## *How Do You Measure A*

# Year?

How do you measure a year? In the amount of work you have put into a class? In the number of tests and quizzes you have taken? In the amount of practices you have struggled through? As the 2010 school year draws to a close, we must reflect back on the little things that came together to sum up our year. The gallons of gas burned, the numbers of tears shed, and the amount of love embraced by friends, when measured, define how successful our year was. As we look towards our future, we must not forget to look back at the measurements that made our year a year to remember.

With 36 people on staff this year, we had a lot to manage. It was all worthwhile in the end. Our "full color" book came out great thanks to all of your help. It's been a crazy year... the yearbook room has taken a lot of abuse... (Sheila almost burning the room down... "It smells like Sheila is here!") Thanks to Paul for being the best. We couldn't have done it without you and Bill pulling through. Good luck next year!

"Mr. Fletcher has been a part of this school since my parents had him as a teacher and maybe longer. He supports the school's athletic program and helps make our school maintain the great events we all love."

-Taylor Loughman

"He always goes above and beyond what he is required to do. He has dedicated much of his life to making CHS athletics both competitive and enjoyable, and we need to reciprocate that dedication."

-Kasey O'Keefe

"Through all times, good and bad, Mr. Fletcher has always been there supporting us 100%."

-Dom Russo

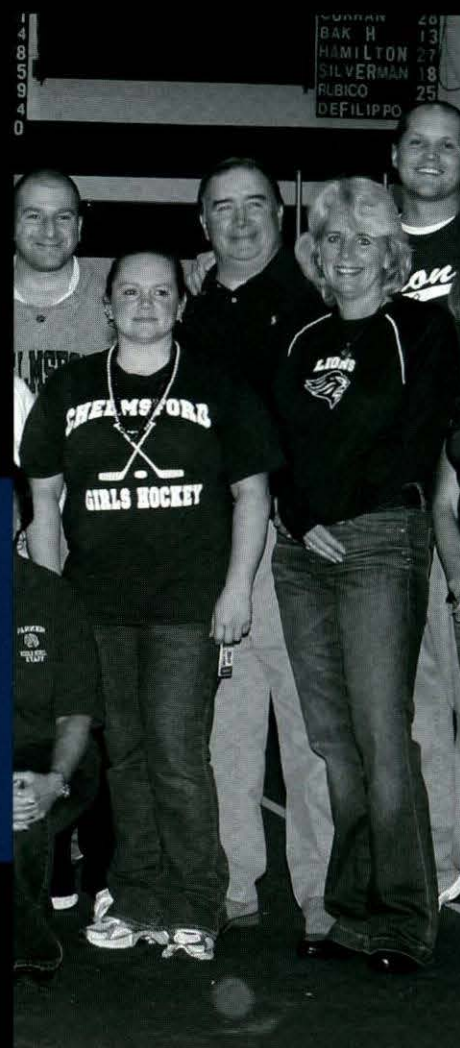

"He has been at the school for such a long time between coaching, teaching, and being the athletic director. He's even seen two of his sons go through the school. Everyone knows him and everyone loves him."

-Matt Alber

"He's shown his enthusiasm for all sports and even all other activities. We are lucky lucky to have Mr. Fletcher here at CHS and other schools should be envious."

-Michaela Nargi

# Jack Fletcher

## Athletic Director

With 37 years of experience, athletic director Jack Fletcher knows how to control every aspect of Chelmsford High School. An alumni of CHS, Mr. Fletcher started his career as the hockey coach in 1972, became a math teacher a year after, and finally became the athletic director a job he enthusiastically embraces to this day. If there are ever any problems, Mr. Fletcher is always on top of it. His work ethic is unmatched and we at CHS are proud to have someone as caring and reliable as Mr. Fletcher.

## Spirit Week

### Powderpuff

Vanessa Valeri & Emma Shipley

With Spirit Week points on the line, the girls' powderpuff teams looked to pull off a victory. Members of each grade came to support their grade's team crowding the stands. At 5:30, the freshman-sophomore game kicked off resulting in a 18-0 victory for the sophomores. At 7:00, the junior-senior game started. After minutes of close play, the seniors held the juniors off pulling off a 9-7 victory.

# November

**Pajama Day:** To kick off the Spirit Week Theme Days, the school came dressed down on Pajama Day. The whole school drowsily roamed the halls between classes.

**Neon Day:** The sophomore planned to blind their enemies by choosing neon day.

Students dressed in bright colored clothing and accessories.

20

23

**Black Attack:** The juniors chose black attack for their dress up day.

Their day had the entire school dressed to intimidate in all black.

# Fundraisers

In the midst of all the Spirit Week festivities, students at CHS don't forget to give back to the school and the community. Whether it be buying 10 cent Spirit Links, pitching in pennies for Penny Wars, or searching for hats, mittens, and cans for the multiple drives, students are enthusiastic about charity.

# Spirit Walls

## "Where The Wild Things Are"

Max, the Chelmsford boy, leads his army of Wild Things to scare Billerica out of their jungle. The seniors took first place because of their excellent attention to detail and life sized monsters.

## "The Wizard of Oz"

The cowardly lion proudly wears his badge of courage as he leads Dorothy and the rest of the gang down the yellow brick road. The green, wicked witch is left defeated under the house crushed after the twister.

## "2012"

In 2012, the Mayan calendar will expire and it is believed that the world will end. Meteorites, tidal waves, and lava will engulf the town of Billerica leaving Chelmsford standing. The sophomores put their creative minds together to construct their masterpiece.

## "Go Lions"

The fierce lion stretches across the wall near the Career Center, demolishing the "Welcome to Billerica" sign as it were a piece of garbage on the ground. The freshmen impressed the school with their wall's immense size as well as their efficiency, being the first class done.

**10:50 AM**

Finally lunch time! So many new people and where to eat. Can I go outside? Assigned seating? Oh freshmen, when will you learn?!

Finally! School is out. Oh no! I need to rush to my locker to get *Ellen Foster*, sprint to the locker room to get my mouth guard, then hopefully get outside to catch my bus.

**1:51 PM**

**2:00 PM**  
Looks like I missed the bus. No big deal, I had to go to practice anyways. Have to make sure I get the water though.

**5:00 PM**  
Practice is out, but I have to wait for mom to pick me up. I'll wait outside the PAC like everyone else.

Beep!?! Tone!?! Ring!?!  
That sound really gets to you after hearing it for four years. What is that, the first bell? Please, I'm waiting five minutes after the second bell until I go to class. My class rank isn't moving up for going to class early.

7:10 AM

Ugh, what time is it? Thank heavens I went to Dunks before school or else I don't know how I would make it through the day. Well I guess it's time to get out of my car, meet with my friends, and make the long trek into the school.

After lunch, I guess it's time to go to class. Off to learn about inertia and possibly ride a hovercraft in Physics...

And learn about the body and dissect a cat in Anatomy & Physiology

8:00 AM

Oh boy first block. Homework? What homework? Instead of paying attention, I would much rather catch up on my sleep now. Wake me up in thirty!

10:30 AM

Between classes. No need to rush. I'll meet up with my friends before I go to class. I would much rather be late than walk into class alone.

1:51 PM

School's out. Have to run to the Stu Co meeting, then Class Reps, then edit my college essay with Mr. Courtemanche. Practice at 3:30? That leaves me just enough time to run to Panera.

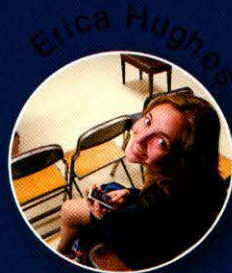

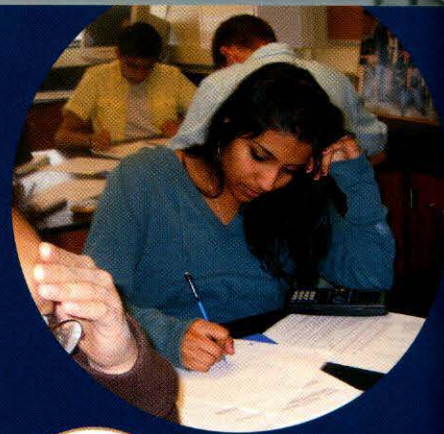

10:50 AM

What do I have C-Block? Lunch 3 it is. It's a good thing I know where to sit everyday because now I have different people in each of my lunches.

Class of 2010,

Congrats! We finally made it! From starting as freshmen wandering around for the fourth floor to giving directions to the "pool," we've really come a long way. Our accomplishments are countless, but there are certainly a few to remember. Who could forget winning spirit week...twice! (2010 champs again) Working together as a class had never been a problem for us, and that is evident through all of our success. Ms. Haywood and Mr. Blagg, thanks for everything you've done for us including allowing us to turn your classrooms into storage closets. Louie, you the man.

When we were elected as officers, we expected stress and hard work, but because of the dedication of our class, our work became enjoyable. Good luck to all of you and KEEP TAKIN' OVER!

Twins Take Over Chelmsford High School

# Senior Candid

## That's Embarrassing

My most embarrassing moment was when...

"I had to kiss a random understudy minutes before a public performance because the leading man was MIA." -Rachel Fairbanks

"On the first day of high school freshman year, I walked into Writing for College, sat down, and after the teacher read off the attendance and I wasn't on it, I stood up and announced that I was supposed to be in Writing for High School instead! All the seniors in the class laughed." -Taylor Donovan

Dear Class of 2010,

It has been such a pleasure for us to be your class advisors! Since entering Chelmsford High School in the fall of 2006, you have made it known that you are a class that will settle for nothing but the best! Your spirit, enthusiasm, and passion have made this one of the most memorable experiences for us. You have succeeded in the classroom, in your athletic endeavors, on the stage, and in the community. Your commitment to success has been demonstrated throughout your four years from Super Bowl Champions, State Champion Swimming and Diving team, National Merit Scholars, award winning drama productions, MVC Champions, Women and Science Award, State and National DECA awards to winning Spirit Week as both juniors and seniors! We are so proud of all you have accomplished. Personally we both have special memories of all of you. For Mr. Blagg, you are the last group of students that he had while you were students at McCarthy. For Ms. Haywood, I have known many of you since elementary school and one special one since birth. It has been so much fun for us to watch you grow into the fine young men and women you have become. Not to say there were not any bumps in the road along the way, but it was how you grew and learned from those bumps that make you stand out among your peers. You have been given the tools to succeed, now use them to the best of your ability and continue to demonstrate good judgment, positive attitudes, and the drive to be successful. As you leave Chelmsford High School, take with you wonderful memories, life long friendships, and the keys to knowledge. We wish you nothing but happiness and success and know you will be heard from in the future! Good Luck in all you do!

Fondly,

Mr. Blagg and Ms. Haywood

"The **best** part about being a junior is feeling like a community with my fellow classmates after so many years together. The **worst** part is getting ready to leave." - **Devin Custalow**

"The **best** part was probably pep rally and not coming in last place again. The **worst** for me was that we changed schedules and principals right before our hardest year" - **Amy Sennott**

"The **best** part of junior year definitely was getting my license. I'd say **worst** part would be SAT's and tough classes." - **Pete Lawlor**

"The **best** part is that we're one more year closer to becoming Seniors. The **worst** part is the stresses of the new schedule" - **Bri Bailey**

# Sophomore Polls

How is **sophomore** year better than **freshman** year?

"I know the school better and I know more people, which make the whole experience more fun. Also, I'm not a freshman anymore which is a plus."

- **Torrie Russo**

"I guess just because I'm used to the school now, the "new" feeling as a freshman is gone. I feel like I'm part of the school more since I've been here longer. Also, the authority over the freshmen is nice."

- **Vinny Maniscalco**

"First of all, I know my way around the school, which is always helpful. Overall, I think sophomores are more adjusted to the way things work. I know what the teachers expect, I get a general idea on how classes are, and I see how everything is social wise. Also, I don't have to be afraid of the "everyone hates the freshman" norm."

- **Chelsea Diggs**

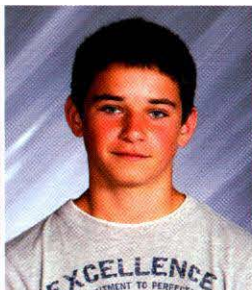

"Well, I have the right to boss around freshmen, I know more people, and I just know things."

What a season, making it to the Quarter Finals at the state tournament! Although we had a bumpy road along the way, filled with swine flu and almost losing digits, we found a way to pull it all together and make this season unforgettable. We're going to miss you all next year. Good luck, kill Andover, and don't drive coach crazy!

Yo Freaks!

Thanks for such a great season! We have come so far over the years and built ourselves to be a competitive team. No team was able to walk right over us. Juniors stepped it up, sophomores kept the team together, and freshmen... you guys are weird but we still love you! For such a weird group of individuals, we had so much fun, and you gave us the best senior year ever. Take care of coach and Mario for us! Try not to scare Luigi off again too! We can't wait to come watch you guys next year. We will miss you!

Sup, ladies? Cross country... it's trickyyyy, we know. But it's been an amazing season, by far the best in a long time. We've been through the most enduring workouts, longest runs (only 13 miles... it's a breeze), delicious pdmmars (Thanks Rangeley), and of course, most violent of races (yes, we do mean violent. Have you seen Legs' elbows?) You have all proven to us that you have the mind and the heart, not just the skill, necessary to compete in this sport. It takes more than just the right pair of Mizunos and the best pair of Asics shorts to succeed. It takes more will power than anything to do what you all do. But remember, stay strong, stay fresh, stay fly, and stay outteeee. Good luck next year!

To Our Lady Lions,  
 Without you where would our team have been?  
 It took everyone's energy and effort to win.  
 We began our season with excitement and zeal.  
 But as the season progressed we struggled a great deal.  
 We struggled and fought and struggled some more.  
 We talked, we did activities, we slapped our numbers on the door.  
 Frustrated and tired we had to make states.  
 But we were determined and improved at a fast rate.  
 We celebrated Christmas and senior night too.  
 We made Charlie meow and we said Meenoo.  
 As coach sang to Taylor Swift and Kendall kept us all sane.  
 We danced to Russian Privet even with injuries and pain.  
 We loved and we laughed and defined family.  
 We rubbed in a circle and talked about our tree.  
 It has been the greatest season captains could ever ask for.  
 We wish you good luck next year, go out and win even more!  
 Love Always,  
 Lex and Kels

This has been a fantastic season.  
 Our team is the best for many reasons.  
 It was a crazy start at the beginning of fall.  
 After hell week we could only crawl.  
 Having to deal with tryouts after school,  
 We suffered in a freezing cold pool.  
 And although swim practice left us beat,  
 We were able to accomplish many feats.  
 Beating one team and then another,  
 Our team dominates like no other.  
 With our spirit days and pretty sweet dance  
 moves,

Unity is what our team proves.  
 Although they never give us rest,  
 our team coaches are the best.  
 In our heads her loud voice rang,  
 Mrs. Kimmett's southern twang.  
 In all of Josh's motivational speeches,  
 We praise all that he teaches.  
 And although we always pout,  
 Tom never fails to write a hard workout.  
 With our big meets fast approaching  
 and our relentless coaching  
 Grits we will never cease and quit,  
 One Love. One Team. One Goal.

## LET'S DO THIS.

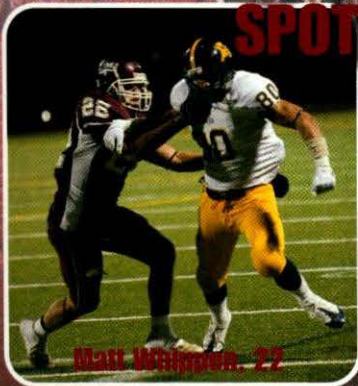

After a summer of linemen waking up at 5:30, 7 on 7 championships, and BR inventing the "lon" offense, we had high expectations. It began vs. Waltham with a goal line stand consisting of a man who can jump out of pools, and 3 of our o-linemen lined up on defense. Then came AB, it had been 10 years. The morning of September 18th, the Boston Herald sports headline read, "Lions Erase Colonial Curse." We made our mark in OHS History. "NOT THIS YEAR BABY!" A season of tough bounces, a beat-up GI Joe, and persistence yielded a 6-5 record. We never put our heads down, and we had a team full of winners who together produced yet another winning Lions Football season, keeping the tradition alive. The friendships made this season will prove more important than any record ever could be, now, and down the road in years to come. Good luck to all underclassmen, the MVC is getting better every off-season, and so is Bilerica, are you?

Our record certainly wasn't above average, but our hard work and the fun we had proved more important than being 7-13. We had a team full of kids who got after it and we all love playing basketball. There was Stoogle and his down-low presence... Boo-Radley and his hundreds of blocks in practice... Josh Kingston who wishes to be a warrior one day... Corky who has more swag and cockiness (and baby fat) than his brother... Ju-jitsu master Chadwick who will kill you with his finger... Lil' Petey who threw down dunks everyday (not in a game)... Matty D who played like such a big on offense, but a little on D... CupCake Connor: the best off-the-bench shooter in CHS history... Ne-mar who's just a damn good kid, and he's happy to be here... Witkus set a record for most attempted 3's in a practice, and who could forget Zip.

Hope you all enjoyed every minute of it, and good luck next year.

Dear Bros,

Well, we got off to a rough start this season, but by the end, we emerged as the MVC champs! Right from the start, we put in 100 percent effort and we never gave up. As the season went on, we emerged as a team. Defying Odds Means Everything. Besides our MVC victory, we also formed a strong bond between all of us, and many strong friendships. We want to wish all of the senior's good luck after high school and we hope that they will remember all of the good times they shared with the team. We also wanted to thank all of our coaches: Josh Blagg, Tom Wright, Charles Kirnnett, and Craig Vitale. Thanks for keepin' it tough and never giving up on us. Great Season and see you all next year!

Josh and Nicko

Dear Our Winter Trackies,  
 This has been the best winter track season yet. We really came together and united as a team: sprinters, distance and throwers. We'll never forget Mo's first "non-loss", cutting our sleeves for "AJ Day", fist pumps to Single Ladies... and Coone's interesting dance moves... and the best of all, Big Red getting us in trouble with that head of his. Those flashing red and blue lights following our bus definitely scared us all. Thanks so much to our faaavoorite coaches: Mo, Len, Crane, Lang, Nate, Shawn, and Russo, for always putting up with us when track is not the funnest thing, knowing how far to push us, and of course, coming up with the best nicknames (Len). We'll miss you all next year! Run fast, jump high, throw far!

Alex,  
Remember that life is short so live your life to the fullest...Don't audit life, no matter how you feel, get up, dressed, show up and make the most of it...Stay true to yourself, your family, your friends, and your faith...Hard work always pays off in the end... We hope your dreams take you to the corners of your smiles, to the highest of your hopes, to the windows of your opportunities, and to the most special places your heart has ever known. Twenty years from now you will be more

disappointed by the things you didn't do than by the ones you did. So throw off the lines, sail away from the safe harbor. Catch the wind in your sails. Test the waters. Dream. We love you and are very proud of you. Love, Dad, Mom, and Allison  
P.S. Life is hard...wear a helmet ;)

*It seems like only yesterday that you were a happy, bubbly baby and an inquisitive toddler. Then you marched into preschool without a trace of fear, ready to make new friends and learn new skills. You have made many friends over the years, some that I hope will be with you all your life. Just like Leo the Late Bloomer, you took your time getting to where you wanted to go in school. But you always got there. And now you are embarking on another journey, away from us, to see where your talents and aspirations will take you. Always remember we are here cheering you on toward your success.*

*Love You Forever.*

Thank you for...Breaking Mom and Dad in as parents and not making it too hard; Welcoming Zach to the family and being his teacher (remember "lower case companion?"); Being a genuinely loving and compassionate young woman - toward family, friends, tween-age campers, and others in need; Having the talent and confidence to get on stage and perform (and making Mom cry on a regular basis); Appreciating Vladimir for the warrior that he is, and Dad for his ability to keep him running sometimes despite your best efforts; Welcoming Mom to the high school and not being too embarrassed to acknowledge her presence; Showing Zach the ropes at CHS - figuratively AND literally - and being his chauffeur on so many occasions.*

*We will miss your presence and energy in the house next year but we know that others will appreciate you just as much when they get to know you. We wish you all the best in the years to come and hope that you will find satisfaction and JOY in all your future endeavors.*

Always remember you have our love, admiration and support forever.

**CONGRATULATIONS** and may all your dreams come true.

## Jillian Bungard

With joy in our hearts, and tremendous pride as parents, we thank you for allowing us to be part of your continued journey in life. You always shoot for the Moon, and have landed amongst the stars.

All our Love,  
Your Family.

## Taylor Donovan and Lora Damon

Dear Taylor + Lora,

We hope that the days come easy and the moments pass slow,  
And each road leads you where you want to go,  
And if you're faced with a choice, and you have to choose,  
We hope you choose the one that means the most to you.  
And if one door opens to another door closed,  
We hope you keep on walkin' till you find the window,  
If it's cold outside, show the world the warmth of your smile,

But more than anything, more than anything,  
Our wish, for you, is that this life becomes all that you want it to,  
Your dreams stay big, and your worries stay small,  
You never need to carry more than you can hold,  
And while you're out there getting where you're getting to,  
We hope you know somebody loves you, and wants the same things too,  
This, is our wish.  
- Rascal Flats

We wish you both a great adventure, good friendships and all the happiness life has to offer. You both are VERY SPECIAL people.  
Congratulations! Love, Your Families

# Lexy Lattimore

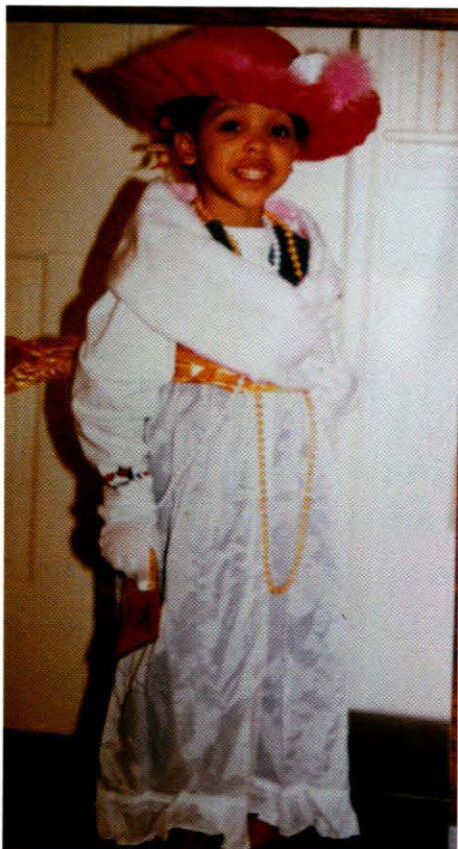

I hope you never lose your sense of wonder  
May you never take one single breath for granted  
God forbid love ever leave you empty handed  
I hope you still feel small  
When you stand by the ocean  
Whenever one door closes, I hope one more open

I hope you never fear those mountains in the distance  
Never settle for the path of least resistance  
Living might mean taking chances  
But they're worth taking  
Lovin' might be a mistake  
But it's worth making  
Give the heavens above  
More than just a passing glance

And when you get the choice to sit it out or dance  
I hope you dance

(Lee Ann Womack)

Dance, Lexy! Dance!  
Love Mom

You are all grown up, now. We're so very proud of you. You have accomplished much and made the most of your high school years. Always Remember!

We Love You!
