Send Me On My Way

For the past thirteen years, we have traveled together through this stage of our journey. From our first steps into the kindergarten classroom to our walk across the stage at graduation, we have shared experiences and created

unforgettable memories. Now the time has come for our paths to diverge. We have finished one stage of our journey and are about to begin the next...it is time for each of us to pack our bags, take one last look, and then make our way into the world.

Staff Dedication

With his characteristic Sherwood Forest lab coat on and his ever-present laser pointer in hand, Mr. Sherwood is just as likely to be found retelling one of his many life stories as teaching a chemistry lesson. For the past 36 years, he has been a fixture of the science department. Even those who don't have him as a teacher know him through his many random appearances in other chemistry classes. His humor and intelligence have made him a valued member of the CHS faculty and a teacher who leaves a lasting impression on each of his students.

Mr. Sherwood

He has been a great science teacher at Chelmsford High School for a very long time. His teaching styles are unique and very effective.

- Dan Woodward

He would give the class life lessons while teaching and had a way of getting you to work your hardest and put your best effort in but yet have fun while doing it.

- Dan Desjardin

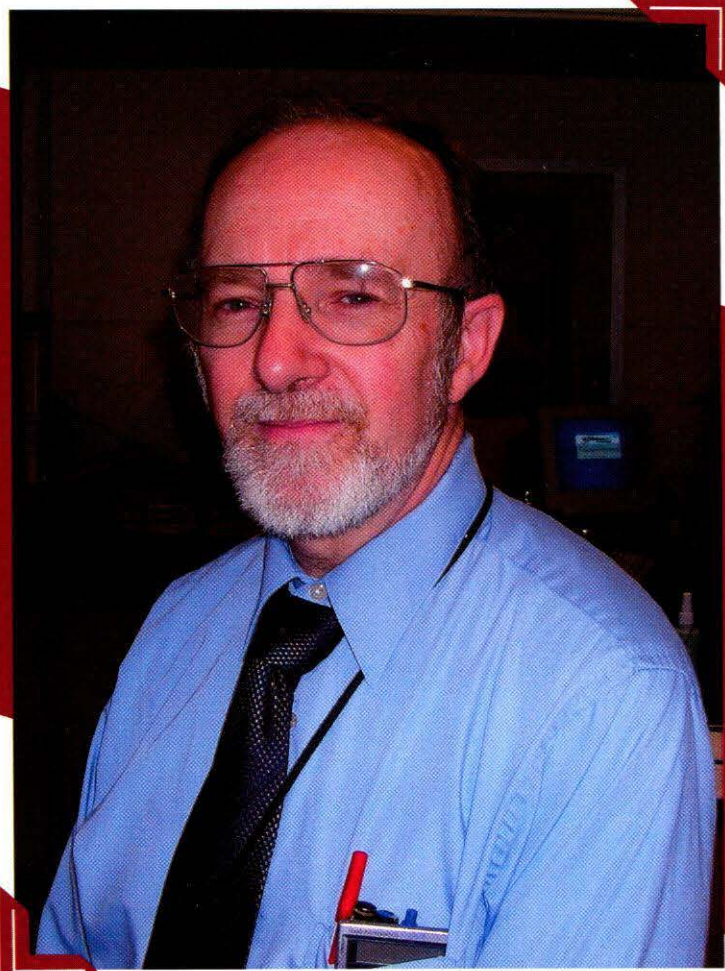

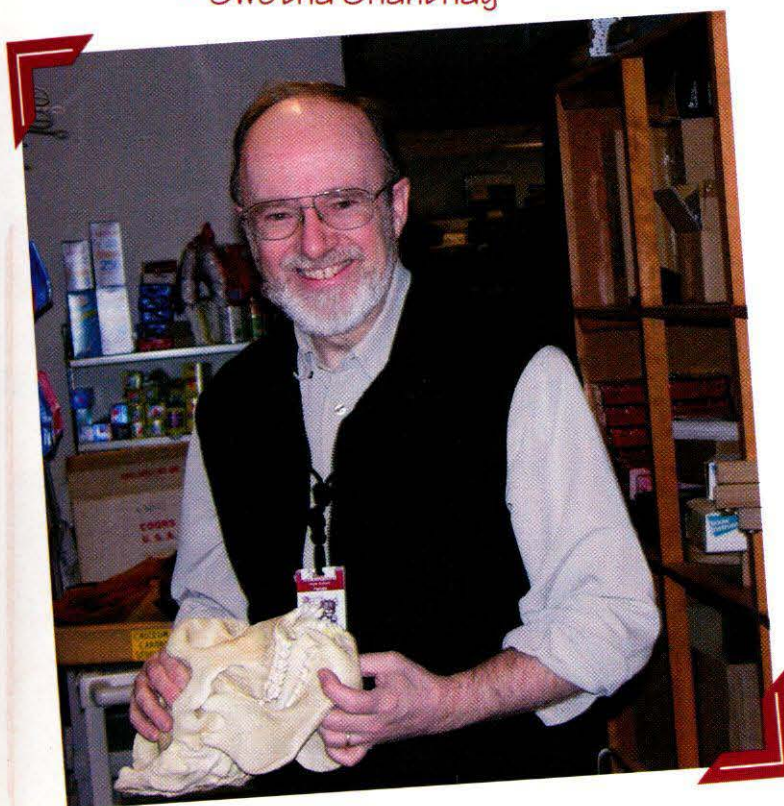

He is an outstanding teacher of not only chemistry, but also life. His imagination and spirit of adventure have inspired many young minds to make something great.

- Frazer Rice

He is an amazing teacher. He motivated me and had so much energy, and he deserves recognition for his efforts. I'll definitely remember him forever.

- Swetha Shanbhag

"OK, class, let's turn around and take a micro-field trip to the back of the room." Mr. Sherwood's introduction to any lesson using the periodic table hanging on the back wall is as unique as the rest of his many favorite sayings. When it comes time to take a test, he is always full of humorous bits of wisdom. As he passes out the tests, he will encourage everyone by saying, "I even gave you all of the answers... They're written in microfiche on the edge of the paper." If a student asks whether the test is hard, he'll respond, "No, actually it's quite soft. See?" as he flops it onto the lab table. And who could forget the time when he proudly got a 93 on the test or his impossibly difficult MOR-DOR questions? Yet Mr. Sherwood also genuinely cares about all of his students and wants them to succeed, not only in class, but also in life. It is this dedication and caring which truly makes him a great teacher.

Can you believe our four years have come and gone? From our earliest candy sales, to a lion "man" without his mountain, to hosting our own sweaty, disgusting MORP - we have come a long way. Thank you Mrs. Doulamis and Mr. Pollard. Thank you Class Reps for all of your hard work. Best wishes, Class of 2006. Good Luck, do good & have fun!

Hurricanes ravage the Gulf Coast region in the fall of 2005, posing an unprecedented test of the United States federal emergency response efforts. Hundreds of lives are lost and thousands are left homeless in the wake of Category 4 Hurricane Katrina, followed by Rita and Wilma. The tragedy spurs contributions of money, talents, homes, food and more in an attempt to raise spirits and rebuild the area.

August

- 25 Hurricane Katrina strikes Florida.
- 28 Mandatory evacuation of both New Orleans and Mississippi is ordered as Katrina becomes a Category 5 storm in the Gulf of Mexico.
- 29 Downgraded to a Category 4 storm, Katrina hits land. 1.3 million homes and businesses lose electricity in Louisiana, Mississippi and Alabama. 30 levees are breached, flooding New Orleans and leaving 100,000 people stranded. After slow government response, civil unrest and looting begins.
- 31 President Bush surveys the damage.

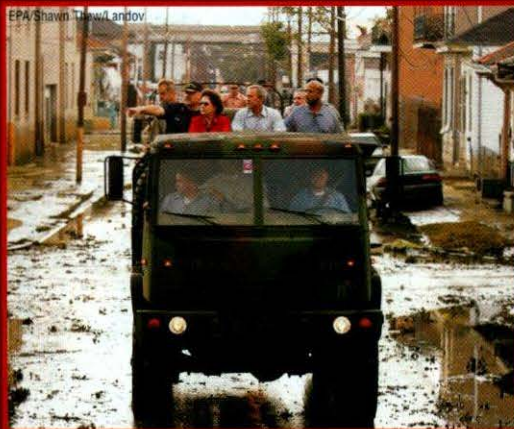

September

- 1 30,000 National Guard troops are deployed. Gas prices spike to as high as \$5 per gallon.
- 2 President Bush visits Louisiana and signs a \$10.5 billion relief bill. Nearly 154,000 evacuees arrive in Texas.
- 4 The New Orleans Superdome is evacuated.
- 6 President Bush and Congress pledge to investigate the flawed disaster response.
- 9 Government-issued debit cards are distributed to evacuees. The program fails and is ended days later.
- 12 Michael Brown, head of the Federal Emergency Management Agency, resigns. Flooding is down to 50 percent in New Orleans.
- 14 New Orleans Mayor Ray Nagin announces a phased repopulation plan.
- 15 New Orleans begins to reopen. Katrina is named the most destructive hurricane in U.S. history.
- 20 Louisiana Governor Kathleen Blanco declares a state of emergency as Hurricane Rita strengthens off the coast.
- 22 Rita hits the Louisiana coast and heads for Texas.
- 23 Thousands evacuate eastern Texas and the 9th Ward of New Orleans floods once again after levees are overrun.

October

- 24 Hurricane Wilma hits southwest Florida.

Moments Along the Way

The Class of 2006 - a class like no other - as it should be. Each class has its own identity and 2006 is no different. You have had lows and you have had highs. This year's Spirit Week and your spectacular participation and success have shown that you are indeed an outstanding Chelmsford High Senior Class. We, as your advisors, are proud of your accomplishments and your desire to excel. You are all contributors, from your class officers to each individual member of your class.

As a class you achieve in the classroom, on the athletic field, and in the community. Your school holds you up as a shining example of success. You have the ability to go forward and accomplish many things, great and small. Maintain your positive attitudes, the drive to go forward, and the pride of being a member of the CHS Class of 2006. It has indeed been a long but rewarding journey for all.

Michael Sheridan

Mike wasn't able to experience "our" senior year, but he taught all of us a life lesson. Mike is very lucky.

Stay strong M.S.
- Candace Lillis

We haven't forgotten him, we care about him, support him, and wish him all the best and hope for a full recovery.

- Mike Hueras

Mike is someone who we all grew up with. We all miss him greatly and school isn't the same without him.

- Jon Doherty

Mike has shown true inner strength and desire for recovery. He has made his classmates realize that life cannot be taken for granted and is very fragile.

- Jodi Germann

Mike is a fighter, an example to our class, and a friend that's missed.

- Elizabeth Clark

He made us all stop and think that it could happen to us. In an instant all the things we take for granted could be taken away.

- Gregory Bailey

Mike learned a very difficult lesson that taught so many of us the consequences of our choices. In times like these it's important to show our support.

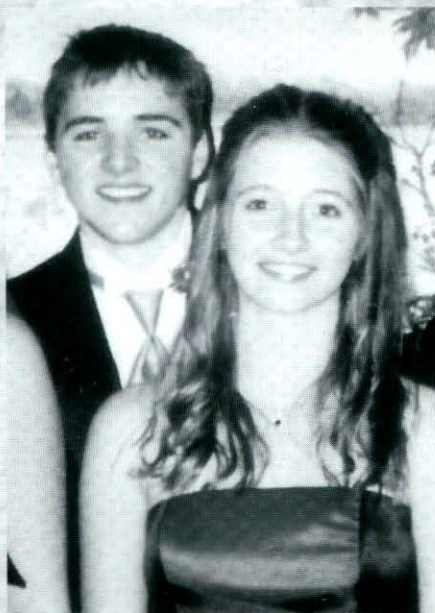

- Alexandra Swanson

He taught himself and us a life lesson. It's a miracle for him to be alive.

- Kristin Jasinski

Mike is an awesome kid and it was unfortunate for him to miss his senior year.

- Erica Spuria

He has changed so many people's lives and lifestyles. He also is fighting so hard to recover from his accident while we are all busy enjoying our senior year.

- Emily Tyrrell

Mike's accident during the summer of 2005 shocked us all and really got people to think before doing things.

- Christie Smokler

I wish he could graduate with our senior class like he should be.

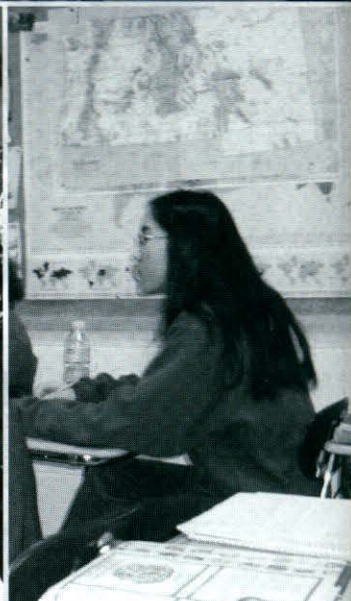

- Bobby Gill

His accident had a huge impact on our school, whether people were friends with him or not. This accident made people realize that everyone is vulnerable, and things can happen to anyone.

- Katy Belanger

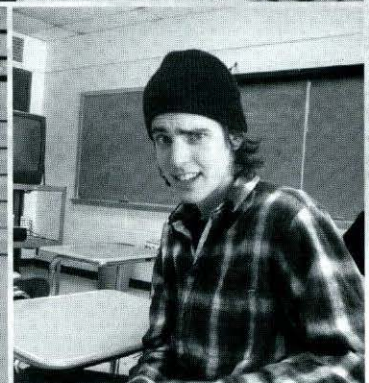

He has shown courage and strength and is an inspiration to all of us.

FIELD HOCKEY

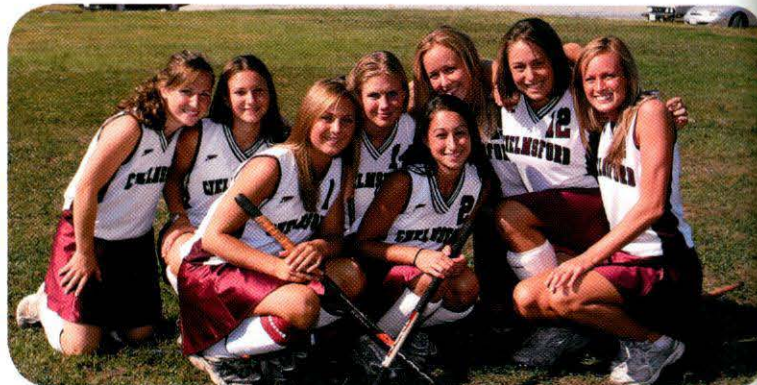

First of all, thank you girls for an awesome season! The team was amazing this year both on and off the field. No matter how hard we were pushed, we pushed back harder. "Never let your head hang down. Never give up and sit down and grieve. Find another way."
 --Satchel Paige. From day one, we took the theme "outwork" and played our very best, outworking each and every team. Always remember to "Move with the cheese. I love you, I love you, I love you. I love you!!! Good luck next year! We will miss you girls! Oh and wait...one more thing... YOU DON'T WANT THAT THERE?!?!"

Love your captains,
 Katy, Stephanie, Alex

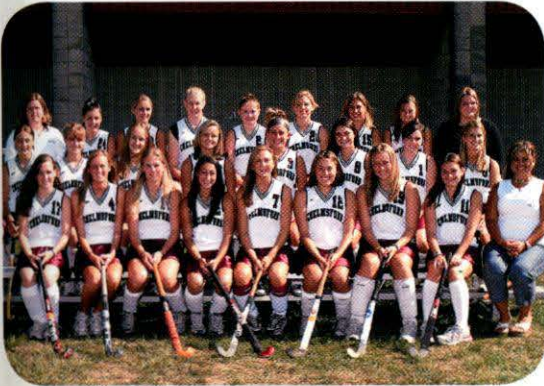

Heart. Believe. Intensity. OUTWORK.

GIRLS' SOCCER

Dearest team. We've had some good times this year. We may not have had the best record or a state championship, but from ball touches to diagonals, we did it all. Best of luck in years to come! Just remember to play with heart, eat the frog, and be the SPARK! Em, Ash, and Kirsten

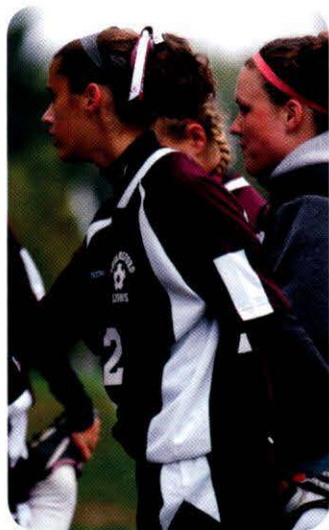

Coach Christina Contardo and captains Kirsten Dobroth, Ashley Hansbury, and Emily Tyrrell led the team to a solid season with an overall record of 6-7-5.

Seniors Julie Vaccaro, Kelly Bevis, Abby Thatcher, Kirsten Dobroth, Shauna DiCecca, Ashley Hansbury, Elise Gallagher, and Emily Tyrrell (below).

Lions' coach Christina Contardo pumps the team up before a game (above). This is Coach Contardo's second year with the team.

Thanks for a season to remember. We had good times both on and off the field with the pasta dinners and the trip to the cape. We had a few rough times but we pulled through it and fought to win every game. Good luck to you next year and remember our chant to coach, Quach.

GIRLS' CROSS COUNTRY

We are extremely proud of you girls. You've all accomplished much more than the respectable record of 9-1. What you girls gained goes back to June, when we handed you our summer training schedule. You took that paper and used it as a test of will. How much did you girls want it? How much did you want to charge into your season in September full blast and peak at just the right week in November? We couldn't be happier with the dedication and effort shown by you all. You've improved so much and we've grown a lot as a team. Our summer was marked by another memorable trip to Foss (although we dragged three body guards with us this year), along with an unhealthy obsession with Nutella (even though we claim it's healthier than peanut butter), a complete choreographed dance to a "VERY NICE" song, and several "cat fights" instigated by overzealous seagull cries. By the time September rolled around, we were ready for anything. We're lucky to claim such outgoing and talented freshmen, although their spirit couldn't match that of one particular parent... we were also glad to steal several soccer and field hockey players and we're glad you finally saw the light. As for the returning veterans, thanks for your ability, your dedication, and your friendship. You've made our senior season a blast and we love you all. We can't wait to see you recharged next year.

INTENSITY. DETERMINATION. GO LIONS!

GIRLS' SWIMMING

This past swim season has gone by too fast but you girls have made every minute a blast! We started it all with circle time at CS&T then the dreaded Hell Week we all wanted to flee Yet we were all at Russell Mill for tryouts, bright and early to sweat through Indian runs before jumping in the icy waters so dirty. The meets began quickly and we dominated with ease but Mrs. McHugh's class made us weak at the knees Our pasta dinners were unforgettable, week after week Especially Erin's chocolate fountain which was an amazing treat. Papa's surely hates us after each Friday dinner. After our trip to Wendy's our nutritionist made us feel like sinners. Caitlin and Shauna surprised us with a new team tradition a scavenger hunt, where finding as many things was our #1 mission. After all the long yards, sweat, blood, and tears have passed, it will be the memories that will last and last. Now that the season has come to an end, all of you will be missed. Good luck next year, work hard, and remember YOU CAN'T TOUCH THIS.

GIRLS' BASKETBALL

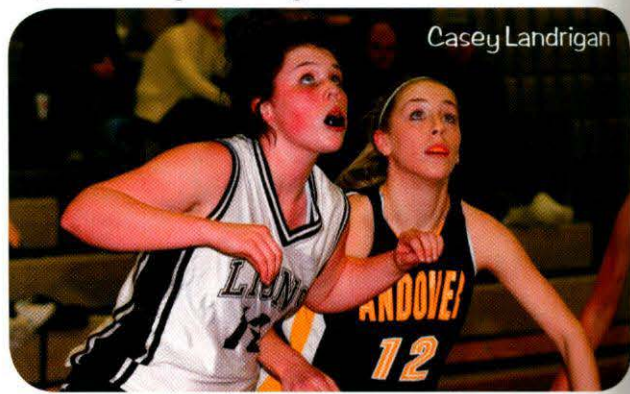

Basketball's a sport we love to play.
 We had a great time, we wish we could stay.
 Let us remember all of the fun.
 Like our 5,000 plays that we had to run,
 And all of these plays seemed to start with "1-4."
 But as soon as we learned one, Coach came up with more.
 Remember our team dinners that were wicked sweet?
 Like that time that Clancy chowed down on cat treats...
 But let's not stop there, how about DDR.
 And Quimbs hitting the buzzershot, what a star!
 And remember how rough our games could be?
 That fat lip looked great on our gentle Hayley,
 Norms got pushed and dragged on the floor.
 While Shan baked us treats that we adored.
 Don't forget Mepp whose talent was rare,
 Aww! Trish and Barnes made a great Panera Pair!
 Wow, that was lame, sorry you two.
 At least we have Val and her kittens she grew.
 Chels, what a cutie we love you forever,
 Casey set her quails free in sunny weather.
 Well, girls, we love you, but this is the end.
 Write us sometime because "Niiii! we have no friends!"

We will miss you dearly, team!
 Thanks Coach and Miss Devaney!
 Love,
 Ash and JB

WRESTLING

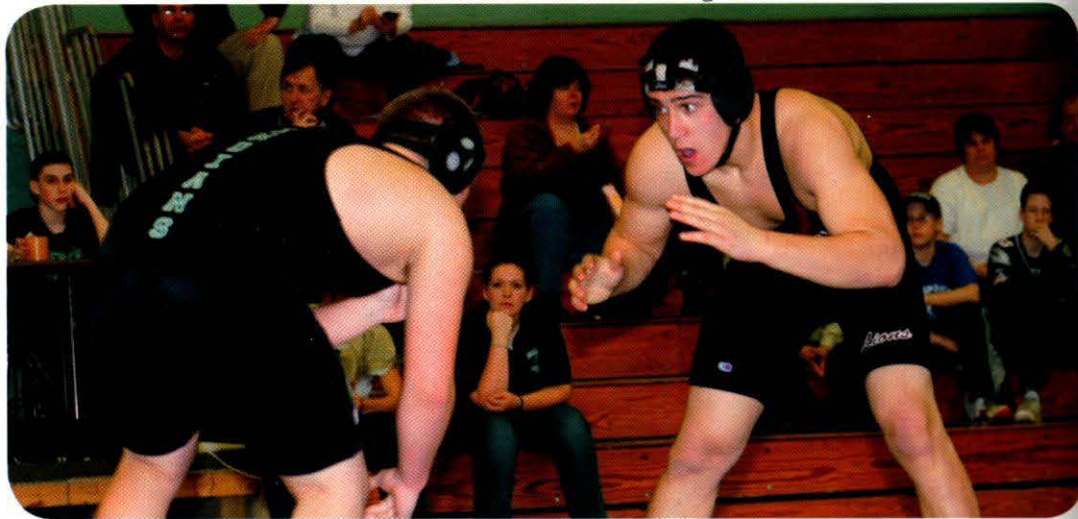

Coming into this season nobody thought we would do anything special. Sure, we had a few good kids but not many people predicted that we would make any noise as a team. But through hard work and persistence we were able to achieve a 19-1 season and earn a share of the MVC. We had 11 guys place at sectionals and almost all of them earning a shot at a state championship. Keep working hard. Great job this year.

CHS

BOYS' SWIMMING

WHAT's up everyone...oh you know. What can we say...we worked harder than any other team, we had more fun than any other team, and we won more than any other team. We continued the CHS swimming and diving dynasty by winning the MVC regular season title and also winning the MVC Championship Meet. If you're counting, that's a first place finish in the MVC for Chelmsford every year since the team originated in 1979. No, we didn't win the State Championship like we did in 2002, 2003, and 2004, but we all swam great especially at the end of the year against Andover, at MVCs, Sectionals, and States. We captains have never been around a closer group of guys; other people just wouldn't know unless they're on the team. During the winter season we were literally with the team more than we were with our family and that was definitely a good thing.

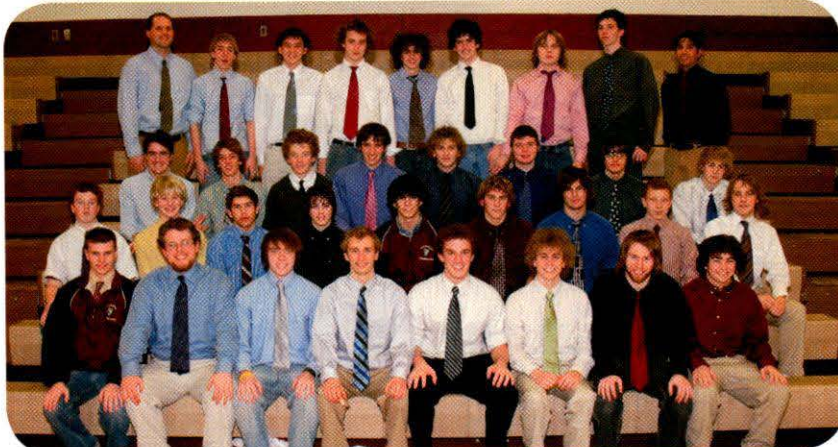

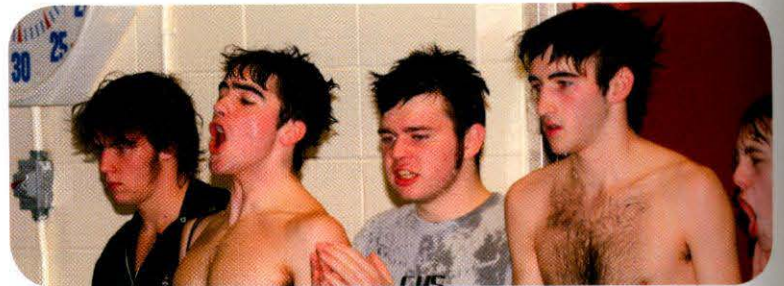

Coach Josh Blagg, Captains David Benedict and Dave Wilson, Coach Luke Bagnaschi

We're 34 brothers, the biggest team in CHS history, and we'll never forget all the good times we had... pasta dinners, going out to eat, proudly growing out our hair and then shaving it (as well as our legs, arms, etc.), scavenger hunts, bus rides, "intimidating" other teams with our stretching... and well, the rest is thankfully left unsaid. With our Speedos small and tight, we shocked and mocked all season long. We'd like to thank our first year coaches Josh and Luke; who knows where we'd be without them. Although the practices were tougher than anything we'd ever experienced, they paid off in the end. Everyone should be very proud of the job we did this year. Good luck next year and never forget the CLASS OF 2006.

Love <3,
Your Captains

Sara Dion

Sara, it seems like only yesterday that you were heading out eagerly for your first day of preschool. Yet here you are at the next big crossroads in your personal journey. However, in all the intervening years, you haven't changed. Everything you are now, you were then - a lovely child with a sincere smile, a kind heart, an endless sense of wonder, a creative spirit, and a passion that keeps you reaching for your dreams. Never change! Keep marching to your own drummer. We're proud of the person you are.

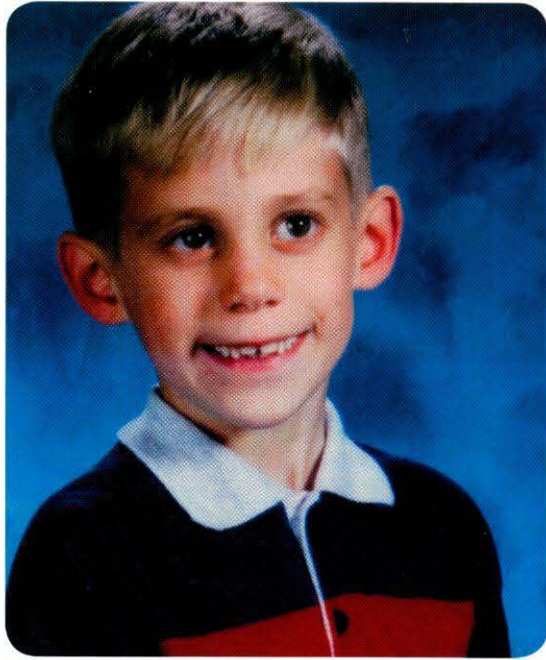

As you continue down the road you've chosen, remember these words by Sanders and Sillers: "Never fear those mountains in the distance... never settle for the path of least resistance... and when you get the choice to sit it out or dance...I hope you dance...I hope you dance...I hope you dance."

Kate Knowles

Dear Kate,

You aren't like "SOME GIRLS". You are destined for great things in the "BRIGHT LIGHTS, BIG CITY" where you will undoubtedly create "A BIGGER BANG" and, hopefully, have it "MADE IN THE SHADE". We "LOVE YOU LIVE" and will always come to your "EMOTIONAL RESCUE"!

In college (and life) be sure to avoid the "VOODOO LOUNGE", the "GOAT'S HEAD SOUP" and whatever you do, don't "TATTOO YOU"! "DON'T STOP" "NOW" it's all waiting for you!

Much Love,

Dad, Mom, Eric, Kringle, Bear
(and Mick and the boys)

Kyle William Dunbar

Honey, you know you are the most important person in my life, and I could never be any prouder of you than I am at this moment. I sit here with tears of joy running down my face when I think back to all that you have done and how to best express these feelings to you. So, here you go.....

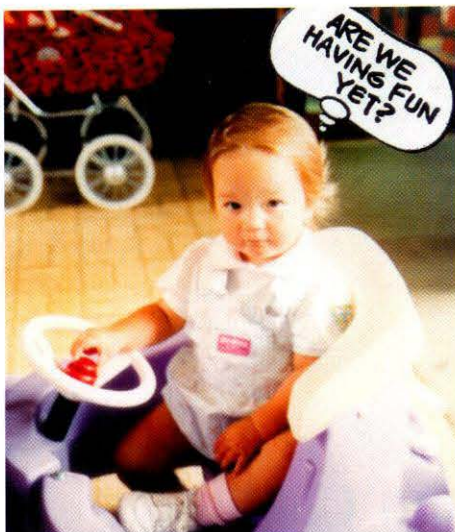

I look back on the past 17 years and it amazes me to see how you have grown and blossomed into the beautiful young woman that you are today. At how much you have accomplished and how many lives you have touched upon in those few years. Krista, you are a very mature and intelligent young woman who has great potential for an amazing future and an exciting career.

I know your senior year was stressful, but in the long run well worth all the energy that you put into it. Now, I think you might understand that saying, "This is the end of the beginning."

I am very excited to watch you move into the next phase of your life, and as always I will be there to stand by when you need me.

I love you boogaloo!

Since the first day we held your little hand and sent you to school, we knew a time would come when we would have to say "Good-bye." Watching you grow day by day, from a shy little girl to become a tall, elegant young lady, we feel such joy, pride, and sadness. However, we understand you have your unlimited future ahead and we hope that, after 18 years of training, you are prepared, encouraged, and intelligent enough to face all kinds of problems in your life. Kimberly Rose Lord

Our little girl with hazel eyes,
Looked at the world with such surprise,
And even at the youngest age,
Was clear her heart was most engaged.

With love and grace she walks through life,
Caring for all others' strife,
Always gentle, always kind,
Her greatest beauty is her mind.

Our "Cookie Face" now fully grown,
Must venture out beyond this home,
And as that heart conquers the world,
To us she stays our little girl.

That little girl with hazel eyes,
Her future now before her lies,
So proud we are of how she's grown,
As she heads out, never alone.

Congratulations, Kimberly!

JOHN LEARY III, BRYAN SAYERS & CHRIS O'NEIL

Chris, Bubba and Bryan, your parents are very proud of you and have fond memories of your friendship over the years. From Little League fields at 110 and the summer league play to that great season on the Northeast team and great times (and great efforts) on the CHS Varsity Baseball and Varsity Football team you have always supported each other and remained great friends. You seem to find fun in whatever you do, from the many times you "posed" for pictures before the dances, to the "unique" choice of Halloween costumes to the way you all "enjoyed" the rigors of football camp.

We love you and wish you the best of luck in the future. As you embark on your college careers and beyond, we know you will remain the best of friends.

Maybe someday in the future we will all meet at a new sports bar called the BO'S
(Bubba, O'Neil and Sayers)...

Embarking on the next phase of the journey...

Sharyn Davis

Yearbook advisor and dedicated teacher of 22 years

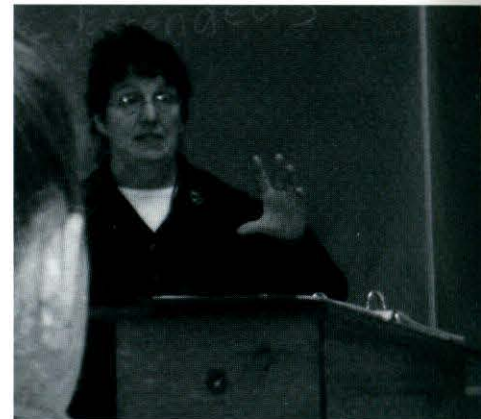

Could you have imagined how much fun this was going to be when you started? Thanks for all of your support, understanding, and consistent good humor.

Joyce

Mrs. Davis,

Thank you for being such an amazing advisor. For the three years which we both worked on yearbook, you have taken it upon yourself to make sure that everything is running smoothly, dealing with phone calls from harried parents about buying ads and ordering books so that we can focus on making pages. You have been our source of knowledge on all things grammatical, our food supplier, and a sympathetic listener when we just need to vent about what's going wrong. You have been there whenever we need your help, whether we are proofing pages or making decisions about the book, and you have never ceased to amuse us with your humor. Thank you for everything that you have put into the yearbook, we are all better off because of you.

Sarah

Where do I start...Dan, Matt, Abbie, and Shilpa, I can't even begin to thank you for what you have put into this book. Thank you for being willing to stay late for every deadline--even though I'm sure there were things you would have rather been doing. Thank you for keeping me sane; I don't know what I would have done without you. Thank you for being there and understanding when it seemed like my day couldn't get any worse, for always being able to cheer me up, and for letting me vent. Through it all, despite the many frustrations and things that went wrong, we've had some good times. The West Corner, Katie memories, races in the library, hiding food from the lunch people, rearranging the room, stars, "Fact of Matter," Dan's iPod, the Nikon 8700, POWER OUTAGES, our monopoly picture, carts, hanging up those flyers, calling the red phone--it works?, our yearbook "booth," the fort, our senior countdown, Fblock party (sorry Matt)... And who could forget the scavenger hunt or avoiding Dave the YBI guy at camp... Then of course there was Cake 06--thank you Matt and Abbie, you guys are amazing (reconnaissance!?)! What a way to spend a two hour power outage...who could have imagined that our last deadline could be so eventful...

Kevin, thank you for being there to solve any and every problem, for staying during our deadlines instead of going home, and of course for always bringing us food (and taking us to Panera--dreambook!). These last two yearbooks would not have been possible without your help. You have been available whenever we needed you, whether it's with a crisis on proofs or just checking up to make sure things are going well. Whenever something goes wrong you have been there to calm me down and get everything worked out. Thank you for all of the extra time you put into your job making sure that our cover comes out perfectly and working to order our cameras, computers, and software. And thanks for the Christmas tree!

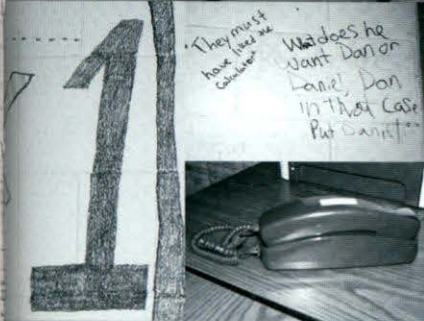

To my staff, thank you for the time and effort that you put into making this the best yearbook possible. You came when you needed to in order to meet your deadlines and didn't complain when you had to do extra work to get everything that you needed for your pages. Thank you for being willing to do whatever extra jobs needed to get done, especially to the A-block dream team for finishing everything much quicker than I ever thought possible!

Ms. Bickel and Mrs. Davis, thank you for overseeing the book and stepping in when I needed you to enforce something. Thank you for helping us with proofs, buying food, and dealing with all of our crazy moments. Most of all, thank you for your confidence and trust in giving us the freedom to decide what the book should be like.

Without all of your help, this book never would have been possible. Thank you for making it such a memorable year!

- Sarah
