The Class of 1965

Proudly Presents

THE LION

Chelmsford High School
foreword

The activities of our four years at Chelmsford High School—scholastic and extracurricular—have combined to form the cornerstone of our futures. On this foundation, each of us can build a future which will make us capable of assuming responsibility for maintaining, developing, and expanding this great nation of ours. We shall be strengthened by alert minds to eliminate apathy, informed minds to cope with false ideals, patriotic minds to preserve our American Heritage, and dedicated minds to practice our American ideals.

TOMORROW WILL BE WHAT WE OF TODAY MAKE IT.
Recognized for her:

Incisive wit
Terse analyses
Generous guidance
Old school tradition

"Your mother was very good in bookkeeping."
"Now, what's your side of the story?"
"Johnny isn't at home, Mrs. Smith?"
"You want a 15 cent check for decorations?"

For expectation of our best personal conduct . . .
For respect for our individual worth . . .
For justice in handling our problems . . .
For an example of unselfish devotion to duty
we dedicate the Lion 1965 to

MISS C. EDITH McCARthy
A rhinestone resembles a diamond. It is bright and often cut to resemble a precious stone. Although composed of mere glass or paste, and itself colorless and without depth, it reflects color from its surface. It is pretty and attractive and often masquerades before the uninitiated as a gem of quality. It is suitable for gracing costume jewelry, such trinkets as can be purchased in any department store. Its value is inconsequential.

A diamond is crystalline and brilliant. Being composed of an almost pure chemical substance, and cut with innumerable facets, it bends and amplifies light and sparkles from its very depths. Because it is the hardest natural substance known to man, it is used to carve even the most adamantine of materials, and so has value in a purely commercial sense. As a jewel, it adorns exceptional weapons, symbolic of courage; it graces crowns and sceptres, symbolic of power; it is the pledge of betrothal, symbolic of deep love. Its value is great and universal.

As it is with diamonds and rhinestones, so it is with people. He who imitates is limited to a mere surface reflection of those things which he admires in others, such as knowledge, power, affluence, or virtue. He lacks depth and purpose of his own. He who is genuine, on the other hand, reflects that which is deep within himself—valuable things which shine forth to give his character a magnitude and brilliance all its own.

Each of us must find his place in the brooch called society. Each must decide whether he is to be genuine rather than imitation; whether he is to shine with a radiance of his own rather than superficially reflect that of others; whether he is "TO BE, RATHER THAN TO SEEM"
Because of their vital interest in all class projects,
Because of their sympathetic attitude to our problems,
Because of their willingness to pitch in and help, and,
    most of all,
Because of their concern for us as individuals,
We appreciate our advisors

THERE IS NO DEATH

John Luckey McCrery

There is no death! The stars go down
To rise upon some fairer shore;
And bright, in heaven’s jeweled crown,
They shine for evermore.

There is no death! The leaves may fall,
And flowers may fade and pass away;
They only wait through wintry hours
The coming of May-day.

There is no death! An angel-form
Walks o’er the earth with silent tread:
And bears our best-loved things away,
And then we call them “dead.”

ANNIE MARIE LYONS
November 28, 1947 - March 5, 1963

JAMES PEltIER
November 23, 1945 - March 16, 1962

He leaves our hearts all desolate,
He plucks our fairest, sweetest flowers;
Transplanted into bliss, they now
Adorn immortal bowerS.

Where’re he sees a smile too bright,
Or heart too pure for taint and vice,
He bears it to that world of light,
To dwell in Paradise.

And ever near us, though unseen,
The dear immortal spirits tread;
For all the boundless universe
Is life—there is no dead!

Our class has been fortunate in having a diligent Yearbook Staff which has, we hope, been capable of capturing a motley collection of comic antics, club activities, theatrical endeavors, sports events, social occurrences, and scholastic achievements of the Class of '65. We have delved many hours into the secrets of your past to discover some of the surprising facts recorded beneath your pictures. In future years when feeling blue just turn these pages to bring back fun-filled memories of friends and school.

national honor society

Under the excellent supervision of Miss F. Christine Booth, the National Honor Society has followed its principles of character, scholarship, leadership and service. Kenneth House exemplified the qualities of scholarship and leadership when he became a semi-finalist for the N.H.S. scholarship offered by the P.S.A.T. Board and when he was made president of the school’s Key Club.

Among the events which highlighted the academic year was the annual faculty tea, always enjoyed by the members, through which new teachers were introduced on an informal basis to both the faculty and the students. Hans Tolstrup, our foreign exchange student from Denmark, was welcomed and made an honorary member of the organization. Members conducted parents to the various rooms on Open House Night. According to custom, an Honor Society banquet was held towards the end of the year and was an immense success.

As a service to the school, a coke machine was added to the milk dispenser already available, and coke was sold at basketball games.

The members of the N.H.S. and Miss Booth can look back with satisfaction upon a year of worthy achievement.

Under the leadership of President Thomas Burke and Mr. George J. Betses, advisor, the Student Council has completed another successful year.

As always, the Student Council has been active in many projects within the school. During the football games the Council managed the refreshment stand. They also sponsored the paid assembly programs, and maintained the bulletin board in the front lobby for Boy and Girl of the Week. The Talent Show and the Post-Valentine Dance were also very successful.

The Student Council was also proud to have Hans Tolstrup, our exchange student, as a guest at many meetings. To a most successful tea in honor of Hans and Diana Strobl, our exchange student to Japan, the Council invited the Faculty, Homeroom Representatives, N.H.S., A.F.S., and Class Officers.

Throughout the year the Council members have attended conventions at Braintree, Newton South and Ipswich.

The Student Council continued its sponsorship of a Welfare Fund for the student body, to recognize illness or death.

The C.H.S. Student Council and Mr. Betses are to be commended for a year of great accomplishment.

In December, the Library Club conducted a Paperback Book Fair. Nearly 4000 books were sold during the week. A successful afternoon-tea was held for the faculty in the Library during National Library week, and the members of the club served as hostesses.
debating club

According to Webster, a debate is a formal contest of skill in reasoned argument, with two teams taking opposing sides of a specific question (the resolution). According to Mr. Drinkwater, and the debating team, a debate is a great deal more than the definition given in the dictionary. A debate is a joint effort comprised of many hours of ardent preparation. In a debate, the members have a chance to match their wits with those of their opponents and by clear, logical reasoning present their views on a certain subject. The subject this year is: Resolve That Nuclear Weapons Should Be Controlled by an International Organization.

This year the varsity debating team is composed entirely of sophomores, and is succeeding a team that won the Suburban Debating Conference last year. In preparation for their first actual league debates that start in February, the five man squad has been to conferences at the University of Massachusetts. They have also attended practice debates between members of the Fletcher Law School at Tufts University. Following these practice debates at Tufts the debating team participated in a series of conferences discussing the techniques of debating.

Although our team has yet to participate in a real debate, they are working very hard and hope to make a name for themselves in the coming season.

We, the members of the Yearbook Staff, applaud the work of this debating team and its advisor, Mr. John Drinkwater.

The members are as follows:
Scott Lawson      Mary Guaraldi      William Connell
Joel Wilson       Emil Rogers        Andrew Bragdon
                      Gregory Center
Dramatic club

Reminded of successful previous productions, such as Anastasia and Charley's Aunt, the Dramatics Club has striven again this year to present a production long to be remembered.

Under the coaching of Mr. Malcolm Hamilton, the club has worked to produce one of Thornton Wilder's most appealing three-act plays, Our Town. Ably assisting Mr. Hamilton was Miss Jane Reen, who also directed the Freshman-Sophomore Dramatics group. Memorable performances were presented by Dan Russon, a veteran senior, as Stage Manager; Marc Sills as George; Jane Dauhlgren as Emily; Kathleen Remick as Mrs. Webb; John Harrington as Mr. Webb; Gail Leggee as Mrs. Gibbs; and Dick Sterling as Dr. Gibbs. The play was a complete "club effort," and all should be commended for a fine presentation.

At press time, the Dramatics Club was planning to attend Macbeth at the North Shore Theatre.

The success of this spring's production, as of that of the previous years, depends on the devotion, enthusiasm, and understanding of the director, whom, this season, the Dramatics Club has luckily found in Mr. Hamilton, assisted by Miss Reen.

This has been another busy year for the staff of Potpourri. Along with the entire student body, and under the able direction of Mr. and Mrs. Edward D. Carpenter, Jr., the staff has again been able to present Chelmsford High with a high-quality literary magazine.

Apart from the more obvious goal of producing a first-rate magazine, the Potpourri staff, headed by co-editors Maureen McCusker and Jacqueline Oakes, has been working toward various other goals, most important of which have been acquainting the students with the literary efforts of their classmates, encouraging them to produce creatively themselves, and cultivating the ability to judge, impartially, the work of contributors.

Everyone connected with Potpourri has gained invaluable experience in publishing this magazine. The student body also has gained insight into the creative abilities of fellow class members.

Because of its warm reception among students and faculty, we feel that Potpourri will continue to serve as an outlet for literary capabilities for years to come.

press club

Under the direction of Miss Janet A. Cook, the Press Club has the task of acquainting the community with the important events of Chelmsford High School.

Each week write-ups about student and faculty activities or academic accomplishments are sent to the Lowell Sun and the Chelmsford Newsweekly. In this way, the town may learn more about the progress of the faculty and of the student body at Chelmsford High School.

future teachers of english

The Future Teachers of English, now in its second year, has the following three purposes: to stimulate greater interest in English, to assist the English Department in every way, and to encourage gifted English students to prepare for a teaching career. The club's regular assistance in the department has included cataloguing examination texts and audiovisual aids, assuming minor responsibilities for absent teachers, listing and delivery requisitions, stamping and numbering books, and assisting in the preparations for meetings of the Advisory Council to the Principal. Enthusiastic plans are under way to increase the scope of these activities.

Under the efficient guidance of Miss Martha Kineen, the yearling English Council has again contributed to Chelmsford High's English Department and student body. This organization serves as the Administrative Department for all other English activities through representation by two delegates from each club. The English Council has six main purposes: to inspire increased student interest in the entire English program, to correlate and supervise all English activities, to present the functions and goals of each group for better understanding, to develop more inclusive and integrated plans for each, to sponsor better teacher-student relationships, and to discover and encourage new activities for the English Department. A highly successful 1964-1965 gives promise that this club will become an increasingly important activity in future years.

speech club

Under the capable leadership of Mr. T. P. Elliot-Smith, the Speech Club participates in areas of public address, oration, and the interpretation of literature, both prose or poetry. President Rebecca Sigall displayed her excellence in the forensic field when she was chosen in April, 1964, as one of the seven top high school orators in the All-New England Secondary School Forensic Tournament.

The Club has participated in contests at Suffolk University as well as Shrewsbury, Massachusetts. These contests have built in the members of the Speech Club a poise and confidence which will be as valuable in later life as it is now.
key club

Motto: We Build

Theme for the 1964-1965 Year: “Inspire Individual Initiative”

The Key Club is a service club for boys for the tenth, eleventh, and twelfth grades. Although a Key Club is similar to other high school organizations, it is uniquely different from any other.

First, the Key Club is unique for it is sponsored, in cooperation with the school officials, by a Local Kiwanis Club.

Second, the Key Club is unique for its aim is the development of initiative, leadership ability, and good citizenship practices.

Last, the Key Club is unique for its service program. Leadership, good citizenship, education, and fellowship so important to us and democracy are best acquired through actual participation in service programs.

In the 22nd year of Key Club International, and the 50th year of Kiwanis, the Chelmsford Key Club has managed to keep busy selling programs at the football games and contributing to the Student Council's Needy Family Fund. Last summer they were fortunate to be able to send President Kenny House and Lt. Gov. Dave Johnson, who also happens to hold the Vice President spot, to the International Convention in Dallas, Texas, where they helped to build the aims of the organization. They also have strong hopes for some of the junior and sophomore material for future Division, District, and International officers.

This year, as always, under the energetic leadership of Mr. George Simionian and Mr. Donald McComb, the Science Club has enjoyed enthusiastic support from the student body of Chelmsford High School. Through the efforts of the Planning Committee a varied program including speakers and movies has enriched the meetings and whetted the curiosity of all those attending. The subject areas covered have been trachoma research in Arabia, virus research and vaccine development, patterns in nature, and a movie dealing with the sea. Another much looked forward to event sponsored by the Science Club is the annual Science Fair. It represents the results of many weeks of hard work devoted to careful scientific investigation. Field trips also are functions of the Science Club. Through these and the other activities, the members of the club seek to better themselves and improve their knowledge of the vast field of Science.

Under the capable supervision of Miss Marjorie Scoboria and Mr. Leo King, the Math Club has enjoyed many successful meetings this year. The membership consists of those pupils with an interest in mathematics and its development. Through bi-monthly meetings conducted by the student officers, the members have enjoyed studies in and presentations of various related fields. Among these are the origin of weights and measures, computer programming, prime numbers, and other number factors. Visiting lecturers and field trips have highlighted a year which has broadened the understanding of the members of the Math Club. The student officers are:

President – Stephen Bernacki
Vice President – John McAuliffe
Secretary – Gail Tsaffaras
Treasurer – Helen Imbernino
Program Chairman – Ruth Irvin

With Mr. John MacDougall and Mr. Richard McCaffrey as advisors, we are again participating in the Massachusetts Mathematics League. Our division, one of three, includes Andover, Lynnfield, North Andover, North Reading, Saugus, Wakefield, and Wilmington. Every month competition is held at one of the schools; in November Chelmsford was the host school.

Ten students comprise a team. Each student takes three ten-minute tests containing three problems. The tests may be in any of six categories, ranging from arithmetic to trigonometry.

Kenneth House has been second highest scoring senior twice, Kathleen Chew once. We look forward to a high league standing this year.

On a busy intersection across from the library on the second floor is located Chelmsford's school store. Gloria Corcoran, Robert Betten­court, Carmen Fortin, and Ernest Ball, members of Miss Geraldine Burban's Retail Merchandising class, have been selling such things as stationery, sleeping sacs, sweatshirts, polka-dotted rain hats, booster banners, tee shirts, stuffed animals, and many other items from 7:40 to 8:00 a.m. each day. Other members of the retailing class participate in selecting and ordering of stock, display, and mark-up.

All profits go into the Student Council's fund.
The Photography Club, although limited in members, has an enthusiastic membership. This year the club is in the process of procuring a lens for the recently purchased enlarger, and refinishing and stocking the darkroom. The facilities of the club are available to all members both during and after school.
Although in its infancy, the Chelmsford High School chapter of the American Field Service has already proved of great assistance to the community. By volunteering their time for a fund raising drive, the students have been instrumental in financing the cultural exchange of three students. Last year, Chelmsford High was fortunate to welcome its first exchange student, Hannelore Andrae of Kulmbach, Germany, and this year is happy to continue this pleasant experience with the presence of Hans Tolstrup of Aarhus C. Denmark. In addition, the club is proud to have sponsored for the summer program in Japan, one of its own students, Diana Strobl. By sharing with these three students their experiences and traditions, the efforts of the club have been made worthwhile.

With the adoption of a constitution, a system of monthly meetings was also established. To these meetings the student body has responded favorably. There have been many guest lectures by exchange students from surrounding towns. On one occasion last spring, the school honored these foreign students with an American Field Service Day.

Under the capable leadership of President Deborah Cowan and advisors, Miss Mary Habosian and Mr. Robert Dube, a firm foundation has been laid for continued service to the community through the exchange of students and ideas.
pep club

What can spark the enthusiasm of a sporting crowd—be it football, basketball, or baseball—more than a group of teenage girls ready to respond to the megaphone of the cheerleaders, to the brilliant pass of a football hero, to the winning basket of an overtime game, to the slide home of a modern Babe Ruth? We can tell you—the Chelmsford High School Pep Club. This dynamic group of girls has such active school spirit, such ardor for Chelmsford sports that their pride and excitement aroused by any Chelmsford success, great or small, are so contagious that they stimulate the same response from the crowd about them. Soon everyone is shouting “Yea, team!” with great gusto—the purpose of the C.H.S. Pep Club under the guidance of Miss Nancy Dean.
Chelmsford High School's largest vocal music group, the Girls' Glee Club, under the capable direction of Mr. Malcolm Bessom, has become an accomplished group of harmonious voices. This year's Glee Club, which has a membership of nearly one hundred students, has become popular with the student body as many girls realize the satisfaction which comes from singing together.

Dressed beautifully in colorful clothes of their own choice, the Girls' Glee Club has sung selections such as "I Talk to the Trees," "If Ever I Should Leave You," "Alleluia, Christ is Born," and "What Child is This." The lovely voices of the Girls' Glee Club make it a group well worth hearing.
The Concert Choir, which had its beginnings as the Varsity Choir four years ago with forty members, was developed for the purpose of bringing together talented people with definite interests in music. Over the years the membership has swelled along with the talent. The mixed choral group of select voices now numbers sixty students.

Under the direction of Mr. Malcolm E. Bessom, the Concert Choir has become an important entertaining organization that has performed at many music activities including this year’s outstanding Winter Concert. Among the many selections on which the members of the Choir have focused their talents are: “Oklahoma,” “Let There be Peace,” “Little Drummer Boy,” “This is My Country,” “Round and Round,” and “Fireflies.” Undoubtedly, the well-blended voices of the Concert Choir will continue to turn out fine performances in the future.
madrigals

For four years now, musically inclined students have been given an opportunity under the expert guidance of Mr. Malcolm Bessom, to develop and combine their talents in the Madrigal Singers. Any vocal music performance would be incomplete without this highly select group of voices.

With a membership of fifteen, the Madrigals is made up of four sopranos, four altos, three tenors, and four basses. Many of these vocalists take part in the annual concerts by the District and All-State Choruses.

At their various appearances, the Madrigals have sung many difficult pieces including: "More," "Sinner Man," "Strange Music," and "Kowell." The unique style of the Madrigals make it a group well worth having.
As we acclaim Chelmsford's famed Lions devouring the best opposition the conference could offer, let us not forget another top-notch team—the Chelmsford High School Band. On the stage and on the field this group has been a credit to its director, Mr. Martin D. Enis, and to the school as well. On the athletic field and at pep assemblies the band has aroused tremendous school spirit. At concerts, notably the memorable exchange concert, and in parades its performance and appearance has been unexcelled. No organization has added more to the pleasure and good reputation of the school than the Chelmsford High School Band.
Captain Steveann Swimm sets the stylistic pace for her majorettes with the initial orders—“Look sharp.” The remainder of the year the twirlers; Maureen Cronin, the drum majorette and Bette Peterson, the acrobat, set out to accomplish her wishes.

A cheerful willingness to learn “how,” a well-developed routine a week, and Friday “panic rehearsals” combined with the strict discipline of their new director, Miss Nona M. Redding, their smiling spirit of togetherness, and their confidence inspired by spiffy uniforms characterize the very neat 1965 Majorette Corps.

sports
Allow us to present the '64-'65 cheerleaders, who, under the guidance of Miss Nancy Dean, and the capable leadership of the co-captains Carol Villers and Stephanie Haven, added that extra spark and pep to all our sports events.

The pep club, inspired by the cheerleaders, acted as an enthusiastic unit for “Victory” and “The Maroon and White.”

Oh, yes, we mustn’t forget our Lion, Susan Page, who added a dramatic touch to our performance.

As our graduating cheerleaders look back, may they have fond memories of the days when they wore the maroon and white and cheered our teams on to victory.

Seniors — Carol Villers, Stephanie Haven, Nancy Haynes Carolee Judge.

Lion — Susan Page.
The Chelmsford High Lions proved again to be ominous foes as they fought their way to another winning season in 1964. After a year’s absence from the gridiron, Dave Freeman came back to captain the team under the capable guidance of Coaches Thomas Eck, George Klesaris, and Peter Sullivan.

Although Chelmsford was plagued by numerous injuries in the early part of the season, the team easily defeated their opponents. Thanks must be given to T. P. Elliott-Smith who was able to repair the injuries and keep the boys in shape to play, and to Pete Sullivan who coerced them into doing calisthenics and long, long, long runs (phew!) every day to maintain physical fitness.

Chelmsford began the season with three easy wins—Tewksbury, Wilmington and North Andover. In their fourth game, Chelmsford was stunned by an 8-6 defeat from Dracut. Chelmsford rebounded with four more victories—Worcester North, Burlington, Methuen and Billerica—our annual Thanksgiving rival.

Despite their loss to Dracut, the Chelmsford Lions were able to share with Tewksbury the honor of being Suburban Conference Champions.

The J.V. team, mentored by Coaches George Klesaris and Peter Sullivan should be commended for an undefeated year with only a scoreless tie with Acton-Boxborough to mar their record.

The Freshman team guided by Coaches David Kerry and William Berndt, piled up a successful record of five won, two tied, one lost.

Chelmsford has once again proven its prowess as the field hockey team placed second in the newly formed Lowell Suburban Field Hockey League. This was a memorable and exciting year as the strong forward line of Marygail Sullivan, Kathy Quinn, Joan Marcarelle, Mary DeAngelis, Alice Long, and Judy Frediani scored goal after goal, and the determined defense consisting of co-captain Sue Page, Linda Marchand, Janet Batts, co-captain Bonnie Wilson, Debbie Hordon, Barbara Loiselle and goalie Madeline Tremblay skillfully outwitted and outplayed their sometimes rough opponents. (Remember the Methuen game, girls?) Congratulations to our great coach, Mrs. Nancy Edwardsen, and to the co-captains Bonnie Wilson and Sue Page.

Our J.V. team also deserves to be commended for a fine season under the able coaching of Miss Miriam Currier and the enthusiasm of the co-captains, Pam Frank and Sue Quinn.

The Varsity Cross Country teams finished second in the Suburban Conference, losing the championship for the first time in four years. Individually, Stew Bell was a standout, as he finished first in the Conference meet. Also contributing to a successful season were Bob Spataro, Bob Draine, Frank Cleary, and Richie Weeks. Co-captains Stew Bell and Bob Draine and Coach Ed Quinn are to be praised for a worthy season.

The J.V. Cross Country team showed much promise for future years as it won the Suburban Championship. In the years to come, the names of Jim Mahoney, Ray Harmon, Win Coburn, and Don Sanders should brighten the varsity picture with many victories.
boys' basketball team

Under the leadership of Coach Henry McCarthy and Co-captains Allen Jacoby and Richard Cooke, Chelmsford High's basketball team completed a 12-2 record for the Suburban Conference while once again winning the annual Berlin Tournament defeating Berlin and a strong Rumford, Maine team. Since all good things must come to an end, Chelmsford 52 game winning streak was broken with the Lions placing a threatening second in the league.

However, still having an outstanding record for the season, Chelmsford once again was invited to participate in the Tech Tourney. Meeting a worthy opponent, the Oliver Ames team, in Needham, the Lions fell one point short of victory in the last seconds of play.

The J.V.'s, captained by Neil Robinson and coached by Donald Heyliger, also completed an outstanding record of 13-5. Chelmsford is constantly, under her skilled coaches, building for future victories.

Chelmsford has succeeded, as usual, in finding the perfect recipe for a girls' basketball team. The skillful chef, Coach Nancy Edwardson, blended just the right mixture to make a successful '65 season. The first two ingredients were co-captains Janet Batts and Carole Guilmette. Next, the twelve basic materials were carefully prepared, worked over, and measured out. They were forwards — Janis McKittrick, Donna Gray, Barbara Loiselle, Barbara Wolfe, Faith Giavara, Susan Thorstensen, Jacque Fetro, Elaine Baxendale, and guards — Carole Beaucamp, Cheryl Bonsignor, Jacqueline Oaks and Judy Stone. An ounce of skill and a dash of speed were added to the blend. Then a ball was tossed in. The entire combination was seasoned with cooperation and coordination sprinkled with lots of spirit. The final result was an enjoyable and enriching season.

baseball

Under the direction of Coaches David McPhelim and Peter Melchiamo, the 1964 Chelmsford High School Baseball Team completed another fine season. Winning or losing, Captain Henry Desmarais and the C.H.S. nine played in the upstanding Chelmsford tradition.

Returning for the 1965 season will be Arnie Holtberg, Dick Caster, Ken Starrett, Jon Whitworth, Jim Norwood, and Jim Grant.

Their nucleus, plus a promising crop of rookies, should add up to a top-notch team and championship contender.
The season of '64 brought a new first for our Chelmsford Softball team—an undefeated record in the newly organized Lowell Suburban Softball League. These impressive victories were the result of a lot of hard work on the part of co-captains Nancy Phillips, a pitcher and outfielder, and Gerry Palmer, an outfielder, and their teammates: Joyce Fetro, 1st; Lillian Maselli, 1st; Judy Frediani, 2nd; Mary Halbert, 3rd; JoAnne Loiselle, 3rd; Joan Crane, short stop; Barbara Dixon, pitcher; Linda Marchand, Donna Gray, Rose Mary Fennell, all pitchers; Ronnie McHugh, Debbie Hordian, Barbara Loiselle, Cheryl Bonsignor, outfielders; and Carol Enis and Linda Sousa, catchers.

The games were also spiced with bits of unforgettable fun—Carol Enis’ dismay at being forever covered with dust as a result of her crouching position as catcher, of the famed flying leaps of Cheryl Bonsignor—usually ending in a tumble, or Mary Halbert’s deftness at catching balls with her mouth (or so it appeared); or, how about the thunderstorm that lead to a mad scramble for the buses in the middle of a game?!!

We could not have been successful without the help of our coach, Mrs. Nancy Edwardsen, to whom we owe our special thanks. Yvette Lemire should be commended for her fine job as the loyal manager. We wish the team of '65 as bright a season!

track

“I want to compliment and congratulate...” Once again, Coach Ed Quinn’s trackmen have triumphed. John Casey may have broken our school high jump record, Phil Ralowicz may have topped the freshman mile, or the relay team may have finished second in the state relays at Belmont.

The C.H.S. track team as a unit is highly commendable, as it won the Lowell Suburban Championship for the fourth consecutive year.

Leading the Lions this year are Co-captains Chuck Cormier and Barry Popolizio. Seniors who have been excellent performers and mainstays of the team are Frank Cleary, Stew Bell, Bob Loiselle, and the “Mighty Mite” Bob Spataro.

In winter track, the team placed second in the Colonial Track League, under Captain Frank Cleary.

The seniors lead their teammates in expressing appreciation to Coach Quinn for his superb guidance in their winter and spring activities.
Chelmsford now has the fastest sport in the world—hockey. Although it is a new sport to us, hockey has aroused great interest, and a tough competition developed on the first team.

Up to February vacation, Chelmsford has played only one team which has comparable comparable training and skating time. This was Burlington which the Lions tied once and defeated once. In all their other contests the odds were against them, but they showed a will to win even when they were down.

The team consists of only four seniors with the balance underclassmen; most of them had never played organized hockey before. Under the capable guidance of Coach Peter Melchiano, they have been trained into a well-organized team which can carry the puck, pass it, and play position hockey well.

Our team will lose only Mike Medin, Paul McNally, and Phil Harkins by graduation. With the number of returning players and the spirit which has already been shown, next year's team is on the road to success.
Golf is a relatively new activity at Chelmsford High School. For the past two years, under the leadership of Mr. John Conrad, Jr., and Mr. John McLaughlan, the golf team has enjoyed many successes. Although there was no league, our golfers, headed by Kenneth Hughes, played such schools as Concord-Carlisle, Nashua, Lovell, Mavnard, and Keith Academy. Arthur Miller represented C. H. S. in the Massachusetts Interscholastic Golf Tournament and established a reputable position for Chelmsford among schoolboy golfers.

Last year an intramural golf program was instituted for both boys and girls, and has been continued this year. This program consists of instruction in golf skills twice a week by Larry Martin, a professional at Thunderbird Golf Course.

As a result of our excellent coaches and our enthusiastic, hard-working golfers, more trophies should be arriving for championship performance on the fairways.
Starting from “scratch” is the hardest way to do things, but that is what Chelmsford’s first grapplers have had to do. At the beginning of the season these pioneer matmen were untrained and out of shape, but under the capable supervision of Coach Sullivan they have become well-trained, well-coordinated, winning wrestlers.

Bob Spataro, 110 lb. class; Randy Jennings, 115 lb. class; Rich Fournier, 121 lb. class; Joe Wedon, 127 lb. class; Dave Belida, 133 lb. class; Gary Randall, 138 lb. class; Harry Megens, 147 lb. class; Jim Younk, 157 lb. class; John Gregory, 167 lb. class; Steve Chadwick, 177 lb. class; and Danny Gleason, unlimited weight class, have worked hard to gain their positions as starters, but they have been challenged regularly by Dave Phoenix, Kurt Powers, Don Barley, Bob McEnaney, Phil Jones, Paul Monette Joel Wilson, Mike Rooney, Starr Center, and Steve Thunnel.

Randy Jennings, Joe Weldon, Harry Megens, Jim Younk, Gary Randall, and Danny Gleason have turned in successful performances this year and will be the backbone of next year’s team.

This year’s team, which has instilled an interest in wrestling in the students and people of Chelmsford, is a foundation on which many championship teams will be built to carry Chelmsford’s colors to victory.
weightlifting

"You only gain from something, what you put into it," is an apt slogan for body builders. Those who participate in this activity must be willing to put effort and concentration into achieving their goal—to develop strong, healthy bodies. Many participants in other sports, lift weights in order to keep in shape.

Under the capable guidance of Coach David Kerry, these athletes exercise three times a week and are on their way to excellence in physical culture.

CHELMSFORD'S WINNING TRADITION WILL NOT BE ENTRUSTED TO THE WEAK!
Chelmsford High, we honor thee today,
As others in the years ahead will do.
We look back on the fruitful years gone by
And give our everlasting thanks to you.

For leading us to deeper streams of thought,
For showing us the way to high ideals,
For adding to knowledge of the past,
We're thankful for the truths our school reveals.

Through experience we've grown mature,
Setting goals we shall attain.
Our youthful spirit will endure
And our friendships long remain.

We'll search to find a peaceful way of life,
With understanding mankind as our theme.
Forever keeping this idea in mind,
We'll strive to be, rather than to seem.
Always first out of the parking lot.

OUR yearbook photographer.
I haven't had so much fun since the third grade!

All I wanted was a bandaid.
