ms.
sullivan:

"She helped me get through high school with a smile on my face."

"Ms. Sull stands up for what she believes in and makes students think outside the box. More specifically, she encourages kids to voice their opinions and make the right choices."

"She can talk to me about anything and always makes my day better."

"I think she has impacted our class in multiple ways. She has been a role model and a mentor for a lot of us in the Class of 2018. Not only is she our class advisor, she is our teacher and friend."

"Ms Sullivan is our teacher, advisor, and our friend."

"She's the 'cool mom' that you know could probably tear you into shreds if she really wanted to."

"She always has a joke or a story up her sleeve and is a friend to everyone."

"Ms. Sull and Mrs. LaFlamme have been our class advisors for the past four years and have done a great job. They put in a lot of effort to make sure we have fun events. Many students in our grade know them well and talk to them often."

ms.
laflamme:

"Mrs. LaFlamme has always been there for me during my four years at CHS. She is always willing to listen and has done a lot for our class."

"Our yearbook should be dedicated to Mrs. Laflamme and Ms.Sullivan for putting up with us for 4 years and still loving us."

"Mrs. LaFlamme has helped out our class so much and has been a great class advisor."

"Mrs. LaFlamme has gone above and beyond her responsibilities as our class adviser and is a friend to all of us."

"Had to dedicate it to the lady who can name everybody in the year book."

"Mrs. LaFlamme is someone I'll never forget at CHS . She helped me grow as a student and dedicated so much of her time to our class."

"I had Mrs. LaFlamme as a freshman and now as a senior. She is a great teacher and advisor, and I am really gonig to miss her!"

dedicated to ms. sullivan and mrs. laflamme...

The Class of 2018 would like to thank you for all that you have done for us over the past four years by dedicating our yearbook to you. Our appreciation for both of you is immeasurable, but we hope that this shows some of our gratitude. As our class advisors, you were there with us at every step of our High School journey, mentoring us and turning us into capable young adults. You were there from our first class fundraiser all the way to our last. You helped see us through our first midyears and finals, and kept encouraging us right until our very last day. Without your influence, we could not have been as successful, involved, or influential. Under your watch, we have succeeded at CHS. It probably wasn't easy putting up with us all the time, but you both somehow managed to do it. We can't imagine where we would be without both of you.

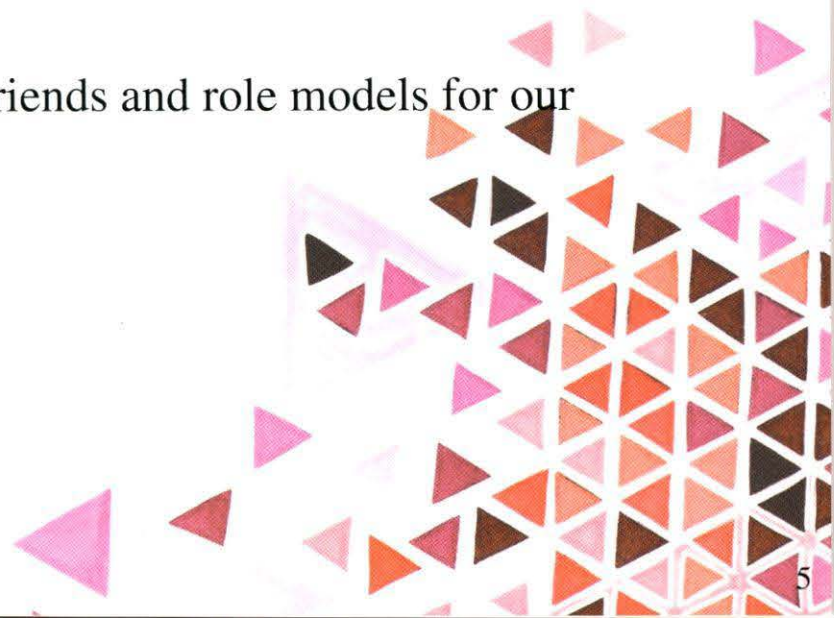

To Ms. Sullivan - In addition to being a fantastic advisor to our class, you are an amazing teacher. Generations of students have been privileged to have you as their teacher. Many of us enjoyed being in your classes throughout our four years at CHS. The jokes you share in class brighten our day, and everything you do for us does not go unnoticed. Your classroom is always full of positive energy, and students can see your passion for teaching. Your class is something all students look forward to. You're voted "Everyone's Best Friend" year after year because you're always willing to listen to us and supply us with donuts during Flex. We cannot thank you enough for your support over the past four years.

To Mrs. LaFlamme - Thank you for being an amazing advisor to the Class of 2018 and acting like our in school mom. We don't know what we would have done without you! We as a class appreciate how much you support and encourage us to continue learning. We couldn't have accomplished half of what we did without you there to keep us on track and in line every step of our high school journey.

Thank you for being amazing teachers, friends and role models for our class.

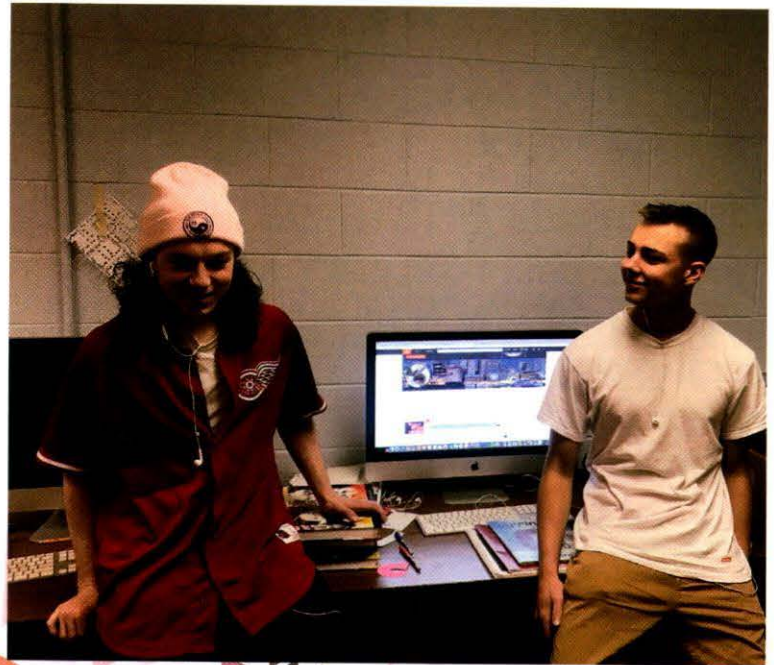

We'll miss you tremendously next year,

CHEVONNE FORGAN

1: I started Luge when I was 12 at a slider search in Carlisle. Luge is the fastest sport on ice, faster than bobsled or skeleton. Steering a sled is very technical and becoming one of the faster sliders takes years of experience. Speeds can reach up to 90mph, but I usually stay within the 70mph range. My team is made up of kids from all over the US. We spend the majority of the year together, either training during the off-season or competing together overseas. Traveling to Europe for my season is an incredible experience, where I can meet and talk to other sliders from all over the world. While overseas, my team usually gets a week of training in before we compete in junior world cups. My first season traveling to Europe was cut short when I fractured my pelvis in a bad crash. Luckily, after an off season of rehab and physical therapy I was able to return to the sport and continue training and competing. Not only do I get to travel to world to do what I love, I get to experience the culture and history of Europe firsthand with my team.

SAL LUPOLI

2: I've been involved in football for all four years of my high school career. I wouldn't take back any of the moments I was under the lights on Friday when everyone's watching the team. It meant so much to all the players when everyone came out to support us. Even through the coldest games you guys were still there. The bonds that I made with my coaches and teammates is unbelievable. I can truly say all the players that I have met and that I've been playing football with for years will be family forever.

JACK SLATTERY

3: Throughout my life, basketball has been a metaphor for life. I have been playing ever since the winter of first grade, and continued through my senior year. I have made so many memories through my AAU and high school teams. I love playing this game because it is ultimately a team sport, and it teaches you how to become a team player and a good teammate. There was nothing like playing in front a sold out gym in the state tournament or seeing everyone come out on a Friday night. I will cherish and remember those nights forever. I will also never forget who I played with at CHS. We all have created bonds off and on the court during my time here. It has been one of my best experiences here at the high school. I have loved representing this team and community, whether it was on the field or court. It has always been an honor and privilege.

a message from your officers:

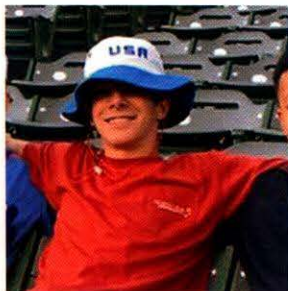

Brian Tong - Vice President

High School's like a roller coaster. There are ups and downs, half way through we want to get off, only to reach the end and decide it was great after all and wish we could ride again. Class of 2018 - we've been through our ups and downs, but at the end of the day we've always come out on top. I'd like to thank Ms. Sullivan & Mrs. LaFlamme for keeping us in check and for making sure our senior year was amazing. I can't wait to see what the future holds for us, and I know that we will do amazing things.

Diti Patel - Vice President

As our days at CHS are over, I think it is important to realize that our future is not something that we just wait around for. It is up to us to create it. Embrace the opportunities that lay before us and bring forward the knowledge and lessons that will be the working parts of our precious lives. I strongly urge you not to make these the best four years of your life; go further and live fully with every atom of your body. Most importantly, wherever we go in life, may we always be friends. Lastly, words cannot express my gratitude towards the staff here at CHS, especially the endless time and effort given by Ms. Sullivan & Mrs. LaFlamme.

Tommy Snelson - Treasurer

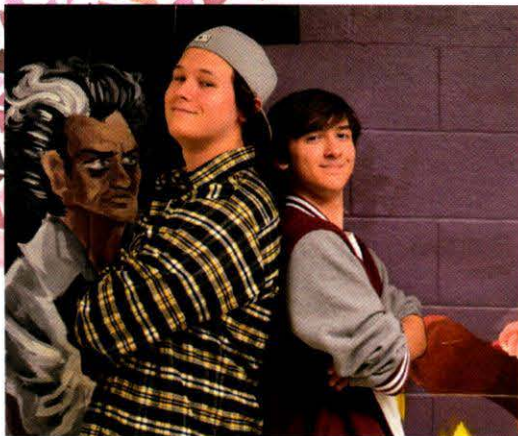

Dear Class of 2018 - Our parents were right, high school goes by fast. It feels like just yesterday we were eighth graders touring the high school. Now, we are all going off in our own directions: to college, the military, and the workforce. I want to thank everyone for the memories we've created together over the past four years, which I will look back on and cherish forever. I also want to thank Ms. Sull and Mrs. LaFlamme for working hard to make our time here as successful as possible. It's always sad when something great comes to an end, but high school is only the beginning of our stories. There's still a lot of empty pages to fill.

Brendan Malone - Secretary

To those of you I've met, thank you for accompanying me through all the countless memories and lessons learned together at CHS. To those of you I haven't met, I hope CHS has come to mean as much to you as it has to me, and that you got as much out of it as I did. To everyone in our class, I hope we all remember CHS as a stepping stone to a bigger and better future, and that we don't see it as the beginning of the end, but rather the end of a beginning. Also, big shoutout to Ms. Sullivan and Mrs. LaFlamme, this year would not have been nearly as successful as it was without their help and guidance.

THROUGHOUT THE YEARS

chapter two // student life

capture the *memories*

CHRIS ERVIN

1: At Chelmsford High School there are many great opportunities that you will have in the four years of your high school career. Being able to play for the varsity hockey team was one of my opportunities. I have been playing hockey since I was a little kid with my siblings, friends, and teammates. We have a great athletic program that was one of my favorite things about high school.

CHARLIE DAIGLE

2: I'm glad to have been a part of the Science Team in high school. Not only have I made close friends during my time in the club, but I've gained a lot of knowledge about science that I wouldn't have learned in a classroom. My experiences over these past four years truly sparked my curiosity in the field I now find endlessly interesting. Unsurprisingly, I now am planning to pursue a career in science.

NICK MARCOTTE

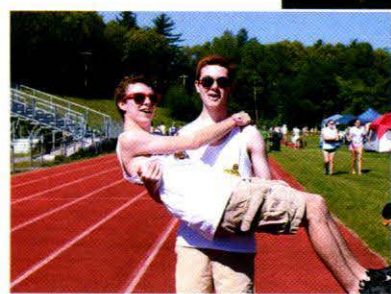

3: My name is Mr. J, AKA Nicholas Marcotte and I am a Soundcloud rapper. In regards to why I call myself Mr. J, I simply picked a random letter in the alphabet and put a "Mr." in front of it. I will absolutely continue to make raps after high school. I was 15 when I first started writing my own raps. My favorite song that I wrote is 10 Day because it is a direct portrayal of something I experienced. My songs give me the opportunity to share my experiences with the world and anyone who will listen. My favorite part about song writing is having the ability to let my thoughts flow onto paper. Making things rhyme is easy for me and writing lyrics is something I enjoy. A challenge I experience in rapping is producing and making a song sound professional. Being a high school student, I don't have access to the best equipment so that's something I have to invest in. My inspiration to write songs was to make a name for myself at CHS. I want people to remember Mr. J and all the rappers coming into the game at CHS. Shoutout to RIP Eclipse, Mitch, and Safari (Matt G).

'ROUND THE clock

The annual 24 Hour Relay is hosted by Leadership in Motion Everywhere (LIME). The relay provides an opportunity for students to form a team with their friends and spend a day at the CHS track, walking to raise money. This year, the event raised \$12,000 for local organizations.

Starting at 7:30 on May 20th, the fun lasted all day with activities like jazzercise, a volleyball tournament, musical performances from the a cappella groups, midnight ice cream from Sully's, and a 1 AM screening of *Guardians of the Galaxy*. In addition to these events, students look forward to the 24 Hour Relay all year because of the theme laps. This year's theme laps were purple, Halloween, glow in the dark, and pajamas.

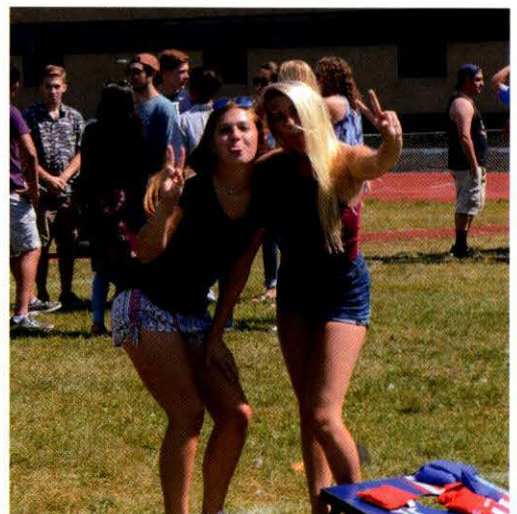

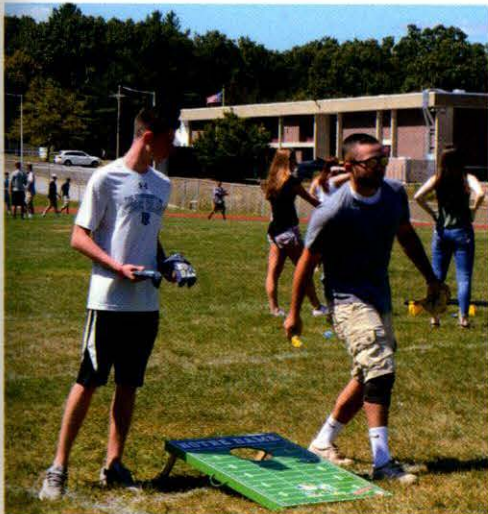

KICKING OFF THE *year*

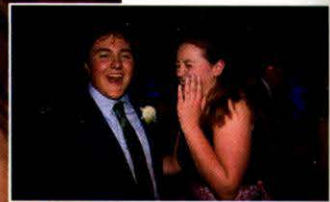

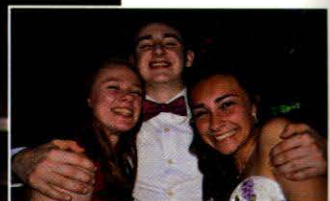

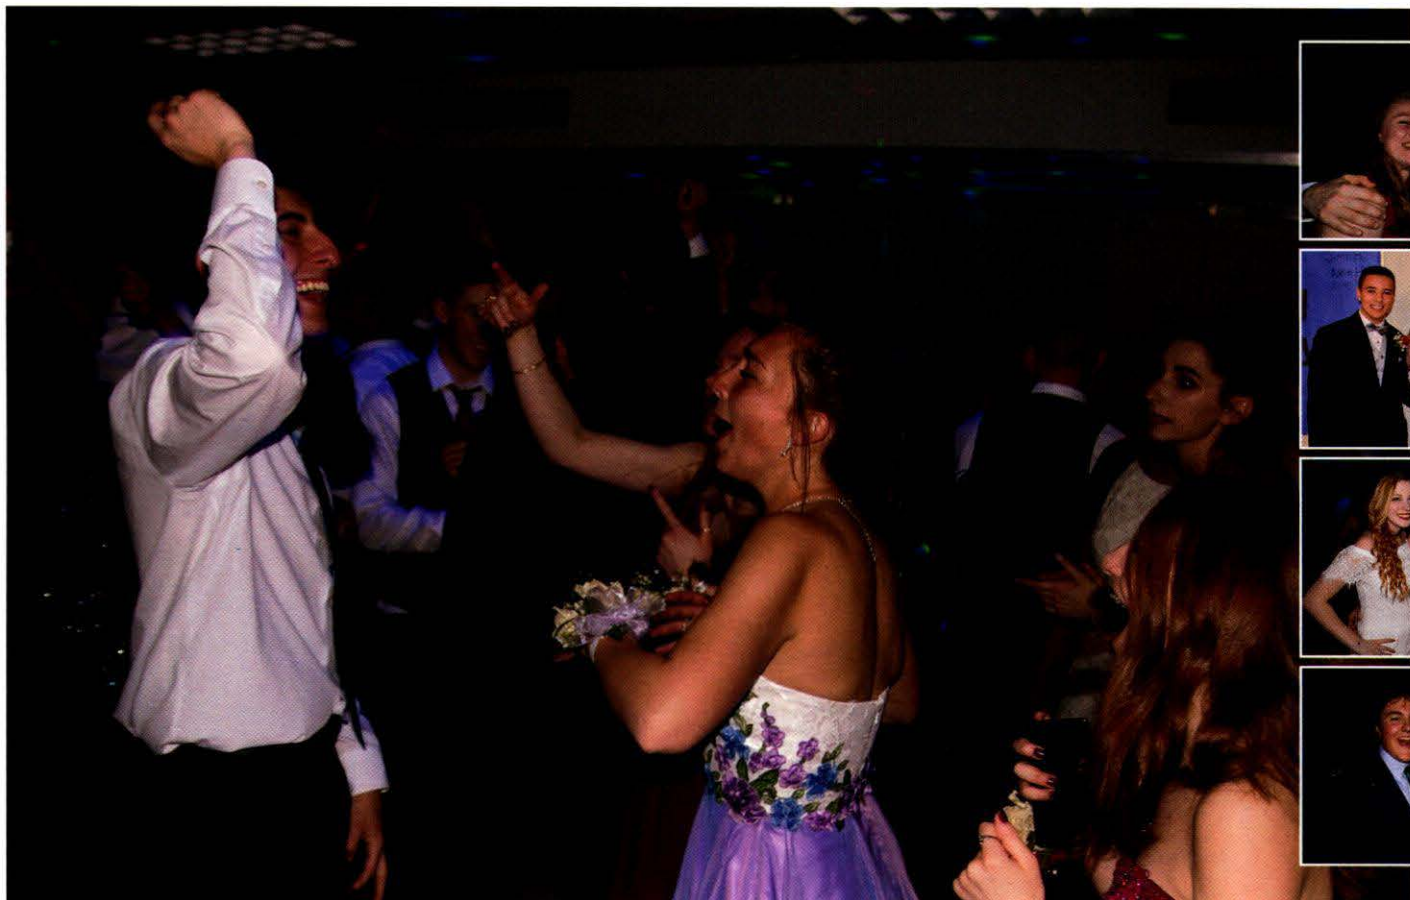

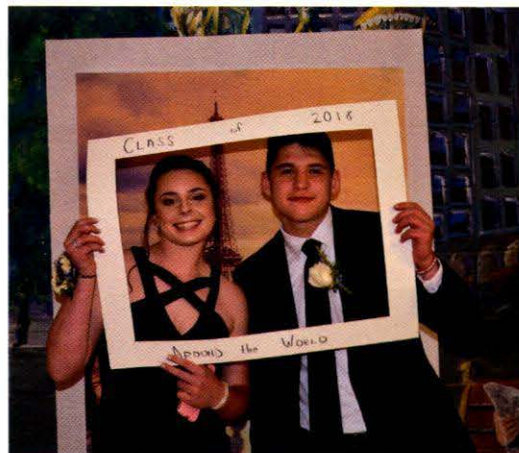

On August 30th, the senior class met on the CHS track to start their final year with an afternoon of games, food, and laughter. As our first fundraiser, Senior Kickoff allowed everyone to reconnect after taking the summer off, and get ready for the stressful but exciting year ahead. It was a small event organized by the Class Reps. The sunny weather allowed for lots of fun that afternoon.

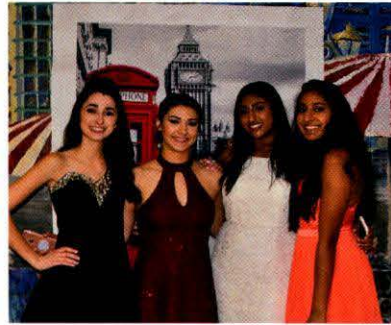

AROUND THE World

On the night of May 13th, the Class of 2018 attended the junior cotillion. The event was a welcome reprieve for many who had just finished up two weeks of AP testing, and it was a break from the stress leading into finals. The huge event was planned by the 2018 Class Reps, who chose "Around the World" as the theme for the night. They painted a giant mural on the wall of Cafe 2 that featured various monuments from different countries. One of the highlights of the night was when our class advisors, Ms. Sullivan and Ms. LaFlamme, joined in the fun by getting in the center of the dance circle to show off their moves. The event was a huge success.

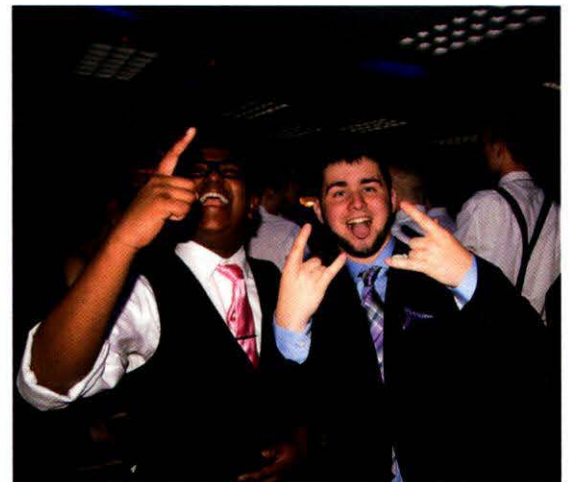

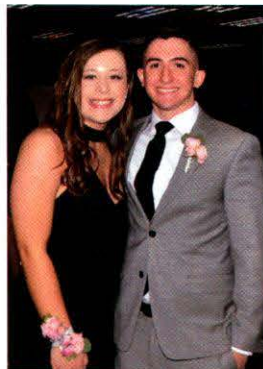

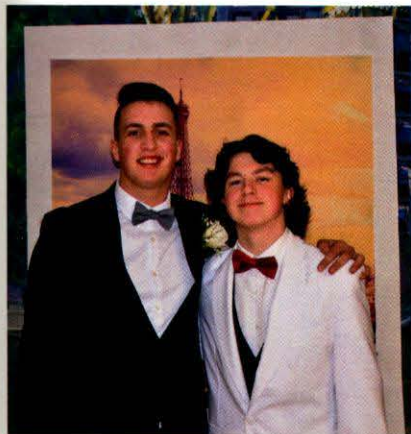

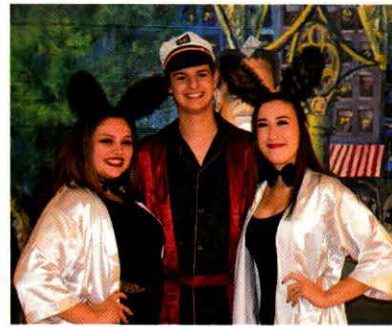

Chelmsford High juniors let loose for a night, relaxing after a couple of stressful weeks.

The senior-only Halloween Dance is an annual tradition that everyone looks forward to. This year, the seniors dressed up as criminals, tennis players, refs, ghostbusters and a collection of other oddities. They all gathered at school on October 28th. Not only did they spend the night dancing, but everyone participated in a costume contest. The dance brought the seniors together, making them more excited for the events to come.

Every year, Chelmsford High students celebrate the start of another school year by hosting the Tundra Tango. The Tundra Tango is a blacklight dance, where everyone wears all white in order to glow in the dark. Students from all grades are invited to attend, and the event raises money for the senior class.

Dean Lyons (Emerson House), Dean MacIssac (Whittier House), Dean Blagg (Hawthorne House), and Principal Murray also decided to participate in the event.

The event was a huge success, and students enjoyed watching the two teams take to the court and play for the title. Although the teachers put up a good fight, it was ultimately the students who triumphed at the end of the night. Congratulations to the students' team on their win!

DANCING THROUGH THE *night*

Homecoming was held the night of November 21st in the CHS cafeteria, marking the end of the first term. The dance was part of the Spirit Week festivities leading up to the Thanksgiving Day Football Game. It is always one of the most anticipated events of the year. Students in all grades dressed up and danced the night away, getting pumped for the Pep Rally that was being held the following day. It was a great night for everyone in attendance!

LEADING THE *charge*

On November 23rd, the Chelmsford Lions faced Billerica High in the annual Thanksgiving Day Game. The Thanksgiving Day Game is a long standing tradition beloved by the entire town. This year, the game was held at Marshall Middle School in the morning. Much of the town turned out to see the game, including many recent graduates.

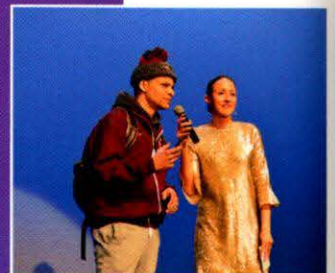

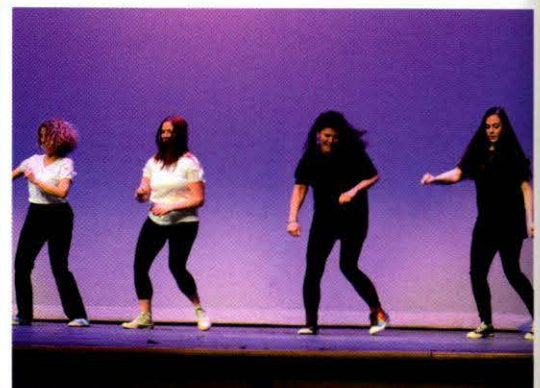

In the first half of the game, Billerica led the 22-0. Despite this initial setback, the lions came back in the second half of the game. Senior Sal Lupoli scored two touchdowns, causing the final score to be 22-14. At half time, the Chelmsford High marching band and color guard performed their medley of songs from *Guardians of the Galaxy*.

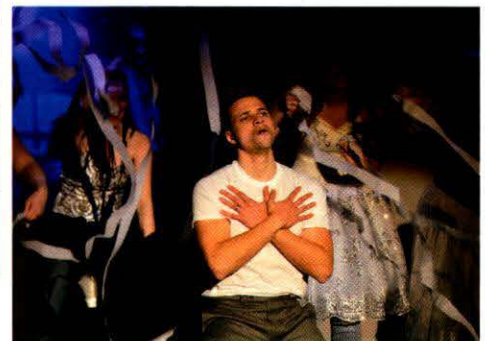

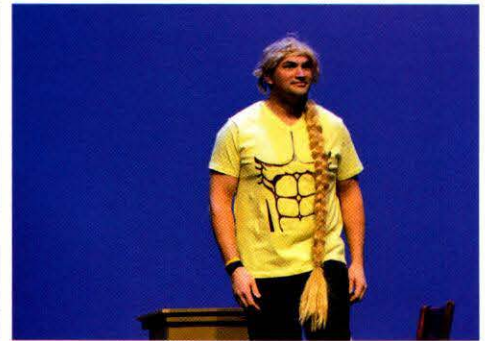

ON THE RISE TO *stardom*

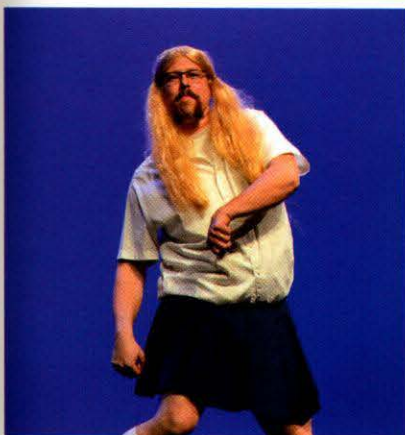

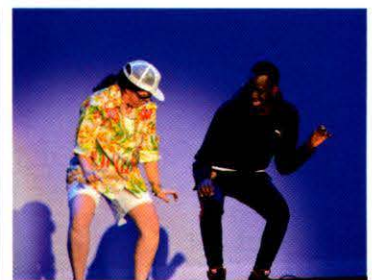

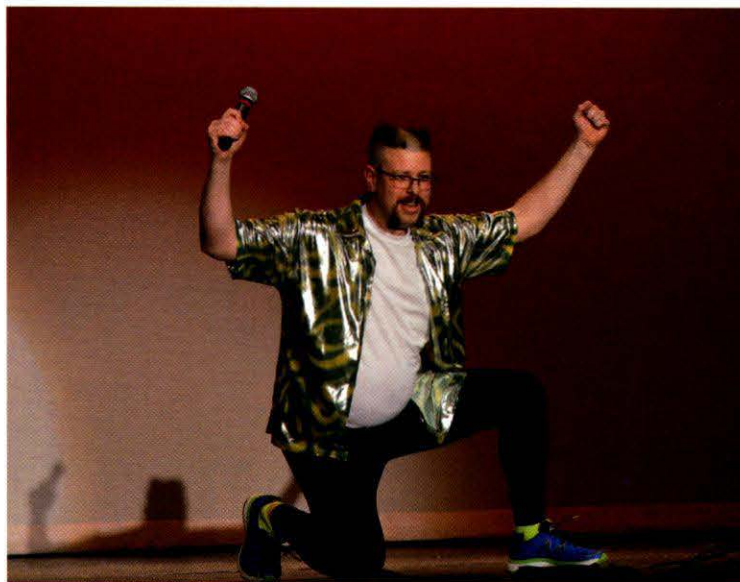

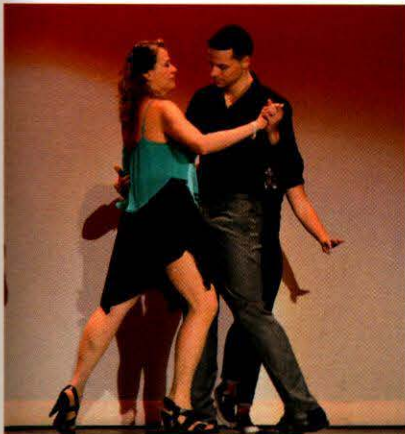

Every 3 years, the Theatre Guild organizes Next Top Teacher, a talent competition for teachers. This year, the contenders were Ms. Doak, Ms. Mostow, Ms. Morrill, Ms. Chagnon, Mr. Acheson, Dean MacIssac, Ms. Gabois, Ms. Cochran, Ms. Taha, and returning champ Mr. Beato. Some of the highlights of the show included Dean MacIssac and Mr. Acheson dancing to "One More Time", Mr. Beato and Dean MacIssac's epic lip sync battle, Ms. Mostow's original song titled "Peanut Butter Blues", and Ms. Doak's comedy act. Although all the teachers put on a great show, at the end of the night it was Mrs. Cochran who took home the title after teaching the audience how to dance during the talent portion. Ms. Gadbois was the 2018 runner up.

▶ Alyssa, Diti, and Julia put it best when they said that the boys' were ready to show their secret talents (or lack thereof). There were definitely some interesting talent choices, from Owen's dance routine to Eric's magic show to Luke crossdressing as Taylor Swift and singing "Love Story".

LET'S GET *sexy!*

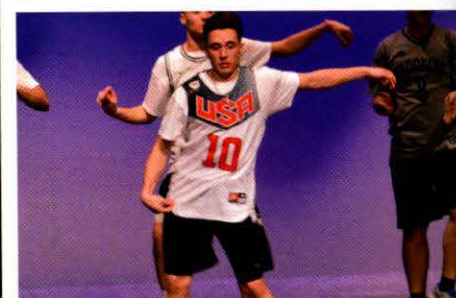

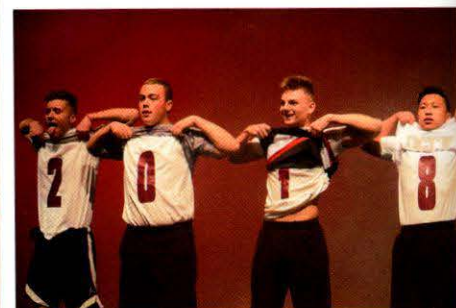

Every year, DECA hosts Mr.CHS, a pageant where 11 senior boys compete for the crown. This year, Mr. CHS was on March 16, and the contestants were Peter Miller, Eric Wrobel, Owen Busser, Brian Tong, Pat Slattery, Davey Quadros, Ryan Hart, Brendan Malone, Sam Cohn, Matt Hohmann, and Luke March. This year's hosts were Alyssa Regan, Diti Patel, and Julia D'Agostino.

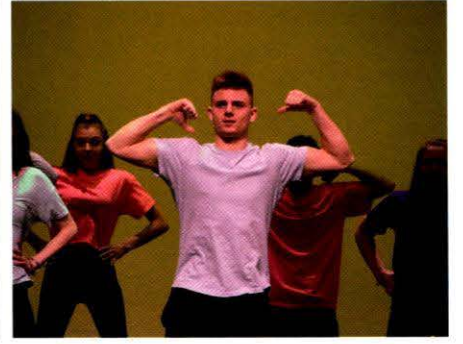

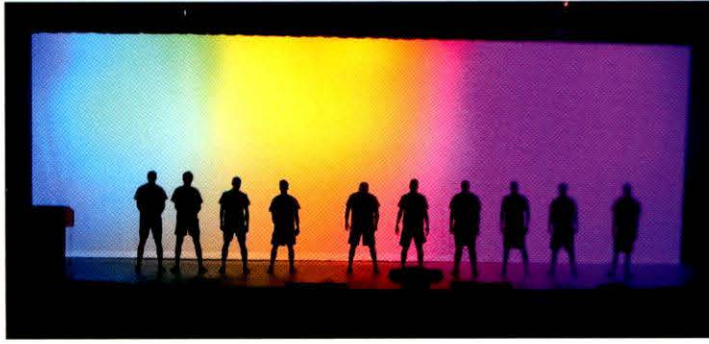

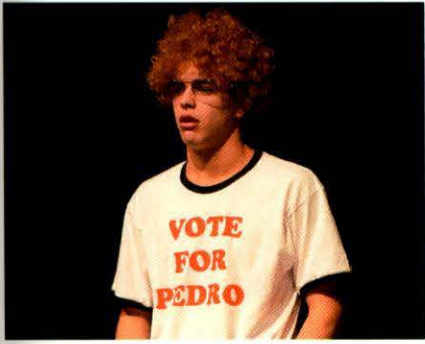

The boys had some interesting impersonations and talents that ranged from singing to dancing to comedy acts. The dance team pitched in by teaching the boys how to dance. It was the most hilarious show yet, aided by behind-the-scene videos made by Justin Kaminuma (@elniight). Although all the boys did great, only one can win. This year's finalists were Pat Slattery, Pete Miller, and Eric Wrobel. At the end of the night, it was Eric who became Mr. CHS 2018!

WE CAME TO *dance!*

For the past four years, Chelmsford High hosts a school dance to raise money for the Jimmy Fund. The dance is organized by Resiliency, a group run by Ms. Blakley. The goal of the dance is to help raise money to fund cancer research and allow cancer patients (particularly children) to have a brighter future. This year, after being postponed multiple times due to snow days, the dance was held on April 6th in the Cafeteria. The event raised over \$4,000 for the Jimmy Fund.

This year the dance was special because our school's very own rappers performed during the event. Cafe 2 turned into a concert when Safari (Matt Gallagher) and Mitch Da Don rapped their own original songs. It was a memorable night that we will look back on fondly.

NAOMI WRIGHT

1: I began swim lessons at the Lowell YMCA when I was 16 months old, and started to swim competitively when I was 6 years old for the Lowell YMCA Barracudas. I later went on to New Wave Swim Club and my current team, Crimson Aquatics. My favorite memory from high school swimming was junior year at our championship meet. I came in 2nd in the 500 Free, dropping 16 seconds. Another highlight was in 2017, when I went to a meet in Indianapolis with Crimson. There I swam the mile and dropped 31 seconds, earning a time of 17:48. I want to thank my parents and my coach, Mike Spring, for their support. I am looking forward to continuing my swimming career at Providence College. Go Friars!

CHRISTIAN FINN

2: I started playing lacrosse in 7th grade, which is pretty late compared to most kids. Making varsity as a freshman was a big confidence boost for me. I improved the most while playing club lacrosse for the New England Twisters and that really brought my game up to the next level. My parents have been amazing supporters getting up early to drive everywhere from Rhode Island to New York for tournaments. Coach Wright, Coach Moreland and Coach Tuck have helped me evolve into the player I am today. My favorite accomplishment is making the state tournament or beating Billerica for the first time in 12 years and I am excited to continue playing at Saint Anselm College the next four years!

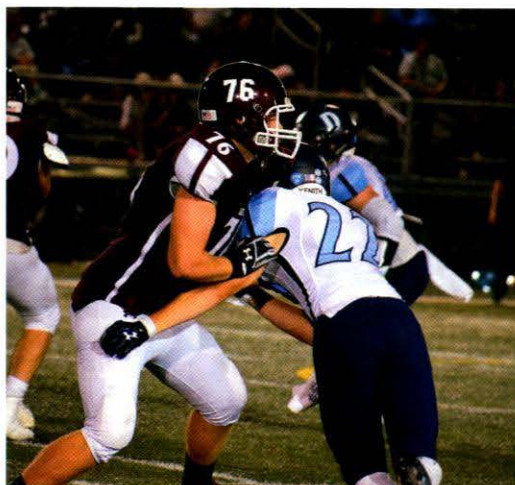

LINDSAY AMBROSINO

3: This is my sixth year playing softball, and before that I played baseball for seven years. I've met so many amazing friends through softball and have made so many amazing memories. The CHS varsity team my freshman year was one of the most fun seasons I have ever had. Everyone was so welcoming to me and really supportive. My parents have supported me immensely and have been to every game I've ever played in. Personally, I think one of the accomplishments I'm most proud of is being named a Conference All-Star for softball since freshman year. I will be playing softball at WPI next year and majoring in Biomedical Engineering. I'm so happy and grateful to get the opportunity to continue playing the sport I love at a high level.

FRIDAY NIGHT *lights*

Preparation for the 2017-2018 season began last December. The boys were determined to work hard and make this season a success. The football team's dedication paid off, as they finished the season 4-5 and qualified for the playoffs. They defeated Acton-Boxborough and went on to dominate Westford Academy, Dracut, and Reading. In the playoffs, the team defeated Newton South in the first round before eventually losing to North Andover. It was a great season for the Lions under the Friday night lights.

senior reflections

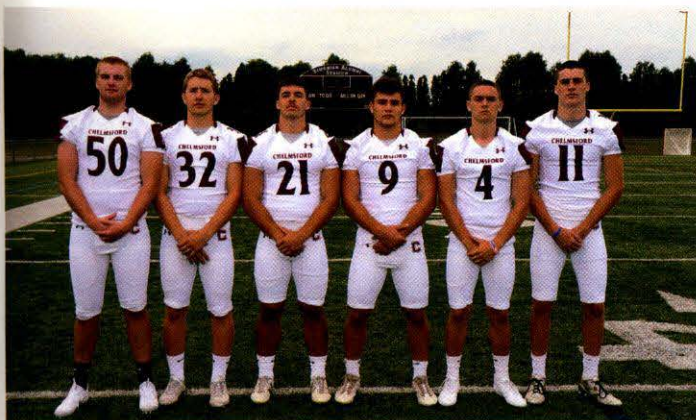

"It was a great season and I'm so proud to be a part of this great family. Thank you for all the support from the Tundra (the best fan section in the MVC). I can't believe after all these years of playing with the same boys, it's over."

A letter from your captains:

Football is a fall sport, but if you asked anyone on the team you would know this season started long before that. Just a few weeks after last Thanksgiving, everyone was back in the weight room putting in the time and the work to take this program from a good one to a great one. We had something to prove this year and we did just that, making a statement to start the year with a solid win over AB, then picked apart Westford. There wasn't a single game we weren't in this year and you could feel it. This game is truly special. It is a metaphor for life, and we are lucky to have some of the best coaches and mentors in the game. For you young guys, never take a second for granted. Make the most of your time and take a minute to appreciate it. You will remember for the rest of your life what happens under those Friday night lights. It has truly been an honor to be your captains and we are lucky to have such a great group of guys and family for life. Go 1-0 every day and we guarantee you will be successful at whatever you do, and always remember.....you can't get beat.

GO THE *distance*

The girls cross country team had a fantastic season, ending the year with a record of 4-6. The team created many memories together on their spirit days, where they were always seen roaming the halls in crazy themed outfits. The team finished up their season by sending runners Anna Quirbach, Colleen Tubridy, Julianne Clark, Hannah Braslau, Abigail Morrissey, Marie Sarault, and Lizzy Manning off to the state division competition.

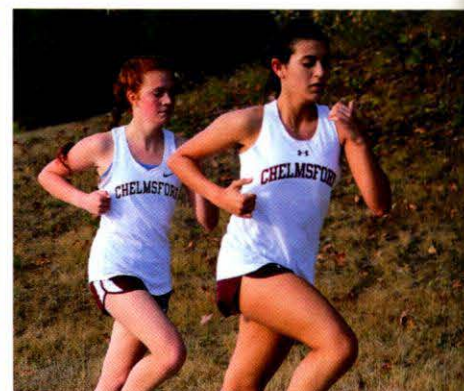

senior *reflections*

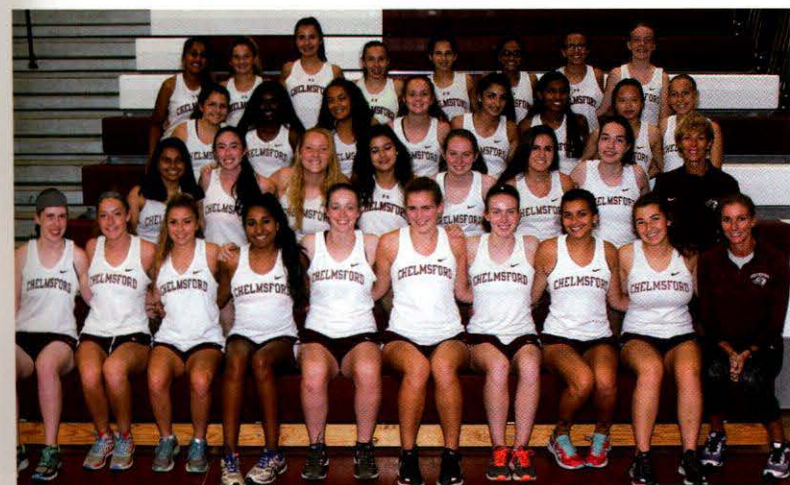

"I have played on multiple sports teams for many years, but I have never felt the camaraderie that I have experienced running cross country, a so called individual sport."
-Lizzy Manning

"We ran the 1st mile with our legs, the 2nd with our head, and the last with our heart. Through all the workouts and long runs, we became a family that laughed together and succeeded together. We truly learned that "sticks in a bundle don't break" and we are so proud to be part of a team of such strong XC women."

Hey Guys!
 We can't believe that this is the last letter we are ever writing to you. We had an amazing season and we have loved every minute of being your captains. We are so proud of the work you all put in this season. We came together as a team, but we are leaving as a family. This year we made so many unforgettable memories. Here are just a few: the mattress in the rafters, dancing the Spongebob dance in front of all of Foss, XC sleepover, getting TP, losing TP, stealing back TP, a \$936 bill, sleepwalking, "Are you ready kids?" ...
 Thank you for being such an incredible team. We couldn't have asked for anything more. We will miss you so much!
 Love your Captains,

To the Boys:

This season started back in June when the summer miles began. The grinding at Foss didn't stop when we got home. Grinding out mile after mile out there was worth every second, as it led to an MVC Small School Title and an almost undefeated season. We worked hard together through each workout as new challenges were laid before us. The rebound after our loss to Central early in the season showed our determination as a team. The progression of our talent was astounding as our times dropped each meet. The future of CHS XC looks bright thanks to the young talent that stepped up this season. Whether it was working up Chambo, grinding out some 2k's on the field, or 10 plus mile runs, we showed real drive and effort. Not only did we touch the truck, we proved our depth to the rest of the conference this season. We are proud to have been captains of such a hardworking and driven group of men.

Thanks for an unreal season,

THE DAILY *grind*

After weeks of training over the summer, and with the coaches' help, the Boys Cross Country team finished their season with a bang. Their final record was 8-2. The team traveled to several invitational meets over the course of the season, including the Manhattan Invitational where they came in 5th. At the State Meet, Senior Zach Jarnagin was a medal recipient, and went on to represent the team at the MIAA All State Meet in Wrentham.

-Andre Danahy

"From captain's practice to 90 degree weather workouts in the pouring rain, from 20 minute Tuesdays to 8-mile runs, from our greatest victories to our narrow defeats, this team always worked together and encouraged each other to get better."
-Jeffrey Morrissey

"We didn't have a great start this season. That taught us 2 things: one, that if we want to win, then we need to win as a team; and two, a team is only as good as its weakest runner. Those lessons drove everyone on the team to practice and race harder, not for ourselves but for the team."

HOLD YOUR *breath*

Despite the challenges presented to the girls swim team, they swam to an 11-2 record. This gave them the best record of any CHS fall sports team. Even though the team had no divers this year, the girls dominated the competition in the pool. Highlights of the season included defeating rivals Central Catholic and Haverhill. The end of the season brought back bittersweet memories for the eleven seniors, as they realized that this was their last year swimming for CHS. The team finished first for small schools and second overall at MVCs. At sectionals, the team placed 9th, while at states they placed 4th.

senior reflections

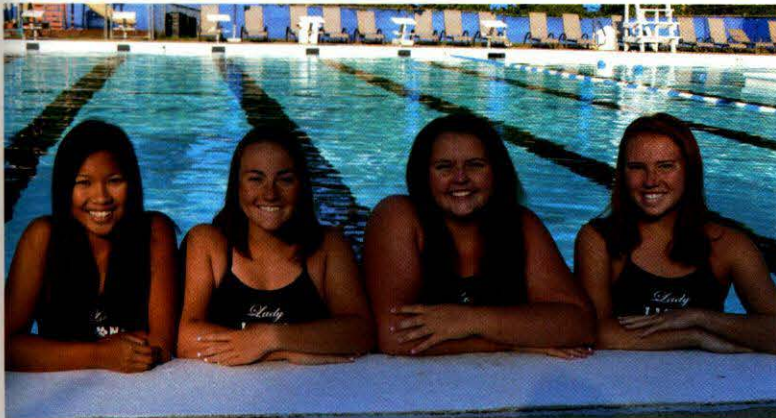

"Being a part of this team changed my life for the better. I consider each of my teammates a sister and will miss them tremendously."
-Jessica Wagner

"I've been swimming for so long that I'm waterlogged, but I will miss these girls."

Back in August we all went through hell -
But thank the lord no one can tell.
We swam our hearts out at every practice and meet,
So none of the other teams in the MVC could compete.
We ended the season 11-2,
And at MVC's, sectionals, and states, we killed it my dudes!
We had the best record of any fall sports team,
And throughout the season we even made our own meme.
We were all just talent artists trying to make fame,
Because the lady lions can't be tamed.
All our itty-bitty freshman, silly-silly sophomores, and jolly-jolly juniors made this season one we'll never forget,
And to our eleven sexy-sexy seniors, thanks for making these four years the best ones yet.

Thanks for a great season!

KICKING IT UP A *notch*

Thanks to the hard work that the girls put in at the start of the season, the girls soccer team went 5-9-4. The team beat Tewksbury, Methuen, and Bishop Fenwick, but tied against Haverhill and Andover. The team improved dramatically this year, just missing the state qualification by 4 points. They proved themselves on and off the field, and the eleven seniors are going to miss playing for CHS.

Dear Team,
 Thank you all for an amazing season! The improvement from last year is astronomical, and the new additions to the team proved crucial in our best wins. You all brought out the best in us, as well as in each other. We are extremely impressed with the drive, determination, and character demonstrated by each of you. It takes a lot to put 100% in every practice, every scrimmage, and every game, yet you guys did it. We are so proud of you all, and we look forward to the great things that the returners will achieve in the years ahead.

Dearest Brothers,
 Where do we even start with this season? We set sail at the beginning of the summer with no land in sight, the sea was raging and the journey ahead seemed desperately hopeless. Yet we swashbuckled our way forward and found our way just as Mike and CMac eventually found their way out of the woods during Captains' practice over the summer. A new leader emerged to take the helm, his name is Coach Martinez. A man like no other, a man who turned our group of rag-tag sailors into a band of brothers. For the first time in seemingly forever, all three teams had winning records and we beat Billerica by a total tally of 5-0. Not bad. This was and forever shall be our pirate ship, we love you boys. <3

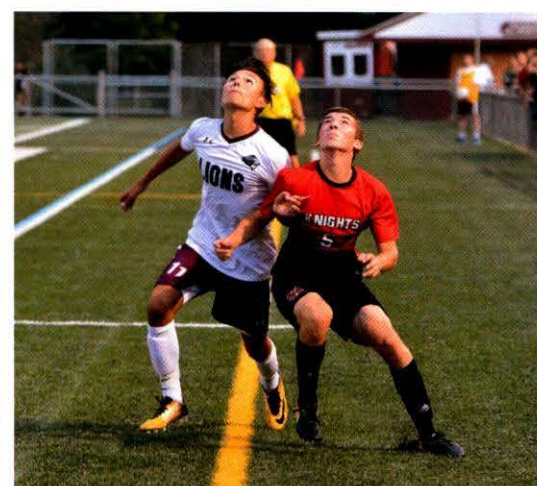

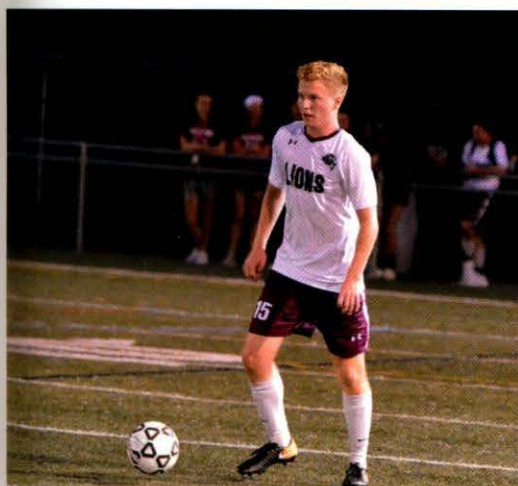

Sincerely,
 Sean, Brian & John

roll

The boys soccer team finished their season with a record of 12-5-1. They worked hard all season and faught their way into the state tournament. These boys beat rivals Billerica not once, but twice during the regular season. Led by a strong group of seniors that will be missed, the soccer team proved themselves on and off the field this year and had a sucessful season.

Hey girls!

I just want to say how great you've all made this season. Although we only had 3 wins, that definitely didn't reflect how enjoyable this season was. No matter what, we always played our hardest and never let it affect us as a whole. Our team chemistry this year was greater than most teams. All sixteen of us had so much fun together and got along so well. I'm going to miss all the craziness and fun from this season, especially our Ubbby Dubby talk and our a capella team. We were definitely aca-awesome. This season went by crazy fast. It was a season I'll never forget, and I hope all of you will hold it as a memory. I know all of you seniors will go off to do great things and that all you returners will keep our good vibes going next year. I love you all.

ON THE green

The varsity golf team started out the year on par. The boys took to the green at the Chelmsford Country Club, ready for a season full of victories. The team versed other schools in the division, including Westford, North Andover, and Dracut, leaving them with a season record of 3-10-1. Overall, it was a good last season for seniors Ryan Hart, Christopher Ervin, Sean Reynolds, Kullen Stone, and Mitchell Craven.

Dear Gentlemen,

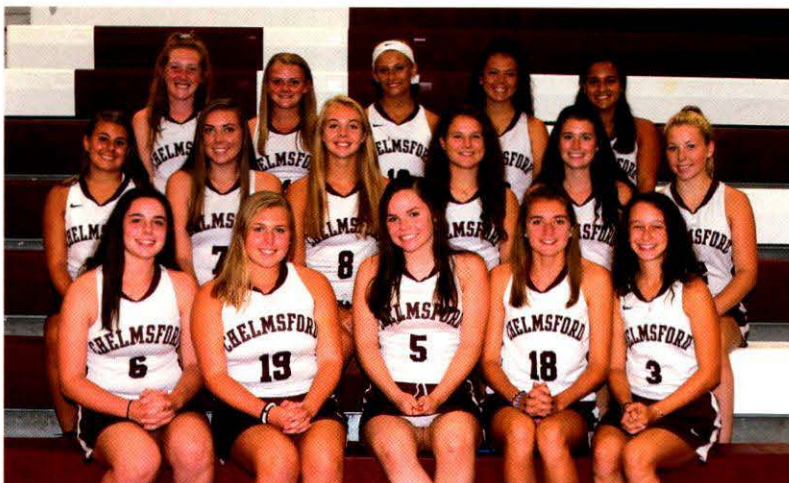

First off, we want to thank you guys for being a great team. Although this last season wasn't our best performance, we still had a blast playing. And although Coach wouldn't like to hear it, the last four years went SPEEDING by. Once again, a big thank you to Coach and the players for making our last season one to remember.

Keep the torch going for us boys.

Hey Ladies,
 Thank you so much for making our last season fun and memorable. We are so proud of how much this team has grown together and individually this season. Always remember that we were all pieces of this bigger puzzle, and we couldn't have done it without all the hard work each and every one of you put in. We faced a lot of challenges and changes going into the beginning of the season, but as a team we pulled through and made it worthwhile. It's been a blast to play with you all and we can't wait to see what this team accomplishes in the future. Between killing those 900s (except Chelsea), holding next year's fhockappella auditions, singing Hannah Montana on the bus ride home, the iconic Halloween practice, and having a riff-off with JV, it's been a season to remember. To our underclassmen, we wish you the best of luck in the fall and thank you for giving us the most memorable senior night! To our fellow seniors, it's been a wild four years and we couldn't have imagined a better group to do it with.

CHICKS WITH *sticks*

Field Hockey finished their season with a 16-6 record, one of the best records out of the fall sports teams. The team was psyched about beating Westford twice and dominating North Andover 2-1 on their senior night. After their regular duel meets, the field hockey team turned to the playoffs, where they made it to the second round. The field hockey team were MVC champs. Members of the team were also chosen to play on MVC All-Star and All-Conference teams.

senior *reflections*

"We've progressed so far as a team this year. We had so much to overcome and we grew together over the course of the season. I couldn't imagine ending my high school career with any other team."

-Lily Cardonne

"Starting field hockey this year was one of the best decisions I have ever made.

I gained 15 best friends, 2 amazing coaches, and a love for field hockey. I wouldn't trade this season for the world, even that last career ending "trip" to the 99."

To all the girls of the 2017-18 team, we would like to say thank you. As a team we have all worked so hard for our skills, and we believe that everyone has improved so much. Saying that, we still have a lot to work on, but I know you all can do it for next year. There's been so much positivity this year and we have no one else to thank but you girls. Practices are crazy and awesome and filled with fun. Each one of you make practice just a little bit better. We're thankful that all of you guys have worked very hard to make our senior year worth it. To the freshman, thank you for joining our crazy team this year. We hope that you continue to be a part of this team all four years. We're so proud of the team we have become and we hope for nothing but the best for you all next year! NOTHING BUT *net*

Although it was a rough season for the girls basketball team, they never let that stop them from leaving everything out on the court each game. They played through multiple injuries and concluded their season with a hard-fought record of 6-14. They defeated Lawrence, Tewksbury, and Dracut among other schools. Despite their record, the five seniors are leaving the team with great memories from pasta dinners and pre-game locker room routines.

Playing in the MVC is tough, but every game we played our hearts out. Not many teams can say that they beat Billerica in Billerica. Seniors, we have had a great eight years playing together. We made so many memories, and we wouldn't change a single thing. Underclassmen, it was great seeing you develop. Use everything that you learned from years past, keep working and you will accomplish big things next year. FourFiveSeconds.

dunk

The basketball team had a great season this year, leaving the court with a record of 8-12. They defeated many teams including Billerica, Dracut, Haverhill, and Tyngsborough. Their hard work paid off, as they made the state tournament for the first time since 2014. This was a great accomplishment for the team of fourteen, making it a memorable last season for the five seniors. The success of this year could mean that the basketball team has many more great seasons to look forward to!

TAKE YOUR *mark*

The Boys Indoor Track and Field Team had a very successful season. The team finished 3-1 in the regular season and fifth at the MVC Championship meet. Leading the way for the boys were senior captains Zach Jarnagin, John Mieszczanski, Mosaab Waheed, and Jaimey Ross. Zach was the MVC champion in the mile and John qualified for All-States in the 1000. Seniors Drew Fottler and Jake Coombes were a consistent performer in the two mile and 55m dash respectively. Newcomers Jimmy Latham, Ethan Hayes, Elias Parriera, Zack Hardy, and Shreyas Chaturvedula also made a big difference for the program.

Boys,
This has been the best indoor track season that Chelmsford High has seen in years due to the new additions to our already fantastic coaching staff and our team of talented athletes. Looking forward to more great seasons. We are gonna keep soarin'.

Dear BC,

We want to start by saying thank you so much for all of the amazing memories. It's hard to believe this is our last season with you guys, but it's been a great one! Between the game day dance parties, early morning practices that we were barely alive for, the endless laughs, and that one time that Tina gave us candy in between periods to perk us up, every day of this season brought new memories.

We loved every day of getting closer with everyone and getting to know the 7th and 8th graders who will be the future of the hockey program. We grew every day as a team on and off of the ice and even though we had a slow start, we came to fit right in with the top teams in the state. We are incredibly proud of every single player on this team and what you have and will accomplish. We are so excited to come back and watch you play, just promise to keep the pregame dance parties a tradition forever. Thank you for making our last season so amazing, we love and will miss you all!

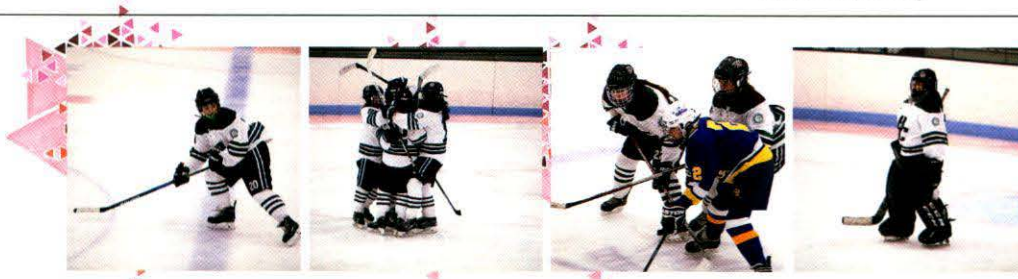

Love your captains,

Maya, Clare, Julia, and Kayleigh

SMOOTH AS
ice

Although the Billerica-Chelmsford girls hockey team had a rough start to their season, the seniors demonstrated leadership by working hard to make their last season on the team count. By the time the regular season ended, the girls had skated to a record of 9-9-3, tying the top two teams in the state and beating many of the other schools that were seeded higher. In addition to this, the girls qualified for the playoffs, making it a great final season for seniors.

GOING FOR THE *goal*

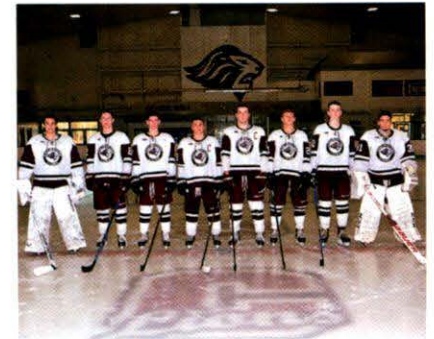

The boy's hockey team ended their season with a record of 4-13-2. The team defeated Westford twice, Danvers, and Archbishop Williams. They fought hard on the ice and made it to the playoffs. They persevered through tough losses and close games throughout the season. The last game was bittersweet for the eight seasons, who knew that it would be the last time they stepped on the ice at the Chelmsford Forum as part of the team.

Hey boys,
The phrase, "Not every victory shows up on the scoreboard," for sure rings true for us. We battled hard and managed to stick together as a team even when the outcome wasn't what we hoped for. We are super proud of all of you and how we never quit. Hold your heads high, and take pride in being part of such a hardworking team. We were honored to be part of such a great group who sticks together no matter what. Best of luck to all the underclassman next season. #FTB

Hey guys,
 We are so proud of how much everyone has grown this year. And to think we weren't even sure if Spencer was going to survive our first on snow practice. From snowball fights on the hill to actual food fights at the 99 (@ Maddie and Spencer), every moment that we have spent together has been a memorable one. After we're gone, we hope that our juniors can keep our tradition of being the biggest meme team on the hill alive. We love you guys and we know you're going to kill it next year!

HITTING THE *slopes*

The co-ed ski team saw a huge increase in the size of their team this year, and was the team with the largest amount of seniors -- 22 in total. Despite their large size, the team was extremely close. Whether it was during races, practices or team dinners, they were always laughing. Many teammates attended the state competition in order to support seniors Ryan Hart, who placed 16th in GS and 13th in slalom, and Andre Danahy, who placed in the top half of racers.

READY TO *rumble*

Over the past few years, the wrestling team has established itself as one of the best athletic programs offered at Chelmsford High. Coming into the season, the boys were looking to dominate on the mat. Delivering once again, the boys finished their regular season with a record of 8-0. At the MIAA D1 North Sectionals, five of the boys became champions and they took home the first place trophy for the fourth year in a row. Eight of the boys qualified for the state tournament, where they placed first.

We want to thank all of our coaches and teammates for such a great season. For the third year in a row we won our conference as well as our fourth consecutive North Mass championship, which finally led to another D1 STATE CHAMPIONSHIP! All these titles and championships are credit to your guys hard work and dedication all season long. The lessons you will learn in this sport will carry with you for the rest of your lives. We can't thank you guys enough for such a great senior year. It was our honor to be captains for such a great program filled with great people!

BORN TO *tumble*

The Tewksbury-Chelmsford gymnastics team is the smallest team in the MVC. It is the second CHS sports team to combine with another school district. The team of eight talented girls compete in multiple categories including floor routines, beam, uneven bars, and vaulting. Despite their small numbers, the team excels in competitions. This is proved by the fact that they finished their season with a record of 2-0.

RACE TO THE *wall*

Growing nearly double in size, the boys went into this season ready to dominate. The Boys Swim & Dive team finished their season in February with a record of 7-5. Some of their best wins of the season were over Lowell & Central Catholic. The team placed 2nd at MVCs. Sophomore Aaron Zhu broke the 10-year standing MVC record in the 100 breaststroke with a time of 59.03. The team went finished 8th at sectionals. At states the boys representing the Chelmsford High team placed in the top ten in many events, and came in 8th place overall. This marked the end of another winning season for the Lions swim team.

The boys lacrosse team had a great season this year. Their captains -- Tommy Snelson, Christian Finn, Sal Lupoli, and Cam Arena -- and the other seniors led the team wins over teams such as Tewksbury, Tyngsborough, and Lowell. All of the boys worked hard to ensure that the 2018 season was one to remember.

This season was a special one and I think we could all feel it from the first day at captains practice. It wasn't just the guys, but the atmosphere and the attitude towards the game and one another. We got out to a fast start, and that is something we must strive to do in all aspects of our lives. There were the thrilling victories and crushing losses, but at the end of the day, it was only about one thing: family. When you looked to your left and right, you had a brother for life, someone you've been to hell and back with and lived to tell the tale. That's what this game is about at its bare roots. No single man can bring success; that can only be done by a team where everyone goes all in and leaves it all on the line for those next to him. And those are the bonds that last a lifetime. This season has been a great one and we can't thank all the guys and coaches enough for all you've done.

Thanks for the memories, your captains....

SYDNEY BARON

1: When I started taking dance lessons, I promptly realized that the only thing I liked about it was the one time of year when I got to stand on stage, so I started going to theatre camp (where I now work) as soon as I was eligible at the age of 7. That year, I performed in my first play, *Madeline*. From there, theatre became the focus of almost all of my free time. My favorite roles to date are the Baker's Wife in *Into the Woods*, Mrs. Brumbake in *Peter and the Starcatcher*, Ensemble in *Chicago*, and Reno in *Anything Goes*. I don't yet know where I am going to school, but I will continue to perform where ever I end up.

JUSTIN KAMINUMA

2: I used to love taking pictures on my iPod touch when I was in middle school, and around 8th grade I learned how to edit videos by making montages with Call of Duty footage. I eventually found filmmaking as a medium to merge those two interests and a way to express who I am. I share my videos on YouTube. I find a ton of my inspiration through the movies I watch and the music I listen to. I hope in the future to turn my passion for film into a full-time career and learn as much about the world as I can along the way. Maybe someday I can work with the people I look up to today. But honestly even if that doesn't happen, as long I'm doing something really cool, I'm totally fine with wherever I end up.

AMY CAREY

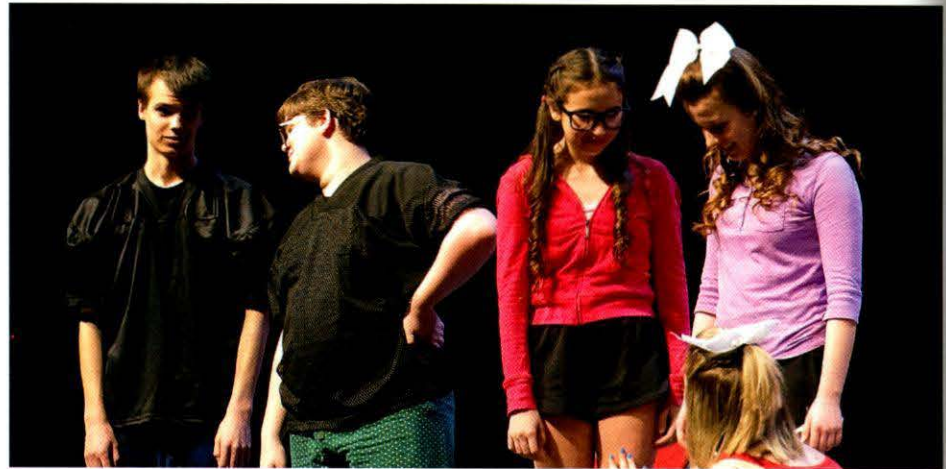

3: Being involved with the CHS band has been an unimaginable experience. I've been playing the flute since the age of 9. To see where I am 8 years later is remarkable. The band has given me so many incredible opportunities for performing. It allowed me to perform in the pit for the musicals and march in the 4th of July Parade in Washington D.C. It even brought me to Main Street U.S.A in Disney World, to perform in a parade. I have met my closest friends through music and band. It has become a huge part of my life. Band has taught me some of my most valuable life lessons and skills. It has caused me to do everything in my life "with pride", a phrase that is taught to us on the first day of band camp. Whether it is the first block on a Monday or last block on a Friday, there is joy, and humor, and excellent music coming from the band room.

STANDING IN THE *spotlight*

From January 18-20, the CHS Theatre Guild performed the annual children's play. The show was entirely produced by students: Julie Ruff was the producer, Roark Thomas was the creative assistant, and Gabby Cruz and Deborah Veizi were the directors. This year's show was titled *In Your Dreams*, and followed four teens -- Chandler (Mark Reitman), Rosie (Katherine McMeniman), Emma (Maria Loew), and Freddie (Chase Boles) -- who find a button in the closet during a sleepover. After pressing the button, the group is transported to Dreamland, where they embark on a quest to shut down Nightmare Land. Supporting cast members Philip Ferdinand, Mia Kelly, and Luke Briand helped make the show a hilarious hit.

The 2018 competition play, *A Head of the Class*, was a comedy centered around the CHS English teachers. Written by Mrs. Cochran, it took place in the back of one of the CHS house offices, and left the audience roaring with laughter. The play made it to finals, making it a 4/4 for the seniors. With such a great season, it is undeniable that Chelmsford has a great theatre program.

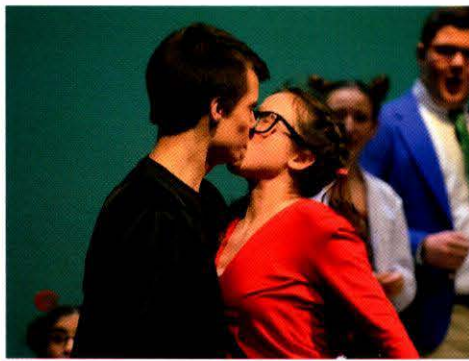

senior *reflections*

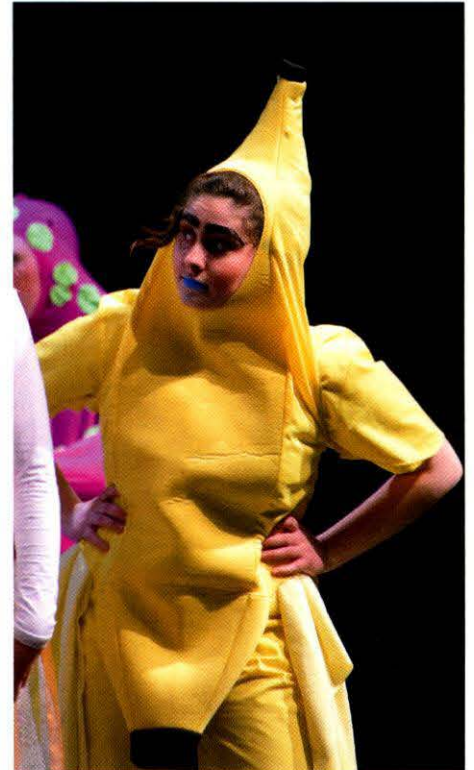

"I have developed a love-hate relationship with theater over the past four years of my life, but I wouldn't have it any other way. It has forced me to push through difficult boundaries and I know that I will carry the lessons I have learned along with the memories I have made in my back pocket for the rest of my life. No matter how many times I considered quitting, I ended right back up on that stage with the people I can call family."
-Julie Ruff

"Being a member of the theatre guild and taking part in so many shows over these four years has truly given me the confidence I need to take on my future. The memories I have of my favorite shows - 1920, Mary Poppins, and Anything Goes, for starters - will be the first thing I think of when I look back on my time at CHS."
-Hannah Kunze

"Over the past four years, theatre has been a huge part of my life. I have been involved in every production since my freshman year, and I have met some of my best friends through it. Being a member of theatre guild has taught me so much, and I'm so happy to have made such incredible memories."
-Gabby Cruz

anything goes

On November 16, 2017, the Theatre Guild debuted their new musical, *Anything Goes*. Over the course of four days, the students performed four shows for the packed auditorium. *Anything Goes* takes place aboard the S.S. American. The play follows Reno Sweeney (Sydney Baron), who is heading to England. One of her friends, Billy Crocker (Michael Marchessault), has stowed away on the ship in order to be closer to the girl that he loves: Hope Harcourt (Allison Dorsey). Unfortunately for Billy, Hope is already engaged to Lord Oakleigh (Philip Ferdinand). Public Enemy #13, Moonface Martin (Jon Puffer), and Erma (Mia Kelly) are also on the ship. With the help of many disguises, pie, and the threat that the ship is sinking, Reno and Moonface Martin conspire together to help Billy win Hope's heart. Directed by Ms. Cochran and produced by Julie Ruff, *Anything Goes* was a major success, wowing the audience with its 1930s style and charm.

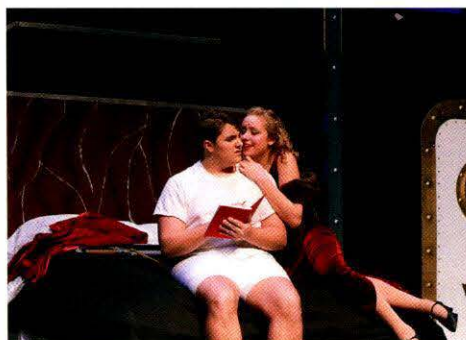

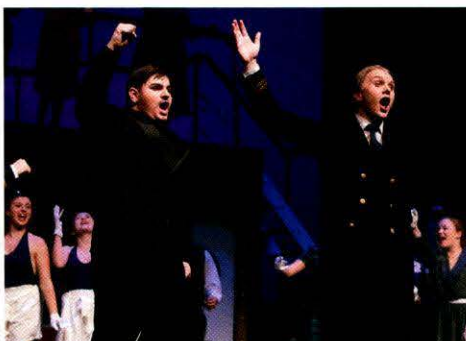

senior reflections

"At first I only joined the show to hang out with some friends, but I quickly grew to love the experience."
-Sam Hall

"Anything Goes provided me a unique and amazing experience for my first experience in theatre. For everyone unsure of making the leap into such a crazy world, do it. There's nothing else like it."
-Ethan Hensley

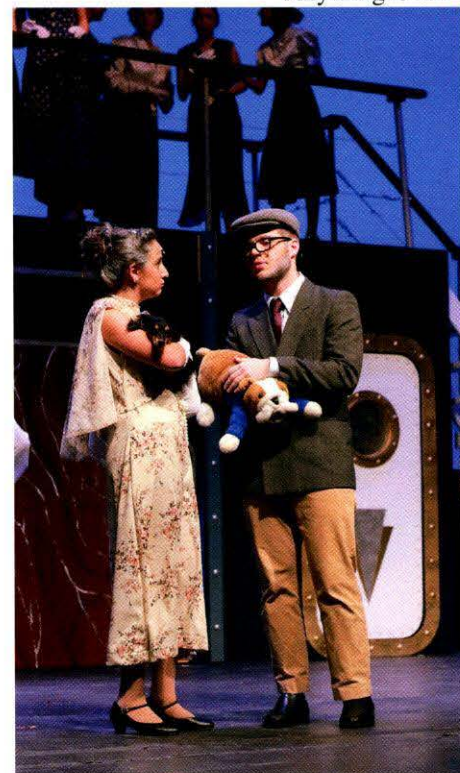

"Anything Goes gave me the opportunity to perform with my best friends by my side in by far the most fun show I've ever been in. Getting to choreograph such iconic dance numbers with my best friend Justine Long was amazing. The CHS theatre guild has been my favorite part of my high school experience, and I wouldn't trade these past 4 years in for the world."
-Mia Kelly

"Anything Goes was my favorite show that I've done. I got to choreograph all the numbers and perform them with the whole cast. It was a cool experience to be on both sides of the show"
-Justine Long

BEHIND THE scenes

Throughout the year, the entire theatre guild worked tirelessly to put on three fantastic productions: *Anything Goes*, *In Your Dreams*, and *A Head of the Class*. Countless hours went into perfecting the costumes, set, make-up, hair, sound and lighting before each show.

Their accomplishments were recognized during the competition season. The following students won awards for their hard work during prelims and semis: Shailagh McCormack & Kate Eastwood for set design; Amy Carey for Master Carpentry; & Kate Heineman, Cassidy Boucher, Alexa Tanzer, Kacey Corbett, Anna Kehoe, Melissa Contover, Zahava Erickson, & Anna Drake for costumes. Roark Thomas also recieved the David Dooley Award.

Several students also won awards for their acting, including Philip Ferdinand for playing Sue Deislinger; Will Marcotte & Kevin Hamilton for dynamic duo; Gabby Cruz for playing Cora O'Bryant; & Mike Marchassault for playing Trevor.

senior reflections

"Stage managing has helped me become a better leader and person. I am so thankful for the opportunity to work with everyone and watch all of our wonderful productions come together!"
-Megan Long

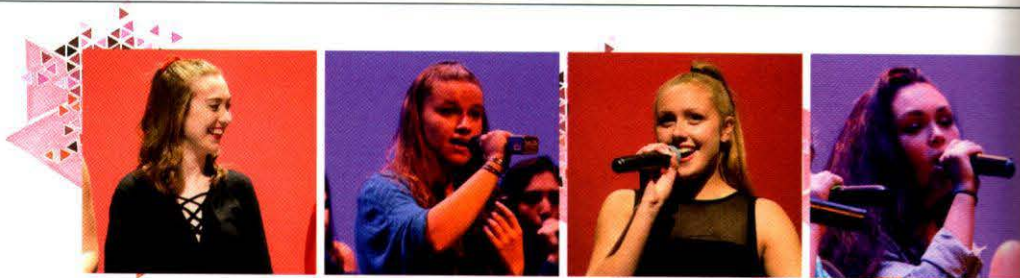

"Stage crew helped me express my strengths and grow as a person in a way I never knew was possible."
-Amy Carey

"Working with the hair team has been so much fun and has taught me that every aspect of production matters!"
-Maggie Potter

"Props and stage crew both have given me a family that has never failed to create something beautiful. Couldn't ask for a more passionate, hard working, fun crew."
-Roark Thomas

FINDING THE RIGHT *pitch*

Chelmsford High's two a cappella groups, the Thursdays and the Crescendos, were very excited to enter another year of competition. This year, the Thursday's set was "The Chain" by Fleetwood Mac, "Think About the Days" by The Beach Boys, "Shake it Out" by Florence and the Machine, and "Easy As I Go" by Chelmsford senior Emily Bruce. The group participated in the ICHSA competition once again. Some of the awards that the group took home included outstanding soloist (Sydney Baron, Emma Dewitt, & Sam Segal), outstanding vocal percussion (Abhinav Muraleedaran), and outstanding student arrangement (Emily Bruce).

The Crescendos, an all-girls group, also entered the ICHSA competition. The girls performed a great set that consisted of "Valerie" by Amy Winehouse, "21 Guns" by Green Day, and "Rude Love" by Becky Hill. Katie Flynn and Madison Good each arranged a song. They also performed at N.E. Voices and the Aca-Pocalypse.

senior *reflections*

"I had an immense respect for the Thursdays when I joined the group as a sophomore, but I couldn't tell then how much the group would really affect me. I've learned so much with them and I am so grateful that I found such a strong group of musicians and friends."
-Emily Bruce

"I've had so much fun singing in The Thursdays because it has allowed me to do what I love while forming bonds with people I may not have met otherwise."
-Gina Castellano

"The memories I made with this group will stick with me forever. Competing and performing with these people has been a highlight of my high school experience!"
-Abhinav Muraleedaran

senior *reflections*

"I am so excited about our ICHSA set this year because we have 2 songs arranged by students. It has been such an amazing experience seeing the arrangements come to life on stage!"
-Erin Sousa

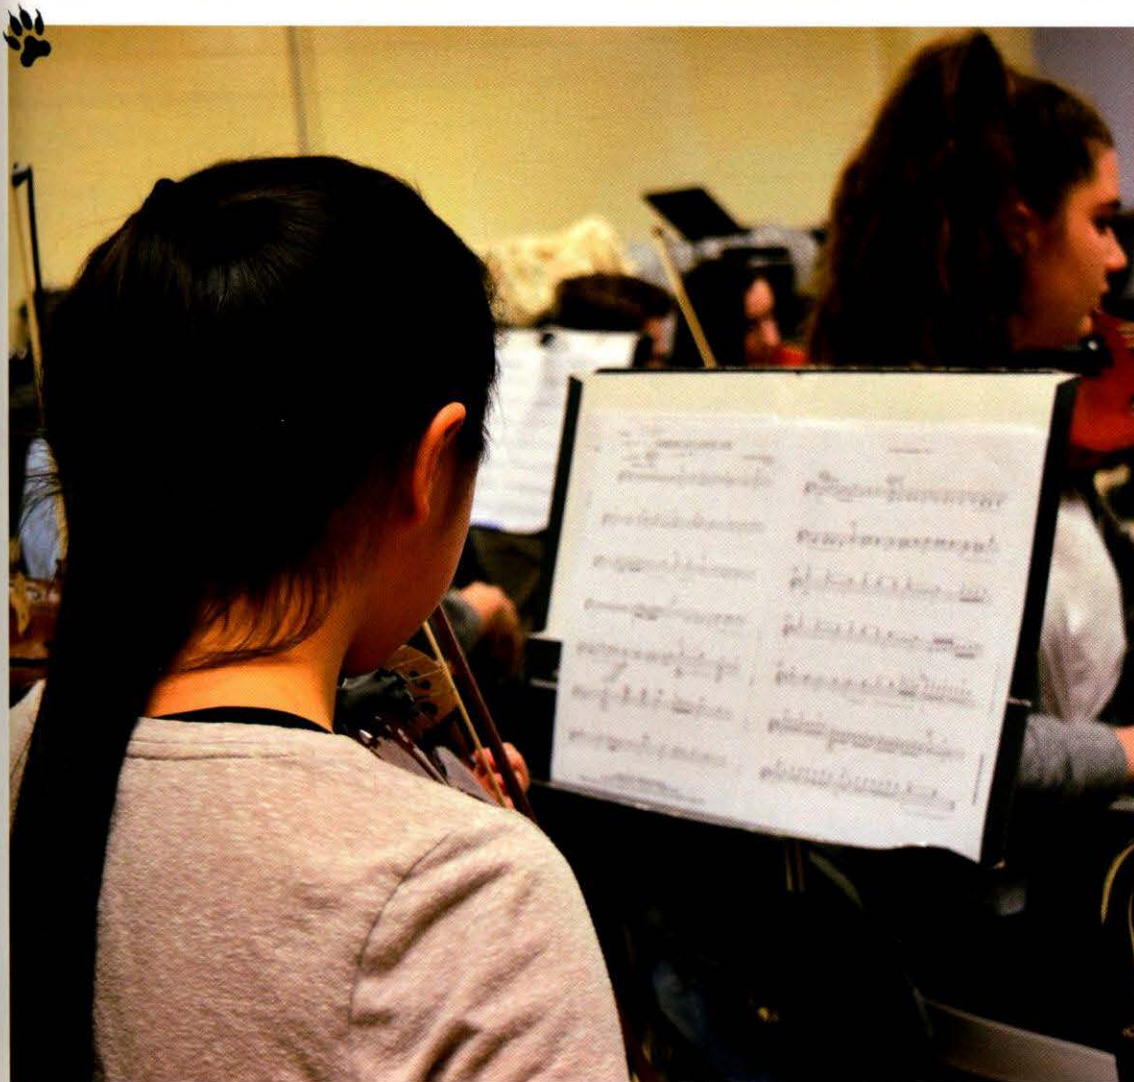

"I love everyone and I am so proud of our growth this year. Our ICHSA set really represents our group; all of our pieces are so different from each other but sound so beautiful together. I will always remember my experience with this group, and I am honored to call myself a Crescendo."
-Victoria Sebastian

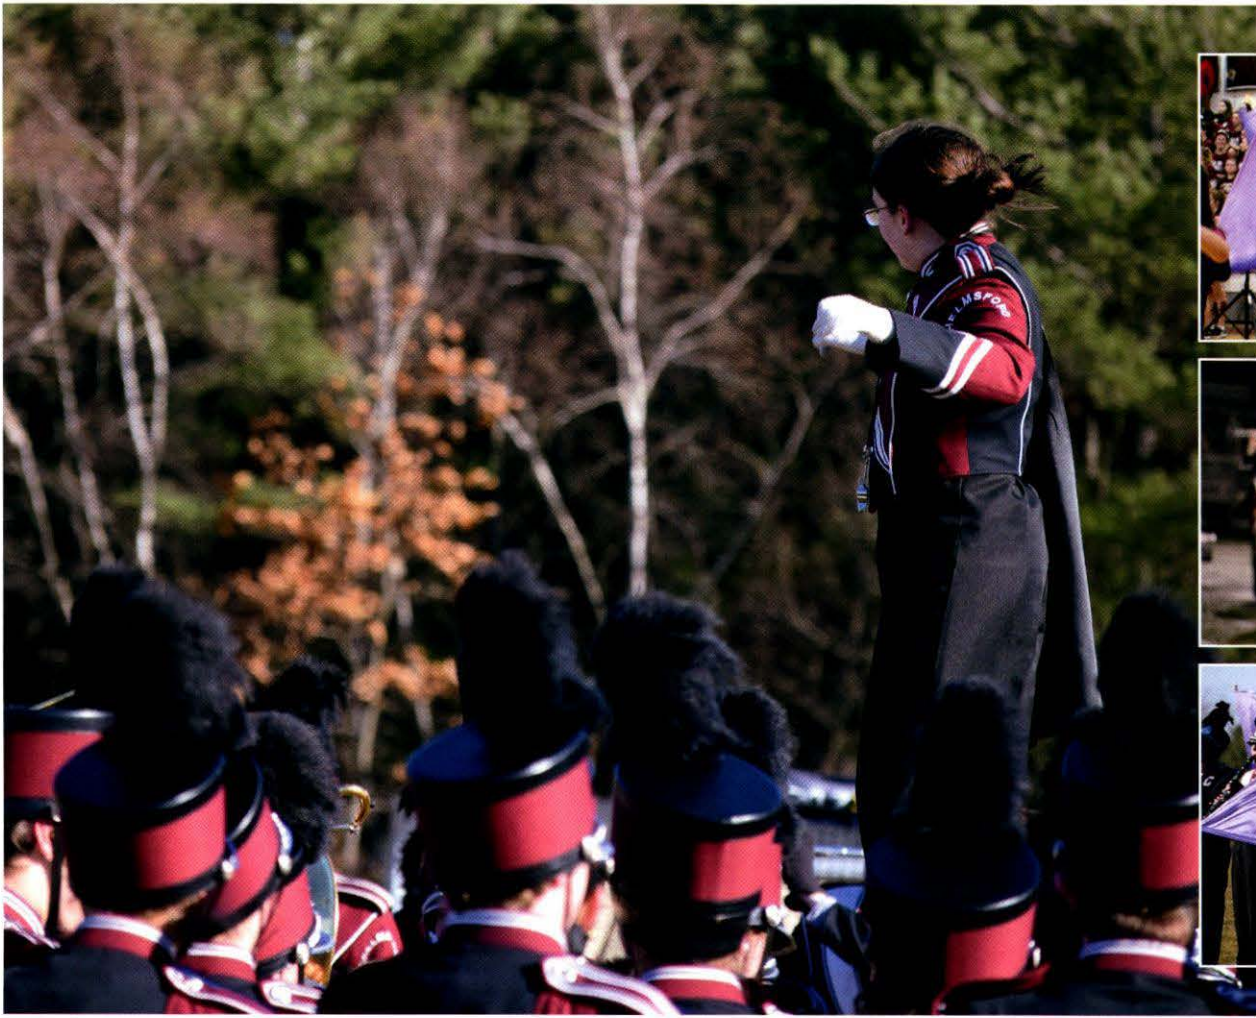

"What I love most about the Crescendos is how diverse we are – in both vocal range and personality. All of us are pretty different from each other and I think that really shows in our setlist, but we've been able to bond with each other through our love for singing. My favorite part of the week is when I get to sing with these ladies."
-Seyla Phan

MAKING *MUSIC*

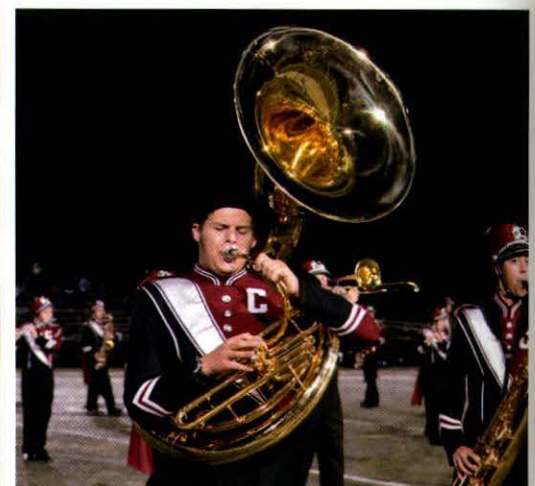

Hey Band,

This year was one of the most energetic and positive marching seasons this school has ever seen. You learned a lot on our field show during Band Camp, and kept improving on it throughout the rest of the season. Each performance sounded better than the last, and you all strived to be the best you could be. Please, remember the way all your hard work was rewarded this season, and never stop growing as musicians and as people. Seniors, this band has become family thanks to the leadership you all demonstrated. You have the power to make any community a better place if you remain optimistic, kind, and enthusiastic. Thank you for an amazing season!

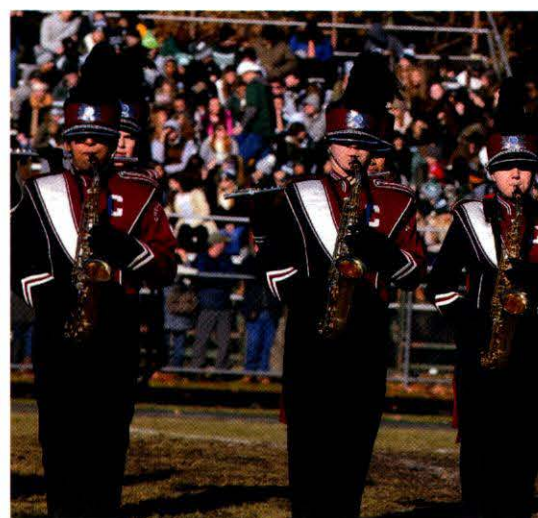

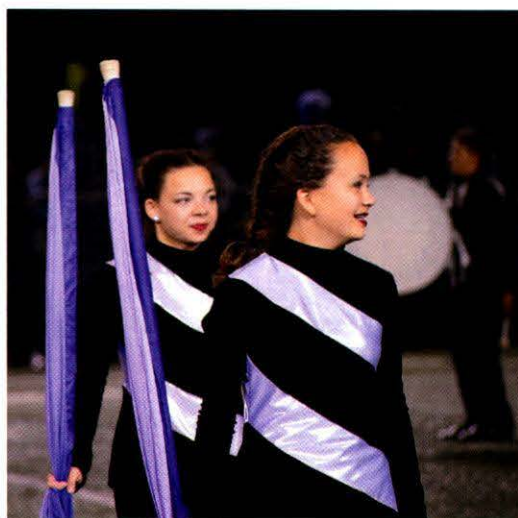

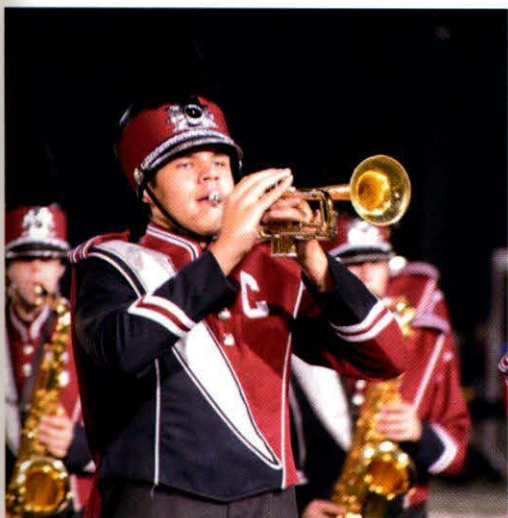

Eyes with pride,
Megan Long & Ben Cote

IN TUNE AND
in time

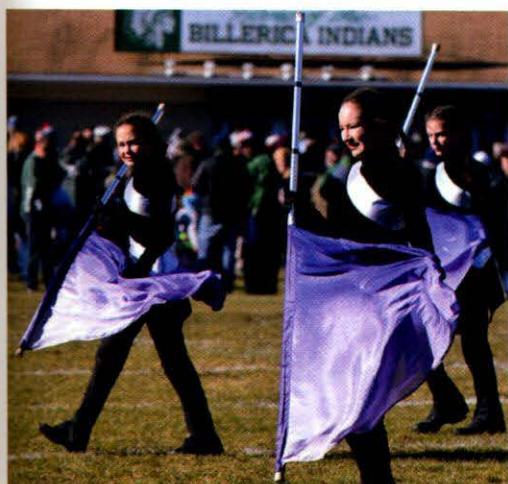

Led by drum majors Megan Long and Ben Cote, the marching band wowed the crowd at each halftime by performing a medley of songs from *Guardians of the Galaxy*. The songs included "Hooked on a Feeling", "Mr. Blue Sky", and "Escape". Accompanied by the color guard, led by Mia DeMoulpied and Maura Maguire, the two groups put on their best performances every Friday night in support of the Chelmsford football team.

Hey color guard!!

This has been a wonderful season and we are so proud of each and every one of you. This season would not have been the same without you! You each bring so much joy and wonderful spirit no matter what. Everyone's talents shined throughout the season and we are so grateful for that. We hope that you enjoyed this season just as much as we did, and continue being an amazing color guard.

Love,
Mia & Maura

senior
reflections

"Anyone who knows me knows that band has been an amazing source of emotional fulfillment for me. It has been my main source of companionship and socializing, giving me a place to be and people to love. Band has undoubtedly changed my life for the better, and I will miss the CHS band program for many years to come."

- Charlotte Adams

"Band has given me a love for music and friends that will last a lifetime."

- Isabelle Clark

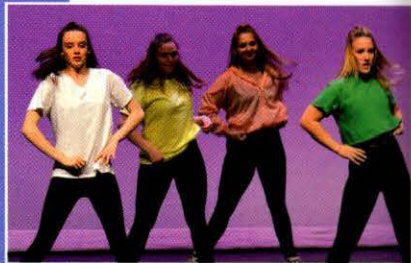

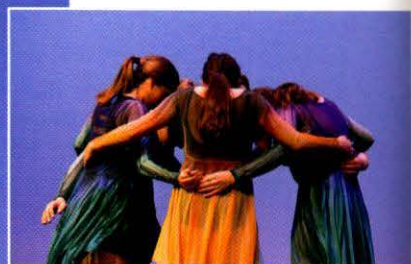

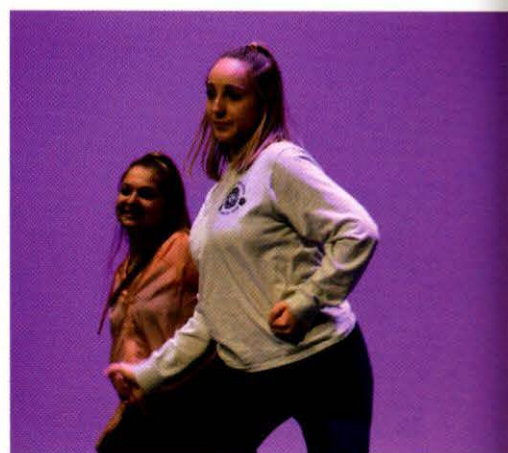

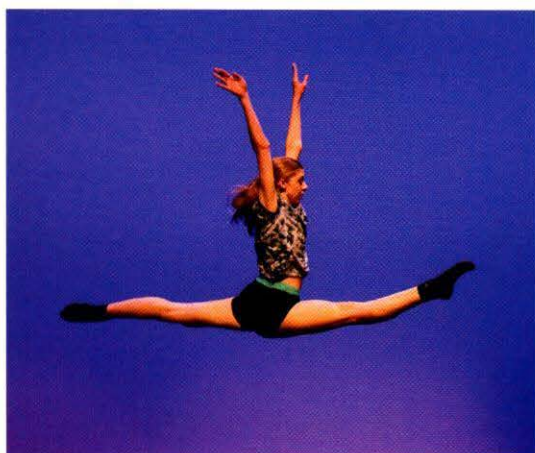

"Band has changed my life in so many ways. Being sectional leader has given me an ability of leadership I never thought I would have, as well as confidence in the things I do. I have made so many memories through band that I will treasure for the rest of my life. My musical ability has gotten stronger each day I play my instrument because of the way we work off each others. I am so glad to be a part of this giant family, and the CHS band will always be the best in the land."

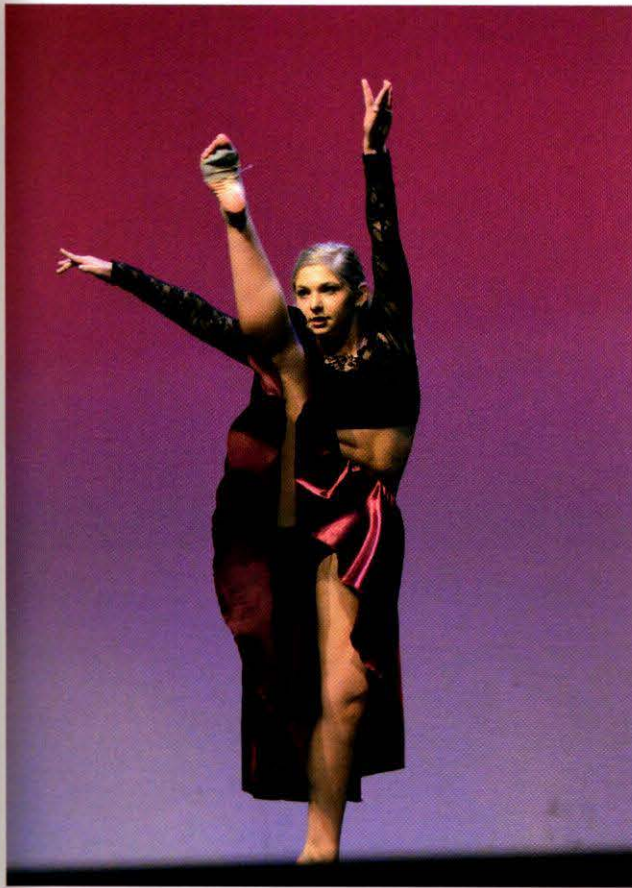

- Ashley Donahue

DANCING TO THE *beat*

The dance team is a group of talented individuals who choreograph their dances for all the events, and make every event they participate in a blast. In the fall, they participate at Pep Rally by choreographing their own dance and performing it in front of the whole school. In the spring, the dance team assists DECA in hosting Mr. CHS by teaching the senior contestants how to dance. They also get to perform at the show. At the end of the year, they also have the opportunity to put on their own recital, attended by their family and friends.

Dance Team,

We are amazed and grateful for the amount of talent that landed on our team this year. This was our favorite pep rally and we are lucky that you guys fulfilled our vision. To our seniors, we want to thank you for a great Mr. CHS performance and all of the dedication you've given over the years. This teams enthusiasm has made our recital a huge success. We know that dance team will continue to do great things. We love you guys like a family. Thanks again for an amazing senior year! #DT4L

1: Poetry is artistic, and it connects people through their shared ideas and perspectives. I love how subjective and free poetry is. It gives people a way put their feelings and experiences into words. My junior year, my best friend (Fanny Riand) and I started Poet's Society because we wanted to spend more time exploring poetry than we had spent in class. In Poet's Society, we hope to give people a place to express themselves.

PETER MILLER

2: My freshman year my mentor told me to get as involved as possible because he regretted not doing so himself. So that's what I set out to do. From participating in three different sports to creating the ping-pong team and being actively involved in DECA, my four years at Chelmsford High have been far from boring. I had a love for business and trade at a young age, a passion shared with my best friend Eric Wrobel. We hopped into the sneaker game with a couple hundred dollars and a boat load of motivation. With some direction from our parents, Eric and I turned a top of the bureau collection into a profitable online sneaker company that was recognized at state-wide sneaker conventions. We both learned what it meant to have a rigorous work ethic, beneficial partner skills, and a profitable company without opening a textbook. I now know that my future is in business. Without the chances taken, classes, and clubs joined I would not have known where my path was leading me.

ALYSSA REGAN

3: DECA has given me countless opportunities throughout high school. As a member of DECA, I had the chance to travel to Nashville, Washington, D.C. and Anaheim to compete and participate in leadership conferences. Through DECA I have obtained business skills and knowledge that I will continue to use for the rest of my life, and I have made life long friends. I want to thank Mr. Shupe, Mr. Sousa and the DECA advisors for being so kind and helpful to me over the past four years.

KATE MCQUAIDE

1: Best Buddies has had an incredible effect on me throughout my four years at CHS. It is a club that advocates for the inclusion of those with intellectual and developmental disabilities, and is a group that everyone could learn something from. While making friends in high school is second nature to many of us, we tend to forget it's not as easy for some of our other peers. I have made some of my best friends through best buddies, and I am going to miss each and every one of them so much next year. I hope that in the future many more people join Best Buddies and are able to experience the exciting, inclusive, and fun group that I did.

JOHN MIESZCZANSKI

2: My sister did Mock Trial when I was a sophomore and I heard tales of her exciting courtroom dramas. I have always had a serious fascination for history and the law so applying to the class was a no brainer. I ended up doing it both my junior and senior year. It has been an amazing experience, I have made some amazing friends and the camaraderie we have built after firing notes to each other during the trials is something I will never forget. I'd like to thank all who I've gotten to experience the class with, but especially the amazing boys in the Sazer and Rupp witness groups who stayed after school with Mr. Cole and got 10/10s.

MARK REITMAN

3: I started doing robotics competitions when I was nine years old on a team with nine of my friends. We competed all through middle school, and a few of us joined a team in Westford during high school. I learned valuable problems solving skills and got hands on experience with engineering that I wouldn't have gotten from school. We attended the world championships the past two years and I've been lucky to meet so many great people through it.

a letter from your advisors...

To the Class of 2018:

It has been an honor and privilege to advise you through your four years at Chelmsford High School. You have endured great loss, but through it you have come together as class and have shown great resilience. Madame Queenan and Jason Fletcher live on in all your acts of kindness, which you perform daily. We truly believe CHS is a better place because of all of you. We wish you all, great happiness. It is ok to end up back in Chelmsford but please take all the opportunities to travel, expand your horizons, and see the world before coming back home.

We are extremely grateful to the class officers and class representatives. Pat, Diti, Brian, Tommy and Brendan have made our jobs that much each easier. They are truly dedicated to the Class of 2018 and we have been fortunate to have them by our sides for the last year. Their goal has always been to make sure your Senior year and Senior Week events were the best they could be.

Follow your dreams and remain true to yourself. Congratulations Class of 2018! Don't forget to keep in touch!

All the Best,

Ms. Sullivan & Mrs. LaFlamme

a letter from your president...

Dear Class of 2018,

I cannot thank you enough for allowing me to share the past four years with you! You have each affected me in indescribable ways, and I hope I have done a fraction of the same for you. Thank you for the laughs, for the amazing memories, and most importantly, thank you for your friendship.

We have all grown as individuals; I remember how young and bewildered we were in the Fall of 2014. It is strange to think that we were not already acquainted at the time. Today, it is hard to imagine my daily life without seeing all of you. To complement our individual growth, we have come together as one class, as one family. We have set new standards in athletics, performing arts, student involvement - and the classroom above all else. We have proven to be true leaders, and have carried ourselves with dignity and pride. Most importantly, we have shown respect to each other. We, as a class, have respected each other's beliefs, interests, and personalities. This is not necessarily typical of a high school environment; it shows how remarkable our time together has really been. I am so proud on the impact we have made on this school, and I hope you all share that feeling.

As our time here concludes and we all head on our own separate paths, I hope you all remember your time here at CHS with fondness. I hope you take what you have learned here, and use this experience to accomplish amazing things in life. Thank you for allowing me to be your President; it has been an honor. Good luck Class of 2018; I cannot wait to see what we accomplish.

Yours truly,

Padraig Slattery

President of the Chelmsford High School Class of 2018

a year in review with principal murray..

-How would you describe the Class of 2018?

This class is energetic, thoughtful and inclusive. I think it is great to see so many kids from different groups mix with each other both in school and at school events. This class created a school climate that all classes should follow.

-What has been your favorite part of being the Principal of Chelmsford High School?

Here at CHS, we have talented students coupled with a supportive staff. It is a GREAT place to work!

-What is your most memorable moment from this year?

It was so impressive to see the Tundra at the games in Medford and Everett for the boys' basketball tournament game. Seeing over two bus loads of kids rocking the stands in Everett was so indicative of this class' school spirit.

-What is your favorite school event?

Even though the time leading up to the Pep Rally can give me heartburn, I love this event. I love the atmosphere and the school spirit everyone shows at the event.

-What advice do you have for the Class of 2018 as they leave Chelmsford and go off to college next year?

Do not be afraid to push your limits, explore and seek new experiences.

What the class of 2018 has to say about principal murray:

"Principal Murray makes everyone feel at home at CHS. He always says hi and makes a conscious effort to get to know every student."

"He's a great person to talk to, and committed to CHS."

"He's the best principal I've ever had!"

"He's hip."

"We could never ask for a better, or cooler, principal."

"His constant energy and generosity fills the halls with joy. He lifts up the spirits of many, and creates a much more open, fun environment."

"He gives people juice boxes!"

a letter from the editors...

Making this yearbook has been both fun and stressful, but both of us are so thankful we had the opportunity to create this book for you. We hope that we have succeeded in designing a book that will help you remember the past four years we have spent together.

When we were brainstorming ideas for the theme, we were trying to think of something that could encompass all of us. As we sat in the PAC last spring listening to the speeches of potential officers, we couldn't help but think of how diverse our class is. We have people who have a wide variety of interests. Some of us are amazing photographers, others are amazing singers and musicians, more of us participate in athletics, and more yet excel academically. Each student has their own unique stories and talents. Our class has made a mark on CHS by winning championships, founding clubs, and overfilling the AP courses (Sorry about that!). We're competitive, driven and succeed at what we do. Most importantly, we pick each other up when we stumble, and we're always there for one another. We wanted to create a book that captured that spirit and showed what it was truly like to be part of the Class of 2018. As we sat in Panera last April and thought about all of this, we came up with the idea of "legacy".

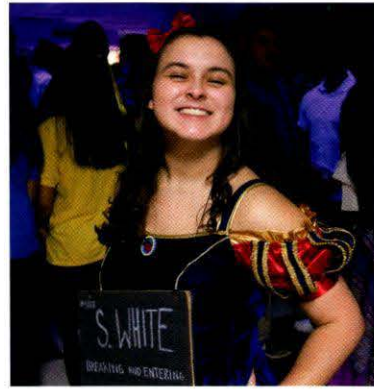

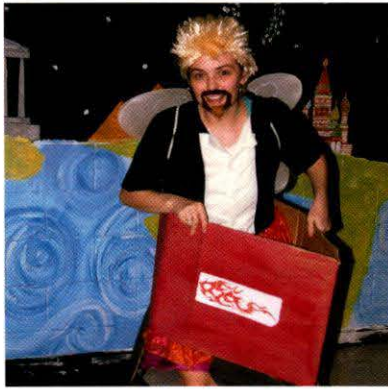

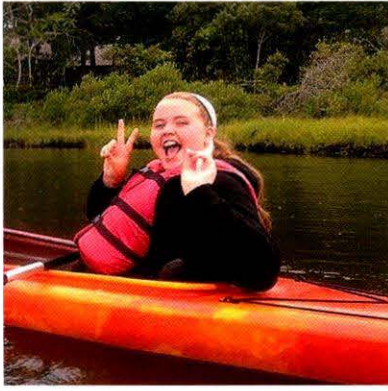

Legacy is defined as "something that someone has achieved that continues to exist after they leave". With this theme in mind, we built a yearbook around you: the successes and triumphs. We tried to capture the memories: the laughs we shared, the games we won, and the friends we made. We started our legacy here in high school, but this is only the beginning. Each and every one of us have so much talent and are capable of accomplishing amazing things. The future is in your hands; it is now up to you to decide what you want to do with it. As each of us move on and leave Chelmsford High School, we hope you are able to look back on your time spent here and reminisce with this yearbook.

We can't wait to see you all continue to build your legacy. We know that the Class of 2018 is destined for great things!

Thank you,

Snapchat reigns supreme as the most popular app of 2017, followed by Instagram and Sandbox.

FASHION FLASHBACK

What's old is new again. Denim, chokers, patches, and embroidery make nods to the past while staying on-trend in the present.

PRIME SLIME

Making slime (a mixture of glue, water, and other additives) becomes a sensation for both kids and young adults.

FANTASTIC FOOD

Unicorn noodles, rainbow cheese, and edible cookie dough are some of the biggest trends in food this year.
