# Mr. Pasquale

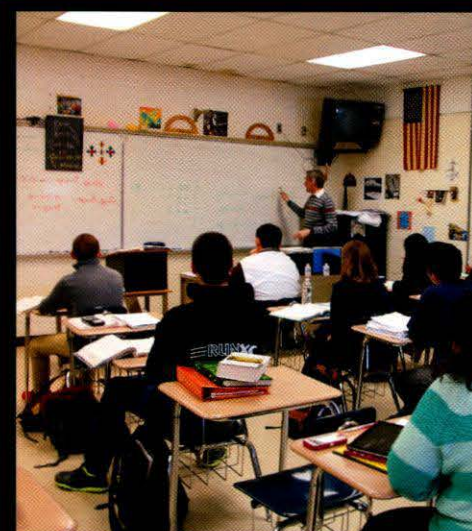

If you were to ask CHS students and faculty about Mr. Pasquale, one word would quickly become a common theme among responses: Respect. He has rightfully been voted as the “Most Respected” teacher year after year by the senior class. Mr. Pasquale's kind nature and welcoming learning environment makes everyone feel at home. Generations of CHS students have been lucky enough to sit in his classroom. What is so special about him is that he not only teaches calculus, but other important lessons as well. Students learn about the world around them, and all of the things within it. He begins every class asking if the students want to discuss anything in particular, which is something most teachers do not do. Mr. Pasquale has the amazing ability to inspire students, making them WANT to learn, which is a true gift. The dedication he has put into enriching young minds is truly admirable; any one of his students can attest to that. Whether it be thinking of new ways to ensure his students understand the material, to writing the famous “Friday Quiz” for 21 years, Mr. Pasquale has a devotion to his job that most people cannot come close to reaching. When asked what he will miss most about CHS when he retires this year, he said “All schools aspire to be learning communities. Chelmsford High School actually is one. I will miss my colleagues, but most of all the students who have sustained and inspired me in all of my years here.” As he retires this year, he will leave behind a true legacy, never to be forgotten.

# Why did you vote for Mr. Pasquale?

"He is an incredibly polite and intelligent teacher who really cares about his students."

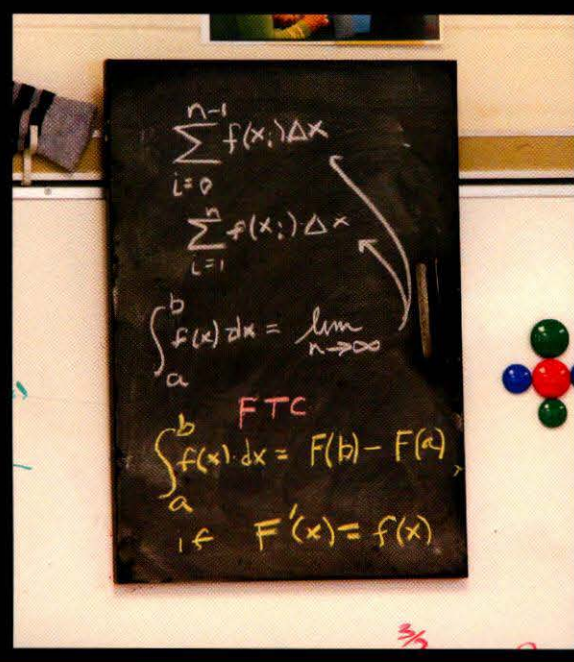

"He teaches you that calculus isn't just about numbers and equations. He can give you five different ways to approach something that you've never thought possible."

"He is wise and teaches not only to his students, but for his students. A truly remarkable class."

"He can remember the smallest details about events, classes, or students from days to decades back. It's incredible - most teachers can't even remember you five years after you graduate, but he can."

"He is an excellent teacher, person, and mentor."

"His teaching has had an impact on all who have been lucky enough to have him."

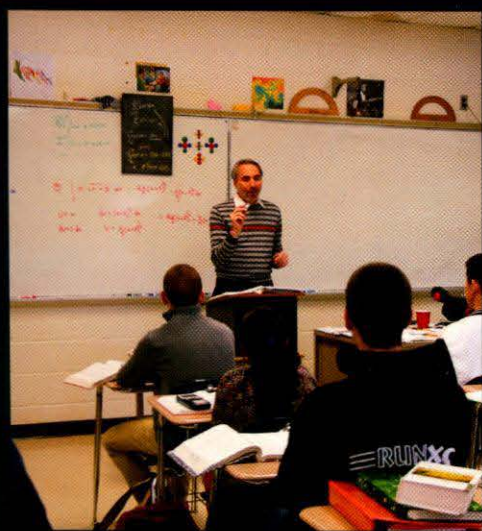

"He is always calm yet amazingly hilarious in his own way. Needless to say, he's a LEGEND."

"He makes sure that all of his students understand every piece of material, and prides himself in teaching us things other than calculus."

"He has amazing ties."

"He's knows absolutely anything about EVERYTHING."

"You don't learn just math, you learn geography, cooking, French, politics, current events, comics, and the list goes on. You never stop learning and it makes you curious about the world around you."

I don't know what I'll do without you

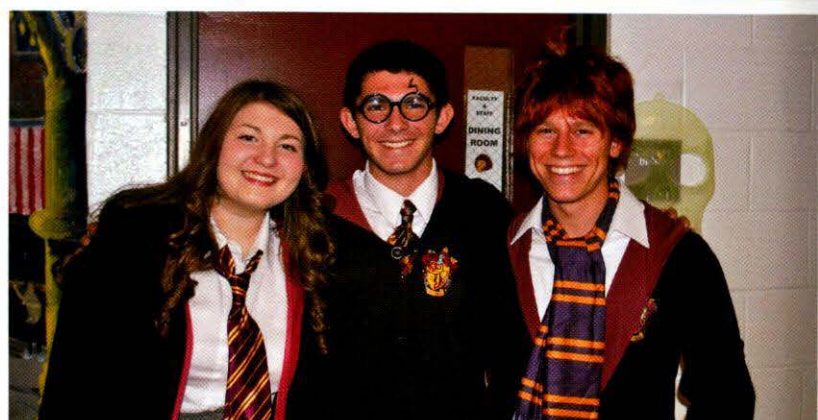

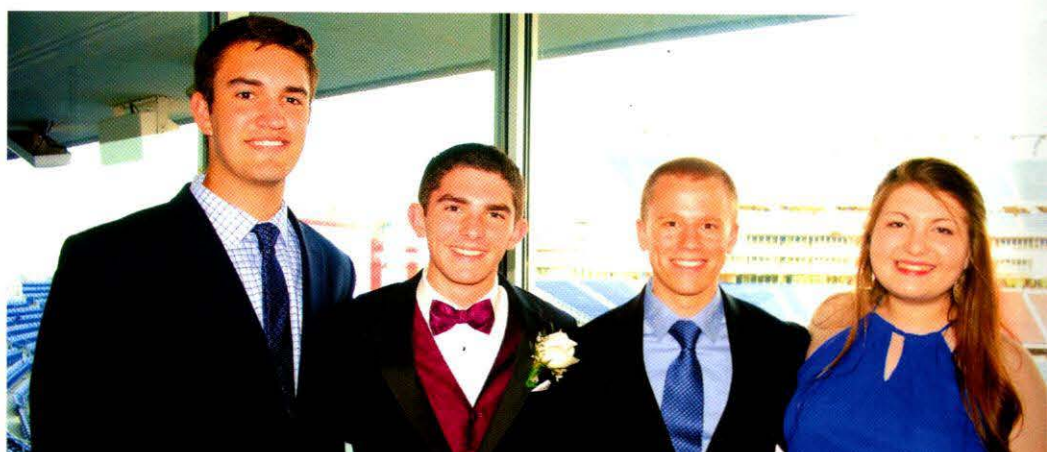

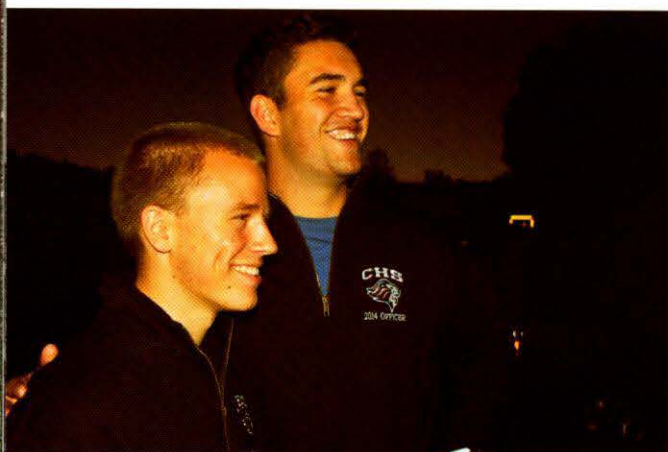

Class of 2014,

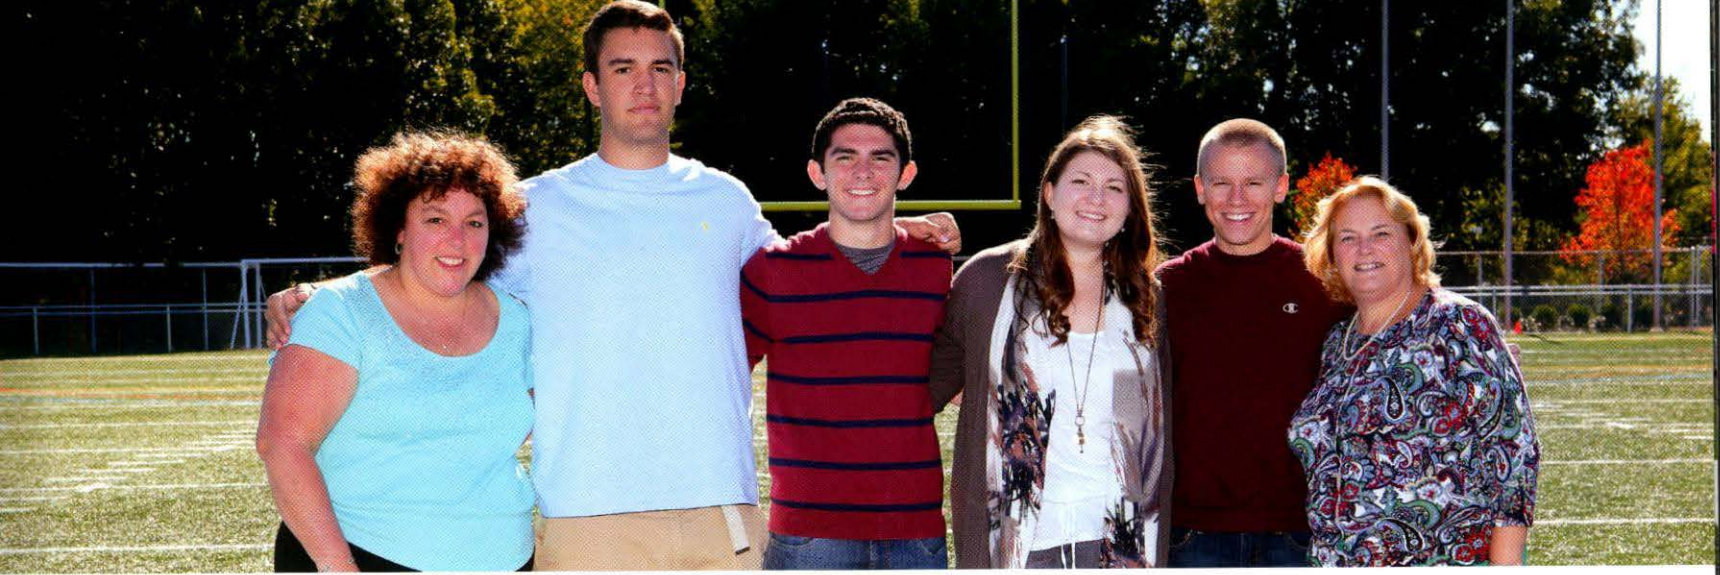

Congratulations on four years of outstanding achievements. This class has harbored excellence in every facet of high school experience. Among us are leaders in academia, athletics, theater, and every other area of study imaginable. We have all been given the opportunity to develop and expand our interests, while simultaneously allowing ourselves to cut loose and enjoy ourselves in a way which can only be done in our days here at CHS. Through Pep Rallies, football games and school dances, we've proven our spirit, our camaraderie, and our basic love for all things Chelmsford. As we go our separate ways, holding onto the principles of hard work and passion which have been instilled in us through years together, I challenge you to always remember the roots from which you grow, and the experiences which shaped you into the incredible people you will undoubtedly all become. It's been an absolute privilege to serve as your Class President, and I couldn't have asked for a better group of people to represent. Thank you for four years of incredible memories.

Sincerely,

Matt O'Keefe

Dear Class of 2014,

It is with heavy hearts that we sit down to write this page of the 2014 yearbook. The fact that four years have passed since you first walked into the halls of Chelmsford High School is astounding to us. It seems like it was yesterday that we were welcoming your new faces and ideas to CHS. Prior to your arrival we had been told that the Class of 2014 was a strong group of individuals. What we soon learned is that you were a strong group of individuals that grew closer together and worked harder together every day. You have succeeded in so many different ways throughout the years both in and out of the classroom. You have excelled academically, on the stage, and in so many sports arenas. You have brought pride to us in all you have done whether it was with the award winning plays and musical, bringing home the state championship, excelling with National Merit scholarships, MVC champions or the many playoff teams you produced, DECA awards or Mock Trial experiences. Of course, we will never forget Spirit Week and the amazing spirit walls. You demonstrated passion and compassion in all you did. We will always remember how you rallied around a classmate stricken with cancer, the endless cards, fundraisers and pure concern for her and her family. The community of Chelmsford will forever be thankful for all your community efforts, from fundraising to community volunteers.

It has been so much fun for us to watch all of you grow into the wonderful young men and women you have become. You have faced challenges head on and have overcome them with style and class. Chelmsford High School has given you the tools to succeed, it is now your responsibility to take these tools and soar with them! It has been a pleasure working so closely with the class representatives and the four very qualified individuals you elected to be your class officers: Matt, Brad, Derek and Kathryn you have outdone yourselves! Your maturity, organization and dedication continue to amaze and impress us; you are the face of the Class of 2014. 2014, as you leave CHS take with you not only the keys to knowledge but cherished memories, lifelong friendships and the desire to succeed in all you do. We wish you nothing but happiness and success in all you do!

Sincerely,

Ms. Haywood and Mrs. Smith

ladies,  
 every year we get thrown curveballs but somehow we always persevere. this year we really came together as a team and didn't let anything stop us. we couldn't have asked for a better way to end our senior season than by finally making it to regionals! next year we know that shannon, lizzy and any other captain will lead you guys exceptionally well and take you to regionals again. remember that it may not always be easy but we ARE chelmsford and we can get through anything. we will cherish the memories and friendships we made throughout the years and will miss each and every one of you very much.

hey xc girls!

it was a great season, starting with the early morning summer practices and hard workouts, to an outstanding finish at mvcs and states. we've come so far from where we started at the beginning of the season and all our work really paid off. we're so proud of all of you; we know you worked hard to make our team the best it could be. we're going to miss all the great things that come with being a part of our team, from team sleepover to tp-ing the boys' houses. remember to stay cute and that sticks in a bundle don't break.

## a letter from your captains

there's a lot to be said about this team's camaraderie. it was great seeing so much dedication from every runner. as the season progressed we bonded in every way possible. whether it was by walking around the school "pantless" or working together to achieve our goals, the enthusiasm everybody showed was truly unique and this season was one we will never forget. we are honored to have been a part of this team and proud to be captains of such an amazing group of men.

thanks for a great season!

## a letter from your captains

to our fellow fhockey girls,

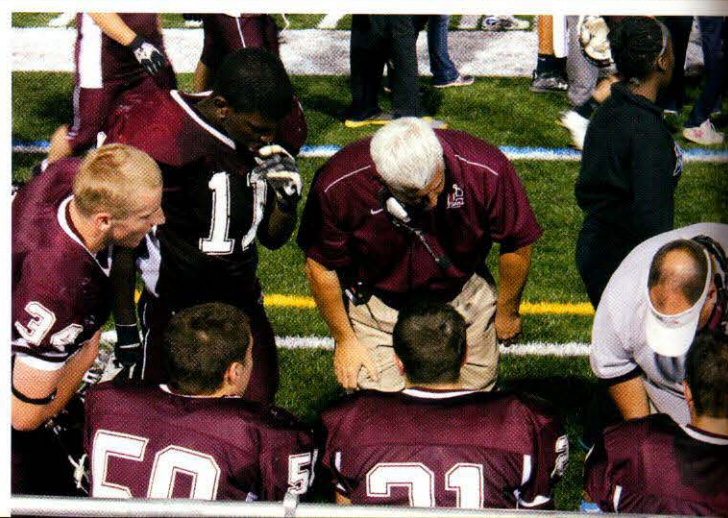

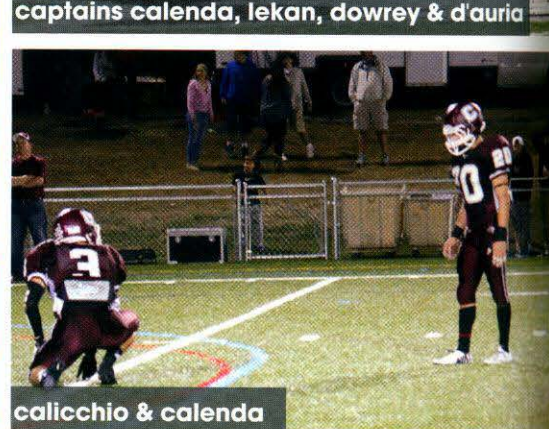

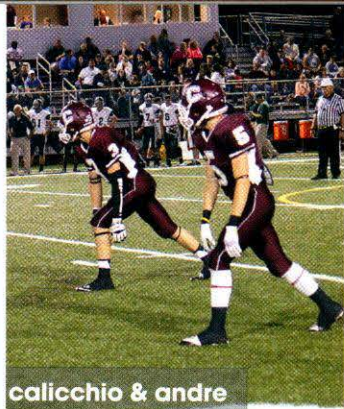

so, we did it again... back-to-back mvc CHAMPS! we worked so hard this season and our success came from every single one of you. the three of us would not have been able to get through this season if it weren't for all of you girls standing by our sides every day. a huge thank you to all of the underclassmen this year for all of the hard work and time you girls spent making a perfect senior night and banquet for all 10 of the seniors! although this was not an easy year, we made the most of it and the three of us will never forget the memories that were made. whether we were crying over a tough loss, or crying from laughing so hard, this team had the most heart we have ever seen in our four years, and we are so proud of this group of girls for coming together the way we did. thank you all for being so awesome, we are going to miss our 21 best friends :)

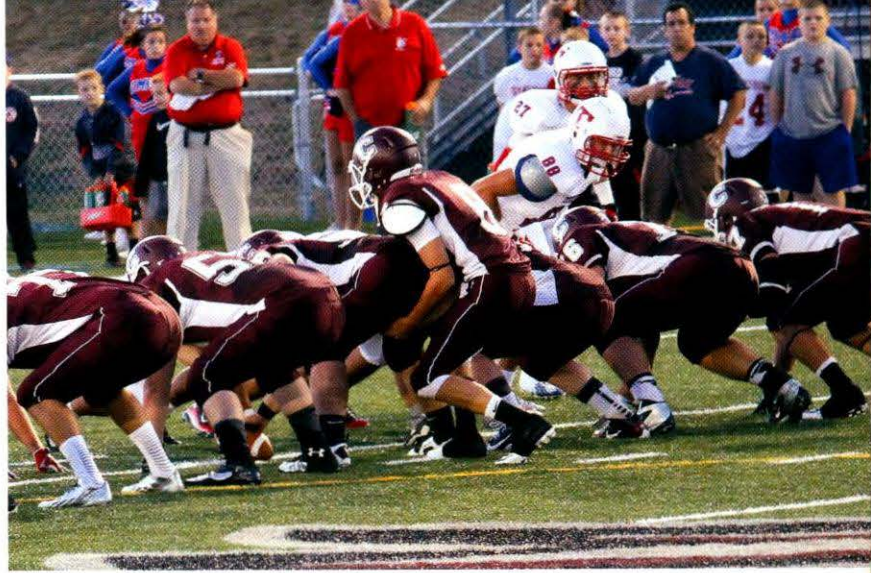

love always,  
amanda, delaney, and libby

this team will go down in history at chs for being the team to win the 500th football game. we will go down as one of the only chs football teams to ever beat billerica twice in one season, and for the seniors, a record of 5-0 against billerica. as the lowell sun headlined, the "lions finish it off in style". through all kinds of adversity we pulled through and always found a reason to keep fighting. no one quit, and when the going got tough we had each other's backs. thank you to the coaches who have taught us invaluable life lessons, and who are like family to us. we could not be more honored and thankful to be the captains of this team.

congrats everyone for our second place finish in the conference. all of you worked hard the entire year. we definitely proved that we can compete with anyone. we ground out a bunch of close victories and we remember how pumped everyone was when we beat andover to make it back to states (thanks connolly). this season we had a lot of fun in all of our practices, matches, and at team dinners. we're going to miss the great times we had. after our great performance this year, we know you guys can do even better next season. thanks to everyone, including our coaches of the year, shupe and z, for making this year special. we won't forget you guys anytime soon.

best of luck,

dear team,  
 this year was definitely a year to remember. everyone on this team was a part of our big crazy family. we had some ups and downs during the season, but we stuck together through all of it and remained family. every moment of this fall season, whether playing on the field, going to pasta dinners, or having team sleepover, was thoroughly enjoyed. we know all of the players have each others backs no matter what. this year we became more of a family than ever, and we are so proud to come from this team. saying thank you is an understatement for how we feel. we have so much gratitude for all the care and dedication that came from this team. we are so proud of each and every one of you for giving 110% on and off the field to make this season a great one. we will love all of you forever.

dear chs soccer team,  
 we headed into the season with a lot of uncertainty; a new coach and not many returning players. however, after a rough start to the season, we won our last 9 games to reach the tournament yet again, where we knocked out arch rival billerica at their house. in the second round we ran into the number 2 seed and took them to the final minute of the game. overall an awesome season guys, wouldn't have changed it for anything.

at the start of the season we didn't know what to expect. but, after finishing the season with only 3 losses, we couldn't have been happier. it was an amazing season! we made it further in the state tournament than we ever have before. with the support of the school and the tundra, we fought hard until the end - going into overtime in our last game. we are so proud of everyone on the team and with only two graduating seniors, we know you will do even better next year.

to the basketball team,  
guys, this year was hands down the best year of basketball we have ever had. at the start of the season, people had written us off, saying that we wouldn't amount to anything, and have another year of disappointment. many of us worked our hardest all year round to prove our doubters wrong. the first tryout was stressful, but we banded together and made it through that hellish week. we had goofy team dinners, crazy win streak superstitions, and practices full of tension. we beat two big schools and finally made it to the playoffs. our journey to the tourney was completed. although we lost that final game, we played the best we had in years. it had never crossed our minds that our strange, goofy, grouping of teenage guys would be able to snag a home game in the tournament. although we did not win, we brought back chelmsford basketball to the prominence that it once had. thank you for making this year a dream come true.

hey guys,  
 of our four years on the team, this was one of our most memorable seasons. we had a great time working hard at every practice, especially at those saturday practices when we all slept in the pit. we accomplished gathering enough people to have a team this year and still "coming in hot". starting the season, we thought we wouldn't have enough people for beam when in actuality we didn't have enough on bars; we worked together to make it happen. still our favorite moment was being surprised as to how kate was going to end her floor routine. good job this year and thank you for a great season. good luck next season and keep the morale high. is it just us or did this season fly by faster than Bossi on a breakaway? as the senior captains, we can both agree that this was the best season we've ever experienced! going into the season as a young team, we overcame adversity. we competed against some of the best teams in the state and played right up at their level. we started the season as 19 individuals and finished the season as a family. with endless team dinners, nonstop group texts, and competitive laser tag with fletchzilla, we made memories that will be as impossible to forget as how sore we were after an insane edmund workout. as a team, we created a year lenny and jim will never forget by blowing them away with our talent and teamwork. as individuals, we all improved so much and worked extremely hard which helped our team make the state tournament. in 10 years, we probably won't remember the wins and losses, but it's a given that we'll remember the memories we made with each and every one of you. as your proud captains, we want to say thank you for a senior year that was more than we ever could have hoped for! we will miss you all so much, but we know you'll kill it next year! we are chelmsford, WE ARE ONE!

## a letter from your captains

wrestling is an extremely difficult sport. it tests you both mentally and physically. when you step onto the mat, you are alone and must be ready for the challenge. a wrestling match is a battle of skill and strength where 6 minutes can feel like forever. you can't explain the feeling of a match to someone, you have to experience it to understand. so remember to work hard, dream big and you will make your own success. most of all, be a good teammate, support and cheer your fellow wrestlers, both jv and varsity. those who dare to step on the mat are part of a unique club. there is no one to help you, just you and the opponent. four years will go by quickly. you will never forget the grueling practices, the pain of injuries, or the weigh-ins. you will always remember the exciting matches, dual meets, and tournaments with your team. good luck in your future seasons. we are sure you'll represent yourselves, your team and our school well. leave it all on the mat boys.

your captains,  
james clasen and jake ahern

**Congratulations Derek!**

You were born smiling on an extraordinary Halloween day, and you have continued to wear that infectious smile everyday since. We are proud of the exceptional young man that you have become and all of your achievements at CHS. We have had so much fun watching you grow into the amazing person that you are. Believe in yourself and follow your dreams! You are destined for greatness!

"I hope the days come easy and the moments pass slow  
And if you're faced with the choice and you have to choose  
I hope you choose the one that means the most to you  
And if one door opens to another door closed  
I hope you keep on walking 'til you find the window  
if it's cold outside, show the world the warmth of your smile  
But more than anything, more than anything  
My wish for you  
is that life becomes all that you want it to  
Your dreams stay big, your worries stay small  
You never need to carry more than you can hold"
