## *Editorial*

As graduation draws near, we find ourselves moved by many emotions, and sometimes the strongest seems to be fear. We, classmates of 1949, look back upon four sheltered years of school life. True, we have experienced our share of growing pains and lesser sorrows, but we have struggled for grades and school offices, not for college entrance, nor the severer competition of earning a livelihood in a dubious, disunited, atom-terrified world. We do not like the idea of being on our own, of being emancipated from classroom rivalries and romances, from cheering for the team, from proms and rallies—from all the tender nonsense of school days. Sometimes indeed we are afraid.

But out of our fear there grows an assurance. We are comforted in the knowledge that, while we can never relive the days of our youth, they go with us in memory. Let us rather say we take them with us for props, that we may not fail our teachers or ourselves. We shall have need of being liberal in our enthusiasms and right in our decisions. In our strong groundwork of memory and precept lies our hope and our assurance for this Class of 1949.

## *Board of Editors*

We offer this edition of the Chelmsford High School Yearbook to our readers with the sincere wish that it will always serve as a reminder of cherished schoolday memories. As the members of our class advance in the world of tomorrow, may these pages recall with affection the teachers, classmates, and friends of our youth!

## *Class Ode*

Today we follow and obey  
The ones who guide and lead the way,  
For we are young and so we must  
Our cares on stronger shoulders thrust.  
But still the foremost aim in life  
Is our success in daily strife,  
Then we can overcome our need  
Of guides, and will tomorrow lead.

Sixty seconds make a minute, tiny little things, and yet they form the months and years that speed on lightning wings. Most people want to do big things, and for that chance they wait, but years pile up, and soon they find alas! it is too late. . .

I hope, my friends, you'll never try to do some big things "by and by." The chance may never come. It is the little things that mount and make a right big sum. In living out your life you'll find that little things are all you do. So do them gently, with a smile, and doing so, make life worth while.—A. Alfred Taylor.

H. MORTON JEFFORDS  
*Superintendent of Schools*

"The school should always be a school on a hill. Out of the valleys into which the light of the sun shines dimly come boys, and girls, and young people up where the sun shines brighter. There they learn how to live according to finer designs. There they learn to want to live according to finer designs. There they form habits of living according to finer designs. Each evening they carry part of this light back into the valley, slowly but surely transforming it. This change in the community itself becomes an index of the effectiveness of the school."

PAUL R. MORT

LUCIAN H. BURNS

*Principal of Chelmsford High School*

"Education must stand for liberty to exercise the rights God has given us, otherwise it will yield to tyranny. The truest education produces a self-disciplined individual, recognizing the existence of a personal God to whom he will one day be accountable."

## *Cheerleaders*

Under the energetic and stimulating direction of Miss Mildred Hehir, the Chelmsford High School Cheerleaders have brought to a fine conclusion a most noteworthy year. Our three teams under the leadership of Captain Janet Bomil and sub-captains Gail Shawcross and Barbara Bovill, were a colorful and inspiring sight at all the football and basketball games, where they entertained the crowds during the halves with their letter formation, pyramids, and locomotives.

The three leaders appeared in uniforms of red velvet, the six tumblers in black slacks with red velvet tops, and the remaining members in black velvet uniforms. They presented a picture of precision and team spirit, and drab indeed would have been the athletic competition had it not been for this animated team which enlivened and stimulated both spectators and players.

At the close of the basketball season, the Chelmsford High School Cheerleaders were invited to the Littleton Tournament, where the eight participants won the championship in competition with fifteen other schools, thereby establishing themselves as the championship team this year in Chelmsford High School. They were judged in precision, pep, and appearance, and offered in competition their Locomotive, C-H-E-L-M-S-F-O-R-D and F-I-G-H-T cheers. Each girl was awarded a tiny gold megaphone. In tournament competition Chelmsford Cheerleaders have won one honorable mention and two championships in three years.

## *Football*

After getting off to a slow start by losing to Maynard and Punchard 13-0 and 20-0 respectively, the Chelmsford High School football squad came home to beat Johnson 18-6. This, our first win in three years, was followed by a victory over Tewksbury. This game featured two McHugh to Hayward passes, both good for touchdowns, and the final score was Chelmsford 12, Tewksbury 0. Without the services of quarterback Warren McHugh, we were beaten by last year's suburban champs, Dracut, 6-0. A strong Pinkerton team from New Hampshire outscored us 21-8. Two unbeaten teams then took us. The first game was a thriller, in which Weston won by a point after touchdown, 14-13. The second game was against Concord, and the Chelmsford boys played very good ball in the first half, holding their opponents to only one touchdown; in the second half Concord's power was unleashed, however, and they went on to get a lopsided 26-0 verdict. Howe, as usual, was the foe on Thanksgiving day, and when the dust of battle cleared, they were on top with a 28-14 score.

The Class of 1949 wishes Coaches Nolan and Callagy, the two captains, Jim Kerrigan and Allan Reis, and their squad lots of luck next year. We have started the way to championship with two successes; win them all next year, boys!

The scores:

OPPONENT		CHELMSFORD	
Maynard	12	Chelmsford	0
Punchard	20	Chelmsford	0
Johnson	6	Chelmsford	18
Tewksbury	0	Chelmsford	13
Dracut	6	Chelmsford	0
Pinkerton	19	Chelmsford	8
Weston	14	Chelmsford	13
Concord	26	Chelmsford	0
Howe	28	Chelmsford	14

## *Girls' Basketball*

As winter set in, the girls' basketball team was called out once more under the guidance of Miss Margaret E. Keith. Sparked by co-captains, Maureen Bishop and Connie Greenwood, along with sharpshooter, Joyce Dryden, in the forward court, and backed by a grand supply of competent guards, we all looked forward to a truly auspicious season.

Only our friendly rivals from Howe High managed to blemish our league record, although our final game with the Tewksbury sextet resulted in a stalemate. The competition ended with our team holding a firm second place in the Suburban League.

Again we entered the Littleton tournament and by defeating Ayer and then Acton, found ourselves participants in the semi-finals. All our hopes faded, however, when we faced a strong Pepperell team, and thus ended our basketball career at Chelmsford High School.

May next year's team, under the newly elected captain, Evelyn Reeves, win the first place we just missed and rank first in the Suburban League!

## *Boys' Basketball*

The Chelmsford High School Basketball team turned in an excellent record this year. Including tournament play, 15 out of 20 games were victories. In the Suburban League they were tied with Dracut for first place, and were runners-up in the Small Schools' Tournament.

Two games were lost to a strong Punchard team; the games at the home courts of Concord and Dracut were dropped; and in the finals of the Small Schools' Tournament in the B division, Our Lady gained a victory over C. H. S. by a five-point margin. In the Townsend Tournament it was necessary to forfeit a game to Westford because of conflicting dates, and the team was eliminated.

Warren McHugh, the '49 captain, Marshall, Hayward, Wright, Spanos, and Williams will leave the squad this year, but the starting forwards, Carruthers and Kydd, the '50 captain, will be back, along with R. McHugh, MacElroy, Reis, Hicks, and Lurvey. Several members of the Junior Varsity, including Davis, Taylor, Hoyle, and Bicknell, look promising and will probably fill out next year's squad.

Activities

## *Band*

We have good reason to be proud of our Chelmsford High School Band. It is not only a school band, but it is also a community project, and its success is due to the high spirit of Bernie Larkin and to the cooperative effort of the individual members. Without this happy collaboration the Chelmsford band, as we know it, could not exist.

A very colorful group of drum-majorettes, under the direction of Mr. Larkin, assisted by Janet Adams and Connie Pomeroy, was an additional feature of our band this year. Performing at several of the football games, garbed in red and white, they lent moral support to the players, and a note of gaiety and pageantry to all occasions.

The band added to the enjoyment of most high school activities. It was an inspiration at every home football game, including the Alumni game between Howe and Chelmsford. It presented a half hour concert on Sports Night. In addition it was present at most assemblies, and it high-lighted our graduation exercises in June.

In our own immediate community and in broader community life, the band gave evidence of its loyalty. It marched in the Memorial Day parade and shared in the town exercises. It made its third annual appearance at Hollis, New Hampshire, on the afternoon of the same day, where it joined the Hollis band in parading, presenting a concert, and sharing in the annual outing at Levens Farm. Participation in the opening drive for the Billerica High School Athletic Field fund was another of the band's good neighbor acts, and in October our boosters took part in the C. Y. O. parade in Boston. In December all known shut-ins in every section of the town were remembered with Christ-

mas carols played for them at their doors. We think it was a kind and appropriate gesture on the part of some of the parents of the band members to entertain the band at a Christmas Party later that same day.

Although school ended last June, "the band played on." During the summer our music makers gave a series of concerts. Their performances gave pleasure to large groups of music lovers on the following occasions: St. John's Carnival at North Chelmsford, "Jimmy Fund Concert" at Chelmsford Center, St. Mary's Lawn Party at the Center, Lawn Party at South, Lawn Party at West, Community Concert at the Westlands, and the Congregational Church Lawn Party at North. Two other summer concerts were played for the purpose of raising money to defray the band's financial obligations and to pay for the capes they proudly displayed in the fall. The total cost of these capes was \$671.60, toward which the Lions Club generously donated \$345.00. These concerts were sponsored by the Lion's Club of the town, to whom we are grateful for this evidence of their fine civic pride.

Our band is progressive too! Not only did it buy new capes, but on January first of this year it added a new bass horn, which cost \$450.00. The case which was purchased for this horn cost \$120.

We are glad to have such a school activity for our musically gifted members, because we believe it serves a two-fold purpose; it affords us pleasure and profit, and it suggests to us opportunities to serve our school and town.

## *Glee Club*

Under the able direction of Miss Olive Littlehale, the Glee Club has had a most enjoyable year. In December a concert was presented with shadow pictures illustrating the Christmas story. Music appreciation was encouraged by Miss Littlehale, who often brought records for our listening enjoyment.

At the first meeting the following officers were elected: President, Nancy Curtis; Vice-President, Carolyn Fox; and Secretary-Treasurer, Marilyn Watt. The homeroom representatives were chosen as follows:

Blott, Margaret  
Carr, Marjorie

During the Red Cross membership drive, these representatives collected \$29.08 with almost every room achieving 100% membership.

The members held twelve meetings during the year, and made two hundred attractive nut cups for Christmas and two hundred more for Valentine's Day. At Christmas time they also made original and decorative menu covers for the Christmas dinners of servicemen overseas. They also made five hundred newspaper disposal bags for hospital use.

The Lowell Red Cross Chapter sent several letters expressing appreciation for the work accomplished during the year.

## *Senior Play – I'll Leave It To You*

With Noel Coward's "I'll Leave It to You," the old custom of a Senior play was revived at Chelmsford High School. Under the excellent coaching of Mrs. Bradford Boothby, two casts were able to present equally fine performances of this light comedy. The use of a double cast allowed more of the class members to participate in the actual dramatics, while capable committees composed of other class members filled equally important capacities behind the scenes. The play was about the Dermott family composed of Mrs. Dermott, the mother; Oliver, the eldest son; Evangeline, the eldest daughter; Bobbie, in love with the wrong girl; Sylvia, the mediator of the family; and Joyce, the child of the family. The roles of Faith, Bobbie's fiancée; and her mother, Mrs. Crombie; Daniel Davis, the supposedly rich uncle, and Griggs, the typical butler complete the cast.
