their sympathetic understanding of our problems as individuals
PEACE, THE CHALLENGE OF OUR GENERATION

We, the Youth, born into a troubled generation of the Twentieth Century, face a period of international, political, and economic strife. We have witnessed the birth of the Nuclear Age. A new era lies ahead which will command and utilize all of our talents, exhaust our patience, and challenge our perseverance. Our most demanding task, however, will be the preservation and maintenance of the peaceful co-existence which has been the ambition of our ancestors but looked upon by them as just a part of the American idea, an intangible something.

We now live in an age in which knowledge of world problems and an active realistic approach to them have far outpaced any lingering idealism. In the future we shall be required to make peace and its continuance as much an integral part of our lives as the blood that flows through our arteries. To be ready to accomplish this, we must use to the fullest every human quality — native ingenuity, the power to think and reason, the ability to adapt knowledge to need, a dogged persistence in carrying a program to its completion and beyond. If we do not develop all of these powers and exercise them to a point almost beyond endurance, we shall perish, and all that we stand for shall be lost. We must achieve PEACE, THE CHALLENGE OF OUR GENERATION.

Yearbook Staff

The Yearbook Staff proudly presents to you its 1961 LION. We have compiled the information with the hope that we have formed a well rounded permanent record of our school days together. Within its covers we have attempted to capture the memories of our days in Chelmsford High School and to record the many challenges, trials and triumphs, victories and defeats which we have shared.

We hope that as you turn the pages of our LION you may be able to return for a moment to our high school years and allow the busy schedule of the four years to echo — football games, basketball games, talent shows and plays, long hours of study (?), those indescribable study halls, dances and assemblies, and so much more. You may then evaluate what we did with our unsurpassed facilities and numerous opportunities.

We, the LION Staff, take pleasure in presenting this tangible account of our class history for you to take with you as you step out into the world.

The Chelmsford High School Athletic Association Representatives, to encourage the students in their support of the school athletic teams, conducted their annual drive, selling ticket-books which entitled the purchaser to admission to home football and basketball games. In this way, the sports program is aided financially and the teams also gain from the active school spirit aroused through the attendance of a large portion of the student body at the games.

The annual drive was conducted under the capable advisement of Mr. Ernest Shepard.

Two representatives from each homeroom were elected to serve on this drive. They were as follows:

Cheerleaders

The Chelmsford High School Cheerleaders, under the direction of their new advisor, Miss J. Francene Kealy, and the leadership of Co-captains Ethelyn Remick and Nancy Curley, completed a season which spurred the boys' and the girls' teams on to numerous victories. Colorfully arrayed in new uniforms, our cheerleaders performed many interesting and intricate maneuvers. To provide a well-organized cheering section on the bleachers, the girls formed a Pep Club which fulfilled its purpose with satisfaction. With this help and that of our dapper mascot, the Lion — Carolyn Staveley — the cheerleaders supplied the crowds with the inspiration and the enthusiasm which are important factors in producing a successful 1960-1961 season in sports.

Lion — Carolyn Staveley
The 1960 Chelmsford High School football season maintained Chelmsford's high standard of performance and sportsmanship. The team, Co-captained by Robert Lyons and Robert Gleason, accumulated an admirable record of scores — six games won, one game tied, two lost.

Our season began with a decisive win over Tewksbury. The next two weeks the Lions went down to defeat at the hands of Canton and Dracut. Victory returned to the Chelmsford ranks with two outstanding successes over Burlington and Wilmington, and a hard fought win over the Tigers from Ipswich. The C. H. S. team held Methuen to a scoreless tie and went on to conquer North Andover with a smashing victory.

Our annual Turkey Day classic with our arch-rival Billerica, held on our own field, was a thrilling triumph for the Chelmsford Lions. The team strove doubly hard to achieve this victory, because it was not only for themselves and their school but also for Mr. Joseph P. Nolan, their coach who was, with this game, ending a long and successful career in football. With their success, they attempted to express their appreciation of Mr. Nolan's ability to teach them the fundamentals of the game, of his patience in developing their necessary skills and techniques, of his recognition of their individual talents and his helping them to grow, of his understanding of their weaker areas and his guidance in their outgrowing them, and of his being at all times, for them, an inspiration and a builder of character. We are grateful that Mr. Nolan is still with us as a teacher in the classroom, but we shall miss his stalwart figure on the football sidelines, when we need that "something" which he has always furnished, that sends us those extra few yards to success.

Ably assisted this year by Mr. George Klesaris and Mr. Henry McCarthy, Mr. Nolan has rounded out thirteen years of successful coaching at Chelmsford during which he has developed teams recognized as winners, but best of all known for sportsmanship and being gentlemen.
Our teacher, coach, and friend, Joseph P. Nolan, was honored at a testimonial dinner on December 19, 1960, when over two hundred friends gathered at the Chelmsford High School cafeteria in recognition of his retirement from a long career in football. Coach Nolan was lauded by former associates, by former athletes, and by his many friends for his leadership over the years in football, both in Lowell and Chelmsford, and for his greater contribution in developing character in the boys with whom he worked.

As symbols of the affection and respect of his well-wishers, a purse and a most comfortable chair were presented to Mr. Nolan. Far greater gifts for a man most worthy were the reminiscences of old friends and associates, the gratitude — sometimes awkward and a bit emotional, sometimes eloquent — of football captains, and the messages of those who remembered fondly but could not come.

We all know Mr. Nolan as a man modest and sincere, with a vital spark of humor, with a genuine interest in those with whom he works, both teachers and pupils, and with an inner dignity which he has been able to pass on to many of us.

Thank you, Mr. Nolan.
Under the able coaching of Miss Carol J. Murphy, the Chelmsford High School field hockey team has completed another season with a record of three wins, three losses, and one tie.

Led capably by Co-captains Claire Mainville and Patricia Craig, the girls exhibited good sportsmanship and a genuine love for the game. Sharon Dorsey and Karen Rogers were offensive players with Susan Thomson on the defense.

All success to the captains for next year, Joanne Hedrick and Hilde Roymans.

The J.V.’s also had a season worthy of note, completing a record of two wins, two ties, and three losses.

In the 1960 season the second year that softball has been considered a major sport, the girls had a victorious season as they were still undefeated. The team was ably directed by Coach Carol J. Murphy and led by Norma Bell at second base and our athletic star Claire Mainville at shortstop.

For the 1961 season we wish the team continued success and another undefeated spring.

Suburban champions again for 1961, the Chelmsford High School basketball quintet completed a successful season. Ably led by Captain Kenneth Koch and expertly guided by Coach Murray B. Hicks, the team opened the season with a stunning victory over Ayer, 78-26. This opened a seven game winning streak which was stopped by Dracut’s 52-50 win. After this the Lion quintet again went on a victory spree to win ten successive games, the championship of the Suburban League, and the bid to the Tech Tourney where the team suffered their second defeat of the season, truly a commendable record. The J.V.’s coached by Mr. Henry P. McCarthy had a most successful season, winning fifteen and losing only three.

As Coach Hicks made a final check on his 1961 team, he tendered his resignation as coach and closed a basketball career at Chelmsford High School of which he and the school can be justly proud. In the fifteen years that he has coached here, he had developed many fine, well-trained teams. The record shows that the Hicks-coached teams, in that time, have won five Lowell Suburban championships, several Division A titles at the Townsend tournaments, and the class "C" cup at the Tech Tournament at Boston Garden. The outstanding year for Mr. Hicks was 1951 when his boys made a clean sweep compiling a record of 22 wins and 2 losses to win the Suburban League championship, and the Division titles at Townsend and at the Boston Garden.

Congratulations, Murray B. Hicks, on a job well-done. We shall miss your knowledge of the game, your humor, and your understanding.

Girls Basketball

The Chelmsford High School Girls' basketball team, under the spirited leadership of Co-captains Linda Lee and Marjorie Allen and the experienced coaching of Miss Carol J. Murphy, enjoyed another season of Suburban League playing, finishing in third place with an admirable record of 12 wins, 4 losses.

In offensive play, Sharon Dorsey and Claire Mainville were the outstanding scorers, while Pat Craig, Linda Lee, and Margie Allen were a great combination for defense. Martha Dupee, Hidy Roymans, and Cynthia Hoyt, also, must be commended for excellent performance on the court.

The J. V. Team, ably directed by Miss Ann Kocianek, a newcomer to our athletic program, completed a successful season also with 12 wins and 4 losses.

Baseball

The 1960 baseball team, under the watchful eyes of Coaches Joseph Nolan and John Sargent, and the leadership of Co-captains Douglas Eno and Peter Picken, compiled a creditable record: seven games won; five games lost.

The 1961 team will miss the support of Captains Eno and Picken, and such other stalwarts as Joe Spinazola and Bob Talbot. But every season, however, brings forth new material — pitchers, hitters, fielders, catchers. We wish the best of luck to Coaches Nolan and Vars and the Co-captains for 1961, James Cutrumbes and Frank Thiffault, and a championship season for them and the squad.

Track

Track, Chelmsford High School's newest sport, is rapidly gaining in popularity and importance. Under the experienced direction of Mr. John P. McGuire and the leadership of Co-captains Jeffrey Davidson and Dennis Duarte, a large and enthusiastic squad was formed for the first time in the spring of 1960 and competed in the equally new Suburban Conference. In this organizational year, the trackmen gained confidence, improved greatly, and laid the foundation for the 1961 team.

Possessing an even larger squad, better in quality as well as quantity, and an assistant coach, Mr. Paul Murphy, we begin the 1961 season with our hopes most high. The team will compete in dual meets with their Conference opponents in the Patriot's Day meet, in the Belmont Relays, and in the State meet.

To our indoor track team should be given hearty congratulations for a creditable performance at the big State winter meet. Carl Olsson deserves special recognition as the first Chelmsford trackman to score a point in State competition.
1960 was a year of great improvement for Chelmsford High's cross-country team. When the harriers beat Dracut in their first meet of the year, Chelmsford High had her first cross-country win of all time. The squad competed in the Suburban Conference's first year, running dual meets with Dracut, Billerica, Wilmington, and Tewksbury. At the conference meet in Andover, the team finished third in a close decision for second. Our team ran at the State meet in Jamaica Plain.

Coached by Mr. McGuire and captained by Ed Holmes, the young enthusiastic squad improved with every meet. Since most of this year's squad are freshmen and sophomores, we have high hopes for our trotting future.

The Chelmsford High School Student Council completed another successful year under the able direction of its advisors, Mr. George Betses and Miss J. Francene Kealy. Capably led by President Thomas Mason, the Council not only carried through the traditional activities, but also introduced many new and important ventures.

The Student Council handled, as customary, the concession stand at the football games. At Christmas time a needy family was adopted and made happier through the efforts of the Council. It again sponsored an enjoyable and successful talent show and Valentine's dance.

A new experience this year for Chelmsford High School was the honor of playing host to the Eastern Massachusetts Student Council Convention. Our own Student Council labored many hours in making this convention a success.

Perhaps the newest and most unusual activity our Student Council sponsored was the Alumni Dance, attended by students and graduates from as far back as 1940. The Faculty-Varsity basketball game was a two-fold success, providing hilarious entertainment for the fans and a substantial sum for the Scholarship Fund. Our Council participated in three radio broadcasts during the school year. The Student Council Spring Convention was also attended by some of our own Council members.

The Chelmsford High School Student Council of 1960-1961 deserves hearty congratulations for its ideas, its work, its achievements, and its contribution to the betterment of Chelmsford High School.
To the student entering high school, membership in the National Honor Society, an organization to be found in all accredited high schools across the country, is the symbol of success in his chief purpose — the maintaining of a high standard of scholarship. When he attends an installation service at an assembly, he realizes that to be chosen a member, he must develop not only qualities of the mind but also those of spirit — Scholarship, Leadership, Character, and Service.

During the past school year, with the help of Miss Booth, the N. H. S. has been planning and organizing a Foreign Student Program. The groundwork involved is being laid by the present Senior membership; however, the final product will be the fruit of next year's Seniors. The National Honor Society is always ready to give of their time and effort to make a success of all the activities carried on in the school.
"Amice, optimus locus est". With these words the Dramatic Club opened the Latin section of its 1960-1961 debut: an original, quadrilingual, one-act play by Thomas Todd, called "Will There Be Anything Else, Sir?" After a triumph in this before the P.T.A., as well as the student body, the group went on to other distinguished achievements. Three one-act plays, "Balcony Scene", "Minor Miracle," and "The Wall" have been presented successfully before school assemblies.

The school play for this year marks a milestone in the history of the Dramatic Club: Shakespeare's *Julius Caesar* is not only the first long serious work the club has attempted, but also a major undertaking for the cast, the stage crew, and the directors.

Besides acting, the Dramatic Club has branched out into other areas of interest. An innovation, or at least a revival, is the reading group, which meets every other week to read and discuss famous plays. At the time this goes to press, attendance at a professional play, production of a student-directed, one-act play, and presentation of "Minor Miracle" in the state competition are under consideration.

We feel that the broadening of our scope is in a large part due to the fine quality, as well as the increased quantity, of our directorial staff. To the well-known talents of Miss Martha Kinneen have been added those of Miss Marcia Carsley and Mr. Edward MacLeod; with this team inspiring and directing we shall go far.

"Behind the scenes"
The pro’s and con’s on this year’s debate topic — Resolved that the United Nations should be significantly strengthened — were certainly made discernible during the ten Suburban League debates involving Chelmsford High School. Besides partaking in the debates of the League, the teams attended practice debates at St. John’s Prep and at Acton-Boxboro Regional High School. At the State Preliminary Debate and Speech Festival held at Mission High School in Roxbury, our debaters represented Chelmsford with honor.

Practicing eloquence and at the same time organized thinking, the Debating Club members strive to attain adeptness in public speaking and keenness and fluency in organized discussion, an activity which is a most stimulating and interesting sport. In the years to come, Mr. Lynch and those bandying cross-exams will be fond memories of all C. H. S. debaters.

The success and enjoyment derived from Debating Club activities stem from the enthusiasm of the club adviser, Mr. Edward Lynch, whose sincere interest in debating stimulates his student associates.
The Lamplighters, as usual, have been on their toes this year. Under the direction of our new faculty member, Mr. Paul Hoar, they have widened their knowledge of the audio-visual equipment.

Projectors, recorders, phonographs, and movie screens are always ready when needed. The members devote their free time to the club, preparing the equipment for use. It is their hope that the faculty will make much more use of the facilities and help to expand the program. When we see a projector or phonograph being pushed through the corridors, we praise the students who add some spice to our classes.

The Radio Club, Chelmsford's club for the electronics-and radio-minded students, has had a successful year. One of the goals they achieved was that of getting ham licenses for some of the boys. By the end of the year the school may have its own radio station. When the Club gets the station going, the members may make it into a Civil Defense emergency communication center.

The Club had weekly code lessons, films, and general discussions of electronic principles. The membership was 100% more than last year. Mr. Paul Murphy, the faculty advisor, and all the club members are well satisfied with this year and are very hopeful for greater progress in the years to come.

"You have to do a project!" announced Eddie Holmes at the first meeting for the 1960-1961 year of the Science Club. There were the usual groans among the ever-growing membership, but after a while these words had an intriguing effect. Books were borrowed from the library, letters were written, and orders were placed. The results of these explorations in the fascinating world of science culminated in projects, which absorbed hours of work. These projects were displayed at the Science Fair on March 24, and the first five winners participated in "Technorama", Lowell Tech's Science Fair.

All during the year on Wednesday, the club met for discussion of the Science Fair and its projects, of other scientific subjects, and for movies of interest.

What would the Science Club be without Mr. George Simonian! He is hailed by every member for his never-failing aid, for his sincere interest in each budding scientist, and for his genuine concern with science in general.
Science Fair
The Press Club fulfills a very important function in the affairs of Chelmsford High School. Material is sent to the Lowell Sun each week and to the Chelmsford Newsweekly. As a result of Miss Evelyn Wexler's fine direction, the Press Club not only performs a service to the community by keeping it well informed on the numerous activities at Chelmsford High School, but also gives to members an opportunity to express their thoughts more clearly and effectively.
Baton Twirlers

Smartly outfitted this year in new maroon and white uniforms, the Chelmsford High School Baton Twirlers led the band at the football games and in all their public appearances. Under the expert direction of Mr. William G. Phelps and the skillful leadership of Roberta Medin, Drum Majorette, the twirlers performed with precision their many complicated routines. Acrobat Maryeileen Callahan added the final touch to the perfection of this squad.

The sincere appreciation of the student body is extended to the 1960-1961 Baton Twirlers for a job well-done and for high-lighting the musical activities of the year.

Band

Under the efficient direction of Mr. William G. Phelps, the Chelmsford High School band has enjoyed another successful year.

Among the many activities were included the playing at football games and at various assemblies, Christmas caroling, and the participation in the Northeastern Music Festival. After many hours of practice a successful spring concert was given. As usual, the Memorial Day Parade concluded the rewarding work of the year.

The Chelmsford High School Glee Club under the direction of Mr. William G. Phelps met weekly for practice and has developed into a well-blended chorus. The Glee Club has participated in the programs of the school on Veterans' Day, Thanksgiving, Christmas, has presented its traditional selections on Memorial Day, has entertained for the P.T.A., and has contributed to the success of the Talent show.
Operated by the students of the salesmanship class, the school store is located near the library, at one of the busiest spots in C. H. S. Every morning from 7:40 to 8:00 it is open for business; the sale of regular school supplies; such as book covers, pens, rulers, and stationery, and of novelties; such as maroon beanies, polka-dotted rainhats, and little round pillows with the Chelmsford High lion on them. Its attractive showcase displays the seasonal wares — for fall, football shakers; for winter, basketball booster pins; for spring, Chelmsford High School sweatshirts with the C. H. S. lion rampant; and for all seasons the eye-appealing animals.

The most important purpose of the school store, however, is to give its operators practical experience in salesmanship, under the experienced guidance of Mrs. Dorothy Sexton. The profits from this venture are added to the treasury of the Student Council.
On Thursday evening, December 1, 1960, the Chelmsford High School Key Club, sponsored by the Kiwanis Club of Chelmsford, held its Charter Night at a local restaurant. Although the club was formed last year, this meeting marked its actual acceptance into Key Club International for the year 1960.

A Key Club is a high school service club. It is made up of the "Key" young men of the high school, with the direct approval of the high school principal. Its purpose is to give service to the school and to the community. In addition, the Key Club affords an excellent training ground for developing leadership and for developing citizenship.

This year, under the able guidance of Mr. Robert A. Dube, the club has undertaken many worthy projects, in an endeavor to uphold the Key Club Oath.

The Math Club, which has been inactive for a year, was revived by Miss Elaine Garside and Miss Rosemarie Contarino. The Senior Math Club, under the direction of Miss Garside, has studied the binary system and made punched cards to illustrate the use of the system. The members have also learned how to use the abacus and how to break number codes. The Junior Math Club, advised by Miss Contarino, has studied and learned how to use the slide rule and abacus and has made a chart of polygons.

The Math Club has helped its members to realize the many different fields of Mathematics and the part they play in industry today.

To become a member of the Speech Club, one must memorize a selection from literature and take part in a speech contest. This year members participated in the Massachusetts Speech Festival Preliminaries and the All-State Festival at Watertown. Several members also attended the Suffolk University contest in which scholarships were given as prizes. Mrs. Christina Hanley, the able advisor of the Speech Club, deserves much praise, for only with her vast experience and her patience could the Speech Club have had such a successful year.

The Newspaper Staff has completed a very successful year under the capable assistance of Miss Elizabeth Lunt. The newspaper is a new activity at Chelmsford High School this year and its staff have performed admirably. The school newspaper has been titled the “Lion’s Roar.” The whole operation of producing a finished paper has been done in the school building itself. The members of the staff do the writing and editing with the aid of Miss Lunt, and the print shop in Industrial Arts, directed by Mr. Andrews, produces the finished product. The “Lion’s Roar” has certainly succeeded in accomplishing its goal: First, to inform the students of school activities; second, for them to read for enjoyment. Congratulations!

The Art Department under the able direction of Mr. Carlton B. Plummer has been extremely active this year. Many artistic pieces have been created in ceramics, soap sculpture, pottery, copper enameling, and leathercraft. Throughout the year samples of this work as well as that done in watercolor, block-printing, and charcoal have been displayed in the halls and in the cafeteria. At Christmas time the art classes added to the spirit of the holiday by beautifully decorating the windows of the lunchroom and the lobby. Colorful and effective posters and programs have been provided for school activities by the art department. A group from the classes visited Boston and numerous museums as a field trip. This year's classes boast fourteen Regional winners in the annual Boston Globe contest and, out of those fourteen, four were finalists. This department enables talented students to grow, and interested students to increase their art appreciation.

Shine Mister?

Calling All Cars!

It figures!

In the Groove

READY for the Countdown?

Hold That Line.

In her glory

A stitch in time.
