participation ......................................................................................................... 70
faculty .................................................................................................................. 104
seniors .................................................................................................................. 128
senior index .......................................................................................................... 180
patrons ................................................................................................................... 190
conclusion ............................................................................................................. 192
180,000 new people born a day ... mcdonald's turns out 7 billion burgers ... “what is your ibm number, no names, please” ... “memorize your automobile license, social security and student identification numbers” ... 11 million cars on u.s. highways ... 700 apply for 2 openings ... 12.8% unemployed in chelmsford ... more schools, more apartments and bigger shopping centers ... world population approaches 3.8 billion
approaches 3.8 billion
1,500 crowd the halls . . . "girls, you're holding up traffic" . . . 36 students, 35 seats . . . "would all 'a's' through 'I's' report to the front foyer" . . . 3,000 feet erode stair treads . . . "please keep to the right of the hall" . . . "walking through the corridors is a contact sport?" . . . 200 more students next year . . . students feel the squeeze

students feel the
squeeze ...
but demand recognition one
soft spoken . . . reassuring . . . available . . . come in any-
time and we'll talk it over . . . what do you think you'd
really like to do in the next few years? . . . computer sys-
tem for finding the right colleges and occupations . . .
training students to be prepared for business and in-
dustry . . . congratulations! you've been accepted! . . .
committed to making education through guidance, the
means by which one may find himself . . . for a genuine
concern for us all, we dedicate this yearbook to the man
in charge of the rest of our lives, mr. edward balcom

dedication
sports challenge individual ability
winning season crowns team effort

r. hunt, a pheiffer.

most valuable player, k. scoggins; most improved player, d. allaby.
40 men for 40 minutes ... coach kerry and staff never quit ... 4-0 at halfway mark ... cast and crutches, standard equipment ... seniors tear up gridiron ... sink, allaby, and pfeiffe, all star team ... 150% ... "block, jumbo!" ... "films in five minutes" ... abba's strong right arm ... scogg's a little punchy ... victory card games ... no white shoes for thanksgiving!! ... 5-2-1, not bad ... second place, we'll try harder
seniors tear up gridiron

k. scoggins

s. jones

tri-captains k. scoggins, a. pheiffer, s. jones.
