These are the things I prize, and hold of dearest worth;
Light of the sapphire skies,
Peace of the silent hills,
Shelter of forest, comfort of the grass,
Music of birds, murmur of the rills,
Shadows of clouds that swiftly pass,
And after showers,
The smell of the flowers
And the good brown earth—
And best of all, along the way, friendship and mirth.

proudly presents

THE LION

Chelmsford High School

CHELMSFORD MASSACHUSETTS
Here is your 1958 LION, a tangible memory of your high school days. In your future years, you will recall your many teachers, classmates, and school activities. Your geometry, French, and history; your baseball. This yearbook is your permanent record of your high school.
It is not, of course, a complete record. Obviously, that would require thousands of pages. Therefore the staff has endeavored to present a brief survey of the year. We sincerely hope that this summary will bring many highlights to your mind and your days at Cheatham Street High School—Regard,
Hi, Fellow Classmates! In the years to come as we think back over our days at Chelmsford High School, there will be, strange to say, many happenings that we shall not be able to recall. Because of this, we have recorded here some of the highlights of these happy days so that — in the year 1968, perhaps — when we casually turn the pages of this, our yearbook, many memories will come rushing back and we shall relive the joys and the tears, the triumphs and the tribulations of school years pictured in *The Lion*.

We, the Class of 1958, dedicate our yearbook, THE LION, to

THOMAS GREEN

who, because of his interest in us as individuals, his genial friendliness toward all of us, and his sympathetic approach to our problems, has become our trusted companion and friend; who, because of his genuine concern for our future, his unceasing efforts to help us cultivate our interests, and his sturdy faith in our abilities to achieve worthwhile goals, has become our respected mentor and guide.
James G. Georgakakos

"Heaven gives its favorites — early death"

Mr. James G. Georgakakos was born in Lowell November 11, 1927 and died October 28, 1957. He attended Lowell schools and received his B. S. from the University of Purdue. He was a member of the Chelmsford High School faculty for two years.

As a teacher, we remember Mr. Georgakakos's ability to share his enthusiasms and his knowledge and experience with us. As a friend, we remember his warmth of personality and his sympathetic understanding.

BOOKS

Books are not men and yet they are alive,
They are man's memory and his aspiration,
The link between his present and his past,
The tools he builds with.

— Stephen Vincent Benet
A lion cub so young and gay,
Went on a quest one bright fall day.
In search of answers — oh, a score —
He crept right through an open door.

"Should I work, or should I play?"
"Should I wait for another day?"

A PRAYER

Lord, make me an instrument of Thy peace.
Where there is hatred, let me sow love,
Where there is injury, pardon,
Where there is doubt, faith,
Where there is despair, hope,
Where there is darkness, light,
Where there is sadness, joy.

O Divine Master, grant that I may not so
much seek to be consoled, as to console,
To be understood, as to understand,
To be loved, as to love,
For it is in giving that we receive,
It is in pardoning that we are pardoned,
And it is in dying that we are born to Eternal Life.

The Chelmsford High Athletic Association has a single purpose—to support the sports programs of Chelmsford High School. To be a member a student buys a ticket which entitles him to admission to all home games. This year about sixty percent of the Chelmsford High students are members, are supporting their teams financially and, by attendance at games, are supporting their teams in spirit. With the aid and enthusiasm of about two-thirds of the school, our teams have done much. What they could do if supported by all!

Mr. Ernest Shepard took over the controls this year as Faculty Manager and Mr. George Simonian as Athletic Director. Both have done an excellent job in guiding the policies of our A. A.

In spectacular formations before the spectators, the cheerleaders made the “Lions” roar at all the sporting events of the season. With the swirl of maroon plaid kilts and the flash of white gloves, the squad led cheers of “thunderclap” proportion which reverberated through the stands while the football team stormed on to victory and the championship. Shifting to simple maroon uniforms, the cheerleaders sparked the cheering section during the basketball season also.

The new uniforms, with mandarin collars and flaring skirts, represent the money-making talents of the girls and the generosity of the Booster Club.

Ably led by Martha Crane and Barbara McEnaney, capably assisted by Nancy Thomas as the Chelmsford Lion, and expertly coached by Miss Margaret Kavanagh, the Chelmsford High School cheerleaders added color and zest to our sports program.
With the expectation of a fine season and the goal of surpassing the best record in CHELMSFORD'S FOOTBALL HISTORY, set by the 1956 “WONDER BOYS,” a combine of determined and courageous boys, led by their capable and efficient Co-captains, Bob Gagnon and Fred Gleason, and guided by their expert coaches, Joseph Nolan, Gene Macomber, and Frank Hill, took to the field and achieved their goal by establishing the greatest record in Chelmsford's THIRTY YEARS of football history.

The seven wins, no losses, and one tie game gave to Chelmsford its first undefeated season, putting the Nolanmen at the top of the Lowell Suburban Conference and bringing to Chelmsford its first Eastern Massachusetts Class D Championship.

This commendable record was made by a group of twenty-nine hustling ball-players who had the desire as well as the ability to win and who, with the direction and know-how of their excellent coaches, built a fifteen game winning streak which surpassed all previous records, and allowed the least number of points to be scored upon any Chelmsford gridders for an eight game season.

The exceptional qualities of the team have not been unnoticed for three boys were named on the All-Scholastic Squad and eleven on the Lowell All-Suburban teams. Through graduation we lose eleven of the 1957 Lions, but, we know, that next year under Co-captains elect, Ira Parks and Jack Scaplen, the team will go on to success. Best of luck, Teammates!

Realizing that this success has not been gained by their efforts alone, the football team wishes to express sincerest appreciation to all those who helped them in any way. First, they wish to thank their coaches, Mr. Joseph Nolan, Mr. Gene Macomber, and Mr. Frank Hill, for their patience, their understanding, their ideals of sportsmanship, and their knowledge of the game. To the loyal rooters and to the members of the Parent Teachers Association for their faithful support, they express their thanks. For the beautiful jackets, they wish the committee in charge of the High School Recognition Fund and all its contributors to know of their gratefulness. Last, but by no means least, the boys wish to acknowledge all that the Boosters Club, the Lions Club, and the Lowell Rotary Club have done for them—keen interest, towels, trophies, banquets, Sports Night.

Thank you, everyone, for everything! May we continue to be worthy of your consideration!

Participating in the sports curriculum during the crisp fall days was the Chelmsford High School Girls' Field Hockey team. Coached by Miss Carol Murphy, the team completed a very successful year with five wins, two ties, and only one loss. Patricia Nordin and Elizabeth Clark, along with a skillful and enthusiastic team, backed Co-captains Ann Lovering and Beverly Wright every moment.

Best of luck to Co-captains Elect Ruth Hayes and Donna MacLean.

Another year of success for the Chelmsford High School Basketball Team has gone down in history. Under the coaching eye of Mr. Murray B. Hicks, our team compiled a creditable record which provided much exciting entertainment for all onlookers. Captained by Ken McGillivray this year's team, time and again, out-hustled their opponents to gain the victory. In the Suburban League, with an eight and four record, we were second only to the North Andover five, who went on to win the Class C state championship. After two dubious losses to Dracut and Wilmington, both in overtime, we came back and evened the score with both teams in the second contest. Probably our most outstanding victory was against favored St. Joseph's of Lowell as we downed the Marists 60-57 in overtime. With our overall twelve wins and four loss record we once again qualified for the Eastern Massachusetts Tech Tournament. In our first game we topped Plymouth 53-50 in a close contest. On our second journey to Natick we met the Scarlet Knights of North Andover who, for the third time, proved to be too powerful for our squad. Our final record was thirteen and five, identical with our last year's record. We wish the best of luck to next year's team and their Captain Tom Trainor.

Under the spirited leadership of Co-Captains Pat Nordin and Tisha Oliver and the fine coaching of Miss Carol J. Murphy, the girls' basketball team has completed another successful year.

Although the girls did not win too many games, they showed their spirit by developing from a green uncertain team, into a well organized unit working with enthusiasm, skill, and wonderful sportsmanship.

The J. V. squad played once a week and completed an admirable record also.

As the 1958-59 team is shaping up well, we have every confidence of a championship squad, next year, Co-captained by Pat Paduch and Lois Reid. Good luck, girls!

Ably coached by Mr. Joseph Nolan and Mr. Gene Macomber and successfully led by Co-captains Jerry Robinson and Pete Goodwill, the 1957 Lions won the Suburban Championship and fought their way to the quarter-finals of the Eastern Massachusetts Baseball Tourney where they lost a heartbreaking 3-1 decision to Methuen.

Since the 1958 squad is just shaping up as THE LION goes to press all that can be printed is a picture of this year's club, the schedule, and a sincere wish for another championship year for the team under the captaincy of Pete Vennard and Ronnie Bell.

ACTIVITIES
The Student Council, under the constant and gifted supervision of Miss Mildred Hehir and Mr. Donald Hankinson, has completed another successful year of service for Chelmsford High School.

The Assembly Committee provided four entertaining and worthwhile paid assemblies. The members developed their powers of salesmanship through their activities at the refreshment stand and their vending of C. H. S. bookcovers in the home rooms. The persuasiveness and perseverance of the Student Council members contributed to the success of the United Fund Drive. They also brought Christmas cheer to their adopted family and collected toys from the student body to be distributed to fourteen other families. To add to the social life of the school, the Council sponsored the Valentine Dance at which were chosen a King and Queen of Hearts.

The highlight of the year for the Student Council was the Eighth Annual Teen-Age Talent Time, postponed because of a blizzard on March 20, but successfully presented on March 25. Under the skilled direction of Mr. Paul Bordeleau, many C. H. S. teenagers were given an opportunity to display their abilities for our entertainment. The Council wishes to thank Mr. Bordeleau, Miss Hehir, and Mr. Hankinson for the many hours of their time given to make this event such a success.
The National Honor Society of Secondary Schools is an organization designed to promote in its members the qualities of Character, Scholarship, Leadership, and Service. Here at Chelmsford High School, Chapter 4609 is hard at work. Only those students who possess the highest moral character and academic averages are allowed to join, and membership is highly exclusive.

Each year the society members aid the school by assisting at some of its functions. In the fall, they ushered at the “open house” for parents and teachers. The junior members ushered at the graduation ceremony in June.

On January 30, 1958, the society went to Tewksbury High School and helped to establish a National Honor Society there. President Patton conducted the impressive ceremony, and was aided by the following students: Introduction, Elizabeth Clark; Scholarship, Beverly Wright; Character, Barbara McEnaney; Leadership, Barry Morton; Service, Roger Sullivan.

In April our own induction ceremony was held; seventeen honor students of the Junior Class and seven honor students from the Senior Class were admitted to the society.

The members of the society are most appreciative of Miss Booth’s constant and intelligent guidance.
The friendly spirit and co-operativeness of the Junior Red Cross members led this club through another successful year. Under the patient and skillful guidance of Miss Marjorie B. Scoboria, the Junior Red Cross continued its fine record of service.

To brighten the holidays the members supplied one hundred colorful posters for the Bedford Hospital and ten for the Tewksbury Hospital. On Thanksgiving, Christmas, Valentine’s Day, and Easter the patients were cheered by the delightful work of Miss Scoboria’s girls. Books of cartoons and cross word puzzles were sent to the Bedford Hospital to quicken days for the shut-ins. At Christmas time, a committee of Juniors wrapped gifts for the patients in the Francis Farris Hospital in Lowell.

The International Correspondence Album was sent to Kenya, South Africa, this year, to picture for the students there the curriculum and activities of the students here.

The Chelmsford High School Council is honored to have had Ann Lovering, vice president, as its representative at the Junior Red Cross Leadership Training Center at Phillips Andover Academy, with one hundred sixty others from the eastern states. Ann participated in the discussions and recreation plans for the week.

During the months of November and December, all senior members of the Junior Red Cross were taken to the Red Cross Chapter House in Lowell and conducted through the building. The founding and work of the American Red Cross was explained to these girls and the emergency equipment was shown to them.
Acting, prompting, painting, publicity, and make-up under the talented direction of Miss Martha Kinneen were all part of the activities of the Chelmsford High School Dramatic Club.

At the Christmas Assembly members of the Dramatic Club presented an effective tableau creating the hallowed mood of Christmas with a series of shadow graphs. Again the Dramatic Club gave a scintillating presentation in the one act comedy, Sham, for the Parent Teachers Association.

The major project of the year was the production of Our Hearts Were Young and Gay, a comedy in five acts written by Cornelia Otis Skinner and Emily Kimborough, coached by Miss Kinneen. Ann Lovering and Jacqueline Regan were superb in the leading roles. Judith Smith, Beverly Wright, Thomas Patton, Richard McDonough, Patricia Corcoran, Roger Sullivan, Richard Thayer, and Raymond Marcotte gave convincing characterization of their roles. Searching out sources of authentic costumes of the twenties proved to be an interesting project for the costume committee. After Mrs. George Parkhurst gave them helpful demonstrations, the group working on make-up, with patience and practice, were able to create the illusion of characters to match the costumes and the script. The sound effects and lighting were tried and tested until the perfect atmosphere was produced. Rising to the challenge, a skillful and enthusiastic group painted, sponged, and panelled the flats developing the proper background. Colorful posters were drawn and distributed to arouse the interest of the community. All these combined to create a smash hit which leaves many happy memories for the Dramatic Club of 1958.
Dramatic Club
Math Club

Many students at Chelmsford High desire to familiarize themselves with mathematics. They may want merely to review the theorems and formulas they learned in their regular classes, or they may yearn to absorb new, different, and fascinating topics of math. Whichever of these is their goal, the Math Club greatly assists them. Each week Mr. Stanley Suchodolski, director of the club, explains with patience and skill to the members some phase of mathematics which will be useful to them in college or in industry.
This year the baton twirlers were as snappy as ever, decked out in their smart new military uniforms. Leading the gala group were the able co-captains, Dorothy Charest and Sandra Harvey. The twirlers provided an extra attraction at the football games, skillfully strutting and performing the colorful arrangements worked out by their director, Mr. Bordeleau.

Adding sparkle wherever they went, they led the parade which welcomed Santa Claus in Lowell, took part in the Northeastern Music Festival, and performed in the Lowell Field Day Parade and the Chelmsford Memorial Day Parade.

The baton twirlers, along with Mr. Paul Bordeleau, their very versatile director, deserve our praise for the outstanding contribution they make to any activity of which they are a part.
Another successful season has been completed by the Chelmsford High School Band under the leadership of its very capable director, Mr. Paul Bordeleau. Rain or shine the band has presented a spirited performance at the football games, both at home and away, providing moral support for the football team, as well as eye-catching halftime entertainment for the spectators.

At Christmas, the band followed its tradition of playing carols for the shut-ins and for the town, a custom which brings great joy to many. Helping to welcome Santa to Greater Lowell has also become a part of the band's Christmas program.

We are proud when the people who come to present programs at our assemblies praise the performance of our band, a circumstance which happens often. At the Band Concert, the band had the opportunity to show its combined talent and versatility to an appreciative audience.

The season ends for the band with three events, the Northeastern Music Festival, the Lowell High School Field Day Parade, and our own Memorial Day observance.

The Chelmsford High School Band has been a great morale builder for our school and deserves our sincere praise and thanks.
The Talent Show, the Band Concert, and Memorial Day Services are some of the performances in which the Glee Club has successfully participated.

This year twelve of the members had the opportunity to sing in a massed chorus concert as part of the Northeastern Music Festival in Winchester, Massachusetts, on May 3, 1958.

Once again Chelmsford High School was represented at the All-State Music Festival in Springfield.

Under the gifted direction of Mr. Paul E. Bordeleau, this club has identified itself as a source of enjoyment to its members and a credit to the high school.
Each member of the Science Club is expected to choose a topic or an idea which he will develop into a project to show at the Annual Science Fair. The purpose of this project is to provide the members with a wholesome and valuable way of spending leisure time. In the development of his project, each member is able to demonstrate his skills and his knowledge in a particular field of science.

Under the direction of Mr. George Simonian the Science Club members exhibited their projects on March 6, 1958 in one of the most successful science fairs Chelmsford High School has seen. Four of the exhibits from the Science Fair were chosen to represent Chelmsford High School at the Lowell Technorama at Lowell Technological Institute. In addition the prize-winning exhibit was sent to the Regional Fair at the Massachusetts Institute of Technology in April.

During the year the Science Club held meetings twice a month at which scientific demonstrations were shown.

Mr. Simonian has capably and enthusiastically directed the work of the Science Club and earnestly encourages the members to continue to add to their scientific knowledge.
"The show must go on!" says Mr. Dunigan to his Lamplighters as he initiates them into the fine art of manipulating our visual aids equipment: movie projectors, recorders, slide projectors, and phonographs.

We are grateful to these students and their leader, for without them we would have been left in the dark, literally and figuratively. Because the Lamplighters were willing to assist us, we have seen many fine movies and slides, heard many wonderful recordings, or even listened to ourselves. Since all of these aids have helped us to understand our lessons better, we wish to give Mr. John Dunigan and the entire Lamplighter Club our deepest thanks.
Due to the fine work of the Press Club, under the direction of Mrs. Charlotte S. Carriel, the community has been regularly informed of the many activities of Chelmsford High School.

The members, who must be seniors or juniors, meet with Mrs. Carriel each Thursday to discuss school activities and to receive their assignments. After their material has been collected, written, and checked, it is typed with the help of Mrs. Shirley H. Hardy, a member of the faculty, and sent to the Lowell Sun and the Chelmsford Newsweekly for publication.

Our Press Club serves a two-fold purpose: to give its members, under the expert supervision of Mrs. Carriel, an opportunity to write for publication; and to establish good public relations between our school, the press, and the town.
This year Mr. John Hughes began instructing the Driver Education class on a full-time basis. Driver Education has become so popular and the enrollment for the course so large, that it was impossible for Mr. Hughes to teach all the "license seekers" after school. Now many students who previously had no chance of obtaining a driver's license this year are happily enjoying motoring.

The purpose of Driver Education is to teach the pupils the fundamentals of mechanics and the rules of the road in the classroom, and then to teach them how to control the automobile with practical experience on the road. All of this is taught with the thought in mind of developing the proper attitudes toward driving. Always remember—"Drive Safely! The life you save may be your own."

 SECTION III

The Class of 1958 leaves a bundle of good luck and good wishes to all underclassmen and hopes that they will have as much fun during their last year here, as this year’s seniors have had. We, the students of the 1958 graduating class, leave with hope for world peace in our hearts, a few tears of departing sadness in our eyes, and, on our lips, a smile for the future.

FRESHMAN YEAR

Ah! high school at last, four years to go! We wander aimlessly through the corridors in a hopeless attempt to find our rooms. Our heads are spinning with directions and rules. Detention! what's that? A new Frankenstein, Mr. Carney, invades the science world with us. Mr. Pickett comes to lead us through U. S. History. Hey! who turned on the radio? It's only Mr. Bordelcau, the new band leader. Mr. Marchant arrives in his miniature size bus. Miss Lynch and Mr. Verre take over the job of turning us into specimens of physical perfection; Miss Kinnren comes to revive an interest in drama. Our football team becomes Suburban champs. Wow! It's too good to be true. The boys' basketball team are champs and go to the Boston Gardens. We follow in six busses to cheer them on to victory. We all await impatiently for the big tercentenary celebration. Mr. Green and Mr. Conrad, who are much more interested in our future than we are, try in vain to help us make up our minds as to the right course for next year. "There'll be no changing of courses in September" is the loud cry from the office. I. Q. tests! Final exams! We have now successfully reached our first plateau!

SOPHOMORE YEAR

One down, three to go! We enter our heartbreak hotel with tears in our eyes. Scads of new teachers—Mr. Bardsley invades the biology room and organizes our first science fair; Mr. Copley tackles the job of managing athletics and makes the grade with flying colors; Mr. Caliri tries in vain to build men of our boys. Rock and roll falls on us like a ton of bricks!—Oh, that Elvis! Latest fads—charcoal, suede, Bermudas, knee socks, and white bucks. The "chirpers" are off to a flying start at 2. "Friends, Romans, countrymen" is the call from Room 20. The art room is crawling with papier-mache animals. Phew, what an awful smell from those dissected sharks in Room 10. Un, deux, trois was the rhythmical sound from Room 5. In sports, we came out second best. The year rolled around to our annual talent show with an abstract backdrop! "Oh, those haircuts!" Five teachers leave for all points—we look forward to a few new faces in our junior year. We now have all successfully reached our second plateau.

JUNIOR YEAR

Two down, two to go! New teachers galore! Mr. Hankinson moves into Room 20; Miss Murphy and Mr. Macomber arrive to develop our athletic abilities. "Let me put it this way" echoes from Room 7 as Mr. Suchodolski takes over mechanical drawing classes. Miss O'Neill, Mr. Foderaro, Mr. Girolamo, Mr. Kirby, and Mr. Byrne are more new members of the faculty. Interesting new techniques are added to our familiar cheers by Miss Kavanagh. "Alpha, Beta, Gamma; hammer, Chelmsford, hammer . . ." is the cry from the crowd as the C. H. S. football team drives on to an outstanding record, the best one in twenty-nine years! Horrors, mid-term reports have been added! A parade of trench coats files into school each day. Another successful talent show. A Dramatic Club is formed, scenery is painted, props are tracked down, frantic last minute rehearsals, but at last a hilarious production of "Arsenic and Old Lace." A line up as we are measured for class rings, a LONG wait but they finally arrive. An impressive installation into the National Honor Society was conducted by Punchard High School. "Al" accepts the Seniors' gift. Final exams for the last time! The third plateau has been reached.

SENIOR YEAR

Three down, one to go! We enter that last year with great expectations. More new teachers—Mr. Flynn, Mr. Betses, Mr. Simonian, Miss Larkin. Mr. Lynch. Almost before we were in the groove, our football team was setting a record which has never been equalled by any other Chelmsford team. Our powerful line with an All-star backfield downed all opponents as they chopped the Class D State Championship along with the Suburban Championship. Mr. Nolan and Co. were awarded and rewarded with trophies, banquets, and jackets. In the midst of all this, we were saddened by the death of Mr. Georgakakas, Those who had him in class realized what he had to contribute to Chelmsford High, and what we had lost. With Christmas came our annual dance—the best of the year. Next—PICTURES! What an ordeal—suits, ties, hair just so, pearls or a collar, profiles, smiles! We began to crowd to Mr. Green's office. "Where's your pull? Can you get me in there?" College boards! Aptitude tests! Interviews! By this time the basketball team has finished its season with a 13 to 5 record spurred on by our pretty cheerleaders. 8th Annual Talent Show, postponed for a snowstorm, a smash hit once again. Our Yearbook goes to press; we are in the home-stretch. Now we begin to look for jobs; some to pay for college expenses, others to keep for good. Our seniors go to the Music Festival. Our Prom—our tux and gown night—marks the beginning of our final round of activities. Time rushes on bringing the class banquet, the class trip, and graduation. We have at last successfully reached the summit; we have a wider view, greater wisdom. Together we go onward; where we go is up to us.
