1978 LION

Leaf back through the album of time . . .
Re-enter that world you shared and see
Them all as they appeared to you then . . .
We all
live under
the same sky,
but we don't all
have the same horizons.
Konrad Adenauer
MEMORY IS
THE DIARY
THAT WE
ALL CARRY
WITH US.
WHAT YOU ARE TO BE,

YOU ARE NOW

BECOMING.

Guy T. Cook
TRUE FRIENDSHIP IS A TREASURE WITHIN ITSELF.
NOTHING CAN BUY IT, NOT ALL THE WORLD’S WEALTH.

EVERY INDIVIDUAL HAS A PLACE TO FILL IN THE WORLD, AND IS IMPORTANT IN SOME RESPECT,
WHETHER HE CHOSES TO BE SO OR NOT.

Nathaniel Hawthorne
THEY CAN CONQUER WHO BELIEVE THEY CAN.

Ralph Waldo Emerson
Finally I realize, this isn't the end! It is only the beginning. The youth of our love and happiness. Only our first departure!

In Loving Memory of Cindy Mark

Life is full of ups and downs that lead from day to day the times get hard we know sometimes but be that as it may Today is full of miracles the days are short and few but live them full as Cindy did that's my advice to you Peace comes to those who live their life the way they want to be chasing dreams, forfilling them as Cindy did for me

Cindy loved through good and bad and came out right on top made her wishes chased her dreams her full life never stopped End never was a word for her defeat did not exist through her short life came miracles it was for freedom she'd persist Death came to her quite suddenly we really don't know why but she left behind some memories we can live on if we try Karen Pergola

Chip Drapeau & Vicky Mason
Your Graduation Day marks for you the End of a long twelve year journey through a world of myriad experiences, expectations, achievements and disappointments from which you have acquired much insight. This Graduation Day marks for you the Beginning of a far more complex and involved journey through the world of infinite challenges that lie ahead. I am confident that your experiences at Chelmsford High School have played an important role in preparing you to meet those future challenges.

At Chelmsford High School you have evidenced your sense of responsibility and sense of purpose in every aspect of school life. It is evident in all classrooms, but it is most gratifying to see in athletics, clubs, activities, in the student leaders you have chosen and the projects you have undertaken and completed.

As you journey into the world that exists beyond the walls of Chelmsford High School, that same sense of responsibility and sense of purpose, which we at Chelmsford attempt to foster, will continue to guide you and bring you success. It is my earnest hope that you will, in turn, see it as your obligation to support public institutions like Chelmsford High School from which you benefitted, in order to guarantee others a similar journey from which they will experience similar benefits.

As Principal of the Class of 1978, I have experienced the pleasure of working with your closely united class and your fine student leaders, and I have proudly witnessed your accomplishments and achievements. It is with this memory that I wish to extend to you my very best wishes for a successful and satisfying future.

This year AFS meant Eardly Dijkstra from New Zealand, Andrew Skarrupa from West Berlin, and Carol Evans returning from Greece. On the domestic side we welcomed Sharon Strickler from California and saw our own Kim Martines go to California. AFS was the ORIS Dance: Who’s got the tickets? Who’s got the list? What tickets — what list? At least Carol has the money . . . Kris Kindle . . . Roller Skating . . . Sleigh rides . . . for a few — what sleigh ride? Let’s drive around Concord and play freeze-out instead . . . I don’t know these people . . . Well, Andrew has managed to live and Eardley’s managed to keep away from any more fire alarms. We’ve had a great year, many memories and many thanks to our officers, advisors, and dedicated club members.

World losers & world forsakers
On whom the pale moon gleams
Yet we are the movers & shakers
Of the world forever, it seems.

Anon.
The past efforts of the High School newspaper staff had churned out a rather useless, silly publication, The Paper Lion. With the new year, 1977-1978, the Paper Lion was discarded entirely and replaced with The Voice. New ideas and philosophies of what a student publication should be emerged. It is a tool, a forum of thoughts, a potentially powerful instrument. The staff will remember and will continue to remember in future years...its got to be visually stimulating...controversial...investigative reporting...staff unity...constant dedication...exert the power of the student press. The staff seniors take with them...the Other House...Ed’s Notes...The Young Americans...Culture Vulture...and our foreign correspondent in France. Special thanks to our advisor, Mr. Meidell, for not giving the Voice laryngitis.

SCHOOL EXCHANGE CLUB

The School Exchange Service is a school centered program sponsored by the National Association of Secondary School Principals and the Council on International Educational Exchange. The program provides an intercultural experience for students and teachers. It stimulates curriculum development and program enrichment in the School. A key aspect of the program is the continuing contact between linked schools which includes correspondence between classes, departments, and administrators on topics of mutual interest, as well as student to student and family to family contacts — our link school is the Lycee Montesquieu in LeMans, France. Fifteen CHS students with their group leader, Miss Pelletier, attended the Lycee Montesquieu for three weeks in February. During April young Lyceens from the Lycee Montesquieu with their group leader, M. Lucien Benkemorn, will attend CHS.
