TABLE OF CONTENTS

Awed by the expansiveness of a new school and new people, we entered CHS hearing the empty echoes of unfamiliar halls. Two weeks into school, however, we fell into the beat, the rhythm, the cycle of CHS--Chicken nuggets on Monday, Deli Day on Wednesday, Sal's Pizza every day.

But what about those faces in the hall? The friend you met every day at 9:00? The crowds in Hawthorne hall? The morning announcements and the afternoon activities? The murals and The Newszone on Fridays? These are all aspects that will forever define the atmosphere of our school.

This is where we built the foundations for our futures. This is where we formed ourselves: in the library, in the cafeteria, in the classrooms, and on the playing fields. It is these experiences and these memories that will be secured forever in the hallways of CHS, making us realize that no matter what the future brings, some things never change.

STAFF DEDICATION

MR. RUSSO

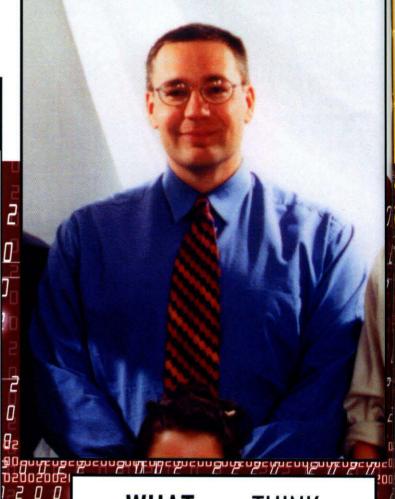

For the past four years we have been led by a teacher, coach, and friend. Through his numerous roles, Mr. Russo has touched all our lives in some way during our years at Chelmsford High by guiding, encouraging, and helping us. Whether he is in class, on the field, or serving up a batch of his Famous Meatballs[™], his winning personality has always shown through.

As one of our class advisors, he has contributed tremendously. Mr. Russo has always given the class representatives trust and room to grow, which they have valued greatly. As a result, the class of 2002 has only met with success.

Mr. Russo is not only a great leader, but also a great person. All his students rave about his humanity and humor. If they need help in any way whatsoever, they know they can turn to Mr. Russo. As Jeff Smart wrote, "He really cares about you as an individual, not just some kid."

Tom Donigan summed up Mr. Russo best: "He's the man."

WHAT you THINK

"Our fearless leader, taking us to senior year and sending us out to the beyond."

- Ryan DeMoura

"He is caring, understanding, and respected by all." - Bonnie Goff

"He always tells us he loves his job and it shows." - Diana Marghella

"He has given us the motivation to succeed and want to be the winning class every year." - Janvi Doshi

"He conducts his classes in a way that makes learning fun and exciting."

CLASS OFFICERS

CLASS of **2002**:

the CLASS OFFICERS 0 0 2 0

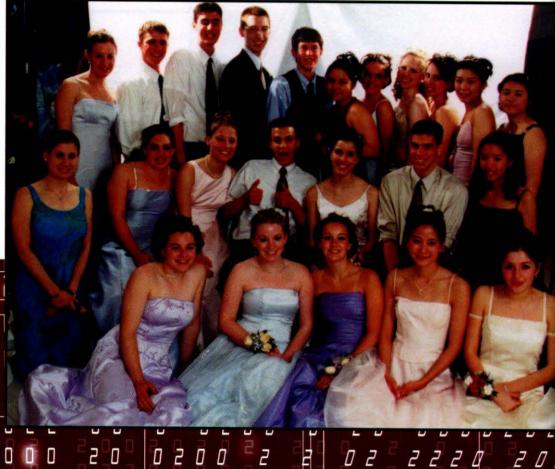

Rebecca Burtman, President David Muzykewicz, Vice President Adriane Denneno, Secretary Mitchell Campbell, Treasurer

Each year we've watched the senior class finish SATs, be accepted into college, and graduate; now it is our turn. It's finally our time to move on. The successful senior year that we have just completed would not have been possible without the incredible dedication of all the class representatives who put in long hours after school to make our years here more enjoyable. We especially want to thank our outstanding class advisors, Mr. Russo and Mr. Callaghan. They are the backbone of our class and deserve our deepest thanks. Representing the class of 2002 as class officers has been an amazing honor. We know that our class can accomplish great feats and there is no doubt that we will all make an impact on this world. Good luck in the future and see you at the reunion!

CLASS REPS

CLASS of **2002**:

We're done. Who would have thought that this day would actually come? After all our hard work and planning we can relax and enjoy the fruits of our labor. We did a fantastic job. Just look how far we have come. We've changed from being clueless freshman, frantically hanging up our ball and painting, to clueless seniors, frantically hanging up our ball...ummm. It's funny how some things never change.

Shocking!

So shall all the couples three ever true in loving be; And the blots of Nature's hand shall not in their issue stand: Never mole, hare-lip, nor scar, nor mark prodigious, such as are despised in nativity, shall upon their children be. With this field-dew consecrate, every fairy take his gait, and each several chamber bless through this palace with sweet peace; Ever shall in safety rest, and the owner of it blest. AFTER 1:57 at CHS

From the first day of freshman year to the last day of senior year, there is one phrase heard most often, and that is "get involved." Students may get involved in so many organizations from the Theater Guild to the Computer Team to the Voice. There is a wealth of extracurricular activities at Chelmsford High School for the artists, the writers, the mathematicians, and everyone in between. CHS is more than the place where you just learn some stuff five days a week for four years. It becomes a place of memories, of working on the Spirit Wall for Class Reps, singing in the concert choir, and working with the elderly for the Thomas Jefferson Forum. The following pages are our attempt at capturing these special moments, and we hope that as you look through them, you will realize how these memories never change.

2003 Class Reps

The Class of 2003 representatives began the year by building offlast year's Spirit Week success. The creation of their wall took priority as they aimed for another great performance. In the fall, we raised funds by selling hooded sweatshirts many thanks to the Class of 2001, along with Mrs. Bickel and Mr. Pollard, for donating extra sweatshirts from their class's supplies.

Student
Council is

The French Honor Society is composed of high-ranking, third-and-fourth year French students. They attempt to broaden people's horizons about French culture through community service projects and through a yearly National French Week.

The three M's stand for Many Making Music. This embodies the purpose of the Tri-M Society. All members are involved in music somewhere in the Chelmsford school system. Whether it be concert or marching band, chorus or concert choir, jazz ensemble or orchestra, these young musicians know that music effects our everyday lives in some way. Tri-M is a way for music lovers to come together and spread their wealth amongst others in the group and in the community.

Having A Ball

All of our hard work has finally paid off! As seniors we are proud of our season and our team. All the girls played and worked hard, which shows in our 15-1-1 record.

Captains Oompa, Jocelyn, and Lora kept the team in line while Alyssa teased the underclassmen. Campo and Wellman secured the net while Legs led in scoring. Big Foot Buck could score from anywhere on the field, Redhead(Auburn?) somehow managed to trip over the nets, and Micaella was oblivious to criticism (yes, coach yells at you!) We all agree that Ali should have been blonde and that someday Erika will find her left foot. Gretchen found happiness making fun of coach and Theresa finally found her voice. E was always at Doc's and Valcourt would be fashionably late to spaghetti dinners. And what would we have done without Lizzy, who was always there with a smile!

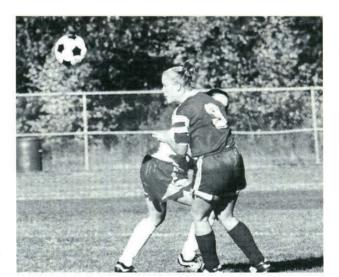

Good luck next year, have fun doing 7's and don't forget the Foliage! Thanks for the great seaon and great memories. We love you Mama W!!

Even though their record doesn't show their hard work, the Boy's Soccer Players still had a fun season and still got to...

Get A Kick Out Of It

Even though we didn't leave the season with a winning record, we left with something else. We left knowing that no one on the team gave up, and that everyone was faced with the same adversities. But in the end, we had a good season, We had fun and worked hard. Even when those few breaks didn't go our way, we held our heads high, proud to represent Chelmsford High. Next year, we hope that the record will be better. Good luck Nate and Mike. We will always be better

than the girls team.

Make Some Waves

It started with the "shortened" run,
That was our way of making it fun.
At pasta dinners we ate everything in sight,
The friendships we have formed are all so tight.
Who ever had the most food at China Buffet?
Oh our hairy legs, we couldn't wait to shave it away.
For the fourth year in a row, AB was no challenge for us.
We swept them away like windblown dust.
Senior dance club night was a fun expedition,
Every grade must keep up that tradition.
With 20 seniors and nothing to fear,
We always got psyched up using our famous cheer.
"No flash photography," Mrs. Kinnett would yell,

Good luck to each and every one of you in the years to come,
We have given it our best and the rest is left unsaid.

On the Ball

We had an awesome season. Everyone tried their hardest. We pulled together every game and gave it everything we had. There were some challenges, but we always overcame them. It was a season that will never be forgotten. Coachie would always pump us up and get us going. Then we would all keep it going by the strong support we had for each other. Our record might not have been the best in the state, but we sure took pride in what we worked so hard for everyday.

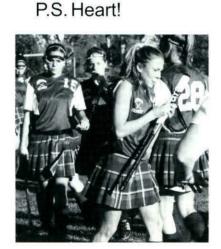

Brewster was awesome, especially the rivalry with who had the best music in their van. The ride was long, but well worth it because it was such a crazy weekend. When else do you get to stay in a house with 25 other people? And of course those crazy stories that creeped us all out. (Dudley Rd.) It wasn't a hard time staying in shape when the "Mom Run" became a very frequent event at practice. We were a Big Ballin' team. Remember the magic and always hold the rope.

On the run

When the season started we were told: "Beat the teams we should beat and scare the teams we can't beat." Although we weren't a very intimidating bunch, anyone would agree that we accomplished this goal. Despite a glitch in the MIAA rulebook that took our star high jumper out of action, we pulled off a decent 5-4 record. Chelmsford may not have earned championship honors, but this young team certainly earned a great deal of respect throughout the Merrimack Valley Conference.

Once again finishing with an undefeated season, the Girl's Track Team showed the MVC that they can...

STRIDE RIGHT

We showed all of the other teams "WHAT'S UP!" Whether soaring over hurdles, elbowing at the starts, throwing around big balls, leaping over high bars, or just being prettier... everyone, all 10,148 members of the team contributed to our undefeated season. Mr. Lang ran the show and Lenny...is still wearing those pants he bought in 1976. Dave's encouragement does not reflect his driving ability, and Durk, we all know we are 'his girls', "Yeah Baby." Mr. Russo, being his first year indoors, showed no inexperience in his coaching. Sometimes the tired, burning muscles, the ache of your swollen feet, the feeling of pain deep in your gut, and the desperate gasps for oxygen made you question why you are a runner. But the feeling as you PR in your event or cross that finish line first is one that beats all others. The pain is worth the glory. So girls, always remember this amazing season. Peace it.

Love, Lora, Steph, Kara, Jill, & Jocelyn

DIVE RIGHT IN

We have overcome a lot this year with injuries, accidents, pre-season without captains, and a new coach. Despite the changes and setbacks, the team rose to the occasion and met the challenges that faced them. Because of this we emerged to be the strongest and closest team we've seen in our four years. Congratulations, everyone. You should be proud. Dave and Mike, thanks for all your help and for a great season. As captains and seniors we wish the team good luck in the oncoming years.

Pin down

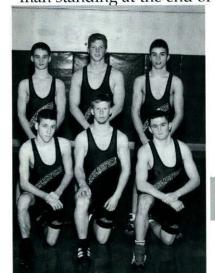

During our wrestling careers at Chelmsford High School, we have seen many things. We have seen the dominant teams of '99 and '00, and the underdog years of '01 and '02. We saw a winning streak of over 30 meets from beginning to end. However, during this year's wrestling season, we probably had more fun than we have had over the past four years. Although it was considered to be a rebuilding year, we managed to place high at many of the tournaments, including fourth place in a tough sectional tournament.

We didn't dominate like Chelmsford High wrestling teams of the past have done; however, we managed to stick together through lots of adversity, which showed real character. Thanks to the help of the coaches, we have been able to make a very respectable showing out of what was supposed to be a downhill senior year. We'll never forget the fun times at Chelmsford High, working hard for hours each day down in the forbidden wrestling room all just to be the last man standing at the end of the match.

Thanks to everyone who helped us along the way.

HIT THE ICE

We started off this season strong and beat tough teams like Catholic Memorial and Matignon. While we had some tough games like Billerica, where fighting didn't only happen on the ice, we had a successful season. We want to thank our dedicated fans who wore our old, smelly shirts and celebrated goals like no other town -by throwing tennis balls. Good luck next year to the rest of the team, and thanks for all the memories.

There was a new addition to Chelmsford High sports this year, the Girls Hockey team. With a little determination they were able to...

SKATE ON IN

Our premiere season has come and gone too quickly. As the first CHS Girl's Varsity Hockey team, history was made with every stride we took, every pass we completed, and every shot blocked. We are proud of who we are and all that we have accomplished. Each time we stepped on the ice whether at 5:30 a.m. at the Forum, and evening in Marlboro, or any other rink, every single girl on this team poured her heart and soul into the sport. With smiles and cheers we remained upbeat, ready to embrace the new challenges before us. A team built on improvement, determination, and most importantly, encouragement and enjoyment, we had one of the most memorable years of our lives. As captains, we thank you all for making the season so special. You, along with friends, family, faculty, and coaches, have showed us that you can do anything you set your mind to. We leave you with a favorite quote, "It takes courage to have a dream and determination to make it come true." We wish you all the best of luck in the future.

The key to success:

IF:

A = 1 B = 2

N = 14O = 15

C = 3 D = 4

P = 16 Q = 17

F = 6 G = 7

R = 18 S = 19

H = 8 I = 9

T = 20 U = 21V = 22

J = 10 K = 11

V = 22W = 23

L = 12

X = 24 Y = 25

M = 13

Y = 25Z = 26

Then:

H A R D W O R K = 8+1+18+4+23+15+18+11= Only 98% Similarly,

K N O W L E D G E = 11+14+15+23+12+5+4+7+5 = Only 96% But, interesting (and as you'd expect),

ATTITUDE= 1+20+20+9+20+21+4+5 = 100% ...

This is how you achieve 100% in LIFE.
