The Class of 1960

proudly presents

THE LION

Chelmsford High School

CHELMSFORD MASSACHUSETTS
At the beginning of this year, we seniors faced this doorway, the beautiful symmetrical entrance to our new high school. These doors opened to facilities about which we have dreamed for many years. For us, they have become a symbol. Now, at the end of this school year, they open again and become the much anticipated portal to all the opportunities of the future toward which we have been working through our school years. We shall advance through this doorway to meet the challenges of our world and to find the fulfillment of our dreams.
Dedication To...

With grateful acknowledgment of...
his scholarly attitude and proficient teaching,
his depth of understanding and genuineness of interest,
his high principles and personal dignity,
which have been an inspiration to us all,
we,
the Class of 1960,
dedicate our yearbook,
THE LION
to

FORTITUDO PROVOCATIONI.

Courage to meet the challenge — what better motto could the class of 1960 have as its inspiration and its aspiration! All have dreams — let them be what they may — which remain elusive, intangible, and transitory until those who produce them develop the will to make them a reality and the courage to carry them through to fruition, regardless of the obstacles in the way.

Our new school has been a worthy object lesson for us. First the school plant, its modern equipment, its expanded program, and its wonderful opportunities were just the dreams of our school committee and administrators. They had the vision and the courage to plan for the future, and the citizens of the town had the appreciation and the understanding to accept the challenge and to work with them for the betterment of the youth of Chelmsford. We have experienced the reality and enjoyed it to the full.

Now the future is opening to us. We are stepping out of the shelter of home and school and are facing the challenge of an adult world, new to us. The success of the days to come rests upon the courageous way we accept the problems of this world. World peace, the struggle between philosophies of government, the controversy over the atom bomb, the competition in conquering space, and the problem of the equality of man regardless of race are just a few of the many great issues with which we must grapple. May we treat each problem great or small with strength, wisdom, and faith in God, remembering that we move toward our goal only when we have — COURAGE TO MEET THE CHALLENGE — FORTITUDO PROVOCATIONI.

Administration
Planning Our Day
The preparation of THE LION of 1960 has been sparked by weekly meetings of the yearbook staff where ideas were pooled, constructively criticized, and developed. We have tried to assemble memories of the outstanding events and activities of our school life, emphasizing particularly, the expanded program of our new school. May this book be a treasury of high school highlights and remembrances of associations and friendships at Chelmsford High School.

Best time of the day

Mid-terms tomorrow?

Wait till she sees this bikini!

Let's call it "The Lion"

We really told her!

Eenie, Meanie, Mienie

Seen the new girl yet?

And there I was at 10,000 feet!

And we have to pay for all this?

In a world of their own

Where's Moe?
The following is a list of special awards presented at the graduation exercises, June 8, 1959. Inasmuch as these awards were not made until the night of graduation, it was impossible to record them in the 1959 Yearbook.

A penny for their thoughts

All right, you guys, get out of the band room!

It beats wearing a bib!

Man, does this send me!

The pizza's on.
The Athletic Association

Under the expert guidance of Mr. Ernest R. Shepard, Faculty Manager, and Mr. George Simonian, Athletic Director, the Chelmsford High School Athletic Association completed a very successful drive for members. The ceaseless efforts of the homeroom representatives were the important contributing factors towards this success.

By loyal attendance at all athletic activities the student body has furnished the support so vital to success for the teams and for the building up of records of victory for the school.

Such an auspicious beginning has set a pattern for pupil support of the Athletic Association and all that it stands for in the sports life of our school.

Coach — Miss Margaret Kavanagh

The cheerleaders of 1960 formed an attractive squad, outfitted in their maroon plaid kilts, charcoal sweaters, and flashing white gloves, as they led the football players on to a successful season.

During the basketball season, the girls, divided into two groups, spurred the players on to a championship. One squad was led by Karen Lee, the other by Joan O'Sullivan.

Capably led by Karen and Joan, and expertly guided by Miss Margaret Kavanagh, the cheerleaders added a spark of enthusiasm to the sports events.
The 1959 Chelmsford High School football team has maintained Chelmsford's good football record and completed another successful season under the capable leadership of Co-captains David Kydd, Roger Blomgren, and Edward Hall and the expert guidance of Coach Joseph P. Nolan assisted by Mr. George N. Klesaris and Mr. Henry P. McCarthy.

The Chelmsford eleven opened with an 8-8 tie over Tewksbury on Tewksbury's field. The following week we dedicated our new field with an 8-6 win over our new opponent, Canton. The next two games were thrillers as the Lions downed Dracut 30-8, and shut out Burlington, last year's Suburban Champs, 24-0. At Wilmington, Chelmsford maintained its winning streak with a score of 20-14. After this game the winning ball was presented to Coach Joseph P. Nolan in honor of his 100th game. His Chelmsford Lions presented Coach Nolan with a Paul Revere bowl in appreciation of all that he has done in developing excellent teams and true sportsmanship in Chelmsford.

Powerful Ipswich defeated us 16-0 and North Andover won with the score of 14-8.

To close our season at Billerica on Thanksgiving morning, the Lions played hard and fought valiantly, but were defeated 19-0 by the Billerica eleven.

Co-captains Kydd, Blomgren, and Hall wish to express their sincerest appreciation to all who helped them in any way during the 1959 season. They and the team thank particularly their coaches who give so much of themselves, their time, their skill, their inspiration, that the team may be successful in the truest sense.

Mr. Nolan again has been the sage mentor of Chelmsford High School football assisted this year most competently by Mr. Klesaris. Mr. McCarthy coached the successful J. V. team which won six of its seven games, by shut-outs. To show their appreciation, the JVS presented Mr. McCarthy with a trophy.

The '59 eleven wish the '60 eleven under the leadership of Robert Gleason and Robert Lyons all the luck and success.

| varsity Record | Tewksbury | Chelmsford | Dracut | Chelmsford 8 | Chelmsford 30 | Chelmsford 24 | Won - 4 - Lost - 3 - Tie - 1 | Wilmington | Ipswich | N. Andover | Billerica | Chelmsford 20 | Chelmsford 0 | Chelmsford 8 | Chelmsford 0 |
Under the able coaching of Miss Carol Murphy, the Chelmsford High School Girls' Field Hockey team has completed another successful season with five wins and four losses. The J.V. team had two wins, three losses, and three ties.

A skillful and enthusiastic team backed Co-captains Linnea Peterson and Mary Pigeon during games and practices and worked hard to achieve their "goal."

Best of luck to Co-captains-elect Patricia Craig and Claire Mainville.

Although the girls at Chelmsford High School have played softball for many years as in intramural activity, 1959 was the first year in which it was played as a "letter" sport. The season was a profitable one, too, for of the eight games that were played, not one was lost. Sparked by Co-captains Linda Lupien and Lea Auger and star pitcher Barbara Lebedzinski, and ably directed by Coach Carol J. Murphy, the girls enjoyed a season to be well remembered, and hopefully copied.

As the team was not organized at the time our 1960 LION went to press, we can give no results for the '60 season; but we can proudly present the scores of last year's games and hope that this year, when we meet these same four teams, we shall fare as well.

From a most gloomy beginning, the 1959-1960 Chelmsford High School basketball team pulled out to finish the season in a blaze of glory with the LIONS winning the Suburban crown at Billerica in a playoff with the Scarlet Knights of North Andover. How proud we are to have the Suburban trophy back in our trophy case after an absence of six years.

Our new gym with its greater seating capacity, ample floor space, and modern glass backboards for the baskets was a factor contributing directly and indirectly to our success. We are proud to have had our gym used first officially for an exhibition game of the World Champion Boston Celtics under the sponsorship of the Boosters Club. A capacity crowd watched the skilled performance of this popular club as it did the Chelmsford High School team once our season began.

As our team gained momentum and was really rolling, the LIONS gave their fans, every time, an evening of thrills and excitement with many games won or lost in the last few minutes of play. All through the season Chelmsford High School played an interesting and stimulating brand of basketball which carried through the tie, the playoff, and the All-Star game.

Under their coach of long experience, Murray B. Hicks, and led by Captain Joseph Spinazola, a sharp-shooting guard, the team has completed a championship year of which its members can be justly proud.

Many an evening had its thrills heightened by the expert game of the J.V.'s led by Henry Brown, and coached by Henry P. McCarthy. The J.V.'s piled up a series of admirable scores with 14 wins and 3 losses.

To Captain-elect Kenneth Koch and next year's hoopsters, we wish all success.

* Playoff
Girls Basketball

With the completion of the 1959-60 basketball contest, another effective record has been compiled by the Chelmsford High School girls' basketball team. Under the spirited leadership of Co-captains Norma Bell and Judith Harrington, and the experienced coaching of Miss Carol J. Murphy, the girls made it an interesting hoop season.

In the forward courts were Co-captain Judith Harrington, Jo-Anne Gravelle, Linnea Peterson, and Mary Pigeon. In the back courts were Co-captain Norma Bell, Patricia Craig, and Joan Donoghue. Marjorie Allen, Sharon Dorsey, Joanne Egan, Linda Lee, and Claire Mainville fulfilled their jobs as dependable substitutes.

The J.V. team also completed a very impressive season with 13 wins and only 4 losses.

As the 1960-61 team goes into action, may they have a very successful season.

Baseball

The 1959 team upheld the Chelmsford reputation for playing good ball and for giving both spectators and participants alike an enjoyable season.

The fine coaching of Mr. Joseph P. Nolan and Mr. Frank Hill with the captaincy of Conrad Stone, led the team to many victories.

Since the 1960 season starts after THE LION goes to press, we can print only the results of last year’s games, announce the new assistant coach, Mr. John Sargent and this year’s captains, Douglas Eno and Peter Picken, and give hearty wishes for a successful season.

Under the capable direction of Coach John McGuire, Chelmsford High School's Cross Country team assembled for the first year. The team has been fortunate to have three very able Co-captains: Phil Currier, Ray McEnaney, and Andy Wolfgang.

This year Chelmsford High entered five meets: Bedford, Weston, Wilmington, Billerica, and the State Meet at Jamaica Plain. Coach McGuire plans to form a spring squad also.

Under this year's expanded program the team has worked with unceasing spirit and boundless enthusiasm. Next year our team hopes to have great success since we are losing only two of the original members.

During 1959-1960, the Student Council celebrated its tenth year as an active, contributing organization in Chelmsford High School. The Council has continued to do all in its power to serve the best interests of the student body, and to aid in maintaining and developing to a greater degree our fine school spirit.

Our new school presented new problems, new opportunities, and a greater scope for activity. Our outstanding venture this year has been the sponsoring of a school store under the direction of Mrs. Dorothy Sexton and her salesmanship class. Many interesting and varied items are displayed in the attractive exhibition cases to tempt pupils to purchase.

Our usual activities such as selecting suitable assembly programs, selling refreshments at games, acting as ushers at school events, adopting a needy family at Christmas, and the like have been continued.

Our talent show was again a colorful, sparkling affair. To Mr. Phelps and all who were responsible for its tremendous success go our thanks.

All in all, the Student Council, under the expert leadership of its president, Elizabeth Vaipan, and the wise guidance of its advisors, Miss Francene Kealy and Mr. George J. Betses, has completed another year of worthy attainments.

The development of the qualities of scholarship, service, leadership, and character in Chelmsford High School is the goal of the National Honor Society.

Under the Society's guidance, for the first time at Chelmsford, honor study halls have been established where students on the honor roll work without supervision. Other National Honor Societies have been invited to our school for fellowship and discussion. The leadership of this group has been assumed by our members. Within our own school the members of the National Honor Society have tried to be of service to the student body in every way possible.

We are deeply thankful for all the time and work that Miss F. Christine Booth, our advisor, has so generously devoted to us.
The Junior Red Cross Council, one of the more active groups at Chelmsford High School, held its annual election in October. The officers chosen were:

- President: Diana Ricciardi
- Vice-President: Beverly Silva
- Secretary: Muriel Deering
- Treasurer: Judith Zabieck
- Advisor: Marjorie B. Scorboria

Under the skillful guidance of Miss Marjorie B. Scorboria, the Junior Red Cross continued its excellent record of fine service. This year, patients at the Bedford State Hospital were cheered with colorful posters for Thanksgiving, Christmas, Valentine's Day, and Easter.

The executive committee has appointed the following chairmen:

- Poster Committee: Judith Wyman
- Cartoon Committee: Ann Berry
- Crossword Puzzle Committee: Carolyn Briana, Cynthia Banks

International Correspondence Album: Joanne Egan

The International Correspondence Album was sent to Belgium. Through this album, students in Belgium can compare their school curriculum and activities with ours.

The officers, along with Miss Scorboria, enjoyed a visit to the Red Cross Chapter House in Lowell to learn more about the Red Cross activities conducted there.

A membership drive, resulting in one hundred per cent student body membership, rounded out a very successful year.
The Dramatic Club began its 1959-1960 season with a new, well-equipped theater-auditorium to augment the enthusiasm and talent of the members. Gone are the days of transporting scenery, of making-do with poor lighting, and of sharing quarters with basketball and physical education. Now our productions move forward under the best conditions — modern lighting, a custom-made set, ample work and playing areas, and luxurious surroundings for the audience.

The annual production, A Little Honey, by William Davidson, charmed its audience with its hilarious comedy dealing with the foibles of a crisis-plagued family whose problems are solved by the tart, sage grandmother.

An innovation was the presentation before the school body of a second vehicle, Sorry, Wrong Number by Lucille Fletcher. This suspense-packed horror drama kept the students under its spell to the very end.

Because of the large group of students interested in the many phases of dramatic work, the Dramatic Club has two divisions: junior, with Mrs. Hanley as director, for freshmen and sophomores; senior, with Miss Kinneen, for upperclassmen.

The junior group added much to our observance of Christmas with Why the Chimes Rang, a dramatization of one of the familiar Christmas legends.

Some of the club had the good fortune to see Miss Eva LeGallienne in Mary Stuart, by Schiller, at the Colonial Theater in Boston. Eight of the group had the unforgettable experience of going backstage to interview Miss LeGallienne, a world-famous actress.

Under the skillful guidance of Miss Martha F. Kinneen and Mrs. Christine A. Hanley, the Dramatic Club has enjoyed a fruitful year.

The Forensic Unit, under the direction of Mr. Edward J. Lynch, coach, enjoyed a championship first year in the Suburban Lowell Debating League. The national secondary topic for this season was Resolved: That the Federal Government should substantially increase its regulation of labor unions.

The affirmative side of the argument was handled by Jean Hundt, Walter Dyke, Frederick Field, Robert Charlton, and James Long. The negative was handled by Lillian Rondeau and Ronald McSheehy. Chairmanships were held by Frederick Field, Charles Laughton, Jean Hundt, and Walter Dyke.
The Lamplighters have enjoyed a more extended program this year, since they have had the opportunity to become acquainted with more machines of different types than previously and to learn how to operate and maintain them.

Ably guided by Mr. John Dunigan and Mr. John Sargent, the members have aided teachers in trying to enlighten classes with films and recordings. We of Chelmsford High are very fortunate to have such a group willing to sacrifice their time and efforts so that we may broaden our knowledge.
Radio Club

President ........................................... George MacLauchlan
Vice-President ...................................... Donald Abely
Secretary-Treasurer .............................. Donald Howard
Advisor ............................................. Paul Murphy

The Chelmsford High School Amateur Radio Club was organized this year under the direction of Mr. Paul Murphy to meet the growing demand of those interested in electronics for an opportunity to exchange ideas, acquire skills, and further their understanding. Already we have many members, nine of whom are “hams” with amateur radio operator licenses. For the rest, classes on code and radio theory are in operation. It is the aim of this club not only to fulfill this need but also to establish and maintain a Chelmsford High School amateur radio station.

The members wish to thank Mr. Murphy for helping to organize and carry out the plans of the club.
The purpose of the Science Club is to acquaint the members with as much of the whole scope of science as possible and to draw a resulting interest in some phases of science from them.

The 1959-1960 year saw an expansion of the activities of the club with membership made available to freshmen, with meetings more frequent, and films more plentiful.

The high point of any year is the Science Fair. The first place winner, Vaughn Hadley this year, has an opportunity to go to the M.I.T. Science Fair; the top five winners participate in “Technorama,” Lowell Tech’s Science Fair. Exhibitors, judges, and spectators agreed that our first science fair in the new high school on March 11, 1960 was by far the best in the history of the Science Club.

Again the active force behind the Science Club has been Mr. George Simonian. His lively interest and active concern for the members and for science itself has been an inspiration which is greatly appreciated by every member.
Science Fair
One of the most important but most inconspicuous clubs at Chelmsford High School is the Press Club. It is the link between Chelmsford High and the general public. With the able assistance of their advisor, Mrs. Charlotte S. Carriel, the members of the club collect, write, and send in the school news to the *Lowell Sun* and the *Chelmsford Newsweekly* every week.

In addition to serving the community, the Press Club also gives its members, comprised of Juniors and Seniors, an opportunity to learn to express themselves more clearly and effectively.

The Chelmsford High School Baton Twirlers have had a very successful year. The girls have added color, spark and glamour to our pep assemblies, football games, and parades, with their outstanding exhibition of fancy stepping and twirling. Captain, Barbarann Niemaszyk and Drum Majorette, Priscilla Staveley, in their white velvet uniforms with maroon trim, and white fur shakoes, accented the maroon-clad corps, which they led. All the twirlers contributed to the success of our talent show.

An added attraction this year was Maryeileen Callahan, displaying her expert acrobatic ability.

Leaders next year will be Karen Harvey, Captain, and Elaine Desmarais, Drum Majorette.

Under the efficient guidance of our new band director, Mr. William G. Phelps, the Chelmsford High School Band has again completed another successful year.

Not only does this organization add spirit and zest to the football games, but it also provides moral support.

Many of its activities this year have included entertaining at assemblies, bringing Santa to Lowell, Christmas caroling, and upholding its representation as an outstanding band in the Northeastern Music Festival.

This organization truly provides a great service to both school and community, and we, the Class of 1960, are proud of its accomplishments.
The Girls' Glee Club of Chelmsford High School is very fortunate in having Mr. William G. Phelps take over their direction. Each Monday, about ninety girls gather in the music room for rehearsal. Miss Georgia Bartlett is the pianist for the group.

The Glee Club has taken part in the programs of the school on Veterans' Day, Thanksgiving, Christmas, and Memorial Day and has entertained for the P.T.A. and in the Talent Show. The Glee Club has had an active musical year.
This year Chelmsford High School has not only a fine Girls' Glee Club, but also an up-and-coming Boys' Glee Club as well. There are about fifty boys who meet every Friday with Mr. Phelps for rehearsal. We are very proud of the Boys' Glee Club and wish to thank Mr. Phelps for developing such a fine group. Edwin Drescher is the pianist for the club.

Each Wednesday the boys join the girls for choral training. Chelmsford has a singing future.
School Store

The school store, or our “Shoppers’ World,” opened in November, 1959, and since then has enjoyed a very successful year. Under the guidance of Mrs. Dorothy Sexton, the Salesmanship class gained practical experience in store retailing in the carrying on of all the phases of the school store. As the store is ideally located across from the library, the class made good use of its position with their attractive window displays.

The store featured school supplies, sweatshirts, and many novelties. The stuffed animals bearing the high school emblem proved to be an especially fast-selling item, particularly at Christmas time.

The Salesmanship class hopes that this, their initial year, will set a precedent for future Salesmanship classes.
