# Welcome to the Jungle

As we have explored this jungle of high school, we have found dark caves and bright clearings. We have helped each other through the obstacles we faced. But as we reach the edge of this jungle, we realize that the life ahead of us is just another jungle to trek our way through. Make this new journey a great adventure, seize every opportunity, and remember that the lion is always the king of the jungle.

It's been a crazy year and this book would not have been possible without help from Ms. Bickel, our advisor, Bill Gaine, our Josten's representative who helped us through some tough spots, everyone at the plant who was so patient with us, all of the people at Burlington Studios, especially Matt for coming to all of our events, and finally, the staff. This 2008-2009 staff was hard working dedicated, and enthusiastic, this book would not be what it is without them!

Class of 2009.

As the most amazing class to ever pass through Chelmsford High School, we could easily go on and on about our unmatched class spirit and our incredible accomplishments. From the yellow brick road to the Top of the Hub, our class has stuck together since we were freshmen, and we have grown closer ever since. Thank you Mr. Morris and Ms. Bickel for all that you have done for our class- we couldn't have done it without you! Thank you also to the Class Reps who have put in so much time and effort for the past four years in order to make all that our class does a success. (Oh God Ya!) ## For 36 Great Years!

### Fun Facts:

Mr. Thomas went to Middleboro High, Springfield College, and Tufts University. In high school, he ran track and played football and basketball.

When he retires, the thing Mr. Thomas will miss most is his relationship with the students, teachers, and administration at CHS.

Every year, one thing that Mr. Thomas enjoys most is the football team's dinner before the Thanksgiving game. He loves hearing the seniors speak.

As for music, Mr. Thomas's favorite genre is classic rock. Some of his favorite bands include The Buckingham and The Beatles.

Although he does not have much time to see movies, Mr. Thomas really enjoys watching TV. His favorite shows are The Unit, Boston Legal, and The Big Bang Theory.

A book Mr. Thomas recently enjoyed was *Don't Stop the Carnival* by Herman Wouk. Also, he enjoys reading mysteries and Patterson novels.

If he wasn't a principal, Mr. Thomas would like to be a hotel manager or a coach. It is important to him that he has a job working with people.

Mr. Thomas loves to vacation on St. Martin and in Mexico. At these destinations, he enjoys racing yachts, swimming with dolphins, and parasailing.

Hawthorne House Dean  
1994-2001

**In the upcoming years, Mr Thomas has plans...**

**To travel to places like Florida and the Caribbean**

**To spend some time with his grandchildren**

**To play tennis and continue to contribute as part of the state's swimming committee**

**To serve as president of Chelmsford's Rotary Club and remain a member of the Alumni Association**

**To graduating seniors, Mr Thomas says...**

**STAY POSITIVE.** Focus on the good things, and keep an optimistic outlook on life. Those who stay positive are more successful and happy, so don't get dragged down. Always look to improve the world, and most importantly, enjoy your life.

**Good Luck in your Retirement!**

**Did You Know..**

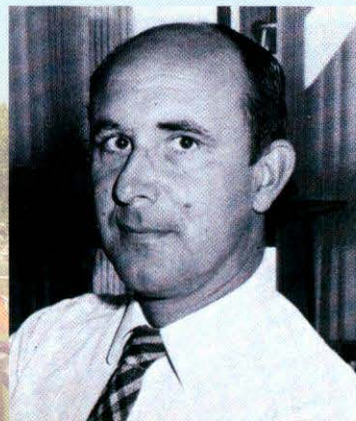

**Mr. Thomas used to coach swimming and run Chelmsford Swim and Tennis**

**He taught at both Parker and McCarthy before moving to CHS shortly after it was built**

**He has always admired a principal he worked with in Connecticut for his high energy and involvement with students.**

**Since he was in high school, Mr. Thomas was sure he wanted to work in education.**

**Mr. Thomas loves watching all kinds of sports like wrestling and gymnastics, to name a few.**

# Spirit Week

▲ Spirit Walks

One of the most anticipated events at CHS is Spirit Week. The classes compete throughout the week to prove who has the most spirit. Students enjoy all kinds of exciting activities like powderpuff, the car bash, penny wars, and, of course, pep rally. The Lions' roar at pep rally can be heard at every edge of the jungle.

Class of 2009,

Since that September day four years ago when you walked into Chelmsford High School, the Class of 2009 began a journey that you will remember for a lifetime. Your enthusiasm began to spread to the numerous opportunities that presented themselves to those committed enough to direct their time and energy. Anything worthwhile is going to require focus, diligence, and commitment—all characteristics possessed by this class.

High school can be a jungle—entanglements abound and paths that are not always clear but those who believe that they are here to make a difference persevere. Slowly things become less entangled and a sense of direction leads you to make choices that ultimately set you on your lifetime safari. The fact that some of you still question your big plan is overshadowed by the excitement of the pursuit.

Mr. Morris and I wish you every success. There will be many opportunities and you are restricted only by what you choose not to imagine.

# Girl's Soccer

Ladies,

Congrats on a great season! We've gotten so close over this season and we have achieved many great goals...from meeting Coach Kal and Marty in September to saying goodbye at senior night in November, our team has accomplished so much. Remember when we beat Lowell, then...**WE BEAT ANDOVER 3-0!** Off the field we bonded together too, dressing up like hunters, calling on the spirits, and taking naps in random stores. We'll never forget that time we used the boys bathroom at Methuen, or the bus ride home from Methuen after we kicked them out of the state tournament...work hard this summer (even if it hurts, it hurts so bad), stay positive, and keep laughing next year. Good luck finding Luigi!

Ladies, Ladies, where do we begin? This season has been the best! It was sad to see it come to an end, but we are proud of all of you and your many accomplishments. Megan, we will always remember your many trips to BK before every game and your famous Betty Boop pass. Mj, we can always count on you to make us laugh when you bust a move on the court or take nappies on the locker room couch. Paige, we will never forget when you broke that girl's finger or smashed the ball in Caitlin's face. You're huge! We love you. Steph, I'm not freakin' out man! We love your craziness and tandems that make us scream fiesta! Lexy, we will always remember you as the mystery girl who pumped us up before every game. We still don't know how you did it, we love you Gossip Girl! Kelsey, we just love you, you're crazy and you will always be our little sister! Kayleigh, if it weren't for you we would all have ugly t-shirts and you can always make us laugh. Courtney, you're like a Greek goddess, we love you! Allison, you're all over the place on the court and we would not have been the same without you. Carolyn, from setter to right side, you became a star... fish. Dana, hugs before you leave! Always, always. Molly, whoa! You're just crazy and we love you! And Kayla, you're the best manager ever and we couldn't have asked for a better addition to our team! It has been beyond the best season we've ever had and we'll miss all of you. Good luck!

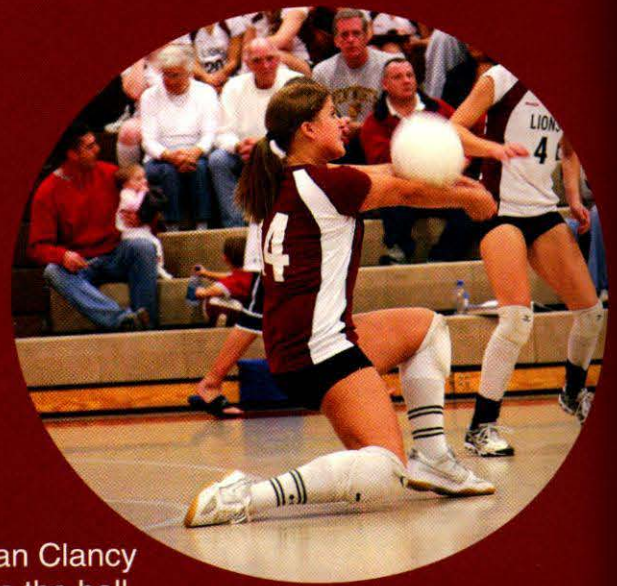

Love always,

# Girls' Swimming and Diving

It's never long before summer is gone  
 But with this group of girls  
 It's never to say so long

We started our day from 7 to 10  
 Some may call it a clinic  
 But everyday we made it through hell and back again

We welcomed all our bright-eyed frosh  
 When they found out what we were like,  
 All they could say was Oh my gosh!

We avoided the water and stayed in circle time  
 All was spilled from pet peeves to boys  
 Breaking the trust was the only crime

We looked pretty good in our sexy suits  
 But we can pull off being animals and ninjas  
 And even nerds to boot

At aerobics every week we worked up a sweat  
 We would cry when Janice brought out the steps  
 She would just say, You ain't seen nothin' yet

We can intimidate our opponent with one glance  
 Maybe it is all the eye black  
 Or maybe it's just our bangin' dance

We showed Andover up on our Senior Day  
 After nine long years,  
 These Lady Lions finally got the last say

You are our team-  
 We love you all  
 Our seniors will be moving on in life,  
 But we will be thinking of you next fall

To our freshman- Good luck!  
 To our sophomores- Stay crazy!  
 To our juniors- Enjoy your last year!  
 To our seniors- Thank you for four amazing years!

Proud Seniors Abby Mathews, Megan Cutter, Kristin Mayo, Shea McDonough, and Monique Dalphond are honored with flowers.

Football, football is so fun  
Except when Coach G makes us run.

Every Friday night we come out to play  
Fighting for the score to go our way.

The offense on the field tears up the grass  
While the defenses looks to kick some,  
check that, check that, fannies.

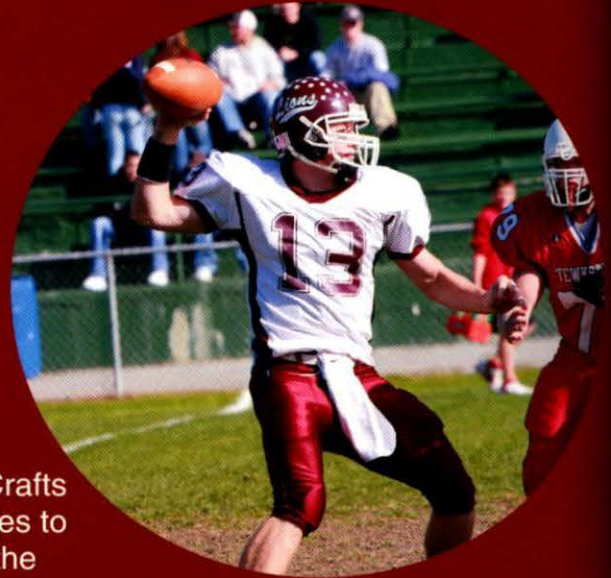

From Camp Robindale to Thanksgiving Day,  
We gave it our all every single play.

Thanks guys for all your hard work. We had  
good times this year. Greatest skits at  
Robindale, let me get some of that, gotta  
come out flying.

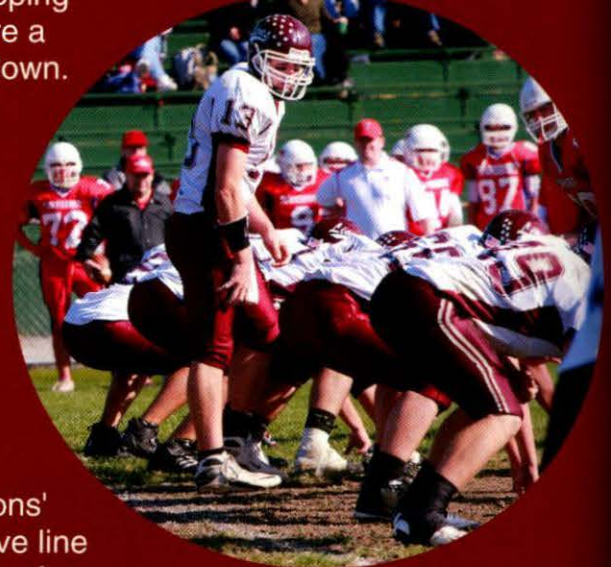

Thanks, coaches. Good luck next year, boys.  
You could all be state champs.

Through all the ups and downs, we would always pull through. We had a tough year: losses, injuries, and, at times, disappointment. Through it all, we found a light at the end of the tunnel, and in many ways we reached that light. Our record wasn't significant. It was just a number that will one day be forgotten. To the team,  
 It's been a long but fun season to those who lasted the full 13 weeks. We started with 14 and somehow ended up with 8. We proved we could still pull through and make it to the top without a select few girls...no names though. That steak dinner we never got to enjoy really helped us achieve our goal of 142. Dawn, I hope it was tasty and I hope your jeans still look good. That gum really helped us breathe all

the way through the season, thanks for the tip Vampy. Fatty and Squidward were not our biggest fans, but we still made it to sttes. "OUTTA BOUNDS!!!" Future advice to Robyn, "if you don't yell at us, we won't fight with you." Good luck next year and have fun, we'll miss you!

The 2008-2009 Indoor Track Team

The Seniors

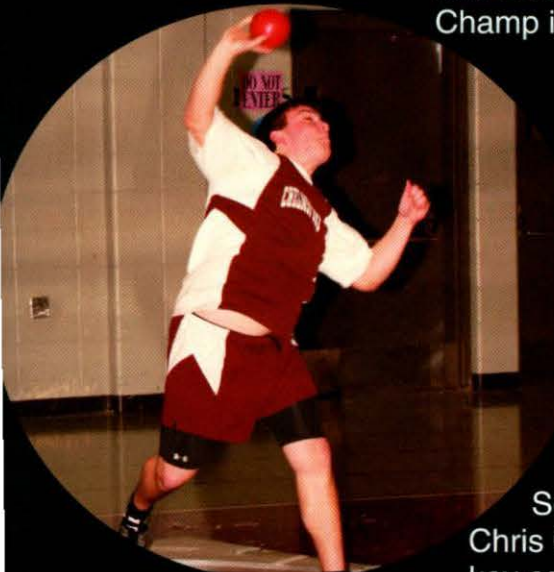

Sprinters Andy Carpenter and captain Mike Harris wait for their races.

Captains Mike Harris, Chris Carey, Tyler Murphy, and Coach Rob Russo.

Senior Dave Brown was the MVC and Div. I State Champ in the 600.

Senior captain Chris Carey was a key contributor this season.

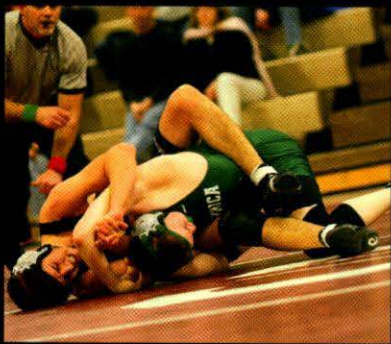

Senior Ben Delikat leads teammates in the 1000M run.

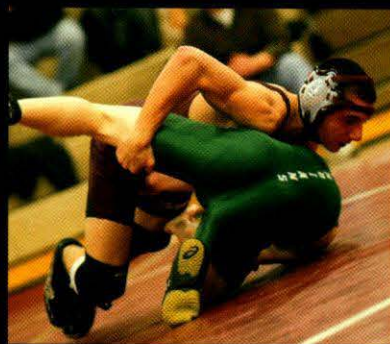

Thanks for the memorable last season of winter track, guys. Although frustrating at times, the team dynamic was great and everyone worked hard to contribute to their individual events. We came together for one common goal in the end. Special thanks to coaches Russo, Crane, Rapone, and Moriarty for the long hours they dedicated to the meets and practice so that we could perform to the highest caliber we were capable of. It was a great way to spend the cold winter months, and it was an honor to have the opportunity to captain the team after four years of dedication and hard work. Keep at it for next year.

Your Captains:  
Chris Carey, Mike Harris, and Tyler Murphy

Congratulations on a great season. We never guessed at the beginning of the year that we would be able to accomplish as much as we did. We definitely exceeded expectations. Continue to work hard in the off season, and we wish you best of luck next year. It will be over before you know it, so enjoy every moment of it (even Hannah sprints). Thanks for a memorable season.

Heather, when you were little, we never looked this far ahead. We were too busy, caught up in wonder of you. You were our world, our happy, delightful, and amazing baby girl. And we thought things would go on that way forever. Then it seemed almost overnight things changed. Before our eyes, you grew up. Quickly becoming an equally happy, delightful and truly amazing independent young woman. A young woman of conviction and determination and we are so proud of you. But it is difficult for us to comprehend how quickly we got from there to here. But here we are. And as it turns out, here is good. Because every wonderful quality we loved in you as a child, is still a part of who you are today. And now as you graduate from high school and prepare to enter college, and live life on your own terms, know that you will always remain a wonderful part of our world.

Love, Mom and Dad

Alex,

Since you were born, you've tried on many professions: train conductor, snowboard instructor, band leader, soccer player, doctor, chef, deep sea diver, and even one of the village people. No matter what your future brings, I'll always be there for you. You are already the most best son.

My favorite graduate-- in a class by himself!

Dear Meg,  
Here we are....Its 2009 and that long awaited milestone is here. You're graduating from HS!!!! Congratulations from Colin, Cam and both of us!

From the day you stepped into pre-school as a 3 year old, it became very clear to us that you were in your element. For the past 15 years you have taken every opportunity to learn and grow as a student, an athlete, an artist (both on and off the stage) and most importantly, as a compassionate and loving person. You've always had the confidence to try new things, to reach out to someone in need, to speak your mind and deliver 110% no matter what it took out of you. And lets not forget that crazy sense of humor!!!! OMG, you ARE a nut! Who else would dress up in a big green (from head to toe) gecko costume and go to school with a straight face? Your sense of humor is a gift and its priceless.....and so are you!

Meg, as you graduate, we look upon you with pride and admiration beyond measure and know we are blessed to have you as our daughter. If the last 15 years is any indicator, we know you'll do well wherever you go, whatever you do!!!

Love you....to the moon and back!

# Charlotte Clauson

Like the tree we planted when you were just a little girl you continue to blossom, grow, and become more beautiful with each passing year. The first 18 years have gone by much too fast Charlie Tuna. Every moment will be cherished for lifetime.

You have made us laugh with your silly humor.

You have stunned us with a unique fashion sense.

You have entertained us with dance, music, drama, sports...

You have become an independent, caring, responsible woman.

As you venture off to pursue college and veterinary studies...remember where your roots are.

Stocks plummet as years of excess in the U.S. housing market and lax supervision of financial institutions contribute to the greatest economic crisis since the Great Depression.

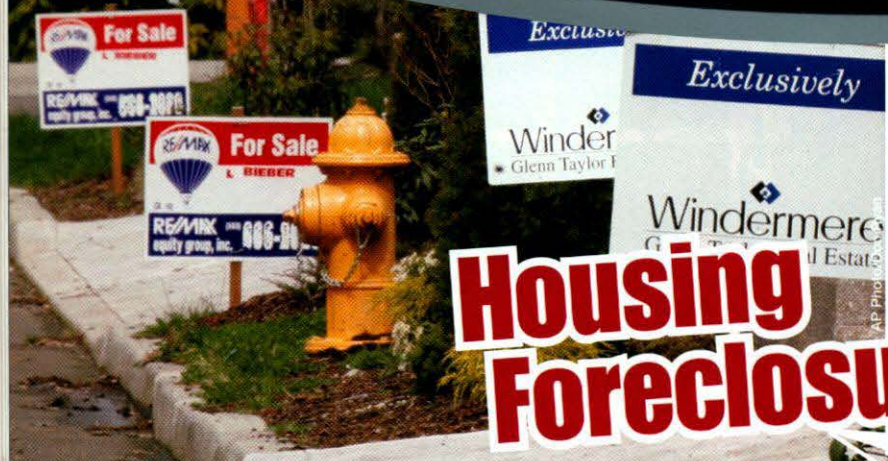

Unemployment rate hits 16-year high in January 2009

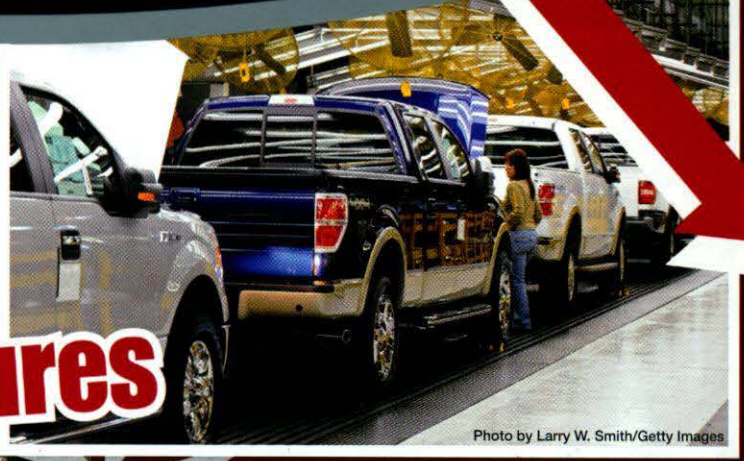

With buying power declining in the consumer marketplace, companies nationwide are forced to lay off workers. The national unemployment rate hits 7.2 percent in December and is rising steadily. The hardest hit states are Michigan, Rhode Island, California and South Carolina.
