Farewell to you and to the youth I have spent with you. It was just yesterday we met in a dream. You have sung to me in my aloneness, and I of your longings have built a tower in the sky. But now our sleep is fled and our dream is over, and it is no longer dawn. The noontide is upon us and our half waking has turned to full day, and we must part. If in the twilight of memory we should meet once more, we shall speak again together and you shall sing to me a deeper song. And if our hands should meet in another dream we shall build another tower in the sky.

Kahlil Gibran
Friendships multiply joys and divide griefs.

H. G. Bohn
True happiness consists not in the multitude of friends but in their worth and choice.

Ben Johnson
I want someone to laugh with me.

B. Tishman
Happiness is like a butterfly which, when pursued, is always just beyond your grasp, but which, if you will sit down quietly, may alight upon you.

Nathaniel Hawthorne
No bird soars too high if he soars with his own wings.

William Blake
Success in life is not so much a matter of talent or opportunity as of concentration and perseverance.

C. W. Wendie
The road is long ing turn ... that knows where.
with many a wind-lead us on to who

B. Russell and B. Scott
There is nothing so much as a mind well instructed.

Lord Bacon
A little mind is boastful and incredulous, for he fancieth all knowledge is his own.

M. Tupper
If you have a goal in life that takes a lot of energy, that incurs a great deal of interest and that is a challenge to you, ...
... you will always look forward to waking up to see what the new day brings.

Susan Schutz
The significance of a man is not in what he attains ...
... but rather in what he longs to attain.

Kahlil Gibran
We're free to go where we wish and to be what we are.

Richard Bach
"We are lost unless your skill and valour come to our support."
Cervantes, Don Quixote

When it first came time to dedicate this book, many names were mentioned. The unanimous choice, however, was the only person ever to be advisor to the yearbook for as long as three years: Miss Skowron.

During that time, deadlines have come and gone, staff members have fallen away and new recruits found. Yet the driving force behind the LION has always been the same.

The staff of the 1977 LION wishes to dedicate this book to an advisor whose knowledge, energy and patience have made this yearbook possible. The 1977 LION is gratefully dedicated to Miss Anne Marie Skowron.

YEARBOOK

It's only a yearbook ... When's the deadline? ... What deadline? ... Is there a meeting today? ... There's always a meeting ... This is the entire staff? ... Miss Skowron - "Is there anything I can do?" Miss LaChance - "You don't need me, do you?" Mr. Boucher - "Steve, could I see you for a moment?" The 1977 yearbook was a trial by fire for "green" editor. However, with a small staff, who deserve much credit, and a persevering advisor, we pulled it off. The sincere thanks of the entire staff go to Miss LaChance, Mr. Boucher, and especially Miss Skowron.
A.F.S.

Our 1976-1977 year began in August, when Ingrid Franke, Lars Astrand, and Greg Zimmerman arrived in Chelmsford. Ingrid came to us from Germany along with Lars from Sweden. Greg, participating in the domestic program, arrived from Wisconsin. In the summer domestic program, C.H.S. student Kevin Corbett, went to Minnesota. During the first semester, Ken D'Amato was sent to Maryland.

A very successful year was launched with our first Ham Supper. This activity was well planned and well attended by the public. A busy A.F.S. weekend was held in Chelmsford on Jan. 12, 22, 23 with invited guests from Italy, Luxembourg, Greenland, Argentina. Events included the faculty play, tobogganing, volleyball and a party.

CANOE CLUB

The Canoe Club is meant to be more than simply a social group. By experiencing new and often difficult situations, it is hoped that students will develop a sense of self-reliance and cooperation with others. Too often the classroom atmosphere is insufficient to instill the values learned through physical work and group recreation. Nature enhances this extended education and gives the canoeist a chance to relive the experiences of early Americans and outdoorsmen everywhere.

SPANISH TUTORIAL PROGRAM

We often hear the phrase "people helping people to help themselves." Every Tuesday afternoon volunteers from C.H.S. put these words into action. Not only do our students help elementary school children to help themselves by learning English (and have some fun while doing it) but our students also gain by using their Spanish and achieving personal growth at the same time. Shouldn't this be the true goal of our education?

The Chelmsford High School chapter of the Societe Honoraire de Francais is not just an honorary organization. We have successfully developed a tutoring program for high school students having difficulties in French, staffed by volunteers from the S.H.F. We are making preparations for career and culture days and an induction ceremony in the spring. We are also planning for our French vs. Spanish Honor Society soccer game at the end of the year.

an end,
is only another beginning,
a pause and an exclamation
before a continuous sequence
peaks and valleys echo with footfalls;
voices, tears
and joys cry out,
traveling from one road to another –
