#### **About Our Advertisers**

Businesses in Chelmsford have a lot of choice about where to spend their advertising dollars

But some advertisers also have real concern and feeling for their community they live in.

Advertisers in this Directory, by choice and with their dollars, support a community based Directory that provides detailed Important Town number, Town History, Town Map, and eas; to read print that is such a convenience for local residents. We believe action speak louder than words. The businesses who take interest and responsibility in giving Chelmsford's residents a community based telephone directory, are going to be just as responsible and interested in providing you, their neighbor, with the best goods and services they can. Businesses who advertise in Our Town Book are well established and plan to be here next year and continue to serve you. Let them know you saw their ad here. They will appreciate it.
