## 1978 LION

Leaf back through the album of time . . .  
Re-enter that world you shared and see  
Them all as they appeared to you then . . .

We all  
live under  
the same sky,  
but we don't all  
have the same horizons.  
Konrad Adenauer

MEMORY IS  
THE DIARY  
THAT WE  
ALL CARRY  
WITH US.

WHAT YOU ARE TO BE,

YOU ARE NOW

BECOMING.

Guy T. Cook

TRUE  
FRIENDSHIP  
IS A  
TREASURE  
WITHIN  
ITSELF.

NOTHING  
CAN BUY IT,  
NOT ALL  
THE WORLD'S  
WEALTH.

Nancy Baraldi

SMILE!

THIS TIME CALLED  
LIFE WAS MEANT  
TO BE SHARED.

Walter Riener

TO LIVE . . .

TAKE TIME

# THE WORLD

HAS MUCH TO GIVE.

Tomas Curtis Clark

EVERY INDIVIDUAL HAS A PLACE TO FILL IN THE  
WORLD, AND IS IMPORTANT IN SOME RESPECT,

WHETHER HE CHOOSES TO BE SO OR NOT.

Nathaniel Hawthorne

THEY CAN  
CONQUER  
WHO BELIEVE  
THEY CAN.

Ralph Waldo Emerson

Finally I realize, this isn't the end! It is only the beginning. The youth of our love and happiness. Only our first departure!

## In Loving Memory of Cindy Mark

Life  
is full of ups and downs  
that lead from day to day  
the times get hard we know sometimes  
but be that as it may  
Today is full of miracles  
the days are short and few  
but live them full as Cindy did  
that's my advice to you  
Peace  
comes to those who live their life  
the way they want to be  
chasing dreams, fulfilling them  
as Cindy did for me

Cindy loved through good and bad  
and came out right on top  
made her wishes chased her dreams  
her full life never stopped  
End  
never was a word for her  
defeat did not exist  
through her short life came miracles  
it was for freedom she'd persist  
Death came to her quite suddenly  
we really don't know why  
but she left behind some memories  
we can live on if we try

# FROSTY FESTIVAL

Jeff Apostolakes, Chris Gerry, Chip Drapeau, Vicky Mason, Chris Maloney, Joe Sullivan.

Chip Drapeau & Vicky Mason

Your Graduation Day marks for you the End of a long twelve year journey through a world of myriad experiences, expectations, achievements and disappointments from which you have acquired much insight. This Graduation Day marks for you the Beginning of a far more complex and involved journey through the world of infinite challenges that lie ahead. I am confident that your experiences at Chelmsford High School have played an important role in preparing you to meet those future challenges.

At Chelmsford High School you have evidenced your sense of responsibility and sense of purpose in every aspect of school life. It is evident in all classrooms, but it is most gratifying to see in athletics, clubs, activities, in the student leaders you have chosen and the projects you have undertaken and completed.

As you journey into the world that exists beyond the walls of Chelmsford High School, that same sense of responsibility and sense of purpose, which we at Chelmsford attempt to foster, will continue to guide you and bring you success. It is my earnest hope that you will, in turn, see it as your obligation to support public institutions like Chelmsford High School from which you benefitted, in order to guarantee others a similar journey from which they will experience similar benefits.

As Principal of the Class of 1978, I have experienced the pleasure of working with your closely united class and your fine student leaders, and I have proudly witnessed your accomplishments and achievements. It is with this memory that I wish to extend to you my very best wishes for a successful and satisfying future.

George Simonian

This year AFS meant Eardly Dijkstra from New Zealand, Andrew Skarrupa from West Berlin, and Carol Evans returning from Greece. On the domestic side we welcomed Sharon Strickler from California and saw our own Kim Martines go to California. AFS was the ORIS Dance: Who's got the tickets? Who's got the list? What tickets — what list? At least Carol has the money . . . Kris Kindle . . . Roller Skating . . . Sleigh rides . . . for a few — what sleigh ride? Let's drive around Concord and play freeze-out instead . . . I Don't know these people . . . Well, Andrew has managed to live and Eardley's managed to keep away from any more fire alarms. We've had a great year, many memories and many thanks to our officers, advisors, and dedicated club members.

# VOICE

The past efforts of the High School newspaper staff had churned out a rather useless, silly publication, The Paper Lion. With the new year, 1977-1978, the Paper Lion was discarded entirely and replaced with The Voice. New ideas and philosophies of what a student publication should be emerged. It is a tool, a forum of thoughts, a potentially powerful instrument. The staff will remember and will continue to remember in future years . . . its got to be visually stimulating . . . controversial . . . investigative reporting . . . staff unity . . . constant dedication . . . exert the power of the student press. The staff seniors take with them . . . the Other House . . . Ed's Notes . . . The Young Americans . . . Culture Vulture . . . and our foreign correspondent in France. The School Exchange Service is a school centered program sponsored by the National Association of Secondary School Principals and the Council on International Educational Exchange. The program provides an intercultural experience for students and teachers. It stimulates curriculum development and program enrichment in the School. A key aspect of the program is the continuing contact between linked schools which includes correspondence between classes, departments, and administrators on topics of mutual interest, as well as student to student and family to family contacts — our link school is the Lycee Montesquieu in LeMans, France. Fifteen CHS students with their group leader, Miss Pelletier, attended the Lycee Montesquieu for three weeks in February. During April young Lyceens from the Lycee Montesquieu with their group leader, M. Lucien Benkemonn, will attend CHS.
