# Staff Dedication

Walking down the gloomy halls of CHS at 7:24 in the morning, Mr. Bartos' cheerful face comes into view. As he greets you with a friendly, "Hi, how are you?" and a beaming smile, you can't help but let a smile spread across your face as well. Some people have that amazing ability to make all those around them feel special just by being there-Mr. Bartos is one of them. Somehow, Mr. Bartos finds the time in his schedule to not only be a 2003 class advisor but also venture into the outdoors with the Mountain Bike Club. At every field trip, whether to Mt. Monadnock or to Walden, it is guaranteed that Mr. Bartos will be there, enthusiastically infusing energy into everyone. Despite a full slate of teaching and heading extracurricular activities, this extraordinary man is never too busy to talk with his students and help them out, whether with their studies or just with life in general. Because of his winning persona, active involvement in the school, and commitment to the students of CHS, the 2003 *Lion* is dedicated to Mr. Matthew Bartos.

~ Ashley Day-Lewis

# Class Officers

The Class of 2003 was really great to work with. The MORP and Spirit Week dances were both huge successes. It was wonderful to see our class' enthusiasm and energy come alive for school events. As officers, it has been a pleasure to serve the Class of 2003. Although it required a lot of hard work, we've had a lot of fun. From our "illegal" activities in Boston to the late-night "productive" meetings, we've certainly enjoyed every moment of it. We will always take pleasure in the many memories we have had, including Dan's punctuality, Frankie's generosity, Albert's attendance, Suzie's quick wit, and Carolyn's being... "the good child." Thanks a lot to Mr. Bartos and Ms. Haywood, our dedicated advisors, for always standing up for us and leading by example. We wish everyone the best of luck and thanks for the memories.

# Once Upon a Time...

## *Junior Cotillion*

Underneath the starry night sky, princesses in beautiful gowns stroll up the walkway with their handsome princes. Through the dark entrance, they find themselves greeted by smiling attendants who welcome them to the ball. While some are ready to wear out their dancing shoes right away, others settle down at tables sprinkled with stardust for food and drinks. For this very special night on April 27, 2002, Chelmsford High School transformed into a majestic castle right out of a storybook fairy tale for the highly anticipated Junior Cotillion. One word said it all-magical.

# MORP

Music is pounding. The walls are dripping. The entire student body of CHS is packed into a single dining room. What else can it be but the MORP, the first dance of the year? As always, the MORP was one of the most popular dances of the year. Sweaty students piled into the cafes and danced the night away with their friends. Oven-like temperatures were expected again, and there was, of course, the broken window. While the freshmen enjoyed their first high school dance, the seniors bid a bitter-sweet farewell to one of their favorite dances. Nevertheless, as the soundwaves bounced off the walls, no student could help being whisked away by the energy resonating through the air.

## OFFENSIVE PAIR

Allyson Mendonza and Amy Guerin show off their bright red shorts.

## PATTERNED PALS

Juniors Leah DiMaio, Tiffany DeWitt, Julie Moreno, and Nicole Cucchiara link arms.

## MAKING THEIR ENTRANCE

Juniors Damian Schmalz and Dave Leach flash their tickets to bouncers Ms. Haywood and Frankie Miethe.

## FRESHMEN FRIENDS

This group of freshmen girls take a break from dancing to have their pictures taken.

## THE LAST HURRAH

Seniors Ryan, Mark, Tim, CJ, Dan, Kaitlin, Jessica, Cara, Lauren, and Jackie squish in for a group shot at their last MORP.

## SWEET TREATS

Senior class reps AJ and Colleen Fleming show off their goods.

## TANK TOP TWINS

Katie Tyrrell and Rachel Quaden are having a fantastic time.

# Halloween Dance

October 26, 2002

For the Halloween Dance, CHS' seniors let their inner beasts loose as they transformed from regular students to creatures of the night. From the Scooby Doo Crew to the Mafia to the Jolly Green Giant, anything and everything haunted the halls of CHS for a night of Halloween madness.

Jen Martin and Matt Fraser leave behind the cold Antarctica and cuddle up in the warmth of the CHS cafeteria.

Becky Watts, Ali Craig, Laura Hughes, Megan Frink, Jenn Dear, Lindsay Wakefield, and Lacey Hunt get down and dirty as gas pumpers.

Ryan Burns strikes a pose with his plunger as Mario.

In their flashy Moulin Rouge and Anna Nicole Smith get-ups, Helen LaGrange and Shauna McHugh light up the dim hallway outside the cafeteria.

As big-haired Go-Go girls Kennan Rankin and Kate Farrell strut their stuff, Dorothy (Cara King), Glinda (Kaitlin Horndahl), Scarecrow (Jackie King), Cowardly Lion (Mary Gauthier), and Tin Man (Caitlin Waters) walk down the yellow brick road.

Chris Carey, Ron Hampton, Sean Patno, Ryan Mullen, and Jeff Jones make up an eclectic mix of ancient and modern warriors.

Spice Girl Emily Bowen and Barrel of Monkeys Jessica Chao match perfectly.

The Batman crew, Adam Davidson, Sarah Braunschweiger, Kristen Connolly, Laura Williams, and Joanna Butkiewicz pose while Dan Lindberg peeks in.

Matt Vigeant, Eric Hill, Keith Desjardin, James Scoville, and Chris Forrest make an offer that you can't refuse.

# More Spooky Fun

Who were those masked men? Everyone at the dance wanted to know the identity of these five guys.

These innovative girls, Ellen Swain, Lori Kinney, and Lindsey Valcourt, each made their own medieval princess costume.

Ben Hoover stoops down to receive a prize for his creative and fitting Jolly Green Giant costume.

"Yeah baby, yeah!" Dan Ryan and his ladies, Patrice St. Peter, Be Amanda Garvey, and Danielle Ri

The Insane Clown Posse, Ryan Ahearn, Vincent Graham, and Dan Fyten, step off their tour bus and strike a freaky pose.

The Scooby Crew: Shaggy (Dave Comins), Velma (Cara Breen), Daphne (Cara Baummer), Fred (Bobby Moore), and of course Scooby Doo himself (Jamie White).

"Duuuuuuude." Wayne and Garth, a.k.a. Dave Houle and Garrett Keimig, grace the CHS cafeteria with their funky musical stylings.

"Croiky!" As Steve Irwin, the notorious Crocodile Hunter, Mark Simpson shows off his prize "beaute."

Wendi Safran, Tricia Chang, Anne Yu, and Katie Tyrrell bust out as a 60's chick, the Japanese twins from *Austin Powers 3: Goldmember*, and Josie from the Pussycats.

A medley of pretty girls, Spice Girl Jen Koeckhoven, Miss California Natalie Fletcher, and mermaids Carin Segal and Kelsey Duggan.

as Austin Powers, Becky Peterson, Richard.

All throughout their amazing season, the undefeated lady lions were *ready to run...*

# Girls' Cross Country

This season began with some doubt, about how our young team would turn out. Still we worked hard especially with Crane, to strengthen our legs, & stay on the train. Our extra miles turned out to be enough, to win all the races and stay mentally tough. We went undefeated for a third straight year, no team or runner did we ever fear. During and after practice we had fun: TPIing, team dinners, & getting our hair done. Short runs and long runs, we did them all, and talking about them, we had a ball... Meets were our time to show what we'd got and every time we gave it our best shot. Mr. Lang always said, "Just run like you can," & we all know he's forever mullet man. We dressed up for meets each week for school, & we really thought our togas were cool. So now that we're done, it's good luck from here, take what you've learned all through next year.

Our record proves just what we've done, so get yourselves out there and run, run, run. *Thank you girls for an awesome season. We'll look back on this season with fond memories... We love you guys, good luck!*

The girls huddle together before the meet, going over strategy and wishing one another good luck for the race.

Your captains, Lauren, Alyssa and Jessica

The varsity girls wait for the gun at the Bay State Invitational. Senior Alyssa Campbell worked hard to finish at an amazing eighth place overall.

Captains Jessica Chao, Lauren Eynatian, and Alyssa Campbell led their team through an incredible season, making it all the way to All-States.

Sophomore Meghan Curran finishes strong at the end of the team's victory over Lowell and Methuen.

Sophomore Rebecca Murphy looks strong as she strides through the second loop of the course.

The girls start out strong as they run another winning race against Methuen and Lowell. The team ran an undefeated season, including seven perfect meets in which it swept the top five spots. Needless to say, Coach Jack Lang was very happy with their record of 11-0.

Lauren, Meghan and Jessica run because... THEY'RE RUNNERS.

After losing much of their varsity team last year, this team had to work twice as hard and long for its incredible season...

# Boys' Cross Country

A record of 7-2 is not bad for a "rebuilding year." However, we worked harder than our record shows, and we came out better than a lot of people expected. From 12-mile long runs to sprints up Nashoba, our team came to work hard everyday. Despite the self-inflicted torture, we did find time to have fun, from team dinners to taking T-RY's hat, and days at the beach. Only losing one of the top seven runners, the team should have a bright future ahead of them. Thanks to Durk, Crane and Lang for their work and dedication. Good luck to the team next year. Remember to go out like a... well, you know.

Tim Hardy and Brian Nagle

Captains Brian Nagle and Tim Hardy have led their team through a great season, finishing with a record of 7-2.

Junior Joe Ryan ran a great season, winning many of the varsity races.

Freshman Josh Andrews strides strong through the first loop of the course. He had an amazing season, running on the varsity team his first year of cross country.

Junior Eric Koethe gets ready for the big race against Lowell and Methuen.

The boys prepare and focus for the upcoming race, which is both a grueling physical and mental challenge.

Jon Kalinoski crosses the finish line after a tough race against Lowell and Methuen.

# Golf

Dear Golf Team of 2002,

At the beginning of this year we were told to get off to a quick start, to keep our heads down, to get "the flippin thing" to the hole, to not shortside ourselves, to not 3-putt. We were supposed to be able to hit our drives into fairways you can land the Concorde in. We weren't supposed to play "pick-up football"... But hey, we made states and had a good time anyway. Thanks a lot boys and good luck. It's been a season to remember. Danno, Can't Reid, Wolf, K = Pads, and Howe Dawg, Seniors carry the load.

# Cheerleading

To the Cheerleaders:

Your captains, Miniscalco, Britisha, and Bo,  
 Just want to let you know  
 We've had a great year but now we're sad.  
 Just remember all the fun times we've had.

VM is our guardian angel,  
 But Mandi's tooth still dangles.  
 Baked Boods temper is provoked,  
 When BOINKS speaking is revoked.  
 Clem is the only one "with class"  
 but we still love Bo's ghetto...butt...!  
 Can't talk if you're under five feet,  
 Can't believe B-Cup now eats meat.

Bertucci's before a game,  
 That will always be the same.  
 Invading the town with TP and war paint,  
 Mandi is no longer a saint!

Do I look like an "O"?  
 Rhandi will ALWAYS be Coach Ho.  
 All we have to say about Brit and Bon,  
 is Thong-tha-tong, THONG, THONG!

The freshman have gone from pom-poms to flip tosses,  
 Mir, Bo, and Bon as the only true bosses.

Voulez-vous couchez avec moi?  
 SHWAAAAAAAAAAAAAAAAHHHHHH!!!!!!!

Alisha Britton pulls her fish stunt for the crowd at the big game.

Rain or shine, the girls were always on the side lines, cheering on our football team.

Thank you so much Eileen for everything. You are the best... we love you! Girls, good luck next year. Take care of the freshman and keep up the hard work. Steph, take care of the team; we are going to miss you and the rest of the girls. LOVE YOU!

Doc, the man of steel, who is always there for the athletes of CHS, in any weather condition. To all the sports teams you all had a great season. Good Luck next year! Remember the good times we had: the bubble bath, electric shock therapy, rainy football games, my taping B.R.'s thigh. Girls have a great year next year. It was awesome working with you all. I will never forget the memories we shared. Ryan just remember "cut the foolishness!"

# Girls' Soccer

Every year we come closer and closer to achieving a perfect season. With each girl wearing her heart on her sleeve, pushing herself to the limit, and acting as a team, we are able to come closer to fulfilling our ultimate goal of being State Champs! But achieving success is not just due to our Varsity team, it is also the hard work and dedication of every person involved in Girls' Soccer at CHS: JVA and JVB. Just because we don't "Got MVC?" this year doesn't mean that CHS is not the best team in the league. "Champions believe in themselves even if no one else does/" Champions also comeback even when they are down. We did that! Next year is your year! Don't let anyone tell you any different! P.S. Baby W. is on the loose and next Halloween, try not to get arrested!!

Good Luck!  
With Love and Sevens  
(maybe eights if you're lucky!!)

# Girls' Swimming and Diving

Junior Jacqui Bryant practices the perfect dive.

Remember

Remember when we started in the icy waters of CS&T  
 Or remember how freshmen did the lanelines while others thought, "Thank God it's not me!"  
 Remember our surprise waterpolo game at the end of the renowned "hell week"  
 Or how about the foggy waters of Russell Mill, when the degree of difficulty had reached its peak?  
 Remember waking up Saturdays to go to Mrs. McHuch's class?  
 Or how about not being able to walk, pee, or move after it, in addition to an extremely sore...butt...!  
 Remember our 1st scrimmage where we got no warm-up at all?  
 Or how about the ride home after Duxbury, we were having such a ball.  
 "We don't suck" we chanted all the way back,  
 That's when we tried Sal's Pizza (disaster), but we realized we are definitely a Papa Gino's pack.  
 Remember how tight the suits were when we first put them on?  
 Or remember how the seniors never got bus food because it was always already gone?  
 Remember how on meet days people always gave outfits a second glance?  
 Oh, and we could never forget the divers' sacred "bingo dance."  
 Remember our Tuesday ghetto run on that wonderful cement track?  
 Or how about out pasta dinners which provided way more than a simple afternoon snack.  
 Remember doing our dance to the controversial UGLY song?  
 Or how about making our sheet with our names, hands, and butts.... (now that's just wrong)  
 Remember doing our dance with Andover, yelling towards AB  
 Who knew five more would quality, and we'd hold our place of three.  
 remember when the bus driver and swimmers surprised us with streamers and balloons,  
 Or how about our best psych yet for states,..... dying our hair maroon.  
 Remember all of the cheering, hardwork, and time that went into the meets,  
 It was all in exchange for our best times, our cuts, and our 10 out of 12 defeats,  
 Always remember the friends we've made and good times we have had,  
 It's the fact that we are leaving something so special that makes us all so sad.  
 Remember we love you all always and we wish you the best of luck,  
 but most of all you must never forget that "we don't suck!"

In the words from the movie *Zoolander*: "Did anyone ever tell you that you're really, really ridiculously good at volleyball?"

Thanks girls for a memorable season. It's one we'll never forget. Good luck to all the underclassmen. Keep your crazy ways alive. We'd like to see you take it all the way next season. We had a blast!

Don't ever forget our V-ball jokes: broken fingers, ICE WARS, sweaty hands, cookies and any other kind of food, spandex, J-4, being really good looking, tripod, belly flops, headbands, PC-76, Beast!, "Is mayonaise an instrument?", whiffle ball, "Do the Rizzo-whaaat?", adventures with coach Kate and Tara, babysitting the dinosaur, Road HOG!, trash stealing, outfit disagreements, JF and KH bus performances, pow wows, sleeping, masks & dance parties, everlasting practices, and the infamous sugar highs. # Majorettes

To my girls:

You all have accomplished things this year I never would have thought possible. Even through the freezing nights you stuck together and pulled through. Megan, we taught you how to bounce and dance while Brittany peeled that banana. L.A., you're always late, but I never had a doubt that you would pull through and be great. Darsi, you were my right hand all along; without you I wouldn't have made it through this season. I am very proud of all you girls, and I wish you all luck in the future. Together we are great, and I know we will survive. We are the best there is because five is alive!

Love your captain,

We started the season thinking it was simple,  
 We were all smiling so big you could see our dimples.  
 We didn't pay for our warm-ups, we got them for free,  
 On the bus ride to games, Julie always had to pee.  
 Tulley and Colleen, oh how they love to have a good  
 time,

And then there was Bordini, our team's mime.  
 Kristen, Jenna, and Jen love to let the three's fly,  
 Their shots go right in, and the crowd says, "OH MY!"  
 We all know that Dicecca was a fan of the defensive  
 slides,

While Martell was outspoken, never shy.  
 Finally Waters and Jess singing ballads on the bus,  
 We'll miss you guys, we hope you'll miss us.  
 Thanks for a great season, good luck next year,  
 We'll be sure to come back and give you a cheer.

To our girls:

This season's been unbelievable. Everyone dug deep and worked hard, even the newcomers. You girls are amazing. Not only did we win meets and races, but we had a lot of fun doing it: dumping Jess in the trash in her "underwear," running through the hallways, having Mel inflict injuries on others while playing musical chairs, racing the boys' bus, singing in Dartmouth, and braving the freezing cold weather every single day. We made it through thick and thin to be undefeated. We know who the real champs are! Thank you all for a remarkable season; we will never forget you. Good luck next year! It's been awesome!

Looking back on the past few weeks of our season, many accomplishments come to mind. Among them, a 2nd place finish in the League, as well as in the MVC meet, and a number of individual victories. However, one achievement sets our team apart from the rest, one that many teams cannot even begin to fathom or dream of achieving. Our greatest success this season was becoming the team our school has hoped for for years. We have taken pride in becoming a group of strong individuals who have proven, through our intensely high-pressured meets, our ability to hold our own against everything we encounter in our path to success. We have stuck together through thick and thin, through injuries as well as defeats, and have always come out on top. The success we experienced is not due to only a few talented individuals, as is the case with many of the teams we have faced, but through the ties and support we offer one another, the optimistic attitude we constantly exude, and the nonstop laughs we share with each other, whether it be during practice or at our pasta dinners. We love you all and wish you the best of luck in future gymnastic seasons as well as everything you guys do in life.

# Ski Team

250 feet of vertical,  
It's dwarfed by the nearest speed bump.  
17 trails and freshly manmade,  
Nashoba brought us together into a wonderful clump  
of a team.

Greg "The Hands" Martin belongs on Sesame Street,  
While Sarah ungracefully screams her "eeks!"  
Kennan, the Emo kid, though she tried,  
Went down the hill and cried and cried.  
Jay drove a focass,  
We all laughed.  
And Cagle smoked a lot of...  
ski racers.

Then there's Kenny,  
He had stories a plenty.  
A little forgetful, Kara could be.  
His real name is Brian, but we knew him as "lil' T"  
Elliott, he joined our clump kinda late.  
Always looking for a hot tub was captain Kate.  
He never paid for a ticket, Ed was really sly.  
Mike learned to race well, what a guy!  
Will, with hair problems of his own told Isabelle  
That mohawks were hot, and she fell  
for it.

Katy, though she didn't need much help,  
Our third coach in four years always encouraged with a yelp.

Look at him go!!  
Number 601  
makes a dash for  
the bottom.

With all the wins that they achieve, Captains Sarah Hallock, Kate Farrell, and Will Sayers, as well as Coach Jack Sayers, have plenty to smile about.

The race  
begins with a  
push of the  
poles...

...and off he  
goes!

At the top of the slopes, the skiers

Where did the goalie go? Senior Ally Chase stands waiting for the puck to come back towards her.

Junior Sarah Bullock makes a dash for the puck before the Westford opponent can overtake her.

Wow, these girls make it look so easy.

Lauren Whitworth keeps the puck just far enough away from the other team to stay in the lead.

Seniors Kaitlin Rowe, Ally Chase, Jen Martin, and Kaitlin Horndahl take time out of their training for a picture.

The girls line up on the ice to learn a new play.

With great skill and agility, Chelmsford manages to steal the puck away from the opponent.
