man reaching from the earth to the moon in our time ...
advancing technology ... faster travel ... more
communication ... creating a smaller world ... bring-
ing people closer together ... making us confront new
ideas, new people, new problems ... a changing way
of life ... challenges that we, as the future, must ac-
cept ... to experience life ... to become an active part
of our world ... this is our goal

involvement
doing something

thinking
because it interests you

about your own ideas and dreams
teachers and fun and problems
students sharing the work and

and rewards of learning
having friends
doing things with them

caring about them
relying on others
to achieve a goal
being aware
of the changes in today's world
that we are the future

for tomorrow
working with people
and ideas

this is involvement
the lions’ pride

doing something because it interests you ... thinking about your own ideas and dreams ... teachers and students sharing the work and fun and problems and rewards of learning ... having friends ... doing things with them ... caring about them ... relying on others to achieve a goal ... being aware of the changes in today's world ... working with people and ideas ... knowing that we are the future, we prepare for tomorrow ... this is involvement.
