hurricane Ian buffeted Fort Myers, Florida on September 28, 2022, with torrential 150-mph winds and rain that destroyed homes and businesses across the state. The rare Category 4 hurricane and its storm surge took more than 100 lives, resulting in an estimated \$57 billion in losses.

## GEN Z VOTES

Gen Z showed up in the second-highest youth turnout rate for a midterm election in the last 30 years. Exit polls revealed that 27% of Americans ages 18-29 cast a ballot. Two-thirds of young voters voted for Democrats for the House of Representatives, compared to the majority of 45- to 65-year-olds, who voted Republican. 2022 was the first time Gen Z could run for Congress and Maxwell Frost, 25, was the first Gen Zer elected as House Representative.

# HEADLINES

## QUIET QUITTING

More than two years after COVID-19 brought the world workforce to a halt, a growing number of Americans bristled at spending time at unsatisfying jobs. Dubbed “The Great Resignation,” workers quit jobs in unprecedented numbers, with 4.2 million quitting in July 2022 alone. Even professions like teaching saw increased departures. By September, a poll showed that 33% of workers were contemplating leaving their jobs, while 60% were rethinking their careers. Others, especially Gen Zers, joined the TikTok trend, #quietquitting, by refusing to go above and beyond or subscribe to a hustle culture.

## WALK IT OUT

Through a study of more than 6,000 adults, Vanderbilt University discovered that walking at least 8,200 steps a day lowered obesity, depression and sleep apnea. Walking also lowered the risk of developing type 2 diabetes, high blood pressure, dementia and death from cancer and heart disease. A speed of just under three miles per hour increased these benefits, and 11,000 steps a day was linked to reducing obesity.

## THE SHOE DROPS

Adidas dissolved its partnership with Kanye West and his sneaker brand, Yeezys, after the superstar, who changed his name to Ye, made repeated anti-Semitic and anti-Black statements publicly in October 2022. Yeezys, which cost between \$160 and \$300, were renowned for breaking into the Nike Air Jordan-dominated footwear sector, driving it to become a multi-billion dollar industry.

## A NEW KIND OF PROTEST

Edvard Munch's famous painting *The Scream* found a new reason to scream in November 2022, when a group of Norwegian climate protesters attempted to glue themselves to the iconic work. The attack became the fifth in a series of filmed staged assaults on museum masterpieces, including throwing soup and mashed potatoes at works by Van Gogh and Picasso in museums in London, Germany, Italy and Australia.

## FLY ME TO THE MOON

NASA's Artemis 1 Orion spacecraft returned to Earth on December 11, 2022, having traveled more than 1.4 million miles on a path around the moon. During the record-breaking flight test on December 28, 2022, Orion set a new record of 270,000 miles for the farthest distance from Earth a spacecraft designed to carry humans has ever traveled.

## A FIRST FOR FEMALES

The United States Mint released its first five quarters to honor women as part of a four-year American Women Quarters series. The Secretary of the Treasury selected five trailblazers from recommendations submitted by the public through the National Women's History Museum. The first five selected were Maya Angelou, Dr. Sally Ride, Wilma Mankiller, Nina Otero-Warren and Anna Mae Wong. The program aimed to honor notable women from diverse backgrounds on the flip side of quarters and feature a likeness of George Washington different from his image used in previous quarter programs.
